I hereby certify that this subdivision, entitled _____, is generally suitable for the use of individual septic tank systems and individual water supplies. However, this certification does not constitute "blanket approval" of all lots in the subdivision and is issued subject to the approval of each individual lot by the Granville County Health Department and the issuance of an improvement permit for each lot as required by the General Statutes of North Carolina. Any artificial drainage measures installed or proposed for installation in this subdivision to control the water table must be properly maintained. Lots must be properly landscaped to control surface water in order to decrease the chances of septic tank system malfunctions.
