

# BOAT SLIP ASSIGNMENTS

Updated 10/26/2022

## Lakeshores Plantation Residential Community Association, Inc.

### Notes:

1. Boat slip assignments are based on original allocations made by the developer (T-Wel Assoc.) and as updated subsequently.
2. There are two community docks: A and B. Dock A is the outer most dock, with slips on both sides.
3. Slip numbers are located on the dock surface.
4. Any modification or attachments to the slips require the written approval of the LPRCA Board.
