DESCRIPTION	AMOUNT
Job location: 2575 Mint Julep Dr Creedmoor NC Roof Inspection	125.00
Nestor Went out and did a roof inspection. He found that the roof is in great shape There was only one concern with the pipe flashings They do not need immediate attention now but within the next few years they will need to be removed and installed new ones. Other than those concerns there is nothing else wrong with the roof It's not showing significant aging or wear and tear.	0.00
