Good Afternoon!

I spoke with you a little bit ago regarding the septic for this property. I have searched every portal available to me with no success. Our records only go back as far as 2005 and it looks as though the property was established in 2000. I searched to see if any repair permits or existing system checks had been applied for with no luck. I am sorry that I could not be of more assistance. Thank you!

Tanya Sauls
