ANNUAL GENERAL ASSESSMENT

A. The Developer for each Lot owned, hereby covenants and each Owner of any Lot by acceptance of a deed for same (whether or not it shall be so-expressed in such deed) is deemed to covenant and agrees to pay to the Association annual general assessments or charges as hereinafter provided. The annual general assessments, together with interest, costs and reasonable attorneys' fees, shall be a charge and lien on the land and, subject to the provisions of Article 9, shall be a continuing lien upon the property against which each such assessment is made. Furthermore, each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time when assessment fell due. The personal obligation for delinquent assessments shall not pass to a successor in title to a Lot unless expressly assumed by them but, subject to the provisions of this Declaration, delinquent assessments shall continue to be a lien upon such Lot. The assignment will commence upon conveyance of a lot to an owner and may be payable monthly or quarterly at the direction of the Board of Directors.

B. Until June 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual general assessment shall be Two Hundred and 00/100 Dollars (\$200.00) per Lot payable annually or at other intervals in the discretion of the Board of Directors but subject to change by the Board of Directors.

1. From and after June 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual general assessment may be increased each year not more than five percent (5%) above the assessment for the previous year or the increase in the Consumer Price Index from the base thereof in 2004 if greater than five percent (5%) without any vote of the membership.

2. From and after June 1 of the second year immediately following the conveyance of the first Lot to an Owner, the maximum annual general assessment may be increased by an amount up to ten percent (10%) of the assessment for the previous year, provided the proposed increase is approved by a vote of two-thirds (2/3) of the Members who are voting in person or by a proxy at a meeting duly called for this purpose.

3. Prior to the first Annual Meeting of the Membership of the Association (as provided in the Bylaws) and prior to each Annual Meeting thereafter, the Board of Directors shall adopt a proposed budget for the Association for the upcoming fiscal year. Within thirty (30) days after the

adoption of the proposed budget, the Board of Directors shall provide to all of the Members a summary of the budget and a notice of the meeting (which meeting may be the Annual Meeting) to consider ratification of the budget. The notice shall include a statement that the budget may be ratified without a quorum. The Board of Directors shall set a date for the meeting (which may be the same date as the Annual Meeting) of the Members to consider ratification of the proposed budget, which meeting shall be held no fewer than ten (10) nor more than sixty (60) days after mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting in order to ratify the proposed budget. The budget is ratified unless at the meeting a majority of all the Members rejects the budget. In the event the proposed budget is rejected by a majority of the members, the periodic budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent budget proposed by the Board of Directors.

4. Once the annual general assessment has been set, notice of the annual general assessment shall be given all Members. After the initial notice of the assessment, such assessment shall become due and payable as provided by the Board of Directors.

C. Written notice of any meeting called for the purpose of taking any action authorized under Paragraph 2 above shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at such subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

D. The annual general assessments levied by the Association shall be used exclusively to improve, maintain and repair the Common Areas, to pay the expenses of the Association, to pay the cost of lighting the Common Areas, to pay the cost of any insurance the Association determines to purchase and to promote the recreation, health, safety and welfare of the Members and to pay taxes levied upon the Common Areas.

E. The Association shall, upon demand, and for reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments upon any specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

F. The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment. However, the sale or transfer of any Lot pursuant to foreclosure of a first mortgage or any proceeding in lien therefor, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

G. At the time of closing of the sale of each house, a sum equal to at least two (2) months assessment for each house shall be collected and transferred to the Association to be held as a working capital fund. The purpose of said fund is to insure that the Association Board will have adequate cash available to meet current operating expenses including current operating deficits. Amounts paid into the fund shall not be considered advance payment of regular assessments.

ARTICLE 8 SPECIAL ASSESSMENTS

Special assessments may be levied against Lots for such reasons as are provided in these Restrictions, the Articles or the Bylaws and on such terms as provided by the Board of Directors or the members. Either the Board of Directors or the Members may levy and impose special assessments upon a majority vote. The purposes for which special assessments may be levied include, but are not limited to providing funds to pay extraordinary Community Expenses which exceed the general assessments on hand to pay same and providing a contingency fund for payment of special improvements and extraordinary expenses. Furthermore, certain assessments may be assessed against specific Lots. In the event the Owner of a Lot fails to comply with the provisions of Article 13 hereof, the Association may perform such task or remedy such matter and levy the cost of such performance against the Owner of such Lot and such Lot as a special assessment.

ARTICLE 9 LIEN FOR ASSESSMENTS

Any general or special assessment, if not paid within thirty (30) days after the date such assessment is due, together with interest at the maximum rate allowed by law per annum, costs of collection, court costs, and reasonable attorneys fees shall constitute a lien against the Lot upon which such assessment is levied. Additionally, the Association may impose the maximum late charge on any unpaid sum allowed by law. The Association may record notice of the same in the Office of the Clerk of Superior Court of Granville County or file a suit to collect such delinquent assessments and charges. The Association may file Notice of Lis Pendens, bring an action at law against the Owner personally obligated to pay the same and/or bring an action to foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein.

ARTICLE 10 COMPLIANCE WITH THIS DECLARATION, THE ARTICLES AND THE BYLAWS OF THE ASSOCIATION

In the case of failure of a Lot Owner to comply with the terms and provisions contained in this Declaration, the Articles or the Bylaws of the Association, the following relief shall be available:

A. The Association, an aggrieved Lot Owner or Owners within the Subdivision on behalf of the Association, or any Lot Owner on behalf of all the Lot Owners within the Subdivision shall have the right to bring an action and recover sums due damages, injunctive relief, and/or such other and further relief appropriate.

B. The Association shall have the right to remedy the violation and assess the costs of remedying same against the offending Lot Owner as a special assessment.

C. If the violation is the nonpayment of any general or special assessment, including any interest charge or late fees, as the Board shall determine, the Association shall have the right to suspend the offending Owner's voting rights and the use by such Owner, his agents, employees and invitees of the Common Areas in the Subdivision for any period during which an assessment against the Lot remains unpaid.

D. The remedies provided by this Article are cumulative, and are in addition to any other remedies provided by law.

E. The failures of the Association or any Owner to enforce any restriction contained in these Restrictions, the Articles or the Bylaws shall not be deemed to waive the right to enforce such restrictions thereafter as to the same violation or subsequent violation of similar character.

ARTICLE 11

AND EXCEPTIONS AND RESERVATIONS BY DECLARANT

Every Owner of a Lot within the Subdivision, as an appurtenance to such Lot, and the Developer shall have a perpetual easement over and upon the Common Areas and other open spaces within the Subdivision for each and every purpose or use to which such Common Area were intended as determined by their type, or for which Common Areas generally are used. No provision contained in these Restrictions, the Articles or the Bylaws, shall be deemed to have been waived, abandoned, or abrogated by reason of failure to enforce them on the part of any Person as to the same or similar future violations, no matter how often the failure to enforce is repeated.

ARTICLE 16 VARIANCES

The Board in its discretion and subject to local law or ordinance may allow reasonable variances and adjustments of these Restrictions in order to alleviate practical difficulties and hardship in their enforcement and operation. Any such variances shall not violate the spirit or the intent of this document to create a Subdivision of Lots owned in fee by various persons with each such Owner having an easement upon areas owned by the Association.

To be effective, a variance hereunder shall be recorded in the Granville County Register of Deeds Office; shall be executed on behalf of the Association; and shall refer specifically to this Declaration.

ARTICLE 17
DURATION AND AMENDMENT

A. The covenants and Restrictions contained in this Declaration shall run with and bind the land for a term of thirty (30) years from the date this Declaration is recorded, after which time, they shall be automatically extended for successive periods of one (1) year and shall inure to the benefit of and be enforceable by the Association, the Developer or the Owner of any land subject hereto, their respective legal representative, heirs, successors and assigns. This Declaration may be amended in full or in part by an instrument signed by not less than sixty-seven percent (67%) of the Lot Owners, provided, that no amendment shall alter any obligation to pay Common Expenses to benefit the Common Areas, as herein provided, or affect any lien for the payment of same. So long as the Developer, as a Type "B" member, is entitled to elect a majority of the Board of Directors of the Association, no Amendment of this Declaration shall be made without the consent of Developer.

B. Invalidation of any one of these covenants or Restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

ARTICLE 18
MERGER

In the event that the Association votes to merge into another similar non-profit association as set forth in Article XII of the Bylaws of the Association and by such merger, the Subdivision becomes encumbered and governed by the surviving association's covenants, rules and restrictions as if they had existed and encumbered the Subdivision as of the date of recording hereof, from the date of recordation of any such merger documents, this Declaration shall be deemed to be no longer burdening upon the Subdivision. Notwithstanding anything contained herein to the contrary, debts due and outstanding by a Member to the Association prior to the date any merger effected pursuant to this Article shall survive as a debt of said lot owner to the surviving non-profit association.

ARTICLE 19
TERMINATION

In the event that this Declaration is terminated pursuant to Section 47F-2-118 of the North Carolina General Statutes or otherwise declared to be void, invalid, illegal, or unenforceable in its entirety, or in such a significant manner that the Association is not able to function substantially as contemplated by the terms hereof, for any reason, by the adjudication of any Court or other tribunal having jurisdiction over the parties hereto and the subject matter hereof, all Common Areas belonging to the Association at the time of such adjudication shall (i) be held by a new nonprofit association to be created by the Developer without the consent of members, said association to own and manage the Common Areas for the benefit of lot owners or (ii) be deeded to the Town of Oxford. If the Common Areas are owned by a new nonprofit homeowners association, said association shall own and operate said Common Areas for the use and benefit of Owners within the Subdivision as set forth below:

(a) Each Lot located within the Subdivision shall be subject to an annual general assessment which shall be paid by the Owner of each such Lot or Parcel to the association. The amount of such annual general assessment and its due date shall be determined by the association, but the amount of such annual general assessment on any particular Lot shall not exceed the amount actually

assessed against that Lot in the last year that assessments were levied by the Association, subject to the adjustments set forth in subparagraph (b) immediately below;

(b) The maximum annual general assessment which may be charged by the new association hereunder on any particular Lot may be automatically increased each year by an amount of ten (10%) percent or the percentage increase between the first and last months of the thirteen (13) month period terminating at the end of the third (3rd) quarter of the previous assessment year in the Consumer Price Index, U.S. City Average, All Items (1967-100) (hereafter "C.P.I.") issued by the U.S. Bureau of Labor Statistics in its monthly report entitled "The Consumer Price Index, U.S. City Average and Selected Areas", whichever of these two (2) percentage figures is larger. The actual amount of such increase in the maximum annual general assessment on a Lot shall equal the maximum annual assessment on such Lot for the previous year multiplied by the larger of the two (2) percentage factors set forth above. If the C.P.I. is discontinued, then there shall be used the most similar index published by the United States Government that may be procured indicating changes in the cost of living.

(c) Any past due annual general assessment together with interest thereon at the maximum annual rate allowed by law from the due date and all costs of collection including reasonable attorney's fees not to exceed fifteen percent (15%) of the obligation shall be a personal obligation of the Owner at the time of annual general assessment became past due, and it shall also constitute and become a charge and continuing lien on the Lot and all improvements thereon, against which the assessment has been made, in the hands of the then Owner, his heirs, devisees, personal representatives and assigns.

(d) The new association shall be required to use the funds collected as annual general assessments for the operation, maintenance, repair, and upkeep of the Common Areas. The new association shall not have the obligations to provide for operation, maintenance, repair, and upkeep of the Common Areas once the funds provided by the annual general assessment have been exhausted.

(e) The new association shall have the right to convey title to the Common Properties, and to assign its rights and duties hereunder, provided that the transferee accepts such properties subject to the limitations and uses imposed hereby and by the Oxford City Code and affirmatively acknowledges its acceptance of the duties imposed hereby.

ARTICLE 20 CAPTIONS

The captions preceding the various Articles of these Restrictions are for the convenience of reference only, and shall not be used as an aid in interpretation or construction of these Restrictions. As used herein, the singular includes the plural and where there is more than one Owner of a Lot, said Owners are jointly and severally liable for the obligations herein imposed. Throughout this Declaration, references to the masculine shall be deemed to include the feminine, the feminine to include the masculine and the neuter to include the masculine and feminine.

ARTICLE 21
ASSIGNABILITY OF RIGHTS AND LIABILITIES

Developer shall have the right to sell, lease, transfer, assign, license, and in any manner alienate or dispose of any rights, interests and liabilities retained, accruing or reserved to it by this Declaration. Following any such disposition, Developer in no way shall be liable or responsible to any party with regard to any such right, interest or liability or any claim or claims arising out of same in any manner.

ARTICLE 22
LIBERAL CONSTRUCTION

The provisions of this Declaration shall be construed liberally to effectuate its purpose of creating a Subdivision of fee simple ownership of Lots and buildings governed and controlled by rules, regulations, restrictions, covenants, conditions, reservations and easements administered by an Owners' association with each Owner entitled to and burdened with the rights and easements equivalent to those of other Owners.

Notwithstanding any provision to the contrary contained herein, in no event shall any use of any portion of the property fail to conform to any requirement imposed by the Town of Oxford or any applicable law or ordinance and the Developer shall at all times have the right to make such changes and amendments to this Declaration as may be necessary to conform this Declaration to the requirements of Chapter 47F of the North Carolina General Statutes.
