ARTICLE XIV

WATER AND SEWER. All lot owners shall be subject to monthly charges as approved by the proper public authorities for water and sewer for domestic usage. Individual wells are allowed for watering lawns and other gardening purposes, but only after approval is granted for same by the Architectural Control Committee.

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded with the Wake County Register of Deeds office, after which time said covenants shall be automatically extended for successive periods of ten (10) years, unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants, in whole or in part.

ARTICLE XVI

ENFORCEMENT. Enforcement of these covenants shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant, and the

aggrieved party may request restraint of the violation or damages resulting from said violation.

ARTICLE XVII

SEVERABILITY. Invalidation of any one of these covenants or any part thereof by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect, and the failure of any person or persons to take action to enforce these covenants shall not be construed as a waiver of any future enforcement rights.

ARTICLE XVIII

MEMBERSHIP AND VOTING RIGHTS. Every owner of a lot which is subject to these Covenants shall be a member of the Georgetown Woods Property Owners' Association. Membership shall be appurtenant to and may not be separated from ownership of any lot. Such membership is not intended to apply to those persons or entities holding an interest in any tract merely as security for the performance of an obligation to pay money, e.g., mortgages or deeds of trust; however, if such secured party should realize upon his security and become the fee owner of a tract, it and its assigns will be subject to all of the requirements and limitations imposed in these covenants on owners of tracts within Georgetown Woods Subdivision, including those provisions with respect to payment of annual assessments.

ARTICLE XIX

COVENANTS FOR MAINTENANCE ASSESSMENTS. The administration of the entrance signs and landscaping, including maintenance, repair and upkeep, shall be the responsibility of the Georgetown Woods Property Owners' Association after the Declarant makes the initial construction and/or improvements thereto. There are hereby created contributions for maintenance expenses as may from time to time specifically be authorized

by the Board of Directors of the Georgetown Woods Property Owners' Association, to be commenced at the time and in the manner set forth in this article. Each owner, by acceptance of a deed or a recorded contract of sale for any portion of the properties, is deemed to covenant and agree to pay these contributions. The contributions, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such contribution is made. Each such contribution, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who is the owner of such property at the time when the assessment fell due. The personal obligation for delinquent contributions shall not pass to his successors in title unless expressly assumed by them. The contributions levied by the association shall be used exclusively for improvement and maintenance of the signs and other easements located on each lot for the benefit of the property owners as a whole.

It shall be the duty of the Board of Directors of Georgetown Woods Property Owners' Association, at least sixty (60) days before the beginning of each fiscal year, to prepare a budget covering the estimated expenses of the association during the coming year. The budget shall include a capital contribution establishing a reserve fund in accordance with the budget separately prepared as provided herein. The base contribution to be levied against each lot for the coming year shall be set at a level which is reasonably expected to produce total income to the association equal to the total budgeted common expenses, including reserves. In determining the level of contributions, the Board, at its discretion, may consider other sources of funds available to the association. In addition, the Board shall take into account the number of lots subject to contribution on the first day of the fiscal year for which the budget is

prepared and the number of lots reasonably anticipated to become subject to contribution during the fiscal year. In no event shall the maximum annual contribution be increased each year by more than five percent (5%) above the maximum contribution for the previous year, without a vote of the membership. The maximum annual contribution may be increased above five percent (5%) by a vote of two-thirds of the members who are voting in person or by proxy, at a meeting duly called for this purpose.

The obligation to pay the contributions provided for herein shall commence as to each lot on the first day of the month following the conveyance of the lot to a person other than the Declarant. Contributions shall be due and payable in a manner and on a schedule as the Board of Directors of the Georgetown Woods Property Owners' Association may provide. The first annual contribution shall be adjusted according to the number of days remaining in the fiscal year at the time contributions commence as per this section. Contributions must be fixed at a uniform rate for all lots.

EFFECT OF NON-PAYMENT OF ASSESSMENTS. Any contribution not paid within thirty (30) day after the due date shall bear interest from the due date at the rate of eight percent (8%) per annum. The Georgetown Woods Property Owners' Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the contributions provided herein by non-use of his lot.

SUBORDINATION OF THE LIEN TO MORTGAGES. The lien of the contributions provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lots shall not affect the assessment lien; however, the sale or transfer of any lot pursuant

to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any contributions thereafter becoming due or from the lien thereof.

IN TESTIMONY WHEREOF, the Declarant has caused this instrument to be executed in its corporate name by its President, attested by its Secretary, and sealed with its corporate seal, by authority of its Board of Directors, as of the day and year first above-written.
