Dear Construction General Permit Permittee:

You have been granted coverage under North Carolina's NPDES General Stormwater Permit for Construction Activities.

Your Certificate of Coverage (COC) number is **NCC241275**, and your COC is attached.

This COC has been issued for Oxford Sports Complex in Granville County, in response to the Notice of Intent (NOI) application submitted on 4/23/2024.

You are required to follow the conditions of the [NCG010000 General Permit](#) (or NCG250000 General Permit, if applicable) for the duration of your construction activity. You will be covered by this COC until an electronic Notice of Termination (eNOT) is submitted and approved, provided you remain current with your annual permit fees.

Remember, you must submit the **ORIGINAL SIGNED NOI CERTIFICATION FORM** that was uploaded to the eNOI to the Stormwater Program at the address on that form. The original signed NOI Certification Form is required to fulfill federal application requirements.

If you have any questions, please contact the Stormwater Program at (919) 707-3640, or visit <https://deq.nc.gov/NCG01>.
