If the test result exceeds the above-mentioned level, Seller shall remediate to bring the radon level within the satisfactory range. Additionally, the following Addenda are attached hereto and made a part of this Agreement: (Mark and complete all that are applicable):
☒ Plans and specifications, which shall be subject to reasonable modification during construction on the Property.

[Note: The above selection should be marked and the addendum initialed and attached or the Alternative Plans and Specifications section below should be marked and completed if construction is substantially not complete.]

- ☐ Cut-sheets, elevations, and/or floor plans, which shall be subject to reasonable modification during construction on the Property.
- ☐ Options and Upgrades Addendum
- ☐ Other Addenda (as noted) _____

Alternative Plans and Specifications Provision

☐ The Plans and Specifications are not suitable for attachment. However, they are identified as follows: N/A

(Clearly identify the Plans and Specifications).

These Plans and Specifications have been reviewed and approved by Buyer and are made a part of this Agreement, but shall be subject to reasonable modification during construction on the Property as set out above.

12. SETTLEMENT AND CLOSING: (Mark and complete only one of the sections below which shall apply) Closing shall be defined as the date and time of recording of the deed. All parties agree to execute any and all documents and papers necessary in connection with Closing and transfer of title on or before the Closing Date ("Settlement") at a time and a place designated by Buyer in the reasonable proximity of the Property.

☐ **COMPLETED CONSTRUCTION:** **(Only fill out if construction IS complete.)** Closing shall be on or before _____ (the "Closing Date").

If either party is unable to Close by the Closing Date, then provided that the party is acting in good faith and with reasonable diligence to proceed to Closing, such party shall be entitled to reasonable delay of the Closing Date and shall give as much notice as possible to the non-delaying party and Closing agent. In such event, however, either party for whom the Closing Date is delayed shall have a maximum of ten (10) days from the Closing Date, or any extension of the Closing Date agreed-upon in writing, in which to Close without payment of interest. Following expiration of the ten-day period, the party not ready to Close shall be responsible for paying to the other party (if ready, willing and able to Close) interest on the purchase price at the rate of eight percent (8%) per annum accruing from the end of the ten-day period until Closing occurs or the Agreement is terminated. Should the delay in Closing continue for more than fourteen (14)

Buyer initials _____ Seller initials _____

days from the Closing Date or the last agreed-upon written extension of the Closing Date, then the non-delaying party shall have the unilateral right to terminate the Agreement and receive the Earnest Money, but the right to such receipt shall not affect any other remedies available to the non-delaying party for such breach.

☐ **CONSTRUCTION NOT COMPLETE AT TIME OF AGREEMENT: (Only fill out if construction IS NOT complete.)** The anticipated completion date is on or about N/A ("Anticipated Completion Date"). It is understood and agreed that this is an estimated date only. Closing shall be within fourteen (14) days after written notice from Seller to Buyer of Substantial Completion as defined herein ("Closing Date"). Provided, however, the Closing Date will not be any earlier than the Anticipated Completion Date unless the parties agree in writing. Buyer and Seller will agree upon the exact Closing Date in accordance with the above, but failing any agreement being reached, the Closing Date shall be the first business day occurring 14 days after the written notice from Seller of Substantial Completion.

"Substantial Completion" shall mean the completion of the construction of the Dwelling in accordance with the Plans and Specifications and any other special provisions that may be part of the Contract to the degree that: (i) it is habitable and broom-clean, (ii) a certificate of occupancy has been issued by the appropriate governmental authority having jurisdiction over the construction of the Dwelling and delivered to Buyer, and (iii) only Punch List Items remain to be corrected.

Delayed Completion: The parties recognize that adverse weather, unavailability of material, strikes and other conditions beyond the reasonable control of Seller may delay completion and it is, therefore, agreed by the parties that in the event, and only in the event, that the home is not Substantially Completed within sixty (60) days after the Anticipated Completion Date because of such conditions, Buyer shall have the right to declare this Agreement null and void. However, Seller shall not be required to return to Buyer the sums paid under paragraph 4, and Buyer's and Seller's rights shall cease and terminate without liability on the part of either party.

Delayed Closing: In the event Buyer is unable to complete Closing on the Closing Date, then Seller may delay the Closing and Buyer shall pay to Seller at Closing a per diem carrying charge in the amount of \$_____ per day from the Closing Date until Closing occurs or the Agreement is terminated. In the event Buyer fails to complete Closing on or before seven (7) days after the Closing Date, Seller may terminate this Agreement by written notice to Buyer and all sums paid to Seller shall belong to Seller and all Earnest Money shall be paid to Seller.

DEED: The deed is to be made to _____.

13. ZONING AND ASSESSMENTS: Seller warrants that there are no restrictions, zoning, easement or other governmental regulations that would prevent the reasonable use of the Property for residential purposes. Seller further warrants that there are no encumbrances or special assessments, either pending or confirmed, for sidewalk, paving, water, sewer or other improvements on or adjoining the Property. Notwithstanding the foregoing, Seller shall pay all owners' association assessments and all governmental assessments confirmed through the time of closing, if any, and Buyer shall take title subject to all pending assessments, if any, unless otherwise agreed as follows:

14. FLOOD HAZARD DISCLOSURE/CONDITION (Choose and mark ONE of the following alternatives):

☐ To the best of Seller's knowledge, the Property **IS** located partly or entirely with a designated Special Flood Hazard Area. Buyer understands that it may be necessary to purchase flood insurance in order to obtain any loan secured by the Property from any federally regulated institution or a loan insured or guaranteed by an agency of the U.S. Government.

☒ To the best of Seller's knowledge, the Property **IS NOT** located partly or entirely with a designated Special Flood Hazard Area. If, following the execution of this Agreement, it is determined that any permanent improvements on the Property are located within a designated Special Flood Hazard Area according to the current FEMA flood map, or if this Agreement is subject to a loan condition and Buyer's lender requires Buyer to obtain flood insurance as a condition of making a loan, then in either event Buyer shall have the right to terminate this Agreement upon written notice to Seller, and all monies paid by Buyer to Seller pursuant to this Agreement shall be returned to Buyer.

15. WARRANTIES:

(a) LIMITED WARRANTY OF CONSTRUCTION: Unless otherwise provided herein, Seller hereby warrants that, for a period of one (1) year from the date of Closing or the date Buyer occupies the Property, whichever comes first, Seller will make all necessary repairs and corrections to the house on the Property, either interior or exterior, structural or non-structural, that shall become necessary by reason of faulty construction, labor or materials or unreasonable non-conformity of construction to the plans and specifications. At Seller's sole option, Seller may either (i) make such repairs and corrections, (ii) replace any faulty or non-conforming item or condition, or (iii) pay to Buyer the reasonable cost of such repair, correction or replacement. This limited warranty: (1) is for the benefit of Buyer only and may not be assigned nor shall it inure to the benefit of any other person or entity, and (2) shall survive closing and the delivery of the deed.

(b) WARRANTIES OF COMPONENTS: Seller shall assign, to the extent reasonably possible, and deliver to Buyer at closing all guarantees and warranties of all components contained in or that are part of the improvements to the Property. Buyer shall be responsible for compliance with any registration, notice and claim procedures set forth therein.

(c) EXTENDED HOME WARRANTY PROTECTION PLAN: There is available from your Coldwell Banker Howard Perry and Walston Builder Services sales representative a three (3) year home warranty plan through Cinch Home Warranty ("Cinch") which would become effective one year after Closing and provide home warranty protection as described in their official documents for years 2 through 4. Buyer must request the warranty prior to Closing and pay for the warranty at Closing.

16. INSULATION DISCLOSURE: Seller hereby discloses that Seller has purchased, paid for, and employed an independent contractor to install insulation in the Property as follows:

** Thickness may vary due to normal settling and presence of beams, rafters, studs and other structural members.

17. LIVING AREA MEASUREMENT: The approximate living area of the residence that has been built or is to be built on the Property may have been observed by or represented to Buyer in various ways and places. It is understood and agreed between Buyer and Seller that "living area" square footage as represented by Seller and Seller's agents has been based upon builder plan dimensions and is subject to change without notice during construction. Buyers may verify actual living area measurements as improvements are completed prior to closing. However, this Property and the house constructed on it are not being sold on a "per square foot" pricing basis. Although the completed improvements should substantially comply with agreed plans and specifications, no adjustment will be made in price because of discrepancies in living area in the completed improvements.

18. MINERAL, OIL AND GAS RIGHTS DISCLOSURE: Mineral, oil and gas rights can be severed from the title to real property by conveyance (deed) of the mineral, oil and gas rights from the owner or by reservation of the mineral, oil and gas rights by the owner. If mineral, oil and gas rights are or will be severed from the property, the owner of those rights may have the perpetual right to drill, mine, explore, and remove any of the subsurface minerals, oil or gas resources on or from the property either directly from the surface of the property or from a nearby location. Alternatively, if a Broker is holding the Earnest Money, the Broker may deposit the disputed monies with the appropriate clerk of court in accordance with the provisions N.C.G.S. §93A-12.

The parties agree that a real estate brokerage firm acting as Escrow Agent may place any Earnest Money deposited by Buyer in an interest bearing trust account and that any interest earned thereon shall be disbursed to the Escrow Agent monthly in consideration of the expenses incurred by maintaining such account and records associated therewith.

3. DEFAULT:

Except as expressly provided for herein, if Buyer shall default in any of the payments or obligations called for in this Agreement and such default shall continue for fifteen (15) days after notice from Seller to Buyer, then in such event Seller may terminate this Agreement and all amounts paid toward the purchase price will be forfeited to Seller and such forfeiture shall not affect any other remedies available to Seller.
