ARCHER WILKINS

PUBLIC SERVICE ANNOUNCEMENT / Dec. 4, 2025

The City of Creedmoor has been receiving phone calls regarding the legality of the HOA's towing of vehicles parked along street ways in the Golden Pond Subdivision.

After a thorough review, the City Attorney has advised that the enforcement of the HOA's covenants is a private matter between the HOA and its members.

The Creedmoor Police Department, as always, remains responsible for enforcing parking violations per Chapter 72 of the Code of Ordinances of the City of Creedmoor. The HOA is however, required to notify the Police Department of all vehicles towed and to what location they are taken.

Please reach out to the Golden Pond HOA if you have any further questions.

Regards,

Michael Turner
City Manager
