Well Contractor Information

Drilling Contractor: Driller Registration:

Permit Conditions

*Permit Conditions

This permit is issued to the applicant for the purpose of drilling a new well in the proposed location.

Well location, construction and protection must meet all state and local regulations and must be inspected and approved by an authorized representative of the Local Health Department. The permit may be revoked at any time for failure to comply with existing regulations. The siting of approved well construction area(s) by the Health Department is to provide protection from the known possible sources of contamination. The approved well area(s) may not be changed without permission from an authorized representative of the Local Health Department. No volume of quality of water is guaranteed by the Health Department.
