

Please see below for maps of utilities near areas of interest.

22 Ennis Murphy Rd

- Water is available here via Vicksboro road
- Sewer may be available via Vicksboro road, this is depending on where the building(s) are constructed on site
- This property would be a potential city water and sewer customer
- Developers would have to contact the public works department for pricing on water and sewer taps as there are different options and pricing based on consumption needs. The point of contact will be Lee Owen at leeowen@henderson.nc.gov or 252-431-0419.
