Permit Conditions

*Permit Conditions

50' FROM ANY SEPTIC, 10' FROM PROPERTY LINES AND 25' FROM ANY BUILDING INCLUDING OVERHANGS

Well location, construction and protection must meet all state and local regulations and must be inspected and approved by an authorized representative of the Local Health Department. The permit may be revoked at any time for failure to comply with existing regulations. The siting of approved well construction area(s) by the Health Department is to provide protection from the known possible sources of contamination. The approved well area(s) may not be changed without permission from an authorized representative of the Local Health Department. Issuance of this well permit does not guarantee water quality or adequate water production from the well once it is installed or repaired.
