Re: Asbestos Abatement for 9590 Amis Chapel Road in Oxford, NC

Dear SERVPRO;

As you know, our firm was contracted to remove the asbestos-containing joint compound sheetrock wallboard from all the walls throughout the home.

I am writing to inform you that this is now complete. At this time, you may proceed with your project.

I have enclosed the subcontracted third-party clearance testing report.

Please note that the disposal record (manifest) is not attached. It will be forwarded to you within the next several weeks.

Don't hesitate to call if you have any questions or we can be of further assistance.

Respectfully,

Michael Palmer
Project Manager/President
Inspector # 13326
