Inspection

Dear Sir:

This letter is in reference to the house at RENNSHIRE LOT 19, 2704 LANGSTROTH COURT, FRANKLINTON, N.C. 27525.

The gas logs model EYF24PV is built with a (OSD) Oxygen Depletion Sensor. Monessen Gas logs is a Vent-free set with a safety pilot light. The (ODS) is a standard on all Monessen Vent-Free gas logs. They are approved for the GCUF36 firebox. This unit is approved for all state and local building codes.

Sincerely,

A handwritten signature in cursive script that reads "Shane E. Teator".

Shane E. Teator
President
