- If an offer accepted by the Commissioner is Upset during the 10 Day Upset Bid period, the Commissioner will return that buyer’s Earnest Money upon written request.

Buyers wishing to place an Upset Bid, after the opening bid, will do so directly through the Clerk of Court.

Each bid placed through the Clerk of Court has to be a minimum of 5% higher than the previous bid or accepted offer. The bidder is also required to make a **5% deposit with the Clerk of Court** at the time of bid. Buyers are responsible for confirming if their bid has been upset, but have option to place an additional upset bid as well, which then starts the 10 day upset period again.

Each time an upset bid is placed the 10-day upset period begins again. After 10 days pass and no additional bids are placed the Clerk will determine the winning bidder, and Clerk notifies Commissioner and the winning bidder. Winning Bidder will be told how many days they have to close. If winning bidder fails to complete the purchase during this time period, they will forfeit their earnest money/deposit. They also can be held liable for the difference in sale price per the court if the home sells at the next winning bid for a lesser amount.
