When more than one person holds an interest in any Lot, all such persons shall be Members; however, the vote for such Lot shall be exercised as they among themselves determine, or as set forth in the Bylaws, but in no event shall more than one vote be cast with respect to any Lot. (i) when the total votes outstanding in the Class A membership equal or exceed the total votes outstanding in the Class B membership; however, the Class B membership shall be reinstated if thereafter, and before the time stated in subparagraph (b) below, additions are made to the Properties sufficient to give the Class B membership a total number of votes to exceed those of the Class A membership; or,

(ii) Ten (10) years from the date this Declaration is recorded in the Office of the Register of Deeds, Wake County, North Carolina

Section 3. The right of any member to vote may be suspended by the Board of Directors for just cause pursuant to its rules and regulations and the Articles and Bylaws of the Association and according to the provisions of Article II, Section I(b) herein.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant, and agree to pay to the Association: (1) annual assessments or charges which are Common Expenses, and (2) special assessments for extraordinary maintenance and capital improvements, (3) special assessments for purchase, construction or reconstruction of improvements; and (4) to the appropriate governmental taxing authority, a pro rata share of assessments for public improvement to the Common Properties and public roads if the Association shall default in payment thereof. The annual and special assessments, together with interest and costs, and reasonable attorney's fees for collection, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

The Association shall also have the authority, through the Board of Directors to establish, fix and levy a special assessment on any Lot to secure the liability of the Owner thereof to the Association arising from breach by such Owner of any of the provisions of this Declaration which breach shall require the expenditure of time and money or both, by the Association for repair or remedy.

Each Owner covenants for himself, his heirs, successors and assigns, to pay each assessment levied by the Association on the Lot described in such conveyance to him within ten (10) days of the due date as established by the Board, and further covenants that if said assessment shall not be paid within thirty (30) days of the due date, the payment of such assessment shall be in default and the amount thereof become a lien upon said Owner's Lot as provided herein and shall continue to be such lien until fully paid.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the paying of Common Expenses; and, in particular, but not limited to, for the acquisition, improvement and maintenance of Property, services, amenities and facilities, and for the use and enjoyment of the Common Properties, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes and public assessments assessed against the Common Properties, the procurement and maintenance of insurance in accordance with the Bylaws or as deemed appropriate by the Board, the employment of counsel, accountants and other professionals for the Association when necessary, and such other needs as may arise.

Section 3. Amount of Assessment.

(a) **Initial Maximum Assessment.** To and including December 31, 2004, the maximum annual assessment shall not exceed Nine Hundred and Sixty and no/100 Dollars (\$960.00) per lot.

(b) **Increase by Association.** From and after December 31, 2004, the annual assessment imposed by this Association, initially \$960.00, effective for any year (including 2003) may be increased effectively from and after January 1 of the succeeding year by the Board of Directors, without a vote of the membership, by a percentage which may not exceed

the greater of twelve (12%) percent or the percentage increase reflected in the Consumer Price Index For All Urban Consumers (CPI-U) - South Urban Area Average (1982-84 = 100) (published by the U.S. Bureau of Labor Statistics, United States Department of Labor, Washington, D.C.), or such other Index as may succeed that Index, for that twelve-month period ending the immediately preceding October 1. Any budget increasing assessments by less than twelve percent (12%), is ratified unless ninety percent (90%) of the total vote of each class of Members vote to reject the budget at a duly called meeting. The Board of Directors, at its option may declare that a special Refurbishment Assessment be levied against all Lots, unless ninety percent (90%) of the total vote of each class of Members vote to reject it. The Refurbishment Assessment shall be in an amount not to exceed Five Hundred and no/100 Dollars (\$500.00) per Lot and may be levied no more than once every five (5) years from the date of the recording of this Declaration. The Refurbishment Assessment shall be used to pay for the cost of enhancing, refurbishing or repairing portions of the Common Properties such as, but not limited to entryway features, lighting and landscaping and the like.

(c) Increase by Members. From and after December 31, 2004, the annual assessment may be increased by a percentage greater than permitted by this Article by an affirmative vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for such purpose. The limitations herein set forth shall not apply to any increase in assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(d) Criteria for Establishing Annual Assessment. In establishing the annual assessment for any assessment year, the Board of Directors shall consider all current costs and expenses of the Association, any accrued debts, and reserves for future needs, but it may not fix the annual assessment in an amount in excess of the greater of twelve (12%) percent or the sums derived by application of the Consumer Price Index formula provided in Subsection (b) without the consent of members required by Subsection (c) of this Section 3.

(e) Board Authority. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

(f) Declarant Expenses. Until such time as Declarant shall no longer control the Board, Declarant may make a loan to the Association funds to cover the expenses not otherwise covered by the assessment hereunder.

(g) Attorney's Fees. There shall be an approval by the majority of the votes of the members prior to making a special assessment for attorneys fees or prior to incorporating attorneys fees (other than those typically incurred in the normal management of the Subdivision) into the annual budget on which the annual assessment is based.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, restoration, repair or replacement of a capital improvement upon the Common Properties, any extraordinary maintenance, including vegetation, fixtures and personal property related thereto and any property for which the Association is responsible, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose. Provided, however, the Board of Directors, at its option may declare that a Special Capital Assessment be levied against all Lots, unless ninety percent (90%) of the total vote of each class of Members vote to reject it. The

Special Capital Assessment shall be in an amount not to exceed Five Hundred and no/100 Dollars (\$500.00) per Lot and may be levied in emergency situations only, no more than once every five (5) years from the date of the recording of this Declaration. The Special Capital Assessment shall be used to defray the cost of any construction, reconstruction, restoration, repair or replacement of a capital improvements upon the Common Properties. This assessment may not be used for any other purposes including litigation involving the Association.

Section 5. Replacement Reserve. Out of the Common Expenses assessment, the Board shall create and maintain a reserve fund for the periodic maintenance, repair, and replacement of improvements to the Common Properties and any Limited Common Properties which the Association may be obligated to maintain.

Section 6. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under this Article shall be sent to all members not less than 10 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to a minimum seven (7) day, maximum twenty-one (21) day notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. If at a second meeting, the requirement of one-half of the required quorum is not met, then in a subsequent meeting the requirement shall be one-fourth (1/4) of the required quorum and successive meetings may be held until a quorum is maintained by successively halving the quorum requirement of the prior meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 7. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and shall be collected on an annual basis or other periodic basis established by the Board.

Section 8. Date of Commencement of Annual Assessments; Due Dates; Initial Working Capital. The annual assessments provided for herein shall commence as to all Lots at the time of recording of a deed from the Declarant to the initial property owner. Provided, however, that Lots owned by the builder of the initial improvements on the Lot ("Builder") shall be assessed at a rate of fifty percent (50%) of the amount of the assessment due for that Lot which is owned by the Builder for the first year in which the Lot is owned by the Builder and at the full assessment rate after the first year in which the Lot is owned by the Builder. The assessments on Lots owned by a Builder shall accrue each month that the Builder owns the Lot and shall not be required to be paid by the Builder until the date of closing of the sale of a Lot from a Builder to a consumer-occupant Lot Owner or the date of rental of a Lot from a builder to a consumer-occupant Lot Owner. A consumer-occupant Lot owner shall pay the pro-rata amount of the full annual assessment from the date of closing on any Lot until the first day of the first calendar year following closing of that sale or until the end of such period as the Association chooses to collect the Assessments. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge if it deems appropriate, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of issuance.

In addition to the regular assessments to be charged and paid hereunder, each consumer-occupant Lot owner shall, at the time of the initial sale of a Lot by a builder to that consumer-occupant Lot owner, pay to the Association a sum equal to two (2) months assessment on that Lot as additional working capital of the Association. These amounts need not be segregated but may be commingled with regular assessment funds. This working capital amount shall be paid by the consumer-occupant Lot Owner notwithstanding the fact that Declarant may have made prior regular assessment payments to the Association on the Lot being sold pursuant to the provisions of the first sentence hereunder.

Section 9. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be delinquent, in default, shall be subject to a late charge of Twenty-five and no/100 DOLLARS (\$25.00) per month. The Association may bring an action at law against the Owner personally obligated to pay the same plus interest, costs, late payment charges and reasonable attorneys' fees, or foreclose the lien against the Lot. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Properties or abandonment of his Lot.

The lien herein granted unto the Association shall be enforceable pursuant to Article 2A of Chapter 45 of the General Statutes from and after the time of recording a Claim of Lien in the Office of the Clerk of Superior Court in the County in which the Property is located in the manner provided therefore by Article 8 of Chapter 44 of the North Carolina General Statutes, which claim shall state the description of the Lot encumbered thereby, the name of the record owner, the amount due and date when due. The claim of lien shall be recordable any time after thirty (30) days after the due date of the assessment or any installment thereof and the lien shall continue in effect until all sums secured by said lien as herein provided shall have been fully paid. Such claims of lien shall include all assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided. Such claims of lien shall be signed by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record.

Section 10. Subordination of the Lien to Mortgages and Ad Valorem Taxes. The lien of the assessments provided for herein shall be subordinate to the lien of any institutional first mortgage and ad valorem taxes on said Lot. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or tax foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, but shall not abate the personal obligation of the prior owner. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Property. Any portion of the Property dedicated to, and accepted by, a local public authority and any portion of the Property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE V

ARCHITECTURAL CONTROL

No site preparation (including, but not limited to grading, elevation work, landscaping, sloping or tree work) or initial construction, erection or installation of any improvements, including but not limited to, buildings, fences, signs, walls, bulkheads, screens, landscaping, plantings, equipment, swimming pools, or other structures shall be commenced, erected, placed, altered or maintained upon any lot, until the plans and specifications showing the nature, kind, shape, height, materials, exterior colors, siding, location and elevations of the proposed improvements relative to their existing and future septic field disposal areas, landscaping or plantings shall have been submitted to, and approved in writing by, as to harmony of external design and location in relation to surrounding structures and topography, an Architectural Committee composed of no fewer than three (3) persons and no more than eleven (11) persons appointed by the Declarant through and until the date that is five (5) years after commencement of development of the Subdivision, or such earlier date as determined by Declarant in its sole discretion. Initial construction on all Lots shall be reviewed and approved by the Declarant until the sale of the final Lot in the Subdivision by the Declarant. After such date, the Architectural Committee shall be composed of no fewer than three (3) persons and no more than eleven (11) persons, and shall be appointed by the Board. In the event the Architectural Committee fails to approve such submission made by any Lot Owner within thirty (30) days after said plans and specifications have been received by the Committee, approval will be deemed to have been denied. Any plans and specifications that contain inaccurate or missing data or information when submitted shall not be deemed to be approved notwithstanding any prior approval by the Committee.

Upon request, the Association, on behalf of the Architectural Committee, shall provide any Owner with a letter stating that any such work, plans and specifications, landscaping or plantings have been approved, and the letter may be relied upon by third parties.

Approval or disapproval by the Architectural Committee of such plans, location or specifications may be based upon any grounds, including purely aesthetic and environmental, which in the sole discretion of the Committee, it shall deem sufficient. Neither the Association, Board, nor the Architectural Committee shall be responsible for any defects in the plans and specifications submitted to it or in any structure erected or improvements made on any Lot.

The Board and the Architectural Committee, or their appointed agents, shall have the right, at their election, but shall not be so required, to enter upon any of the Lots during site preparation or construction, erection, or installation of improvements to inspect the work being undertaken and to determine that such work is being performed in conformity with the approved plans and specifications.

The Architectural Committee shall have the power to grant, and may allow, variances of, and adjustments of, the restrictions established herein in order to overcome practical difficulties and prevent unnecessary hardships in application of the restrictions contained herein; provided, however, that variances or adjustments are done in conformity with the intent and purposes hereof; and, provided also, that in every instance such variance or adjustment will not be materially detrimental or injurious to other Lots in the immediate neighborhood. Variances and adjustments may be of the height, size, and setback requirements, pursuant to the terms herein, but shall not be limited thereto. No variance shall be permitted if it violates governmental minimum standards. Notwithstanding the foregoing, Declarant shall have the power to grant the above variances and adjustments so long as Declarant has the authority to appoint members to the Architectural Committee.

In the event of the grant of any variance in the restrictions established herein, the Declarant for so long as the Declarant has the authority to appoint members to the Architectural Committee, and thereafter the Association on behalf of the Architectural Committee shall execute a document acceptable in substance to the Association attesting to such grant and the specific nature thereof in form suitable for recording, so that the Lot Owner may record the document in the Registry of the County in which the Lot is located. Such document shall be prepared at the cost of the Lot Owner and shall be binding upon the Declarant, the Association, its successors and assigns, and other Lot Owners and may be relied upon by third parties to evidence the variance approval.

Any purchaser of a lot or institution financing a lot shall rely on the foregoing statement.

The Association, so long as Declarant has authority to appoint members to the Architectural Committee, shall defer architectural approvals and grants of variances to Declarant unless Declarant has voluntarily relinquished control of the Association.

ARTICLE VI

ANNEXATION OF ADDITIONAL PROPERTIES

Section 1. Annexation of additional property, except as provided in Section 2 of this Article VI, shall require the assent of two-thirds (2/3) of the Class A membership and two-thirds (2/3) of the Class B membership, if any, present in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than 15 days nor more than 30 days in advance of the meeting setting forth the purposes of the meeting. The presence of Members or of proxies entitled to cast sixty percent (60%) of the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called subject to a notice requirement of a minimum of seven (7) days and a maximum of twenty-one (21) days and the required quorum shall be one-half (2) of the required quorum of the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting. In the event that two-thirds (2/3) of the Class A membership or two-thirds (2/3) of the Class B membership are not present in person or by proxy, Members not present may give their written assent to the action taken thereat. Subsequent meetings may be held reducing the quorum requirement by one-half at each meeting until a quorum is attained.

Section 2. If within ten (10) years of the date of conveyance by Declarant of the first Lot, the Declarant or a Member of Declarant should develop additional land which Declarant or a Member of Declarant owns or may hereafter acquire, which land is contiguous to the boundaries of the Property, or such other land as Declarant or member of Declarant may hereafter acquire contiguous to the additional land, which additional land has been subjected to this Declaration, such land may be annexed by the Declarant without the consent of members; and, in doing so, Declarant may file and record such amendments to this Declaration as are necessary without the consent of the members in order to subject such additional lands to the terms of this Declaration and the jurisdiction of the Association.

Section 3. An easement is hereby established for the benefit of any governmental authority having jurisdiction over the Property, or other governmental agency, over all Common Properties for the setting, removing and reading of water meters (which shall be separate for each Lot), maintaining and replacing water, sewage and drainage facilities, for police protection, fire fighting and garbage collection and the rendering of such other services as are appropriate and necessary for the use and enjoyment of the Property. All conveyances of any portion of the Property shall be subject to these limitations on the governmental authorities responsibilities.

Section 3. Specific Utility Easements. Section 4. Recorded Easements. There are hereby reserved easements as shown on the recorded map or maps of the subdivision. In the event of a conflict in the width of any easement reserved herein or on the recorded map, the wider easement shall prevail.

In addition to the foregoing reserved specific easements, the Declarant so long as it controls the Association, and thereafter the Association, may cut and create drains and drainways both above ground and underground for the purpose of facilitating the removal of surface water whenever such action may appear to be necessary in order to maintain reasonable standards of health, safety and appearance along, over or across any Lot.

Section 6. Ground Disturbance. These reservations of easements expressly include the right to cut any trees, bushes, shrubs or growth, the grading, cutting or ditching of the soil and any other action necessary to complete installation.

Section 8. Declarant Easement. If any encroachment shall occur subsequent to subjecting the Property to this Declaration, there is hereby created and shall be a valid easement for such encroachment and for the maintenance of the same. Every Lot shall be subject to an easement for entry and encroachment by the Declarant for a period not to exceed eighteen (18) months following conveyance of a Lot to an Owner for the purpose of correcting any problems that may arise regarding utilities, grading and drainage.
