September 29, 2021

Dear Residents of Aycock Village,

On June 5, 2021 the Aycock Village Road Maintenance Association (RMA) met. The purpose of the RMA is to manage the private roads within the subdivision and enforce the provisions of the by-laws.

The developer, W.A. Currin, has sold 90% of the available lots within the subdivision and therefore is not solely responsible for road maintenance. The responsibilities of the roads in Aycock Village are now the property owners. It was voted and approved that the property owners shall pay **\$200** for road maintenance for the 2021 year. It is intended that additional maintenance will be done throughout the year and beyond.

Therefore, this letter serves as a notice for payment of road maintenance dues of **\$200** which is due by **November 30, 2021**. Please mail payments, (cashier's check or money order) to:
