- (d) The right of the Association to charge reasonable admission and other fees for the use of the Common Properties and/or facilities therein; and
- (e) *The right of the Association to give or sell all or any part of the Common Properties, including leasehold interests, to any public agency, authority, utility, or private concern, for such purposes and subject to such conditions as may be agreed to by the members; provided, however, that no such gift or sale, and no such determination as to the purposes or the conditions thereof, shall be effective unless such gift, sale, dedication, and transfer, and the determination as to the purpose and conditions thereof, shall be authorized by vote of the membership at a duly called meeting. ARTICLE V

COVENANTS FOR MAINTENANCE ASSESSMENTS:

Section 1. Creation of the Lien and Personal Obligation of Assessments.

Each owner of any lot shall, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, be deemed to covenant and agree to all the terms and provisions of these covenants and to pay to the Association: (1) Annual assessment or charges; (2) Special Assessments for the purposes set forth in Section 4 of this Article, such assessments to be fixed, established and collected from time to time as hereinafter provided. The Annual and Special Assessments together with such interest thereon and costs of collection therefor as hereinafter provided, shall be a charge and continuing lien on the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. In the case of co-ownership of a lot, all of such co-owners shall be jointly and severally liable for the entire amount of the assessment.

Section 2. Purpose of Assessments.

The assessments levied by the Association shall be used exclusively for the improvement, maintenance, and operation of the Common Properties, including, but not limited to, the payment of taxes and insurance thereon and repair, replacement, and additions thereof, and for the cost of labor, equipment, materials, management and supervision thereof. The Special Assessments shall be used for the purposes set forth in Section 4 of this Article.

Section 3. Maximum Annual Assessment.

Until January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment shall be One Hundred Fifty Dollars (\$150.00) per lot.

(a)

From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment may be increased each year not more than 5% above the maximum assessment for the previous year without a vote of the membership.

(b)

From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment may be increased in any year by an amount in excess of 5% of the maximum assessment for the previous year if such excess is approved by a vote of the members at a duly called meeting. Written notice of the meeting and of the proposal to increase the assessment in excess of the 5% shall be sent to each member at least twenty (20) days in advance of such meeting.

(c)

The Board of Directors may fix the annual assessment at an amount not in excess of the maximum, however, the Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the annual assessment for any year at a lesser amount, but such action shall not constitute a waiver by the Association of its right to revert to the full assessment for the remaining year or years of the then current period fixed as provided in the preceding paragraph.

Section 4. Special Assessments for Improvements and Additions:

In addition to the annual assessments authorized by Section 3 hereof, the Association may levy special assessments for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto or addition to the Common Properties; for the purpose of defraying, in whole or in part, the cost of installation of underground electric utility service facilities to provide electricity to the Common Properties and each of the lots within Black Horse Run Subdivision for customary household purposes; and for the purpose of reimbursing members who have previously made voluntary contributions for installation of such facilities; provided that any such assessment shall be approved by vote of the members at a duly called meeting, written notice of which shall be sent at least twenty (20) days in advance and shall set forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Annual Assessments Upon Merger or Consolidation.

The limitations of Section 3 hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under Article 2, Section 2 hereof, and under the By-Laws of the Association.

Section 6. Date of Commencement of Annual Assessments.

The annual assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board of Directors of the Association to be the date of commencement.

The first annual assessments shall be made for the balance of the calendar year and shall be payable monthly on the first day of each month commencing on the first day of the month fixed for commencement. The assessments for any year after the first year, shall similarly be payable monthly commencing on the first day of January of said year.

The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3, hereto, as the remaining number of months in the year bear to twelve. The same reduction in the amount of the assessment shall apply to the first assessment levied against any property which is thereafter added to the properties now subject to assessment at a time other than the beginning of any assessment period.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 7. Duties of the Board of Directors.

The Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against all lots for each assessment period and shall,

at that time, prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any owner.

Written notice of the assessment shall thereupon be sent to every owner subject thereto.

The Association shall upon demand at any time furnish to any owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid, Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Effect of Non-Payment of Assessment. The Personal Obligation of the Owner, the Lien; Remedies of Association.

If the assessment or any monthly installment(s) thereof are not paid on the date when due (being the dates specified in Section 7 hereof), then such assessment shall become delinquent and shall, together with interest thereon at the rate of eight (8) per cent per annum from the due date and cost of collection thereof as hereinafter provided, thereupon become a charge and continuing lien on the land and all improvements thereon, against which each assessment is made, in the hands of the then owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the owner at the time of the assessment to pay such assessment, however, shall remain his personal obligation and shall not pass as a personal obligation to his successors in title unless expressly assumed by them.

If the assessment of any monthly installment thereof is not paid within thirty (30) days after the due date, the Association may bring an action at law against the owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court together with the costs of the action.

Section 9. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the properties subject to assessment; provided, however, that such subordination shall apply only to the assessment which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments accruing after conveyance by mortgage owner to a subsequent owner.

Section 10. Exempt Property.

The following property, individuals, partnerships or corporations, subject to this Declaration shall be exempted from the assessment, charge and lien created herein:

- (a) The grantee in conveyances made for the purpose of granting utility easements;
- b) All Common Properties as defined in Article 1, Section 1, hereof;
- (c) All properties exempted from taxation by the laws of the State of North

Carolina, upon the terms and to the extent of such legal exemptions.

(d)

All properties owned by Bill Allen Enterprises, Inc.; however, Bill Allen Enterprises, Inc, agrees to subsidize at its discretion the operation of the Association in order to show good faith and to help assure the maintenance and operation of the Common Properties up to the amount the corporation would have had to pay in assessments in accordance with these covenants if it were not exempted by this provision.

(e)

All properties owned by builders or real estate agents under a statutory exemption from the Office of Interstate Land Sales Registration who acquire such lots for the purpose of engaging in the business of constructing residential buildings or for the purpose of resale of such lots to persons or companies engaged in such business, for a period of two years from the date of a sales contract.

Section 11. Assessment of Combined Lots; Voting Rights.

(a)

Two or more contiguous lots, owned by the same member or members and utilized as a single residential lot for a residence constructed thereon which is occupied or suitable to be occupied, shall be considered as a single lot for the purposes of levying maintenance and special assessments and determining voting rights if the owner or owners thereof shall enter into a written agreement with the Association, signed and duly acknowledged by the Chairman of the Board of Directors and all of the said owners, which agreement shall contain the following:

(1) *A description of the component lots which are to constitute the combined lot or tract.*

(2) *A covenant by the owner or owners that all of the said lots shall be combined and utilized as a single residential lot, and that no portion thereof, other than the entire combined lot, shall be sold, conveyed, transferred, assigned, mortgaged, or deeded in trust without first giving written notice to the Board of Directors.*

(3) *A provision that upon the sale, conveyance, transfer, assignment, mortgage, or giving of a deed of trust on less than the entire combined lot, or in the event of construction of more than one single family dwelling on the combined lot, the component lots constituting such combined lot thereafter shall be assessable as though the lots had never been combined; and, in addition, the lot or lots sold, conveyed, transferred, assigned, mortgaged, or deeded in trust, or which are the site of the additional residence, shall be retroactively assessable for all maintenance and special assessments that would have been payable if such lot or lots had not been a part of a combined lot.*

(4) *A provision that the agreement shall be binding upon each of the parties thereto and upon their respective heirs, personal representatives, successors in interest, transferees, and assigns.*

(b)

If the combined lot is comprised of more than two contiguous lots, and if, following sale, conveyance, transfer, assignment, giving of a mortgage or deed of trust, or additional construction, as provided in Subsection (a)(3)

above, the owner or owners shall retain two or more contiguous lots utilized as a single residential tract, such owner or owners may enter into another agreement with the Association as provided in Section (a); but in the event the owner or owners fail to enter into such agreement, all lots formerly constituting the combined lot shall be assessable separately.

(c)

Any sums which shall be payable to the Association for maintenance or special assessments under the provisions of this Section shall constitute a personal obligation of the owners and shall be a lien upon the combined lot, or the component lots constituting the combined lot, as the case may be, in the manner provided in Section 1 of this Article.

(d)

If the component lots of a combined lot shall become individually assessable under the provisions of this Section, the owners of such component lots shall thereafter have the same voting rights as are specified for members in Article II.

(e)

The Board of Directors, in its discretion, may adopt by resolution rules and regulations for the administration of this section, and may require, in addition to the provisions specified in Subsection (a) hereof, such additional provisions as it deems necessary or appropriate; but the administration of this Section and the terms of the agreement provided for herein shall be uniform as to all members.

(f)

All agreements entered into pursuant to this Section shall be recorded in the Registry of Wake County, and the costs of such recordation shall be paid to the Association by the owner or owners of the combined lot in advance of recordation,"
