

RIDER TO THE CONTRACT OF SALE

This rider is attached to and made a part of the Contract of Sale between Bristol Global Mobility, LLC as "Seller" and _____ "buyer" for the property commonly known as 114 Blue Heron Dr., Youngsville, US-NC, 27596 USA. If any provisions of this Rider conflict in whole or in part with the terms of the Contract of Sale, addendums, and riders, this Rider shall control.

1. Buyer acknowledges that this sale is a corporate relocation and the Contract of Sale is contingent upon Bristol Global Mobility, LLC (hereinafter referred to as "BGM") being able to deliver good and marketable title to the property.
2. It is agreed and understood that the Buyer's earnest money shall be made payable to the appropriate party and deposited into a trust account. In case of default of the Contract of Sale by Buyer, it is expressly agreed that the earnest money deposit herein shall be paid to BGM as liquidated damages.
3. The Purchaser(s) accept the subject Property, and any included personal property, in "AS IS" condition at the time of closing. Purchasers acknowledge that neither BGM, nor the corporations it represents, has occupied the Property at any time, and therefore neither one expresses or implies any guarantees, warranties, or representations concerning the condition or function of the structures, systems, fixtures, equipment, amenities, lot lines or lot size of said Property. Purchasers further acknowledge that they have NOT relied upon any guarantees, warranties, or representations except as expressly stated in writing in the Contract of Sale or this Rider, and Purchasers further acknowledge that they are relying solely on their own judgment in purchasing the Property.

BGM strongly encourages Purchasers, at their own expense, to have a complete independent inspection of the Property, structures, systems, equipment and amenities. If the Purchasers decline the right to inspect, or do not complete the inspections, and do not present to BGM within ten (10) business days of acceptance of the Contract of Sale, a written request for repairs, they shall thereby have waived their right to do so, and agree to accept the condition of the Property as being satisfactory, relieving BGM and its agents of all further liability.

4. If BGM has ordered or conducted inspections of the Property, said inspections will be provided to the Purchasers, as provided for in the Contract of Sale.

5. BGM and the Broker do not have knowledge of any existing conditions or inspections which pertain specifically to the property other than those revealed on the attached Disclosure(s) statement or inspections provided by the present owner of record and occupants and those, if any, listed below:
10/15/2025, 11/13/2025 – Disclosures – Previous owner of record
2/6/2026 – Disclosures – Bristol Global Mobility
6. Tax Proration's and assessments, if any, shall be calculated in accordance with local custom and based upon the most recent verifiable official tax information provided as of the day of closing by the local tax assessor or other applicable authority. Buyer and BGM agree that no further adjustments will be made after the date of closing.
7. The closing of the sale of the Property shall be through, and shall take place at the following office

Gwynn, Edwards & Getter, PA
900 Ridgefield Drive, Suite 150
Raleigh, NC 27609
Attention: Julie Harris - jharris@geandglaw.com - (919) 871-0022

The closing shall occur on or before: _____, with Time Being of the Essence.

If Seller has agreed to credit Purchasers monies at closing, Purchasers acknowledge that any such credits may not exceed an amount acceptable to Purchasers' lender, if any. Monies for credits may be made payable to a contractor of Purchasers' choice with approval of Purchasers' lender and will be reflected on the ALTA Settlement Statement. Neither Seller nor Closing Agent will be liable for any failure whatsoever in connection with a contractor's/payee's performance.

Real Estate commission will be considered earned and payable only if the sale to Buyer is closed, the deed delivered to Buyer and the purchase price delivered to Seller.

8. Possession shall be given to the Buyer at closing and funding. Buyer may not alter the Property, store anything on or in the Property, occupy, or otherwise use the Property prior to closing.
9. Notwithstanding, anything contained in the Contract of Sale to the contrary, Seller expressly rejects all mediation, arbitration and other alternative dispute resolution procedures. Any provision in the Contract of Sale requiring such procedures are void and of no effect.

10. Buyer agrees to credit BGM for any fuel oil remaining, based on a fuel oil reading by a fuel oil company.

11. In negotiating the Contract of Sale, BGM has materially relied on the closing date specified. If, through no fault of BGM and due to the Purchasers choice, the closing does not occur on the scheduled closing date, Purchasers agree to pay BGM the sum of one and one quarter per cent (1.25%) of the purchase price of the Property per month, prorated on a daily basis. This sum is to be paid to, or credited to, BGM on the actual date of closing.

12. Notwithstanding anything herein to the contrary, the term Force Majeure if used herein does not include any matters related to the Coronavirus/COVID-19 pandemic and resulting closures, delays, travel restrictions (government and self-imposed) and other impacts (collectively "COVID-19 events"). The parties understand the possibility of delays and material change of circumstance due to COVID-19 events and knowingly intend to proceed with this transaction. However, the parties agree that the provisions of Paragraph 11 of this Rider shall not apply to delays due to a COVID-19 event.

NORTH CAROLINA REAL ESTATE COMMISSION

Residential Property And Owners'
Association Disclosure Statement

Protecting the Public Interest in Real Estate Brokerage Transactions

Property Address/Description: 114 Blue Heron Dr
Owner's Name(s): Michael J Ryan

Youngsville
Katherine J Couperus

NC 27596

North Carolina law N.C.G.S. 47E requires residential property owners to complete this Disclosure Statement and provide it to the buyer prior to any offer to purchase. There are limited exemptions for completing the form, such as new home construction that has never been occupied. Owners are advised to seek legal advice if they believe they are entitled to one of the limited exemptions contained in N.C.G.S. 47E-2.

An owner is required to provide a response to every question by selecting Yes (Y), No (N), No Representation (NR), or Not Applicable (NA). An owner is not required to disclose any of the material facts that have a NR option, even if they have knowledge of them. However, failure to disclose latent (hidden) defects may result in civil liability. The disclosures made in this Disclosure Statement are those of the owner(s), not the owner's broker.

- If an owner selects Y or N, the owner is only obligated to disclose information about which they have actual knowledge. If an owner selects Y in response to any question about a problem, the owner must provide a written explanation or attach a report from an attorney, engineer, contractor, pest control operator, or other expert or public agency describing it.
- If an owner selects N, the owner has no actual knowledge of the topic of the question, including any problem. If the owner selects N and the owner knows there is a problem or that the owner's answer is not correct, the owner may be liable for making an intentional misstatement.
- If an owner selects NR, it could mean that the owner (1) has knowledge of an issue and chooses not to disclose it; or (2) simply does not know.
- If an owner selects NA, it means the property does not contain a particular item or feature.

For purposes of completing this Disclosure Statement: "Dwelling" means any structure intended for human habitation, "Property" means any structure intended for human habitation and the tract of land, and "Not Applicable" means the item does not apply to the property or exist on the property.

OWNERS: The owner must give a completed and signed Disclosure Statement to the buyer no later than the time the buyer makes an offer to purchase property. If the owner does not, the buyer can, under certain conditions, cancel any resulting contract. An owner is responsible for completing and delivering the Disclosure Statement to the buyer even if the owner is represented in the sale of the property by a licensed real estate broker and the broker must disclose any material facts about the property that the broker knows or reasonably should know, regardless of the owner's response.

The owner should keep a copy signed by the buyer for their records. If something happens to make the Disclosure Statement incorrect or inaccurate (for example, the roof begins to leak), the owner must promptly give the buyer an updated Disclosure Statement or correct the problem. Note that some issues, even if repaired, such as structural issues and fire damage, remain material facts and must be disclosed by a broker even after repairs are made.

BUYERS: The owner's responses contained in this Disclosure Statement are not a warranty and should not be a substitute for conducting a careful and independent evaluation of the property. **Buyers are strongly encouraged to:**

- Carefully review the entire Disclosure Statement.
 - Obtain their own inspections from a licensed home inspector and/or other professional.
- DO NOT assume that an answer of N or NR is a guarantee of no defect. If an owner selects N, that means the owner has no actual knowledge of any defects. It does not mean that a defect does not exist. If an owner selects NR, it could mean the owner (1) has knowledge of an issue and chooses not to disclose it, or (2) simply does not know.

BROKERS: A licensed real estate broker shall furnish their seller-client with a Disclosure Statement for the seller to complete in connection with the transaction. A broker shall obtain a completed copy of the Disclosure Statement and provide it to their buyer-client to review and sign. All brokers shall (1) review the completed Disclosure Statement to ensure the seller responded to all questions, (2) take reasonable steps to disclose material facts about the property that the broker knows or reasonably should know regardless of the owner's responses or representations, and (3) explain to the buyer that this Disclosure Statement does not replace an inspection and encourage the buyer to protect their interests by having the property fully examined to the buyer's satisfaction.

- **Brokers are NOT permitted to complete this Disclosure Statement on behalf of their seller-clients.**
- Brokers who own the property may select NR in this Disclosure Statement but are obligated to disclose material facts they know or reasonably should know about the property.

This form is the only one approved for this purpose.
2. A disclosure statement is not required for some transactions. For a complete list of exemptions, see G.S. 47E-2(a). **A DISCLOSURE STATEMENT IS REQUIRED FOR THE TRANSFERS IDENTIFIED IN G.S. 47E-2(b)**, including transfers involving the first sale of a dwelling never inhabited, lease with option to purchase contracts where the lessee occupies or intends to occupy the dwelling, and transfers between parties when both parties agree not to provide the Residential Property and Owner's Association Disclosure Statement.
3. You must respond to each of the following by placing a check ☒ in the appropriate box.

Mineral rights and/or oil and gas rights can be severed from the title to real property by conveyance (deed) of the mineral rights and/or oil and gas rights from the owner or by reservation of the mineral rights and/or oil and gas rights by the owner. To cancel the contract, you must personally deliver or mail written notice of your decision to cancel to the owner or the owner's agent within three calendar days following your receipt of this Disclosure Statement, or three calendar days following the date of the contract, whichever occurs first. Residential Property And Owners' Association Disclosure Statement

Property Address/Description: 114 Blue Heron Dr

Owner's Name(s): Michael J Ryan

North Carolina law [N.C.G.S. 47E](#) requires residential property owners to complete this Disclosure Statement and provide it to the buyer prior to any offer to purchase. There are limited exemptions for completing the form, such as new home construction that has never been occupied. Owners are advised to seek legal advice if they believe they are entitled to one of the limited exemptions contained in N.C.G.S. 47E-2.

An owner is required to provide a response to every question by selecting Yes (Y), No (N), No Representation (NR), or Not Applicable (NA). An owner is not required to disclose any of the material facts that have a NR option, even if they have knowledge of them. However, failure to disclose latent (hidden) defects may result in civil liability. The disclosures made in this Disclosure Statement are those of the owner(s), not the owner's broker.

- If an owner selects Y or N, the owner is only obligated to disclose information about which they have actual knowledge. If an owner selects Y in response to any question about a problem, the owner must provide a written explanation or attach a report from an attorney, engineer, contractor, pest control operator, or other expert or public agency describing it.
- If an owner selects N, the owner has no actual knowledge of the topic of the question, including any problem. If the owner selects N and the owner knows there is a problem or that the owner's answer is not correct, the owner may be liable for making an intentional misstatement.
- If an owner selects NR, it could mean that the owner (1) has knowledge of an issue and chooses not to disclose it; or (2) simply does not know.
- If an owner selects NA, it means the property does not contain a particular item or feature.

For purposes of completing this Disclosure Statement: **"Dwelling"** means any structure intended for human habitation, **"Property"** means any structure intended for human habitation and the tract of land, and **"Not Applicable"** means the item does not apply to the property or exist on the property.

OWNERS: The owner must give a completed and signed Disclosure Statement to the buyer no later than the time the buyer makes an offer to purchase property. If the owner does not, the buyer can, under certain conditions, cancel any resulting contract. An owner is responsible for completing and delivering the Disclosure Statement to the buyer even if the owner is represented in the sale of the property by a licensed real estate broker and the broker must disclose any material facts about the property that the broker knows or reasonably should know, regardless of the owner's response.

The owner should keep a copy signed by the buyer for their records. If something happens to make the Disclosure Statement incorrect or inaccurate (for example, the roof begins to leak), the owner must promptly give the buyer an updated Disclosure Statement or correct the problem. Note that some issues, even if repaired, such as structural issues and fire damage, remain material facts and must be disclosed by a broker even after repairs are made.

BUYERS: The owner's responses contained in this Disclosure Statement are not a warranty and should not be a substitute for conducting a careful and independent evaluation of the property. **Buyers are strongly encouraged to:**

- Carefully review the entire Disclosure Statement.
- Obtain their own inspections from a licensed home inspector and/or other professional.

DO NOT assume that an answer of N or NR is a guarantee of no defect. If an owner selects N, that means the owner has no actual knowledge of any defects. It does not mean that a defect does not exist. If an owner selects NR, it could mean the owner (1) has knowledge of an issue and chooses not to disclose it, or (2) simply does not know.

BROKERS: A licensed real estate broker shall furnish their seller-client with a Disclosure Statement for the seller to complete in connection with the transaction. A broker shall obtain a completed copy of the Disclosure Statement and provide it to their buyer-client to review and sign. All brokers shall (1) review the completed Disclosure Statement to ensure the seller responded to all questions, (2) take reasonable steps to disclose material facts about the property that the broker knows or reasonably should know regardless of the owner's responses or representations, and (3) explain to the buyer that this Disclosure Statement does not replace an inspection and encourage the buyer to protect their interests by having the property fully examined to the buyer's satisfaction.

- **Brokers are NOT permitted to complete this Disclosure Statement on behalf of their seller-clients.**
- Brokers who own the property may select NR in this Disclosure Statement but are obligated to disclose material facts they know or reasonably should know about the property.
