Supplemental Declarations may set forth the controls, covenants, conditions, restrictions, easements, development guidelines, charges and liens to which the Additional Property covered thereby shall be subject. Such controls, covenants, conditions, restrictions, easements, development guidelines, charges and liens may contain additions, deletions and modifications from those contained in this Declaration, as the parties subjecting such Additional Property to the scheme of this Declaration may desire; provided if such party is other than Declarant, as a condition to such party's right to so impose such additions, deletions or modifications, such party must obtain the prior written consent thereto of Declarant. ARTICLE III

The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Ownership of such Lot shall be the sole qualification for membership. The Board of Directors may make reasonable rules relating to the proof of ownership of a Lot.

ARTICLE IV
VOTING RIGHTS

Section 4.1. Voting Classes. The Association shall have two classes of voting membership:

Class A. Class A Members shall be all those Owners with the exception of the Declarant. (a) When the total votes outstanding in Class A membership equal the total votes outstanding in Class B membership, but provided that the Class B membership shall be reinstated if thereafter and before the time stated in subparagraph (b) below, such Additional Property is annexed to the Property such that the total votes outstanding in Class B membership again exceeds the total votes outstanding in Class A membership, or

(b) On January 1, 2010.

Section 4.2. Suspension of Voting Rights. The right of any Member to vote may be suspended by the Board of Directors for just cause pursuant to its rules and regulations as they may now or hereafter exist and may change from time to time.

Every Member shall have a non-exclusive right and easement of enjoyment in and to the Common Area, if any, including the rights of ingress and egress, and such easement shall be appurtenant to and shall pass with the right to every Lot, subject to each of the following provisions:

(a) The right of the Association, in accordance with its articles and Bylaws, to borrow money for the purpose of improving the Common Area and in aid thereof to mortgage the Common Area, or any portion thereof, provided the rights of such mortgagee in said Common Area Property shall be subordinate to the rights of the owners hereunder.

(b) The right of the Association to dedicate or transfer all or any part of the Common Area for utility, drainage, pedestrian walkway and cable television easements and other similar purposes.

(c) The right of the Association to prescribe regulations governing the use, operation and maintenance of the Common Area and their Amenities (including limiting the number of guests of Members who may use the Common Area) subject to limitations established by Declarant on such right to impose regulations.

(d) The right of the Association to take such steps as are reasonably necessary to protect the Common Area within the jurisdiction of the Association against foreclosure.

(e) The right of the Association to charge reasonable admission and other fees for the use of recreational facilities and other amenities on the Common Area within the jurisdiction of the Association.

(f) Actions contemplated under subparagraph (a) and (b), above shall not be taken until the following action occurs: Members entitled to cast eighty percent (80%) of all the votes of the Association have voted in person or by proxy for such action at a meeting duly called for said purpose, notice of which was sent to every Member not less than fifteen (15) nor more than thirty (30) days in advance of the meeting.

The instrument effecting such dedication, transfer, conveyance or mortgage shall be sufficient if executed by appropriate officers of the Association and contains a recital of the above provisions, and that they have been complied with.

Section 5.2. Declaration of Use. Any Member may delegate his right of enjoyment to the Common Area to the members of his family, his tenants, or contract purchasers who reside on the Property and to his guests and invitees.

Section 5.3. Suspension of Rights of Use. Any Member's right to use and enjoyment of Common Areas may be suspended during any period in which that member is in default in payment of any annual or special assessment levied by the Board of Directors, as provided in the Bylaws. Such rights may also be suspended, after notice and hearing, for a period not to exceed thirty (30) days, for violation of any rules and regulations established by the Board of Directors governing the use of the Common Area.

Section 5.4. Title to the Common Area. Declarant shall dedicate and convey (by deed without warranty) the fee simple title to the Common Area to the Association, free and clear of all encumbrances and liens other than the lien of current taxes and assessments not in default and utility easements, other encumbrances and mineral interests outstanding and of record in Granville County, North Carolina, on or (at Declarant's sole option) prior to January 1, 2010. Common Area may be conveyed by Declarant to the Association in whole or in part from time to time.

ARTICLE VI
COVENANT FOR ASSESSMENTS

Section 6.1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and every other Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association:

- (a) Annual assessments or charges which are common expenses; and
- (b) Special assessments for capital improvements.

Notwithstanding any provision herein to the contrary the assessment for each Lot owned by Declarant shall be twenty-five percent (25%) of the assessment which is applicable for a Lot titled in a name other than the Declarant; provided, however, that Declarant shall pay the full assessment on any Lot which has been leased by Declarant and on which an occupiable Building is located. Furthermore, any provision of this Declaration to the contrary notwithstanding, the Declarant may, at its sole election and discretion, postpone, in whole or in part, the date on which the assessment shall commence as to a Lot or Lots provided the Declarant maintains the Common Areas for which no assessment is being collected during the period of such postponement.

Such assessments shall be fixed, established, and collected from time to time as hereinafter provided.

The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall constitute a lien upon the Lot and improvements thereon when filed of record in the appropriate office of Granville County. Each such assessment, together with such interest and costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of the Lot at the time the assessment fell due. All assessments shall be shared equally by the owners of each Lot, except as otherwise provided in this section.

Section 6.2. Purpose of Assessments. The assessments levied by the Association shall be used for the purposes of enforcing and carrying out the terms and provisions hereof and of any Supplemental Declaration applicable to the Property and promoting the enjoyment and welfare of the Owners of Lots, and in particular, but without limitation, for the (i) development and maintenance of the Common Area; (ii) payment of premiums for hazard insurance in connection with the Common Area, and any Amenities thereon and public liability and other insurance of such Association; (iii) paying the costs of labor, equipment (including the expense of leasing any equipment) and material required for, and management and supervision of, the Common Area; (iv) carrying out the duties of the Board of such Association; and (v) carrying out the purposes of such

Association as stated in its Articles of Incorporation, Bylaws, and as stated herein or in any applicable Supplemental Declaration.

Section 6.3. Amount of Annual Assessment.

(a) Initial Assessment. To and including December 31, 2006, the initial annual assessment shall not be in excess of Two Hundred Seventy and No/100 Dollars (\$270.00) per Lot (prorated from the date of recordation of this Declaration through December 31, 2006) the exact amount of which shall be determined from time to time as provided in this Article VI.

(b) Increase by Association. From and after January 1, 2007, the annual assessment effective for any year may be increased by the Board of Directors, without a vote of the membership, to an amount which may not exceed the original assessment (or revised assessment determined pursuant to Subparagraph (c) below) plus five percent (5%) of said assessment per year since 2006 or the year the revised assessment was established, whichever is later. Notwithstanding the foregoing, for the year 2007, the annual assessment may increase without a vote of the membership by an amount greater than five percent (5%) over the 2006 annual assessment, it being understood that the Property is in the early stages of development and 2006 is unlikely to provide an accurate and complete representative figure for annual assessments.

(c) Increase by Members. From and after December 31, 2007, the annual assessment may be increased by a percentage greater than permitted by this Article by an affirmative vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy, at a meeting duly called for such purpose, written notice of which, setting forth the purpose of the meeting, shall be sent to all Members not less than fifteen (15) day nor more than thirty (30) days in advance of the meeting. The limitations herein set forth shall not apply to an increase in assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(d) Criteria for Establishing Annual Assessments. The Association is required to set the annual assessment high enough to enable the Association to establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Areas. The fund shall be maintained out of annual assessments for common expenses as provided for in this article. In establishing the annual assessment for any assessment year, the Board of Directors shall set the annual assessment high enough to cover all current costs and expenses of the Association, any accrued debts, and reserves for future needs.

(e) Decrease of Annual Assessment. The Board of Directors may decrease the annual assessment from time to time if in its opinion such decrease is prudent.

Section 6.4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the costs of construction or reconstruction, unexpected repair, or replacement of a described capital improvement upon the Common Area, including the Amenities, the necessary fixtures and personal property related thereto; provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which, setting forth the purpose of the meeting, shall be sent to all

Members not less than fifteen (15) days nor more than thirty (30) days in advance of the meeting. The amount of the proposed assessment need not be stated.

Section 6.5. Uniform Rate of Assessments. Subject to Section 6.1 above, the annual assessment and special assessments must be fixed at a uniform rate for all Lots, on a per Lot basis, and may be collected on a semi-annual basis.

Section 6.6. Quorum for Any Action Authorized Under Sections 6.3 and 6.4. At the first meeting called, as provided in section 6.3 and 6.4 above, the presence at the meeting of members or proxies entitled to cast sixty percent (60%) of all the votes for each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, subsequent meetings may be called, subject to the notice requirement set forth in Sections 6.3 and 6.4 and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the next preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the next preceding meeting.

Section 6.7. Date of Commencement of Annual Assessments. Unless postponed by the Declarant, as provided in section 6.2 of this Article, the annual assessments provided for herein shall commence as to any Lot, on the first day of the first month following subjection of the Lot to this Declaration. The first annual assessment shall be adjusted according to the number of months remaining in the fiscal year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto not later than thirty (30) days following each establishment thereof. The due dates and appropriate penalties for late payment shall be established by the Board of Directors. The Association shall upon demand at any time furnish a certification in writing signed by an officer of Association setting forth whether the assessments on a specified lot have been paid. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been made and shall be binding upon the Association as of the date of its issuance.

Section 6.8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments or special assessments which are not paid when due shall be delinquent and shall constitute a lien on the Lot of the delinquent owner. If the assessments or special assessments are not paid within thirty (30) days after the due date, assessments or special assessments shall bear interest from the date of delinquency at the lesser of the highest lawful rate or eighteen (18%) percent per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same and/or foreclose the lien against the Lot, and interest, costs and reasonable attorney's fees of any such action shall be added to the amount of such assessment or special assessment. No Owner may waive or otherwise escape liability for the assessment or special assessment provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 6.9. Subordination of Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust. A sale or any transfer of any Lot shall not affect the assessment liens; provided, however, that the sale or transfer of any Lot pursuant to foreclosure of a first mortgage or deed of trust or any proceeding in lieu of foreclosure thereof shall extinguish the lien of such assessments as to payment which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from the liability for any assessment thereafter becoming due or from the lien thereof.

Section 6.10. Annual Assessment to be Collected at Closing. At the closing of each sale of a Lot to a party other than Declarant, the prorated annual assessment for that Lot shall be collected from the buyer of the Lot.

Section 6.11. Management of Funds. All funds collected through assessments shall be managed by the Association subject to the provisions of this Declaration. Disbursement of funds collected from Lot Owners shall be as directed by the Board of Directors.

ARTICLE VII MAINTENANCE OF PROPERTY

Section 7.1. Maintenance of Common Areas. Maintenance of Common Areas, and all Amenities and structures located therein, including operation and maintenance of the Level Spreaders as described in Exhibit B attached hereto, shall be supervised by the Association. Funds for such maintenance shall be supplied from the annual assessment.

Section 7.2. Maintenance of Lots. If in the opinion of the Board, an Owner fails to maintain the Owner's Lot in a neat and orderly condition or otherwise neglects his property and allows unsightly conditions to develop, the Board, after thirty (30) days written notice to the Owner, may, but is not obligated to, take steps to remedy the problem. Such remedy may include, but shall not be limited to; the removal of debris or junked cars, the mowing of grass or cutting of brush and the painting or repair of structures located on the property. The Board may bill such Owner for all expenses incurred in correcting the problem. Every Owner by acceptance of a deed covenants to pay said bill. Upon failure to pay said bill, the Board may file a lien against said property and enforce said lien by action at law. Alternatively, or in addition to the above, the Board shall have all remedies available at equity to require the specific performance of an Owner's obligation to maintain that Owner's Lot in a neat and orderly condition.

Section 7.3. Declarant's Inaction. Neither the execution and recordation of this Declaration, nor the recordation of any other instrument subjecting any land in the Property to protective covenants, conditions or restrictions or other provisions shall obligate or require (i) Declarant to grant any right, power, duty or privilege of any nature or kind to the Association or to any other entity except as expressly set forth herein, or (ii) Declarant to perform any act permitted by this Declaration or by any other recorded instrument, or to enforce any covenant, condition, restriction or other provision hereof or thereof, or to do anything which it does not, in its sole discretion, elect to do so.

ARTICLE VIII GENERAL POWERS AND DUTIES OF THE BOARD; ARCHITECTURAL CONTROL AND INSPECTION

Section 8.1. Powers and Duties of the Board of an Association. In addition to those rights and duties set forth in Article V, the Board of the Association, for the mutual benefit of the Owners of such Association, shall have the following powers and duties:

(p) To contract with any third party or any Owner (including, without limitation, Declarant) for performance, on behalf of such Association, of services which the Association is otherwise required to perform pursuant to the terms hereof or pursuant to any applicable Supplemental Declaration, such contracts to be at competitive rates and otherwise upon such terms and conditions and for such consideration as the Board of the Association may deem proper, advisable and in the best interest of such Association;

(r) To set assessments, whether annual or special, as provided herein.

Section 8.2. Architectural and Landscaping Control. Declarant from time to time may establish and modify, architectural standards for the control of the design of all Structures and Landscaping and other work within the Property, Prior to initial construction of a Building on a Lot, the Architectural Committee must approve the Owner's home plan.

Except for initial improvements by Declarant, no construction, erection, or installation of any improvements, including, but not limited to, Buildings, outbuildings, garages, carports, gazebos, swimming pools, tennis courts, fences, walls, screen (whether by plants or structures) and other structures (individually a "**Structure**" and collectively "**Structures**"), shall be undertaken upon the Property unless the site plans, building plans, and specifications therefore, showing the nature, kind, shape, height, materials and location of the proposed improvements shall have been submitted to the Architectural Committee or its agent and expressly approved in writing. No grading, excavation, tree removal (except as provided herein) or change of exterior color or other work which in any way alters the exterior appearance of any Structure or Lot be done without the prior approval of the Architectural Committee. No subsequent alteration or modification of any existing improvements nor construction, erection, or installation of additional improvements may be undertaken on any of the Property without prior review and express written approval of the Architectural Committee.

In the event an Owner desires to construct a house, the Owner shall, prior to the commencement of any construction, submit in sequence to Architectural Committee the following materials: (i) a "preliminary concept plan" which shall include schematic site plans, floor plans and exterior elevations and materials; (ii) "design proposals" which shall include more detailed building and site design plans and specifications sufficient and definite in detail so that there can be

determined the character, exterior appearance, exterior materials and colors, and the quality and kind of building and landscape materials proposed; (iii) "construction plans and specifications" which shall be a true extension of the preliminary concept plan and design proposals, including a plot plan, sealed by a surveyor, in detail and to scale and (iv) the applicable review fee that is then in effect for reviewing such plans. After approval, any change in location, plot plan, exterior colors or exterior materials must be re-submitted for approval. Failure to obtain approval of Architectural Committee of all such plans, proposals, specifications and plot plan prior to the commencement of any construction shall be deemed a material breach hereof and Architectural Committee shall then have the right, in addition to any other rights permitted by law or in equity, to proceed in the courts to obtain a mandatory injunction requiring any construction done without said approval to be torn down or removed forthwith.

The architectural plans for such alteration or addition must be drawn and sealed by a registered architect or engineer. In general, the construction of fences, walls and other Structures and the planting of screens will not be permitted if in the opinion of the Architectural Committee such construction or planting constitutes an unreasonable obstruction of the view of another Owner.

In the event that the Architectural Committee fails to approve or disapprove the site or design or any proposed improvements within ten (10) days after plans and specifications therefore have been submitted and received, approval will not be required, and the requirements of this Article will be deemed to have been fully met; provided, that the plans and specifications required to be submitted shall not be deemed to have been received by the Declarant or the Association if they contain erroneous data or fail to present adequate information upon which the Declarant or the Association, as the case may be, can arrive at a decision.

The Declarant and/or the Architectural Committee shall have the right, at its election, but shall not be required, to enter upon any of the Property during site preparation or construction, erection, or installation of improvements to inspect the work being undertaken and to determine that such work is being performed in conformity with the approved plans and specifications and in a good and workmanlike manner, utilizing approved methods and good quality materials.

Section 8.3. Liability Limitations. ARTICLE X RESTRICTIVE COVENANTS; MAINTENANCE

Section 10.1. Lot Size. A Lot shall have a width and the minimum building set back line and an area that meets the minimum requirements of the Granville County Zoning Ordinances. Adjustments may be made in the line between two Lots so long as the area of any Lot is not reduced by more than ten percent (10%), the adjustments do not violate the Granville County Zoning Ordinances, and other restrictions herein set forth are observed. Upon any recombination of lots, the setbacks and side line clearances from new Lot lines shall be applicable and set backs from former Lot lines shall no longer be required. No combination of Lots shall increase the number of Lots above the number existing before recombination, except as hereinafter set forth.

Section 10.2. Land Use. No Lot shall be used except for residential purposes; provided, however, that nothing herein shall prevent the conversion of portions of Lots to public or private streets. No building shall be erected, altered, placed or permitted to remain on any Lot other than

Section 10.5. Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved over the rear ten (10) feet or each Lot. In the event that the owner of any Lot shall acquire land adjacent to and in the rear of such Lot, such Lot Owner may relocate the easement herein established over the rear line to conform to the increase in the size of his Lot, provided that alteration in drainage does not thereby adversely affect the drainage of any other Lot or interfere with the rights of the Owners of other property within this subdivision to services rendered by the easement herein created. Such relocated easement shall be the same width as the original easement. A map of such relocated easement shall be recorded at the Granville County Register of Deeds Office.

Section 10.6. Temporary Structure. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any Lot at any time as a residence, either temporarily or permanently.

Section 10.13. Duty of Maintenance. The Owner of each Lot shall have the duty and responsibility, at such Owner's sole cost and expense, to keep that part of the Property owned by such Owner, including Structures thereon, ground and drainage easements or other rights-of-way incident thereto, in accordance with the terms and provisions of this Declaration (to the extent applicable) and of any applicable Supplemental Declaration and in a first-class, well-maintained, safe, clean and attractive condition at all times. A Lot owned or leased by a corporation, partnership, fiduciary, or any other entity may be occupied by an officer, director, partner, owner, beneficiaries, or employees of such entity, or by family members or guests of any of the foregoing.

Section 10.15. Leasing. No Lot or portion thereof shall be leased for transient or hotel purposes. An Owner may nevertheless lease the entire Lot provided that: (i) each lease must be in writing, must be for a period of not less than one (1) year, and must provide that it is subject to this Declaration and the Bylaws and that any failure of the tenant to comply with the terms of the Declaration and the Bylaws shall be a default under the lease; and (ii) all leasing/management activities for a Lot to be leased must be conducted through the management company designated for that purpose by the Association. The Owner shall promptly provide the Association with copies of any and all leases entered into by Owner. In no event, however, shall a portion of a Lot (as opposed to the entire Lot) be sold, conveyed, leased or subleased. No more than 20% of the Lots may be leased at any one time.

Section 10.17. Completion of Construction Activity; Requirement of Bond. The exterior of all Buildings, Structures or other improvements must be completed within one (1) year after commencement of construction, except where, in the sole discretion of the Board, such completion within one (1) year is not possible or would result in great hardship to the Owner or builder due to strike, fire, national emergency or natural calamity. To ensure the timely completion of construction and the compliance with the terms of this Declaration, the Architectural Committee may require in its discretion, as a condition of Architectural Committee approval of submitted plans, that the Owner provide a construction bond, in form and content satisfactory to the Architectural Committee.

Section 10.18. Electronic Monitoring Systems. An audible siren, horn, bell, or other noisemaking device shall be permitted in connection with an electronic monitoring or alarm system.

Section 10.19. Colors. No exterior colors on any Structure shall be permitted that, in the sole judgment of Declarant or the Architectural Committee, would be inharmonious or discordant or incongruous. Any future exterior color changes desired by an Owner must be first approved by the Architectural Committee.

Section 10.20. Factory Built Structures. No structure of any kind of what is commonly known as "factory built", or "mobile home" type construction shall be erected on any Lot.

(b) All vehicles parked on any Lot must be licensed vehicles.

(c) None of the aforementioned vehicles shall be used as a domicile or residence, either permanent or temporary.

(d) Paragraphs (a) through (c) shall not be deemed to prohibit any temporary facility otherwise permitted pursuant to this Declaration.

Section 10.23. Casualty Destruction to Improvements. In the event that a Structure or other improvement is damaged or destroyed by casualty loss or other loss then within a reasonable period of time after such incident, as determined by Declarant, the Owner thereof shall either commence to rebuild or repair the damaged Structure or improvement and diligently continue such rebuilding or repairing until completion or properly clear the damaged Structure or improvement and restore or repair the Lot in a manner aesthetically satisfactory to Declarant. As to any such reconstruction of a destroyed Structure or improvement, the same shall only be replaced with Structures or improvements as are approved by Declarant or the Architectural Committee as provided herein.

Section 10.24. No Implied Waiver. The failure of Declarant to object to an Owner or another person's failure to comply with the covenants and restrictions contained herein shall in no event be deemed a waiver by Declarant, or any other Person having an interest herein, of its rights to object to the same and to seek compliance therewith in accordance with the provisions of this Declaration.

ARTICLE XI

RIGHTS OF FIRST MORTGAGEES AND INSURERS OF FIRST MORTGAGES

Any institutional holder of any mortgage on a Lot will, upon request in writing to the Association, be entitled to (a) inspect the books and records of the Association during normal business hours, (b) receive written notice of all meetings of the Association and the right to designate a representative to attend all such meetings, (c) receive written notice of any condemnation or casualty loss that affects either a material portion of the project or the Lot securing its mortgage, (d) receive written notice of any sixty (60) day delinquency in the payment of assessments or charges owed by the Owner of any Lot on which it holds the mortgage, (e) receive written notice of a lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association, (f) receive written notice of any proposed action that requires the consent of a specified percentage of mortgage holders, (g) be furnished with a copy of any insurance policy owned by the Association, and (h) to be furnished with at least one copy of the annual financial statement and report of the Association, prepared by a certified public accountant designated by the Association, including a detailed statement of annual carrying charges or income collected and operating expenses. The Association may require the payment of expenses incurred in preparing copies and mailing of documents furnished to mortgage holders pursuant to this Article.

ARTICLE XII

GENERAL PROVISIONS

Section 12.1. Enforcement. In addition to rights granted elsewhere herein, if any Owner or occupant has failed in any of the duties or responsibilities of such Owner as set forth in this Declaration (to the extent applicable) or in any applicable Supplemental Declaration, then the Board of the Association or Declarant may give such person written notice of such failure and such person must within ten (10) business days after receiving such notice (which notice shall be deemed to have been received upon deposit in an official depository of the United States mail, addressed to the party to whom it is intended to be delivered,) perform the care and maintenance required or otherwise perform the duties and responsibilities of such Owner. Should any such person fail to fulfill this duty and responsibility within such period, then the Association, acting through its authorized agent or agents, or the Declarant, acting through its authorized agent or agents, shall have the right and power to enter onto the premises and perform such care and maintenance otherwise to any person. The Owner of Lot on which such work is performed shall be liable for the cost of such work together with interest on the amounts expended by such Association or the Declarant in performing such work computed at the highest lawful rate from the date(s) such amounts are expended until repaid to such Association or the Declarant, as the case may be, and for all costs and expenses incurred in seeking the compliance of such Owner with his duties and responsibilities hereunder and shall reimburse such Association or the Declarant, as the case may be, on demand for such costs and expenses (including interest as above provided). If such Owner shall fail to reimburse such Association or the Declarant, as the case may be, within thirty (30) days after mailing to such Owner of a statement for such costs and expense by such Association or the Declarant, then, without limitation of any other rights of such Association or Declarant, such Association may issue a special assessment against such Owner. In addition to the above, and without limiting any similar rights herein granted, the Board may impose fines against any Lot for a violation of any of the terms and covenants as set forth in this Declaration. Said fines shall be treated as a special assessment due to the Association, and as such will be a lien against the Owner's Lot. Fines shall be paid not less than thirty (30) days after notice of the imposition or assessment of the fines. The fines shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Association may otherwise be entitled. The Board may impose a fine not to exceed One Hundred and No/100 Dollars (\$100.00) per day for a violation of the terms and covenants of this Declaration, said violations may include, without limitation, violations of the rules and regulations of the Architectural Committee, violations of the Declaration regarding the proper procedures for obtaining architectural approval, failure to construct any Structure in accordance with approved plans or in the timely manner required hereunder, or failure to properly maintain the Structures or landscaping on one's Lot.

Section 12.2. Insurance. In the event the Association becomes the owner of any buildings, or other improvements, or personal property, located within the Common Area, the Board of Directors shall obtain hazard insurance (if available) in an amount equal to the maximum insurable replacement value as determined annually by the Board of Directors with the assistance of the insurance company providing such coverage. Such coverage shall provide protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement, and such other risks as from time to time shall be customarily covered with respect to buildings and properties similar in construction, location and use.

The Board of Directors shall also procure and maintain public liability and property damage insurance, insuring each member of the Board of Directors; the manager, if any; and the Association against any liability to the public or to homeowners (and their invitees, agents, and employees) arising out of or incident to the ownership and/or use of the Common Area and facilities, or such

other areas for which the Association is responsible. The insurance shall be issued on a comprehensive liability basis and shall contain a cross liability endorsement under which the rights of each named insured under the policy shall not be prejudice with respect to his action against another named insured. The amount of such public liability insurance shall be determined by the Board of Directors, but in no event shall it be less than \$1 million per occurrence with regard to the Association and each individual director.

There shall also be obtained such other insurance coverage as the Board of Directors shall determine from time to time to be desirable and necessary. Premiums upon insurance policies purchased by the Board of Directors shall be paid by the Board of Directors as a common expense of the Association.

Section 12.3. Severability. Invalidation of any one or more of the covenants, conditions or restrictions of this Declaration by judgment or court order by a court of competent jurisdiction shall in no way affect any other provisions of this Declaration, which shall remain in full force and effect to the full extent under applicable law.

Section 12.4. FHA/VA Approval. Notwithstanding any provisions in this instrument to the contrary, as long as there is a Class B membership, and if Declarant desires to qualify sections of the Property for Federal Housing Administration or Veterans Administration approval (but not otherwise), the following actions will require the prior approval of Federal Housing Administration or the Veterans Administration: Annexation of additional properties, amendment of the Declaration of Covenants, Conditions and Restrictions, merger and consolidations, dissolution and exchange of Common Areas.

Section 12.5. Term of Declaration; Amendment. The covenants, conditions and restrictions of this Declaration shall run with and bind the Property for a term of thirty (30) years from the date this Declaration is recorded in the Granville County Registry, after which time they shall be automatically extended for an unlimited number of successive periods of ten (10) years each, unless the Members, by an eighty percent (80%) vote, elect not to so continue the Declaration and record an instrument to that effect. This Declaration may be amended by an instrument signed by the Owners of not less than two-thirds (2/3) of the voting authority hereunder, as described in Article IV, provided however that Declarant may amend this Declaration without the consent of the Owners during the Declarant Control Period.

Furthermore, the Declarant, for so long as it controls the Board, and thereafter, the Board of Directors, may amend this Declaration without the consent of the Owners and hereby reserves the right to act on behalf of the owners to conform this Declaration to the requirements of any law or governmental agency having legal jurisdiction over the Property or to qualify the Property or any units therein for mortgage or improvement loans made, guaranteed or insured by a governmental agency, including, without limitation, Veterans Administration, Federal Housing Administration, Federal National Mortgage Association, Housing and Urban Development and Federal Home Loan Mortgage Corporation, or to comply with the requirements of law or regulations of any governmental corporation or agency regarding purchase of mortgage interests in units by such agency. A letter from any such agency stating that a change is desired or necessary in order to qualify the Property or any units for loans eligible to be guaranteed by, insured by or purchased by such agency, shall be sufficient authority for the amendment of this Declaration.

Section 12.6. Certification of Amendment. If any amendment to this Declaration is executed by the Owners, each such amendment shall be delivered to the Board of Directors of the Association. Thereupon, the Board of Directors, shall, within thirty (30) days do the following:

- (a) Reasonably assure itself that the amendment has been executed by the Owners of the required number of Lots. For this purpose, the Board may rely on its roster of members and shall not be required to cause any title to any Lot to be examined;
- (b) Attach to the amendment a certification as to its validity, which certification shall be executed by the Association in the same manner that deeds are executed. The following form of certification is suggested:

Section 12.7. Notice. Whenever written notice to an Owner (including Declarant) is required hereunder, such notice shall be given by the mailing of same, postage prepaid, to the address of such Owner appearing on the records of the Association. Section 12.10. Statutory Authority. To the extent specific statutory authority for the making of this Declaration shall be deemed necessary, this Declaration shall be construed in accordance with Chapter 47F of the North Carolina General Statutes. Liens for assessments would be asserted as a lien under N.C.G.S. 47F-3-116 if statutory authority is deemed necessary.

Section 12.11. No Reversionary Interest. No provision hereof shall be deemed to vest in Declarant or any other person any reversionary interest in any lot.

ARTICLE XIII EASEMENTS

Section 13.1. Easements Reserved by Declarant. Operation and Maintenance Schedule for Level Spreaders

for

Marshall Landing Subdivision *Granville County, North Carolina*

The level spreader is defined as an elongated, level threshold, designed to diffuse stormwater runoff.

Maintenance activities shall be performed as follows:

1. After construction and until vegetation has been established, level spreader(s) shall be inspected after every rainfall. Thereafter, level spreader(s) shall be inspected *at least* every month and more frequently during the fall season and after heavy rainfall events:
 - a. Accumulated sediment, leaves, and trash shall be removed; and repairs made if required.
 - b. Inspect level spreader(s) for evidence of scour, undercutting, settlement of the structure, and concentrated flows downhill from the level spreader(s).
 - c. A level elevation shall be maintained across the entire flow-spreading structure at all times. Repair or replace the level spreader if it is damaged.
 - d. Mow vegetative cover to a height of six (6) inches and prune plants if they cover over half of the level spreader surface.
 - e. Repair eroded areas and replace/replant dead or damaged vegetation.
2. The contractor should avoid the placement of any material on and prevent construction traffic across the structure. If the measure is damaged by construction traffic, it shall be repaired immediately.
3. Inspect and repair the collection system (e.g., catch basins, pipes, swales, riprap) four (4) times a year to maintain proper functioning.

I acknowledge and agree by my signature below that I am responsible for the performance of the maintenance procedures listed above. I agree to notify DWQ of any problems with the system or prior to any changes to the system or responsible party.
