No alteration in the exterior appearance of any building or structure including exterior color or finish shall be made without prior written approval by the Declarant. In the event said Declarant or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with; provided that plans and specifications that contain inaccurate or missing data or information when submitted shall not be deemed to be approved notwithstanding the foregoing.

The Declarant shall have the right, at its election, but shall not be required, to enter upon any of the property during site preparation or construction, erection, or installation of improvements to inspect the work being undertaken and to determine that such work is being performed in conformity with the approved plans and specifications and in a good and workmanlike manner, utilizing approved methods and good quality and good quality materials.

At such time as the Declarant owns no more lots in the subdivision, Architectural Control as provided for in these Covenants shall pass to the Association. At that point in time, it will be the responsibility of the Association to appoint an Architectural Control Committee to enforce these Covenants.

**Section 9. Remedies.** If the finished dwelling, garage, accessory building or other structure does not comply with the submitted and approved plans and specifications, the Board retains the right to make the necessary changes at owner's expense to comply with the approved plans and specifications, the right to treat such charge or cost as an assessment, the right to file under the North Carolina lien laws a notice of liens for

any costs incurred, and the further right to resort to all remedies provided under the laws of North Carolina for the recovery of such costs and the expenses of collection, including without limitation, reasonable attorneys' fees. Any changes in plans or specifications must first be reapproved by the Declarant or the Board of Directors in accordance with the procedure herein specified for architectural control.

## ARTICLE IX USE RESTRICTIONS

**Section 1. Rules and Regulations.** The Board of Directors of the Association shall have the power to formulate, publish and enforce reasonable rules and regulations concerning the use and enjoyment of the yard space of each lot and the Common Elements. Such rules and regulations may provide for imposition of fines or penalties for the violation thereof, or for the violation of any of the covenants and conditions contained in this Declaration.

**Section 2. Use of Property.** No portion of the property (except for model home/temporary office of Declarant or purchaser from Declarant) shall be used except for single-family residential purposes and for purposes incidental or accessory thereto.

**Section 3. Quiet Enjoyment.** No obnoxious or offensive activity shall be carried on upon the property, nor shall anything be done which may be, or may become, a nuisance or annoyance to the neighborhood.

Animals.** No animals, livestock or poultry of any kind shall be kept or maintained on any lot or in any dwelling except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes and are controlled in accordance with applicable governmental ordinances and are not a nuisance to other owners.

**Section 5. Offensive Behavior.** No immoral, improper, offensive, or unlawful use shall be made of the property or any part thereof, and all valid laws, ordinances, and regulations of all governmental agencies having jurisdiction thereof shall be observed. All laws, order, rules, regulations, or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the property, shall be complied with, by and at the sole expense of the owner or the Association, whichever shall have the obligation to maintain or repair such portion of the property.

**Section 6. Business.** No industry, business, trade, occupation, or professional of any kind, whether commercial or otherwise, shall be conducted, maintained, or permitted on any part of the property, except that the Declarant or its agents may use any unsold lot or Living Unit for sales or display purposes.

**Section 7. Signs.** No owner shall display, or cause or allow to be displayed, to public view any sign, placard, poster, billboard, or identifying name or number upon any building, or any portion of the Common Elements, except as allowed by the Association pursuant to its By-Laws or regulations or as required by local governmental authority; provided, however, that the Declarant and any mortgagee who may become the owner of any lot, or their respective agents, may place "For Sale" or "For Rent" signs on any unsold or unoccupied lots provided, however, that during the development of the property and the marketing of any lot, the Declarant or purchaser from Declarant may maintain a sales office and may erect and display such signs

as the Declarant or purchaser from Declarant deems appropriate as aids to such development and marketing, provided that such signs do not violate any applicable laws.

Except with the prior consent of the Declarant or the Architectural Committee, no detached garage shall at any time be used for human habitation temporarily or permanently.

**Section 11. Appearance.** It shall be the responsibility of each Property Owner, tenant, contractor or sub-contractor to prevent the development of any unclean, unsightly, unkempt, unhealthy, or unsafe conditions of buildings or grounds on any Property which will tend to substantially decrease the beauty of Spencer's Gate, the neighborhood as a whole or the specific area. The Declarant and his agent shall have the right to enter upon any property for the purpose of correcting such conditions including, but not limited to, the removal of trash which has collected on a Property, and the cost of such corrective action shall be paid by the Property Owner. Such entry shall not be made until thirty (30) days after the Owner of the Property has been notified in writing of the need to take corrective action within said thirty (30) days. Provided, however, that should such conditions pose a health or safety hazard, such entry shall not be made until the Owner has been notified in writing of the need to take immediate corrective action and unless such Owner fails to perform the corrective action immediately. The provisions of this paragraph shall not create any obligation on the part of the Declarant to take any such corrective action.

## ARTICLE X EASEMENTS

**Section 1. **Section 2. Priority of Easements.** Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall henceforth be deemed to be covenants running with the land for the use and benefit of the lots, and the Common Elements, as the case may be, superior to all other encumbrances which may hereafter be applied against or in favor of the property or any portion thereof.

**Section 3. Right of Entry in Event of Emergency.** Every lot shall be subject to an easement for entry by police officers, fire fighters, ambulance personnel and similar emergency personnel in the performance of their respective duties.

Failure by the Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

**Section 2. Severability.** Invalidity of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

**Section 3. General Amendments.** The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the lot owners, and thereafter by an instrument signed by not less than seventy five (75%) percent of the lot owners.

**Section 4. Amendments Permitted Without Membership Approval.** The following amendments may be effected by the Declarant, or the Board, as the case may be, without consent of the members: (A) Prior to the sale of the first lot, this Declaration may be amended by the Declarant. (B) Declarant may amend this Declaration upon annexation of additional lands as specified in Article VI, Section 2, herein. (C) The Board may amend this Declaration to correct any obvious error or inconsistency in drafting, typing or reproduction. (D) The Declarant, so long as it shall retain control of the Association, shall have the right to amend this Declaration to conform to the requirements of any law or governmental agency having legal jurisdiction over the property or to qualify the property or any lots and improvements thereon for mortgage or improvement loans made, insured or guaranteed by a governmental agency or to comply with the requirements of law or regulations of any corporation or agency belonging to, sponsored by, or under the substantial control of, the United States Government, the State of North Carolina or Franklin County regarding purchase or sale in such lots and improvements, or mortgage interests therein, as well as any other law or regulation relating to the control of property, including, without limitations, ecological controls, construction standards, aesthetics, and matters affecting the public health, safety and general welfare. Department of Housing and Urban Development, the Federal Home Loan Mortgage Corporation, Government National Mortgage Corporation, or the Federal National Mortgage Association, requesting or suggesting an amendment necessary to comply with the requirements of such corporation or agency shall be sufficient evidence of the approval of such corporation or agency, provided that the changes made substantially conform to such request or suggestion. (E) The Declarant, for so long as it shall retain control of the Association, and, thereafter, the Board of Directors, may amend this Declaration as shall be necessary, in its opinion, and without the consent of any owner, to qualify the Association or the property, or any portion thereof, for tax-exempt status. **Section 5. Governmental Authority Amendments.** No amendment shall become effective until submitted to and approved by those authorities set out in Article XIII, Section 4 above; provided, however, if that authority fails to approve or disapprove such amendment within thirty (30) days after the same has been submitted to it, such approval shall not be required and this covenant shall be deemed to have been fully complied with.

**Section 6. Exchange of Common Area.** With the assent of two-thirds (2/3) of the votes of the entire Class A membership and two-thirds (2/3) of the entire Class B membership, if any, the Association, acting through its Board, from time to time may exchange with Declarant or any member a portion of the Common Elements for a portion of the real property owned by such member within Spencer's Gate, provided that the real property acquired by the Association in the Exchange; (a) is free and clear of all encumbrances except the Declaration, and easements for drainage, utilities, and sewers; (b) has approximately the same

area and utility as the portion of the Common Elements exchanged and (c) the Common Elements as constituted after the conveyance meets the standards for open space as required by Franklin County. The real property so acquired by the Association shall be a part of the Common Elements, and, without further act of the Association or membership, shall be released from any provisions of the Declaration except those applicable to the Common Elements. The portion of the Common elements so acquired by Declarant or a member, without further act of the Association or membership, shall cease to be Common Elements and shall be subject to those provisions of the Declaration that were applicable to the real property conveyed to the Association by the member.

**Section 7. Fidelity Bonds.** The Association shall maintain blanket fidelity bonds for all officers, directors, trustees and employees of the Association and for all other persons handling or responsible for funds of or administered by the Association. The total amount of fidelity bond coverage shall not be less than the estimated maximum of funds, including reserve funds in the custody of the Association or the management agent, as the case may be, at any given time during the term of each bond. However, in no event shall the aggregate amount of such fidelity bonds be less than a sum equal to six month's aggregate assessments on all units plus reserve funds.

Fidelity bonds required herein shall:

1. Name the Association as an obligee;

The premiums on all such fidelity bonds for the Association (except for premiums on fidelity bonds maintained by a management agent for its officers, employees and agents) shall be paid by the Association as a common expense.

**Section 8. FHA/VA Approval.** As long as there is a Class B membership, and if Declarant determines to qualify this property for Federal Housing Administration or Veterans Administration approval the following actions will require the prior written approval of the Federal Housing Administration or the Veterans Administration: Annexation of additional property, dedication of Common Elements, and amendment of this Declaration of Covenants, Conditions and Restrictions.
