This permit becomes null and void if work or construction authorized has not been inspected within 6 months or if construction or work is suspended, or abandoned for a period of 12 months at any time after work is started.

I hereby certify that all information in this application is correct and all work will comply with the North Carolina State Building Codes and all other applicable State and local laws, ordinances, and regulations. The Inspections Department shall be notified of any changes to this application, subcontractor information, (Electrical, Plumbing, and Mechanical), approved plans, and specifications for the project permitted herein. **NOTICE!** Providing false information or using contractors other than those indicated may result in revocation of permits, the issuance of a Stop Work Order, denial of a Certificate of Occupancy or termination of utility services such as electricity, gas, or water. **NOTE: All Fees are Non-refundable.**
