RE: Engineer's Certification Submittal - NCG551872

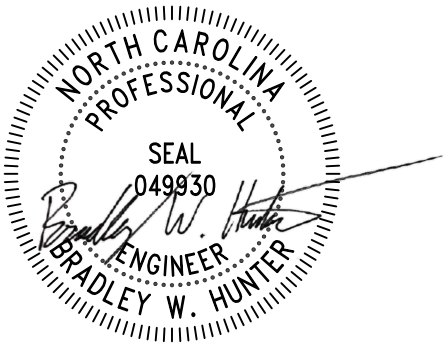
Baldinger Residence | 3405 Forest Road, Raleigh, NC 27604

On behalf of Alayne C. Baldinger, Elevation Engineering, PLLC submits the enclosed Engineer's Certification for the wastewater treatment system at 3405 Forest Road in Raleigh, North Carolina, under NPDES Certificate of Coverage and Authorization to Construct No. NCG551872.

Full Circle Environmental Services completed the required leak test during the week of November 9, 2026. Please refer to the attached letter from Full Circle Environmental Services.

Please include the enclosed Engineer's Certification and supporting leak-test letter in the permit file. If additional information is needed to complete your review, please contact me at 252.559.9789 or Brad@Elevation-Engineering.com.

Sincerely,



Brad Hunter, P.E.
Elevation Engineering, PLLC

Enclosures: Engineer's Certification; Full Circle Environmental Services water-test letter

RE: Fuji Clean CEN5 Water Test

3405 Forest Dr. Raleigh NC

To Whom It May Concern:

Full Circle Environmental Services has completed a water test to ensure the treatment unit meets all requirements for water tightness and shows no signs of leakage or deformities to cause any leaks. Thanks.

Zachary T. Woody

President
