

(1)(a) I hereby certify that no preliminary data reduction for this subpopulation has been completed for the lot above. I, (1)(a), accept the responsibility for any denied specific test permits and shall accept the responsibility for any remedial actions needed such as the renotification or renotification of the lot to obtain the on-site certification. (1)(b) needed for a lot. Each lot must undergo a sufficient number of tests to ensure that the lot meets the ground absorption design disposal system and water supply order for the issuance of a building permit. This certification is based on current state and local laws and regulations.
