What I appreciate about the home is that it gives you a wide open feeling inside with the high ceilings and with the larger property it gives you a not cramped feeling with the neighbors. The surrounding trees in the neighborhood and in the rear of the home also gives you that nice touch of nature. Neighbourhood is safe and very friendly and quiet which gives you a peace of mind when at home. The ease of getting to Capital Blvd is also a big plus which helps reduce time getting to shops. Across the road is shopping centers, resturants and the gym which makes it convienient. Our son attendend Wake Prep School which is just a mile away which also was a big plus for this location.
