Such corporation or unincorporated association may pay a Facility fee in the same amount as the prevailing Association dues, which would allow use of the amenities in the ratio of five (5) persons for each fee paid.
- E. If more than one single family unit owns a lot within Lake Royale Subdivision only one vote would be allowed per said lot.
- F. If two (2) persons who own a single lot are legally named on the property deed, whether related or not, they shall collectively owe a single due. ARTICLE XIII AMENDMENT TO THE BY-LAWS

These By-laws may be altered, amended, repealed, consolidated and new By-laws may be adopted in whole or in part by the owners of the lots in the Subdivision whenever the owners of at least two-thirds of said lots so agree in writing or by action of the Lake Royale Property Owners Association, Inc., at a meeting duly called for said purpose by a vote of at least two-thirds of the members present thereat, voting by ballot or voting by absentee ballot or voting by electronic means, ²¹ if a copy of the proposed change is mailed to the members of the Association no less than 30 nor more than 60 days before the date of the meeting. Proposed changes may be submitted by the Board of Directors or by a petition submitted and signed by at least fifty (50) members in good standing. ¹⁷

Whenever a By-law amendment is approved, the POA will send to each property owner a supplement of the change to be attached to his or her By-laws document. The entire By-laws will be printed out and sent to each property owner once every 10 years beginning in 2020. Meanwhile, you can always access www.lrpoa.com to view and/or download the latest version, if so desired. ¹³

Any proposed Amendment to these By Laws, whether submitted by a member of the Association (includes Board of Directors) or by written petition, must be received by the General Manager of the Association not later than March 1st of the current year prior to the Annual Meeting. Note: Prior to submission of an amendment or petition, the property owner may consult the By-laws and Covenants Committee for assistance in drafting and/or formatting the proposal.

In early March, the By-laws and Covenants Committee will submit to the Board of Directors a summation of all proposed amendments received on or before March 1st. The Board of Directors will review these amendments and those approved by the Board of Directors will be processed by the By-laws and Covenants Committee, and then resubmitted to the Board of Directors for placement on their ballot form.

The Board of Directors may approve or disapprove placing an amendment on the ballot, but not a petition. If a property owner submits an amendment to the Board of Directors and it is turned down by them, the property owner may resubmit the amendment as a written petition. A property owner may also bypass the Board of Directors entirely and submit a petition on his/her own. The petition form on which signatures will be collected must include a reasonable amount of written explanation, but must not tell a member how to vote. A property owner in good standing may only sign the petition form once, regardless of the number of properties owned. This does not hinder the property owner's ability to vote on ballots multiple times based on the number of lots owned.

The completed petition form must be submitted in duplicate:

- A. The **original** petition form must be received by the General Manager of the Association by March 1st of the current year. The General Manager may ascertain the legality of the proposed amendment with our POA attorney, then promptly forward the petition on to the By-laws and Covenants Committee to ascertain the conformity of the proposed amendment with POA documents, review it for accurate wording, make necessary changes (if needed) and format it to the prevailing standards prior to having it mailed to the members of the Association.
- B. A **copy** of the petition form must be received by the Secretary of the Lake Royale Board of Directors by March 1st of the current year. ¹⁴
