

List of items to convey at 233 Bellwood Dr.

Assuming that completely unattached items like my large corner desk in my office don't need to be listed, here is the list of items that will convey and those that won't:

Items that WILL convey:

1. All curtains and window treatments
2. Washer and Dryer – front load on pedestals
3. Flatscreen in the den with motorized mount and including all A/V equipment (except rented Spectrum items) including universal remote and Bose sound system components
4. Flatscreen in owner's suite bedroom with connects with components in dens noted above
5. Central Vacuum components such as power heads, hose, etc.
6. Home media room A/V components including universal remotes and sound system
7. Microwave in media room
8. Media room recliners (8 in pairs of 2)
9. Two large glass front bookcases – face to face in the office
10. GE refrigerator in basement
11. Pioneer High-Definition TV in basement including component cabinet and all A/V equipment including universal remote and Bose sound system components
12. Wine room racks and furniture as well as Whisperkool chiller
13. Goalrilla parking-pad basketball goal
14. Garage Tek bike racks and other cabinets, racks, hooks & shelves in the garage

Items that WILL NOT convey:

1. Microwave in breakfast nook nor any counter top appliances there or in the kitchen
2. Kenmore kitchen refrigerator
3. Large open bookcase in office
4. Wine refrigerator in the basement
5. Ping Pong table in basement
6. Pool table in basement
7. Gadena hose reel on patio
8. Lawn furniture
