1. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject to the Declaration, including contract sellers, shall be a Member of the Association. Membership in the Association for Owners other than Declarant shall be established by the acquisition of ownership of fee title to a Lot as evidenced by the recording of an instrument of conveyance amongst the Public Records. Membership shall be appurtenant to and may not be separated from ownership of a Lot. Membership for Declarant shall be established upon the date this Declaration is recorded in the Public Records. Upon termination of ownership, an Owner's membership shall automatically terminate and be automatically transferred to the new Owner of the Lot. Where title to a Lot is acquired by conveyance from a party other than Declarant by means of sale, gift, inheritance, devise, judicial decree or otherwise, the person, persons or entity thereby acquiring such Lot shall not be a Member unless or until such Owner shall deliver a true copy of a deed or other instrument of acquisition of title to the Association, but if the Lot so acquired is a Contributing Lot as defined in this Declaration, the person, persons or entity thereby acquiring such Lot shall be deemed to be a Contributing Owner upon the acquisition of such Lot and liable to the Association for Assessments attributable to such Lot in accordance with the provisions of Article V and VI, regardless of the membership status of such Contributing Owner.

2. The Association shall have two (2) classes of voting membership:

- ii. "Class B Members" shall be Declarant who shall be entitled to three (3) votes for each Lot or Future Lot owned by Declarant. Class B membership shall cease and be converted to Class A membership upon the Turnover Date.

On the Turnover Date, Class A Members, including Declarant, shall assume control of the Association and elect the Board.

3. The designation of different classes of membership is for the purposes of establishing the number of votes applicable to certain Lots, and, nothing herein shall be deemed to require voting solely by an individual class on any matter which requires the vote of Members, unless otherwise specifically set forth in Association Documents.

4. No Member may assign, hypothecate or transfer in any manner his membership in the Association except as an appurtenance to his Lot.

5. Any Member who conveys or loses title to a Lot by sale, gift, devise, bequest, judicial decree or otherwise shall, immediately upon such conveyance or loss of title, no longer be a Member with respect to such Lot and shall lose all rights and privileges of a Member resulting from ownership of such Lot, but shall remain personally liable to the Association for any unpaid Assessments levied upon the subject Lot which accrue during the period of such Person's ownership of the Lot.

6. There shall be only one (1) vote for each Lot, except for Class B Members as set forth herein. If there is more than one Member with respect to a Lot as a result of the fee interest in such Lot being held by more than one person, then all such persons shall be Members, but no more than one vote shall be cast with respect to any Lot. The vote for any such Lot shall be exercised as the Members holding an interest in such Lot determine among themselves. In the event of disagreement, the decision of Members holding a majority of interest in such Lot shall govern. Fractional voting shall not be allowed. Unless otherwise notified by a co-owner as to a dispute between the co-owners regarding their vote prior to the casting of that vote, the vote of any co-owner shall be conclusively presumed to be the majority vote of the Owners of that Lot.

7. Unless a higher percentage is required by this Declaration, the Bylaws, the Articles, or the Planned Community Act, a quorum shall consist of persons entitled to cast at least twenty percent (20%) of the total number of votes of the Members.

B. Board. The Association shall be governed by the Board, which shall be appointed, designated or elected, as the case may be, as set forth in the Bylaws.

C. Duration of Association. The duration of the Association shall be perpetual, as set forth in the Articles.

ARTICLE V

COVENANT TO PAY ASSESSMENTS FOR OPERATING EXPENSES:

ESTABLISHMENT OF LIENS; COLLECTION OF ASSESSMENTS. RIGHTS OF DECLARANT AND MORTGAGEES

A. Affirmative Covenant to Pay Operating Expenses. In order to: (i) fulfill the terms, provisions, covenants and conditions contained in the Association Documents; and (ii) maintain, operate and preserve the Association Property for the use, safety, welfare and benefit of the Members and their family members, guests, invitees and lessees, there is hereby imposed upon each Contributing Lot and Contributing Owner (with the exception of Declarant for so long as Declarant pays the Deficit during the Guarantee Period referred to in Section F of Article VI) the affirmative covenant and obligation to pay to the Association (in the manner herein set forth) all Assessments, including, but not limited to, the Base Assessments, Special Assessments and Individual Expense Assessments. Each Owner, by acceptance of a deed or other instrument of conveyance conveying a Lot within the Property from Declarant, whether or not it shall be so expressed in such deed or instrument, shall be obligated and agrees to pay to the Association all Assessments for Operating Expenses in accordance with the provisions of the Association Documents.

B. Establishment of Liens. Any and all Assessments made by the Association in accordance with the provisions of the Association Documents with Interest thereon and costs of collection, including, but not limited to, Legal Fees, are hereby declared to be a charge and continuing lien upon each Contributing Lot against which each such Assessment is made. Each Assessment against a Contributing

Lot, together with Interest thereon, including, but not limited to, Legal Fees, shall be the personal obligation of the Contributing Owner of such Contributing Lot. Said lien shall be effective only from and after the time a written, acknowledged statement by the Association setting forth the amount due to the Association as of the date the statement is signed is recorded with the Clerk of the Superior Court of the County. Upon full payment of all sums secured by that lien, the party making payment shall be entitled to a satisfaction of the statement of lien in recordable form. Where an Institutional Mortgagee of record obtains title to a Contributing Lot as a result of foreclosure of its first mortgage or deed in lieu of foreclosure, such party shall not be liable for the share of Assessments pertaining to such Contributing Lot which became due prior to the acquisition of title as a result of the foreclosure or deed in lieu thereof, unless the Assessment against the Contributing Lot in question is secured by a claim of lien for Assessments recorded prior to the recordation of the applicable mortgage.

C. Collection of Assessments. In the event any Contributing Owner shall fail to pay any Assessment (or installment thereof) charged to such Contributing Owner within fifteen (15) days after the same becomes due, then the Association, through its Board, shall have any and all of the following remedies to the extent permitted by law, which remedies are cumulative and which remedies are not in lieu of, but are in addition to, all other remedies available to the Association:

1. To accelerate the entire amount of any Assessments for the remainder of the calendar year notwithstanding any provisions for the payment thereof in installments.
2. To advance on behalf of the Contributing Owner(s) in default, funds to accomplish the needs of the Association up to and including the full amount for which such Contributing Owner(s) is liable to the Association and the amount or amounts of monies so advanced, together with Interest and all costs of collection thereof, including, but not limited to, Legal Fees, may thereupon be collected by the Association and such advance by the Association shall not waive the default.
3. To file an action in equity to foreclose its lien at any time after the effective date thereof. The lien may be foreclosed by an action in the name of the Association in like manner as a foreclosure of a mortgage on real property.
4. To file an action at law to collect said Assessment plus Interest and Legal Fees, without waiving any lien rights or rights of foreclosure in the Association.
5. To charge Interest on such Assessment from the date it becomes due, as well as a late charge of Twenty-Five Dollars (\$25.00) by the Association to defray additional collection costs.

D. Collection by Declarant. In the event for any reason the Association shall fail to collect the Assessments, then, in that event, Declarant shall at all times have the right prior to the Turnover Date (but not the obligation): (i) to advance such sums as the Association could have advanced as set forth above; and (ii) to collect such Assessments and, if applicable, any such sums advanced by Declarant; using the remedies available to the Association against a Contributing Owner as set forth in Section C of this Article V, which remedies are hereby declared to be available to Declarant.

E. Rights of Declarant and Institutional Mortgagees to Pay Assessments and Receive Reimbursement. Declarant and any Institutional Mortgagees shall have the right, but not the obligation, jointly or singly, and at their sole option, to pay any of the Assessments which are in default and which may or have become a charge against any Contributing Lots. Further, Declarant and any Institutional Mortgagees shall have the right, but not the obligation, jointly or singly, and, at their sole option, to pay insurance premiums or fidelity bond premiums or other required items of Operating Expenses on behalf of

the Association where the same are overdue and where lapses in policies or services may occur. Declarant and any Institutional Mortgagees paying overdue Operating Expenses on behalf of the Association will be entitled to immediate reimbursement from the Association plus Interest and any costs of collection including, but not limited to, Legal Fees, and the Association shall execute an instrument in recordable form to this effect and deliver the original of such instrument to each Institutional Mortgagee who is so entitled to reimbursement and to Declarant if Declarant is entitled to reimbursement.

F. Rental and Receiver. If an Owner remains in possession of his Dwelling Unit and the claim of lien of the Association against his Lot is foreclosed, the court, in its discretion, may require the Owner to pay a reasonable rental for the Dwelling Unit, and the Association is entitled to the appointment of a receiver to collect the rent.

G. Assignment of Claim and Lien Rights. The Association, acting through its Board, shall have the right to assign its claim and lien rights for the recovery of any unpaid Assessments and any other monies owed to the Association, to any third party.

H. Unpaid Assessments Certificate. Within fifteen (15) days after written request by any Owner or any Institutional Mortgagee holding or making a mortgage encumbering any Lot, the Association shall provide the Owner or Institutional Mortgagee a written certificate as to whether or not the Owner of the Lot is in default with respect to the payment of Assessments or with respect to compliance with the terms and provisions of this Declaration, and any person or entity who relies on such certificate in purchasing or in making a mortgage loan encumbering any Lot shall be protected thereby.

I. Application of Payments. Any payments made to the Association by any Owner shall first be applied towards any sums advanced and paid by the Association for taxes and payment on account of superior mortgages, liens or encumbrances which may have been advanced by the Association in order to preserve and protect its lien, next toward reasonable attorneys' fees incurred by the Association incidental to the collection of assessments and other moneys owned to the Association by the Owner and/or for the enforcement of its lien; next towards interest on any Assessments or other moneys due to the Association, as provided herein, and next towards any unpaid Assessments owed to the Association, in the inverse order that such Assessments were due.

ARTICLE VI

METHOD OF DETERMINING ASSESSMENTS AND ALLOCATION OF ASSESSMENTS

A. Amount of Base Assessments. The total anticipated Operating Expenses for each calendar year shall be set forth in the budget ("Budget") prepared by the Board as required under the Association Documents. The total anticipated Operating Expenses (other than those Operating Expenses which are properly the subject of a Special Assessment) shall be apportioned equally among the Contributing Lots by dividing the total anticipated Operating Expenses as reflected by the Budget, by the total number of Contributing Lots (as evidenced by the issuance of a certificate of occupancy), with the resulting quotient being the "Base Assessment". Provided, however, the first Budget and all subsequent Budgets prepared during the Guarantee Period referred to in Section F of this Article VI, shall be based upon a full build-out of Camden Park and the Base Assessment shall be determined by dividing the amount of the total anticipated Operating Expenses at full build-out by a number equal to the number of Total Planned Lots multiplied by 75%, plus any increases permitted by the terms of Section F of this Article. Any assessment for legal expenses incurred by the Association to begin legal proceedings against Declarant shall be

deemed an Operating Expense which is properly the subject of a Special Assessment and not the subject of a regular Base Assessment.

Within 30 days after adoption of a Budget, the Board shall provide to all Owners, a summary of the Budget and a notice of the meeting to consider ratification of the Budget, such meeting to be held not less than 10 nor more than 60 days after mailing of the summary and notice. If the Budget indicates an increase in the Base Assessment for the applicable period of 10% or less than the Base Assessment for the previous period, there shall be no requirement that a quorum be present at the meeting. If the Budget indicates an increase of 10% or less to the Base Assessment as aforesaid, the Budget will be ratified unless at that meeting, ninety percent (90%) or more of the Owners present in person or by proxy at the meeting, reject the Budget. If the Budget is rejected, the Budget last ratified by the Owners or in effect for the preceding fiscal year of the Association, shall be continued until such time as the Owners ratify a subsequent Budget adopted by the Board.

Commencing on January 1, 2004, unless 90% or more of the Lot Owners present in person or by proxy at a meeting duly called as provided above reject the Budget, the amount of the Base Assessment may be increased by the Board effective January 1 of each year, but subject to the limitation that the percentage of any such increase shall not exceed 10% of the amount of the Base Assessment for the previous year, unless such increase is approved as provided in the foregoing sentence. From and after January 1, 2004, the amount of the Base Assessment may be increased without limitation if such increase is approved by Declarant and by not less than two-thirds (2/3) of all Lot Owners, present in person or by proxy, at a meeting at which a quorum (in the percentage provided in the following sentence) is present, and duly called for this purpose. The quorum requirement for any such meeting shall consist of persons entitled to cast at least sixty percent (60%) of the total number of votes of the Members.

B. Base Assessment Payments. The Base Assessments shall be payable in advance in monthly, quarterly, annual or semi-annual installments with the due dates being established by the Board. The Base Assessments, and the installments thereof, as well as all Assessments provided for herein and all installments thereof may be adjusted following the Guarantee Period from time to time by the Board.

C. Special Assessment. "Special Assessments" include, in addition to other Assessments designated as Special Assessments in the Association Documents, those Assessments which are levied for capital improvements which include the costs of constructing or acquiring improvements on or for the Association Property or the costs of reconstructing or replacing such Improvements. Provided, however, reserve funds set forth in the budget for capital improvements are Operating Expenses properly assessed as Base Assessments and not as Special Assessments. Special Assessments shall be in addition to, and are not part of, any "Base Assessment". Any such Special Assessments assessed against Contributing Lots and Contributing Owners thereof shall be paid by such Contributing Owners in addition to the Base Assessments and any other Assessment levied pursuant to this Declaration. Special Assessments shall be assessed in the same manner as the Base Assessment. Special Assessments shall be paid in such installments or in a lump sum as the Board shall, from time to time, determine. In any fiscal year of the Association after the Turnover Date, the levying of any Special Assessment shall require the affirmative assent of at least two-thirds (2/3) of all Contributing Owners represented in person or by proxy at a meeting called and held in accordance with the Bylaws. In any fiscal year of the Association prior to the Turnover Date, the levying of any Special Assessment which exceeds fifteen (15%) of the budgeted Operating Expenses of the Association for that fiscal year, shall require the affirmative assent of at least two-thirds (2/3) of all Contributing Owners represented in person or by proxy at a meeting called and held in accordance with the Bylaws.

D. Individual Expense Assessments. Individual Expense Assessments include any Assessment levied against a Contributing Owner as a result of such Contributing Owner's use, maintenance, or treatment of the Association Property or Lots or such Person's failure to comply with the Association Documents, including, but not limited to, non-compliance of Dwelling Units and any other Improvements or personal property contained therein with the standards set forth in the Association Documents. The amount of the Individual Expense Assessment(s) shall be equal to the amount of any additional costs and expenses incurred by Declarant or the Association as a result of such Contributing Owner's failure or refusal to comply with the Association Documents. The Individual Expense Assessment and any late charges relating thereto shall be assessed and collected and enforced in the same manner as any other Assessments hereunder as provided herein. Individual Expense Assessments shall be in addition to and not part of any other Assessment. For the purposes of this Section the term "Contributing Owner" shall also mean any such Contributing Owner's family members, guests, or lessees, and such lessee's family members, or guests.

Individual Expense Assessments shall be in addition to and not part of any other Assessment, any such Individual Expense Assessment assessed against a Lot Owner shall be paid by such Lot Owner in addition to any other Assessment. The Association may also levy Individual Expense Assessments on a Contributing Lot for the applicable Contributing Owner's pro rata share, as determined by the Association, of any Operating Expenses incurred by the Association for the ownership or maintenance of any Limited Association Property or the provision of any services or privileges that benefit the subject Contributing Lot.

E. Liability of Contributing Owners for Individual Assessments. By the acceptance of a deed or other instrument of conveyance of a Lot in the Property, each Contributing Owner thereof acknowledges that they are jointly and severally liable with all Contributing Owners (except for Declarant during the Guarantee Period) for the Operating Expenses. Each Contributing Owner, for himself and his heirs, executors, successors and assigns, recognizes and agrees that if other Contributing Owners fail or refuse to pay their Assessments or any portion thereof, then the remaining Contributing Owners may be responsible for increased Base Assessments or a Special Assessment or other Assessments levied as a result of the nonpayment by such other Contributing Owners. Such increased Base Assessment or Special Assessment or other Assessment can and may be enforced by the Association and Declarant in the same manner as all other Assessments hereunder as provided in the Association Documents.

F. Declarant Funding During Guarantee Period. Declarant covenants and agrees with the Association and the Contributing Owners that for the period commencing with the date of recordation of this Declaration and ending upon the sooner to occur of the following: (i) the date upon which one hundred forty (140) Lots have become Contributing Lots, or (ii) the date that is three (3) years after the date of first recordation of this Declaration ("Guarantee Period"), that Declarant will pay the difference ("Deficit"), if any, between (a) the Operating Expenses (other than those Operating Expenses which are properly the subject of a Special Assessment) incurred by the Association during the Guarantee Period, and (b) the amounts assessed as Base Assessments (referred to below) against the Contributing Lots and the "Working Capital Contributions" referred to below, which will be used to defray initial start up expenses. While Declarant pays the Deficit during the Guarantee Period, Declarant shall not be obligated to pay any Assessments with respect to any Lots owned by Declarant. Declarant hereby reserves the right to extend the Guarantee Period to a date ending no later than the Turnover Date at Declarant's sole election by providing written notice to the Association of such election at least thirty (30) days prior to the expiration of a Guarantee Period. After the Guarantee Period terminates, Declarant shall be obligated to

pay Assessments to the same extent as a Contributing Owner for any Contributing Lots owned by Declarant.

Declarant's obligation to fund the Deficit during the Guarantee Period as set forth above, together with Interest thereon and costs of collection, including, but not limited to, Legal Fees, are hereby declared to be a charge and continuing lien upon each Lot owned by Declarant. Said lien shall be effective only from and after the time of the recordation in the Public Records of a written, acknowledged statement by the Association setting forth the amount due to the Association as of the date the statement is signed. Upon full payment of all sums secured by that lien, Declarant shall be entitled to a satisfaction of the statement of lien in recordable form.

G. Working Capital Contribution. Each Owner who purchases a Lot from Declarant shall pay to the Association at the time legal title is conveyed to such Owner a "Working Capital Contribution". The Working Capital Contribution shall be an amount equal to a two months' share of the Maximum Assessment Amount in effect at the time. The purpose of the Working Capital Contribution is to insure that the Association will have cash available for initial start up expenses including, but not limited to Operating Expenses, to meet unforeseen expenditures or to acquire additional equipment and services deemed necessary or desirable by the Board. Working Capital Contributions are not advance payments of Base Assessments and shall have no effect on future Base Assessments.

H. Exempt Property. Operating Expenses shall be assessed only against Contributing Lots which are subject to Assessment under the provisions hereof, and all other portions of the Property shall be exempt there from including, but not limited to, the Association Property, any Limited Association Property, the Master Association Property, any and all Lots or other portions of the Property which may from time to time be withdrawn from the provisions of this Declaration by Declarant, any Lot which is not by definition a Contributing Lot, and during the Guarantee Period for so long as Declarant pays the Deficit, any Contributing Lots owned by Declarant.

I. Master Association Assessments. The Master Declaration requires that all "Owners" in the Master Development (as the term "Owner" is defined in the Master Declaration), including the Lot Owners in Camden Park, will be assessed for the payment of assessments to the Master Association. Those assessments are for the purpose of funding the expenses incurred by the Master Association for maintaining certain common areas and amenities within the Master Development for the benefit of the residents, and for enforcing and administering the terms and provisions of the Master Declaration. If required by the Master Association, the Association may collect the assessments due to the Master Association. The assessments payable to the Master Association may also be billed to each Owner by either the Master Association or, if required by the Master Association, the Association. The Master Association also has lien rights against each Lot which they may foreclose in the event of the non-payment of any assessment due to the Master Association. For a complete and accurate description of the assessment obligations of the Owners as set forth in the Master Declaration, all Owners should refer to the Master Association Documents.

J. Operating Expenses. The following operating expenses of the Association are hereby declared to be Operating Expenses which the Association is obligated to assess and collect and which the Contributing Owners are obligated to pay as provided herein or as may be otherwise provided in the Association Documents:

1. Taxes. Any and all taxes levied or assessed at any and all times by any and all taxing authorities including all taxes, charges, assessments and impositions and liens for public Improvements, special charges and assessments and water drainage districts, and in general all taxes and tax liens which may be assessed against the Association Property or any Limited Association Property owned in fee by the Association and against any and all personal property and Improvements, which are now or which hereafter may be placed thereon, including any interest, penalties and other charges which may accrue thereon shall be considered Operating Expenses. Any and all taxes levied or assessed against the Lots shall be the obligation of the respective Owners thereof.

2. Utility Charges. All charges levied for utilities providing services for the Association Property or any Limited Association Property whether supplied by a private or public firm shall be considered Operating Expenses. It is contemplated that this obligation will include all charges for water, gas, electricity, telephone, sewer and any other type of utility or any other type of service charge. All charges levied for utilities providing services to the Lots shall be the obligation of the respective Owners thereof.

3. Insurance. The premiums on any policy or policies of insurance required to be maintained under this Declaration and the premiums on any policy or policies the Association determines to maintain even if not required to be maintained by the specific terms of this Declaration shall be Operating Expenses.

4. Destruction of Buildings or Improvements on the Association Property. Any sums necessary to repair or replace, construct or reconstruct damages caused by the destruction of any building upon the Association Property or any Limited Association Property by fire, windstorm, flood or other casualty regardless of whether or not the same is covered in whole or in part by insurance shall be Operating Expenses. In the event insurance money shall be payable, such insurance money shall be paid to the Association who shall open an account with a banking institution doing business in the County, for the purpose of providing a fund for the repair and reconstruction of the damage and the procedures for disbursement of any such insurance proceeds or funds shall be in accordance with the applicable and/or additional provisions of the Planned Community Act (if any). The Association shall pay into such account, either in addition to the insurance proceeds or in the event there are no insurance proceeds, such sums as may be necessary so that the funds on deposit will equal the costs of repair and reconstruction of the damage or destruction. The sums necessary to pay for the damage or destruction as herein contemplated shall be considered Operating Expenses but shall be raised by the Association under the provisions for Special Assessments as provided in Article VI of this Declaration and subject to the limitations therein set forth with respect to Special Assessments. The Association agrees that it will commence the Special Assessments process to provide the funds for the cost of reconstruction or construction within ninety (90) days from the date the destruction takes place and shall go forward with all deliberate speed so that the construction or reconstruction, repair or replacement, shall be completed within a reasonable period of time from the date of damage.

5. Maintenance, Repair and Replacements. Operating expenses shall include all expenses necessary to keep and maintain, repair and replace any and all buildings, other Improvements, personal property and furniture, fixtures and equipment upon the Association Property or any Limited Association Property, including landscaping, lawn and sprinkler service, in a manner consistent with the development of the Project and in accordance with the covenants and restrictions contained herein, and in conformity with all orders, ordinances, rulings and regulations of any and all federal, state, County and City governments having jurisdiction over the Property as well as the statutes and laws of the State of North Carolina and the United States. This shall include any expense attributable to the maintenance and repair and replacement of pumps or other equipment, if any, located upon or servicing the Project pursuant to agreements with utility corporations. Any expenses

for replacements which would not be in the nature of normal repair and maintenance shall be the subject of a Special Assessment as provided in Article VI and subject to the limitations thereon set forth with respect to Special Assessments. If the Association is permitted by the owner of property in close proximity to the Property or the governmental authority responsible for maintaining same to provide additional maintenance for such property, and the Board elects to do so in order to enhance the overall appearance of the Property, then the expense thereof shall be an Operating Expense.

6. Indemnification. The costs of fulfilling the covenant of indemnification set forth in Section H of Article XV shall be deemed to be Operating Expenses, but shall specifically exclude any expenses which may be incurred by Declarant to avoid the performance of any of the obligations to be kept and performed by Declarant, or any liability which may be incurred by an Owner as the Owner of a Lot.

7. Administrative and Operational Expenses. The costs of administration of the Association including, but not limited to, any secretaries, bookkeepers and other employees necessary to carry out the obligations and covenants of the Association shall be deemed to be Operating Expenses. In addition, it is contemplated that the Association may retain a management company or companies or contractors (any of which management companies or contractors may be, but are not required to be, a subsidiary, affiliate or an otherwise related entity of Declarant) to assist in the operation of the Association Property and any Limited Association Property and other obligations of the Association hereunder. The fees or costs of this or any other management company or contractors so retained shall be deemed to be part of the Operating Expenses hereunder. All contracts with management companies shall contain a provision that allows the Association to unilaterally terminate the contract without cause after ninety (90) days notice.

8. Compliance with Laws. The Association shall take such action as it determines necessary or appropriate in order for the Association Property and any Limited Association Property and the Improvements thereon to be in compliance with all applicable laws, statutes, ordinances and regulations of any governmental authority, whether federal, state, county or local, including, without limitation, any regulations regarding zoning requirements, setback requirements, drainage requirements, sanitary conditions and fire hazards, and the cost and expense of such action taken by the Association shall be an Operating Expense.

9. Failure or Refusal of Lot Owners to Pay Assessments. Funds needed for Operating Expenses due to the failure or refusal of Contributing Owners to pay the Assessments levied or due to the foreclosure of first mortgages or first deeds of trust, shall be deemed to be Operating Expenses and properly the subject of an Assessment; provided, however, that any Assessment for any such sums so needed to make up a deficiency due to the failure of Lot Owners to pay a Special Assessment shall, itself, be deemed to be a Special Assessment subject to the limitations thereon with respect to Lots owned by Declarant.

10. Exterior Maintenance of Lots and Dwelling Units. Operating expenses shall include all expenses necessary to keep and maintain, repair and replace those portions of the Dwelling Units and the Lots or for providing those services to the Lots for which the Association is responsible as provided in Section A of Article IX.

11. Miscellaneous Expenses. The cost of all items or costs or expenses pertaining to or for the benefit of the Association, the Association Property, any Limited Association Property, or the Lots, or any part thereof, not herein specifically enumerated and which is determined to be an appropriate item of Operating Expense by the Board shall be an Operating Expense.

12. Limited Expenses. The costs and expenses incurred by the Association for the Association's ownership or maintenance of any Limited Association Property, or the Association's

provision of any services or privileges for the benefit of a limited number of Owners (and not for the benefit of all Owners) shall be an Operating Expense that may either (i) be the subject of an Individual Expense Assessment payable only by the Owners benefited by such Limited Association Property or services or privileges provided by the Association, or (ii) be included in the Base Assessments payable by all Owners. The decision as to how such Operating Expenses are allocated among the Owners shall be at the sole discretion of the Board.

ARTICLE VII INSURANCE AND CONDEMNATION

The Association shall purchase and maintain the following insurance coverage subject to the following provisions, and the cost of the premiums therefor shall be a part of the Operating Expenses:

A. Casualty Insurance. Property and casualty insurance in an amount equal to the then full replacement cost, exclusive of land, foundation, excavation and other items normally excluded from such coverage, of all improvements and personal property which is owned, or to be owned, by the Association and now or hereafter located upon the Association Property, which insurance shall afford protection against such risks, if any, as shall customarily be covered with respect to areas similar to the Association Property in developments similar to Camden Park in construction, location and use. The Association shall have no obligation to provide or obtain property and casualty insurance on the Dwelling Units or any portion thereof, but shall have the right, at its sole option, to obtain a blanket property damage and casualty insurance policy covering the Dwelling Units as provided in Section G below.

B. Public Liability Insurance. A comprehensive policy of public liability insurance naming the Association and, until Declarant's ownership of any portion of the Property ceases (as applicable), Declarant as named insured thereof insuring against any and all claims or demands made by any person or persons whomsoever for injuries received in connection with, or arising from, the operation, maintenance and use of the Association Property and any improvements located thereon, and for any other risks insured against by such policies with limits of not less than One Million Dollars (\$1,000,000) for damages incurred or claimed by any one person for any one occurrence; not less than One Million Dollars (\$1,000,000) for damages incurred or claimed for any one occurrence; and for not less than Fifty Thousand Dollars (\$50,000) property damage per occurrence with no separate limits stated for the number of claims.

C. Fidelity Coverage. Adequate fidelity coverage to protect against dishonest acts of the officers and employees of the Association and the Directors and all other who handle and are responsible for handling funds of the Association shall be maintained in the form of fidelity bonds, which requirements shall be reasonably determined by the Board.

D. Other Insurance. Such other forms of insurance and in such coverage amounts as the Association shall determine to be required or beneficial for the protection or preservation of the Association Property and any improvements now or hereafter located thereon or in the best interests of the Association, including if applicable, any "blanket coverage" property damage or casualty insurance that the Association elects to provide and maintain for the Dwelling Units, as provided in Section G below.

E. Cancellation or Modification. All insurance policies purchased by the Association shall provide that they may not be canceled (including for nonpayment of premiums) or substantially modified without at least thirty (30) days prior written notice to the Association and to each first mortgage holder named in the mortgage clause.

F. Condemnation. In the event the Association receives any award or payment arising from the taking of any Association Property owned in fee or any part thereof as a result of the exercise of the right of condemnation or eminent domain, the net proceeds thereof shall first be applied to the restoration of such taken areas and improvements thereon to the extent deemed advisable by the Association and the remaining balance thereof, if any, shall be placed in a reserve fund of the Budget.

G. Property Damage and Casualty Insurance on the Dwelling Units. Each Owner shall maintain a property damage and casualty insurance or "hazard" insurance policy, with full replacement coverage, to protect against casualty damage to their Lot and Dwelling Unit. Each Owner shall provide a copy of such Owner's current hazard insurance policy, and all replacements and renewals thereof, to the Association. If an Owner fails or refuses to provide the Association with a copy of such insurance policy (or renewal or other reasonable evidence of the availability of current property damage and casualty insurance coverage on the Owner's Dwelling Unit) within thirty (30) days following the Association's written notice to provide such insurance policy or evidence, the Association shall have the right to obtain and purchase such insurance as required by this Section on behalf of such Owner. In such event, the costs incurred by the Association procuring such insurance, shall be assessed against the applicable Owner as an Individual Expense Assessment levied against the Owner's Lot. Additionally, the Association shall have the right (but not the obligation), at its sole option, to procure or maintain a "blanket" property damage and casualty or "hazard" insurance policy on all of the Dwelling Units (or a portion or portions of all of the Dwelling Units) for the purpose of providing additional protection against casualty damage to multiple Dwelling Units, which blanket insurance (if any) shall be secondary to the insurance maintained by the Owners on the Dwelling Units.

H. Planned Community Act. The insurance maintained by the Association and the application, allocation or distribution of the proceeds thereof shall be subject to Section 47F-113 of the Planned Community Act and any other applicable terms and provisions of the Planned Community Act.

ARTICLE VIII EASEMENTS

A. Recognition of Existing Easements. Each Owner, by acceptance of a deed or other instrument of conveyance, recognizes and consents to the easements reserved and/or granted with respect to the Property under this Declaration.

B. Grant and Reservation of Easements. Declarant hereby reserves and grants the following perpetual easements over and across the Property as covenants running with the Property for the benefit of the Owners, the Association, the Master Association, Declarant and any other parties identified in this Section B of Article VIII for the following purposes:

1. Utility and Services Easements. Easements in favor of governmental and quasi-governmental authorities, utility companies, telecommunications companies, cable television companies, ambulance or emergency vehicle companies, garbage collection, and mail carrier companies, over and across all roads existing from time to time within the Property, and over, under, on and across the Association Property, as may be reasonably required to permit the foregoing, and their agents and employees, to provide their respective authorized services to and for the Property. Also, easements as may be allowed over, under, on and across Association Property for the installation, maintenance, repair and providing of utility services, equipment and fixtures in order to adequately serve the Property including, but not limited to, electricity, telephones, sewer, water, lighting, irrigation, drainage, television antenna and

cable television facilities, and electronic security. However, such easements affecting title to any Lot which serve any other portion of the Property shall only be subsurface, and they shall only be for utility services actually constructed, or reconstructed, and for the maintenance thereof, unless otherwise approved in writing by the Owner of the Lot. An Owner shall do nothing on his Lot which interferes with or impairs the utility services using these easements. The Board or its designee shall have a right of access to each Lot to inspect, maintain, repair or replace the utility service facilities contained under the Lot and to remove any improvements interfering with or impairing the utility services or easement herein reserved; provided such right of access shall not unreasonably interfere with the Owner's permitted use of the Lot.

2. Easement for Encroachment. If (i) any Improvements which are constructed as Association Property or upon Association Property, or (ii) any Improvements constructed upon a Lot, encroach upon a Lot because of the placement, construction, reconstruction, repair, movement, settling or shifting of such Improvements, and such Improvements have been constructed, reconstructed or repaired in accordance with the provisions of this Declaration, an easement for the encroachment and for its maintenance shall exist so long as the encroachment remains, provided, however, that in no event shall such an easement exist for willful encroachments. If any Lot Improvement encroaches upon the Association Property as a result of construction, reconstruction, repair, shifting, settlement or movement of the subject Lot Improvements, and such Improvements have been constructed, reconstructed or repaired in accordance with the provisions of this Declaration, an easement for the encroachment and for its maintenance shall exist so long as the encroachment remains.

3. Easement to Enter Upon Lots. An easement or easements for ingress and egress in favor of Declarant, the Committee, the Association, including the Board or the designee of the Board, and the Master Association to enter upon the Lots for the purposes of inspecting any existing Improvements, construction, proposed construction of Improvements, or fulfilling the duties and responsibilities of ownership, maintenance and/or repair in accordance with the Association Documents and the Master Association Documents, including the making of such repairs, maintenance or reconstruction as are necessary for the Association Property or the Master Association Property. Specifically, Declarant shall have the right to enter upon a Lot for the purpose of performing periodic structural inspections of the Dwelling Unit on such Lot and the exterior portions of the building in which the Dwelling Unit is located as provided in Section D of Article IX. Declarant shall give reasonable notice of its intent to take such action to all affected Owners. Pursuant to the Master Declaration, the Master Association has the right to enter upon the Lots and the Association Property in order to perform any of the maintenance and repair obligations of the Owners or the Association, in the event the Dwelling Units, Lots or Association Property are not maintained to the standards required by the Master Declaration and this Declaration.

4. Easement Over Association Property. An easement of use and enjoyment in favor of all Owners, their family members, guests, invitees and lessees in and to the Association Property which shall be appurtenant to and shall pass with title to every Lot, subject to the following:

i. the right of the Association to suspend the voting rights and rights to use the Association Property of any Owner for any period during which Assessments against his Lot(s) remain unpaid;

ii. the right of the Association to grant permits, licenses and easements over the Association Property for utilities and other purposes reasonably necessary or useful for the proper maintenance or operating of the Property; and

iii. all provisions set forth in the Association Documents and the Master Association Documents.

5. Drainage and Irrigation Easement: Storm Water Control Maintenance Easement. An easement for drainage, flowage and irrigation over, under and upon the Property in favor of the Master Association, the Association, Declarant, and each of the Owners including, but not limited to, reasonable rights of access for persons and equipment to construct, install, maintain, alter, inspect, remove, relocate, replace, and repair the Storm Water Control Measures and to maintain and correct drainage or surface water runoff in order to maintain reasonable standards of health, safety and appearance. Such rights expressly include the right to cut any trees, bushes or shrubbery, make any gradings of the soil or take any other similar action that Declarant, the Master Association, or the Association deem reasonably necessary or appropriate. After such action has been completed, the party performing such action shall grade and seed the affected property and otherwise restore the affected property to its original condition to the extent practicable, but shall not be required to replace any trees, bushes or shrubbery necessarily removed. Declarant, the Master Association, or the Association shall give reasonable notice of its intent to take such action to all affected Owners.

6. Additional Easements. Declarant (until the Turnover Date), and the Association, on their behalf and on behalf of all Owners, each shall have the right to grant and declare additional easements over, upon, under and/or across the Association Property in favor of Declarant or any person, entity, public or quasi-public authority or utility company, or modify, relocate, abandon or terminate existing easements benefiting or affecting the Property. In connection with the grant, modification, relocation, abandonment or termination of any easement, Declarant reserves the right to relocate roads, parking areas, utility lines, and other improvements upon or serving the Property. So long as the foregoing will not unreasonably and adversely interfere with the use of Lots for dwelling purposes, no consent of any Owner or any mortgagee of any Lot shall be required or only the consent of the Owners and Institutional Mortgagees so unreasonably and adversely affected shall be required. To the extent required, all Owners hereby irrevocably appoint Declarant and/or the Association as their attorney-in-fact for the foregoing purposes.

7. Sale and Development Easement. Declarant reserves and shall have an easement over, upon, across and under the Property as may be reasonably required in connection with the development, construction, sale and promotion, or leasing, of any Lot or Dwelling Unit within the Property or within any other property owned by Declarant, provided that no such easement shall be located within or upon any Dwelling Unit and shall not materially adversely impair or diminish any Owner's use or enjoyment of such Owner's Lot or Dwelling Unit.

8. Landscape Area, Entryway Area, and Signage Area Easement. An easement for the installation, maintenance, repair, and replacement of any entry monument, sign, landscaping, or other facilities located in the Landscape Areas, Entryway Areas, and Signage Areas is reserved in favor of Declarant, the Association, and if applicable, the Master Association, over, upon, across and under the Landscape Areas, Entryway Areas, and Signage Areas.

9. Maintenance Easements. If any Dwelling Unit is located closer than five (5) feet from its Lot line, the Owner of said Lot shall have a perpetual access easement over the adjoining Lot to repair, maintain, perform, paint or reconstruct his Dwelling Unit. Within said easement area no fence or vegetation shall be located.

10. Blanket Easement. An easement is hereby reserved in favor Declarant and the Association over the Lots and Association Property for the installation, operation, inspection, and maintenance of landscaping, a common cable television system, a common sprinkler system, entrance sign or features, or any other item for the common enjoyment and benefit of the Owners. No Owner shall damage, destroy, alter or otherwise disrupt any of such items so installed. Each Owner shall hold

the Association and/or Declarant harmless from the cost of repairing or replacing any of such items which are damaged or destroyed the acts of such Owner, his family, his guests or invitees

11. Sight Distance Easement. Any portion of the Property shown on a Final Plat as a Sight Distance Easement shall contain no obstruction between 24 inches and 8 feet above the curb line elevation. Obstructions include, but are not limited to, any berm, foliage, Improvement or parked vehicle.

12. Greenway Easement. An easement for the public use and enjoyment of the portions of any City Greenway on the Property is reserved in favor of the City and the public as dedicated on the applicable Final Plats and/or by any easement or map recorded in the Public Records for the purpose of making such dedication. An easement for the maintenance, preservation and protection of any City Greenway upon the Property is reserved in favor of the City over, upon, across and under the portions of the Property upon which the City Greenway is located. Neither Declarant, the Association, the Master Association, nor any Owner shall make any Improvements or otherwise disturb the City Greenway without the prior written consent of the City. The use, improvement, maintenance repair and operation of the portions of the Property on which any part of the City Greenway is located, shall be controlled by the City and subject to the applicable ordinance and requirements of the City. Neither Declarant nor the Association makes any representation, express or implied, regarding the City's plans for the use, improvement, development, maintenance or operation of the City Greenway. The City Greenway areas on the Property shall be subject to the rights of the City and the public in and to such area, and no Person shall take any action which would interfere with those rights.

Notwithstanding any other provisions of this Declaration, if any City Greenway is located within the Property, the Association, Owners, Members, the family members, tenants, guests or invitees of any Member shall not, within such City Greenway, without the prior written consent of the City:

- i. Grant easements of any nature whatsoever;
- ii. Remove any trees or vegetation;
- iii. Erect gates, fences or other structures;
- iv. Fill or excavate; or
- v. Plant vegetation or otherwise restrict or interfere with the use, maintenance and preservation of said greenway in its natural state, including without limitation, recreational pursuits such as walking, bicycling and other similar activities by the general public.

It is understood and agreed that within any City Greenway, the City may erect trails, trail markers, place litter receptacles, and other convenience facilities and adopt and amend regulations concerning the use of the greenway (including without limitation, hours of operation), which shall be equally applicable to the general public and the Owners. The Association may adopt such other regulations governing the use of any City Greenway, not inconsistent with those adopted by the City and may enter into such agreements with the City as is deemed appropriate to insure the maintenance and upkeep of the City Greenway in its natural state, free of litter and unsightly debris.

13. Easement for Roadway Areas on Lots. If Declarant records any Final Plats that show "blocks" of land from which the Lots will be derived that are designated for the construction of future Dwelling Units, then the boundary of the Lots may thereafter be adjusted following the commencement of construction of the Dwelling Units therein by the recordation of an "as-built" Final Plat of the Lots. Any such initial Final Plats showing "blocks" may also show an overlap of the "blocks" of land and the internal private Roadways of the Subdivision. When the "as-built" Final

Plats are recorded and the boundaries of the Lots are established, any such overlap shown on a previous Final Plat (if applicable) shall be eliminated so that no part of a Roadway will be located within the boundaries of a Lot (except for unintentional encroachments permitted pursuant to Section 2 of this Article VIII). To the extent that any portion of a Roadway, including any sidewalk, is located within the boundaries of a Lot (as reflected on a Final Plat recorded prior to the commencement of construction of the Dwelling Unit on such Lot), the affected Lot shall be subject to an easement for ingress, egress and roadway purposes over the applicable portion of the Roadway on such Lot for the benefit of Declarant, the Association, the Master Association, and the Owners, and their respective family members, guests, lessees and invitees. Declarant, the Association, the Master Association, the Town, and their respective employees, agents, contractors, subcontractors and invitees, shall have an easement for the installation, maintenance, repair, and replacement of any Improvements installed or to be installed upon or within any Roadway or Right of Way as temporarily located within the boundaries of a Lot.

14. Declarant's Easement to Inspect Lots and Dwelling Units. A perpetual easement is hereby reserved in favor of Declarant over and upon the Property for the purpose of allowing Declarant's inspection of the structural portions of the Dwelling Units and the grade and contour of the Lots. Declarant's easement to perform such inspections shall be perpetual to the extent permitted by applicable law and not subject to the provisions of Section C below.

15. City Access and Maintenance Easement. Prior to Declarant's conveyance of any Roadways in the Subdivision to the Association, Declarant intends to enter into an "Access Easement and Maintenance Agreement" with the City, in which Declarant and the Association grant an easement over and upon the private Roadways in the Subdivision for the purpose of allowing the City access, ingress and egress to and from the public utility facilities on and within the Property to operate, maintain, repair and replace such facilities. Upon Declarant's conveyance of the Roadways to the Association, the Association shall assume the obligations and rights of Declarant in and to the referenced agreement.

C. Assignments. The easements reserved hereunder may be assigned by Declarant or the Association in whole or in part to the Master Association, any City, County or state government or agency thereof, or any duly licensed or franchised public utility, or any other designee of Declarant. The Owners hereby authorize Declarant and/or the Association to execute, on their behalf and without further authorization, such grants of easement or other instruments as may from time to time be necessary to grant easements over and upon the Property or portions thereof in accordance with the provisions of this Declaration.

Except as otherwise expressly provided herein, all easement rights reserved or granted to Declarant shall terminate upon Declarant no longer owning any Lots, Dwelling Units or interests in such on the Property for sale in the ordinary course of business. In addition, the easement rights granted or reserved by Declarant hereunder are not to be construed as creating an affirmative obligation to act on the part of Declarant.

ARTICLE IX MAINTENANCE AND REPAIR

A. By the Association.

1. Except as otherwise specifically set forth herein, the Association shall repair, maintain and replace any and all Improvements located on the Association Property and any Limited

Association Property commencing with the completion of same by Declarant and conveyance to the Association. The Improvements shall be maintained in the same condition as originally constructed by Declarant. In the event of any damage or destruction to the Association Property, any Limited Association Property, or to the Improvements and facilities located thereon by fire, storms, acts of God, acts of government, acts of third parties or other calamity, the Association shall be required to rebuild such Improvements and facilities as quickly as practicable.

2. The Association shall be responsible for the maintenance of the roofs, gutters, downspouts, and the mailboxes constructed as initial Improvements for each Dwelling Unit, and for re-caulking and power-washing the exterior siding of a Dwelling Unit if recommended by an annual inspection to be performed by the Association. In addition, the Association shall be responsible for maintaining the grass, plants, shrubs, trees, and landscaping, (hereinafter the "Yard Improvements") on the Lots installed by the Declarant or the Association. The Association shall also maintain any Yard Improvements installed by an Owner with prior approval by affirmative vote of a majority of the Members of each Class, and prior written consent of the Association (but only to the extent that such consent specifically provides that the Association will maintain such added landscaping), provided, however, that: (i) the Association shall not be responsible for maintaining any fence installed on any Lot, (ii) if an Owner who has installed a fence does not comply with the requirements of Section W of Article XI regarding fences, the Association shall have no responsibility for maintaining any Yard Improvements inside of such fence unless and until such Owner complies with the applicable requirements; (iii) the Association's obligation to maintain shall not include the obligation to replace any plant, shrub or tree for any reason; and (iv) the Association shall not be responsible for repair or replacement of any Yard Improvements when such repair or replacement is necessitated by work done by or at the request of any Owner or any utility company or governmental authority.

The Association may charge a fine (or fines) to any Owner who installs a fence on their Lot and who thereafter repeatedly fails or refuses to maintain adequate access to the rear yard of the Lot, so that the Association is not able to maintain the rear Yard Improvements to acceptable standards (as determined by this Declaration and the Standards published by the Committee) in accordance with Article 13. In addition to the imposition of fines, the Association may also remove the obstruction, object, or Improvement which prevents access by the Association to and from the rear yard of any Lot on which a fence is installed and otherwise enforce the provisions of Article X regarding Improvements in violation of the provisions of this Declaration.

Following the expiration of Declarant's warranty period for a Dwelling Unit, the Association shall also be obligated to make annual inspections of the exterior walls and siding of the Dwelling Units conveyed by Declarant and to compile a report of such inspection regarding any portions of the Dwelling Units in need of power-washing or re-caulking. If the inspection report indicates the need to power-wash or re-caulk any portions of a Dwelling Unit, the Association shall thereafter as soon as reasonably possible, power-wash and re-caulk the applicable portions of such Dwelling Unit as recommended by the inspection report.

Except as specifically provided for in this Section A.2 of Article IX, the Association shall have no responsibility to maintain or repair any Dwelling Unit or any portion thereof or for insuring any Dwelling Unit or other Improvements on any Lot, and shall not be liable for any damage to any Dwelling Unit, except such damage caused by the Association, its duly authorized agents or employees.

The Association shall have the right, but not the obligation, by the affirmative vote of a majority of the Members of each Class, to accept certain items, areas or improvements on a Lot for maintenance by the Association, including, but not limited to, Yard Improvements installed by an

Owner. Such acceptance shall be in writing and may be subject to such terms and conditions, including, but not limited to, a special assessment or increased annual assessment for that Lot, as the Association might establish in such written acceptance.

B. By the Lot Owners.

1. Any maintenance on a Lot that is not the responsibility of the Association, whether by the terms of this Declaration or by written acceptance of same, shall be the responsibility of the Owner of such Lot. Such maintenance by an Owner shall include, but not be limited to, the repair, maintenance and replacement of the driveway upon the Lot, Yard Improvements which are specifically excluded by the provisions of Section A.2 of this Article IX, and maintenance and repair (including painting) of the exterior walls and windows of the Dwelling Unit located on such Lot. Each Owner shall keep his Lot and Dwelling Unit in an orderly condition and shall keep the improvements thereon in a suitable state of repair. If an Owner does not perform exterior maintenance of his Lot and Unit, the Association shall have the right (but not the obligation), through its agents and employees, by the affirmative vote of not less than two-thirds (2/3) of the Board of Directors, to enter upon such Lot and to repair, maintain and restore the Lot or exterior of the Unit erected thereon, and the cost of such exterior maintenance, plus a surcharge of 15% for administration, shall be assessed as an Individual Expense Assessment in accordance with Section D of Article VI. Prior to such entry, the Association shall give written notice to the Owner stating: (i) the specific item(s) needing maintenance; (ii) the corrective action to be taken; (iii) a time, not less than 60 calendar days from the date of the notice, in which the Owner is to perform the necessary maintenance; and (iv) a statement that, if the Owner fails to perform the maintenance within such time period, the Association will exercise its right to perform the maintenance and that the Owner will be assessed with the costs thereof as provided in this Article IX.

C. Party Walls. Each wall which is built as a part of the original construction of a Dwelling Unit and placed on the dividing line between the Lots and all reconstruction or extensions of such walls shall constitute party walls. To the extent not inconsistent with the provisions of this Section C of Article IX, the general rules of law regarding party walls, lateral support, in-below ground construction and of liability for property damage due to negligence or willful acts or omissions shall apply.

1. The Owners of contiguous Lots who share a party wall shall both equally have the right to use such wall, provided that such use by one Owner does not interfere with the use and enjoyment of the party wall by the other Owner.

2. The following provisions shall apply to all party walls constructed in the Subdivision: (i) The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use; (ii) If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it. If other Owners make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use; subject, however, to the right of any Owners to call for a larger contribution from the others under any rule of law regarding liability for negligence or willful acts or omissions; (iii) The Owner may construct or reconstruct a party wall subject to and within the limitations of architectural control and other limitations of this Declaration with the right to go upon the adjoining Lot to the extent reasonably necessary to perform the construction. The construction shall be done expeditiously. Upon completion of the construction, the Owner shall restore, as is reasonably practicable, the adjoining Lot to as near the same condition which prevailed on or before the commencement of the construction; (iv) The right of any Owner to contribution from any other Owner under this Section B.2 shall be appurtenant to the land and shall pass to the Owner's successors in title;

and (v) If any Owner desires to sell his Dwelling Unit, he may, in order to assure a prospective purchaser that no adjoining Owner(s) has a right of contribution as provided in this Article, request that the adjoining Owner(s) provide a certification that no right of contribution exists. It shall be the duty of each adjoining Owner to make a certification as to whether there is any pending claim of contribution immediately upon request and without charge.

3. Any Owner proposing to modify, make additions to rebuild his Dwelling Unit in any manner which requires the alteration or disturbance of any party wall shall obtain the written consent of the adjoining Owner prior to commencing the applicable work. The provisions of this Article shall also apply to any fence, other barrier or shared Improvement between Lots which is installed by Declarant and to any replacement thereof authorized by the Committee. Otherwise the upkeep of any fence barrier or improvement shall be the responsibility of the Owner who had such item installed.

4. In the event of a dispute between Owner with respect to the repair or rebuilding of a party wall or other shared Improvement, then upon the written request of one of such Owners addressed to the Association, the matter shall be submitted to the Board, who shall decide the dispute, and the decision of the Board shall be final and conclusive upon the Owners.

D. Inspections by Declarant.

1. Structural. Declarant shall have the right to perform periodic inspections of the structural Improvements located upon each Lot, including but not limited to, the roof, foundation, and exterior wall of the Dwelling Unit situated on the Lot. Declarant shall provide an Owner with reasonable advance notice of Declarant's intent to perform such inspection. Each Owner shall cooperate with Declarant as is reasonably necessary for Declarant to be able to complete an accurate and thorough inspection of the structural components of such Owner's Dwelling Unit. No Owner shall take any action that would disrupt, prevent or limit Declarant's ability to perform such inspection(s).

2. Grading; Drainage. Declarant shall have the right to perform periodic inspections of the grading, contour, and landscaping on a Lot for the purpose of determining any deficiencies or problems contributing to inadequate drainage, excessive moisture retention, structural deterioration, or other damaging or adverse conditions. Declarant shall prepare a report of such inspection(s) and provide a copy to the Association. Following the receipt of Declarant's report, the Association shall provide a copy of the report to all of the Owners.

ARTICLE X
ARCHITECTURAL CONTROL

A. Establishment. "Committee" shall mean the architectural control committee, which shall be the governing body charged with using its best efforts to promote and ensure a high level of design, quality, harmony and conformity throughout the Property consistent with this Declaration. Until the Termination of Declarant Control, referred to below, Declarant shall constitute the Committee, and may approve Plans and Submissions or take other actions on behalf of the Committee in Declarant's own name or in the name of the Committee. After the Termination of Declarant Control, the Committee shall be composed of at least three (3) individuals appointed by the Board, each of which shall be an Owner. The Committee shall act by simple majority vote. In the event of death, resignation or other removal of any Board appointed member of the Committee, the Board shall appoint a successor member. No member of the Committee shall be entitled to compensation for, or be liable for claims, causes of action or damages arising out of services performed pursuant to this Declaration. Declarant shall cease to control and constitute the Committee on the earlier of: (a) the date on which Declarant records in the Public Records a

document declaring the termination of its control of the Committee, or (b) at such time as Declarant no longer owns a Lot within the Property, or (c) the date which is seven (7) years following the date this Declaration is first recorded in the public land records (which may be referred to in this Declaration as "Termination of Declarant Control").

B. Purpose of the Committee. The Committee is established to provide a system of review for the construction or modification of all Improvements within the Property. No Improvement shall be commenced, improved or altered, nor shall any grading, excavation or change of exterior color or other work which in any way alters the exterior appearance of an Improvement be done without the prior written approval of the Committee.

C. Development Standards. The Committee is empowered to publish or modify from time to time, design and development standards for the Property, including, but not limited to, standards for the following ("Standards"): (i) architectural design of Improvements, including, but not limited to, design standards for any Dwelling Unit or other Improvement constructed upon a Lot; (ii) fences, walls and similar structures; (iii) exterior building materials and colors; (iv) exterior appurtenances relating to utility installation; (v) signs and graphics, mailboxes, satellite dishes and exterior lighting; (vi) decks, pools and pool decks, side yards and related height bulk and design criteria; (vii) pedestrian and bicycle ways, sidewalks and pathways; and (viii) all buildings, landscaping and Improvements on lands owned or controlled by the Association. After Termination of Declarant Control, a copy of any Standards promulgated by the Committee shall be subject to approval by the Board. A copy of the Standards will be made available to all Members. The Owners shall adhere and comply with all Standards Promulgated by the Committee with respect to all Improvement and items to which such Standards apply.

D. Requirement of Committee Approval. Subject to the exception of Declarant Improvements, no Improvement of any kind shall be erected, placed or maintained, and no addition, alteration, modification or change to any Improvement shall be made without the prior written approval of the Committee. For purposes of this Declaration, Declarant Improvements means any Improvement erected, placed, or maintained with the approval of Declarant, including, without limitation, any building, wall, fence, swimming pool, or screened enclosure, constructed, installed or placed by or with the approval of Declarant prior to the Termination of Declarant Control (collectively, "Declarant Improvements"). Declarant Improvements are not subject to the approval of the Committee and are deemed to conform to the plan of development for the Property.

E. Obtaining Committee Approval. In order to obtain the approval of the Committee, a complete set of plans and specifications ("Plans") for proposed Improvements shall be submitted to the Committee for its review. The Plans shall include, as appropriate, the proposed location, grade, elevations, shape, dimensions, exterior color plans, approximate costs, and nature, type and color of materials to be used. The Committee may also require the submission of additional information and materials as may be reasonably necessary for the Committee to evaluate the proposed Improvement or alteration ("Submissions"). The Committee shall have the right to refuse to approve any proposed Plans that, in its sole discretion, are not suitable or desirable. Any and all approvals or disapprovals of the Committee shall be in writing and shall be sent to each respective Owner submitting same. In the event the Committee fails to approve or to disapprove in writing any Plans and/or Submissions after: (i) submission to the Committee of the last item of the Plans and Submissions requested by the Committee, so that the Committee has a complete package of all Plans and Submissions requested by the Committee; and (ii) thirty (30) days have elapsed since submission and written request for approval or disapproval was delivered to the Committee by the Owner; then said Plans and Submissions shall be deemed to have been

approved by the Committee provided, however, that no Improvement shall be erected or shall be allowed to remain which violates any conditions or restrictions contained in this Declaration, or which violates any applicable zoning or building ordinance or regulation. The approval by the Committee relates only to the aesthetics of the Improvements shown on the Plans and Submissions and not to their sufficiency or adequacy. Each Owner shall be responsible for obtaining all necessary technical data and to make application to and obtain the approval of the appropriate governmental agencies prior to commencement of any construction.

F. Scope of Review. The Committee shall review and approve or disapprove all Plans and Submissions solely on the basis of aesthetic standards as to the aesthetic quality of materials and workmanship to be used, suitability and harmony of location, structure and external design in relation to surrounding topography and structures and the overall benefit or detriment which would result to the immediate vicinity and to the Property as a whole and any other factors deemed relevant to the review by the Committee in its opinion, reasonably exercised. The Committee shall take into consideration the aesthetic aspects of the architectural design, placement of buildings, color schemes, exterior finishes and materials and similar features, and shall not be responsible for reviewing, nor shall its approval of any Plans be deemed approval of, any design or plan from the standpoint of structural safety or conformance with building or other codes.

G. Variance from Standards. The Committee may authorize, in a reasonable manner so as not to destroy the general scheme or plans of the development of the Property, variances from compliance with any Standards which it has promulgated pursuant to its authority when circumstances such as topography, natural obstructions, hardship, aesthetics or environmental considerations may require. If any such variances are granted, no violation of the restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose, except as to that particular property and particular provision hereof or Standards promulgated hereby which are covered by the variance. Such variance shall be evidenced in writing.

H. Enforcement. There is specifically reserved unto the Committee the right of entry and inspection upon any Lot or other portion of the Property for the purpose of determination by the Committee whether there exists any Improvement which violates the terms of any approval by the Committee or the terms of this Declaration. Except in emergencies, any exercise of the right of entry and inspection by the Committee hereunder should be made only upon reasonable notice given to the Owner of record at least twenty-four (24) hours in advance of such entry. The Association, acting pursuant to the direction of the Committee, is specifically empowered to enforce the provisions of this Declaration by any legal or equitable remedy, and in the event it becomes necessary to resort to litigation to determine the propriety of any Improvement, or to remove any unapproved Improvements, the prevailing party in such litigation shall be entitled to recover all Legal Fees incurred in connection therewith. The Association shall indemnify and hold harmless any member of the Committee from all costs, expenses and liabilities, including attorneys fees incurred by virtue of any member's service as a member of the Committee, provided such member acted in good faith and without malice.

I. Subcommittees and Delegation of Authority. The Committee may establish subcommittees for the purpose of acting on behalf of the Committee with respect to similar circumstances, situations, or types of Improvements, such as a swimming pool subcommittee or a subcommittee which would deal with modifications of existing Improvements or additional new Improvements ancillary to an existing Dwelling Unit, in contrast to the construction of initial Improvements upon a previously

unimproved Lot. All rights and powers of the Committee may be delegated to such subcommittee with regard to the subject matter of the subcommittee. The rights and powers of the Committee may be assigned to a management company, an architect, design professional or other entity, or any portion of such rights and powers applicable to a particular subcommittee or area of similar circumstance.

ARTICLE XI USE RESTRICTIONS

For purposes of this Article XI, unless the context otherwise requires, Owner shall also include the family, invitees, guests, licensees, lessees and sublessees of any Owner, and any other permitted occupants of a Dwelling Unit. All the Property shall be held, used and enjoyed subject to the following limitations and restrictions, subject to the exemption of Declarant in Section EE of this Article XI and if applicable, subject to any modifications set forth in a Supplement pertaining to any Additional Property.

A. Residential Use. The Dwelling Units shall be for single family residential use only. No commercial occupation or activity may be carried on in Camden Park without the consent of the Board except such occupation or activities permitted to be carried on by Declarant under this Declaration, and except such activities permitted in Section B of this Article XI. In addition, temporary guests are permitted so long as they do not create an unreasonable source of noise or annoyance to the other residents of the Property. No more than one Dwelling Unit may be built on one Lot.

B. Non-Residential Activities or Uses. No trade, business, profession or commercial activity, or any other non residential use shall be conducted on the Property or within any Lot or Dwelling Unit without the consent of the Board except that an Owner or occupant residing in a Dwelling Unit may conduct business activities within the Dwelling Unit so long as: (i) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the Dwelling Unit; (ii) the business activity conforms to all zoning requirements for the Property; (iii) the business activity does not involve door-to-door solicitation of residents noticeably greater than that which is typical of Dwelling Units in which no business activity is being conducted; and (v) the business activity is consistent with the residential character of the Project, and does not constitute a nuisance, a hazardous or offensive use, or a threat to the security or safety of others, of the Project; (iv) the business activity does not, in the Board's judgment, generate a level of vehicular or pedestrian traffic or a number of vehicles being parked in the Project which is as the Board determines in its sole discretion. The foregoing limitations shall not preclude occasional garage sales, moving sales, rummage sales, or similar activities, provided that such activities may not be held on any one Lot more than once in any three-month period and, when held, may not exceed three consecutive days in duration. The foregoing shall not prohibit an Owner from leasing his Dwelling Unit.

C. Nuisances. No obnoxious or offensive activity shall be carried on about the Lots or in or about any improvements, Dwelling Units, or on any portion of Camden Park nor shall anything be done therein which may be or become an unreasonable annoyance or a nuisance to any Owner. No use or practice shall be allowed in or around the Dwelling Units which is a source of annoyance to Owners or occupants of Dwelling Units or which interferes with the peaceful possession or proper use of the Dwelling Units or the surrounding areas. The foregoing shall not prohibit an Owner from leasing his Dwelling Unit. No loud noises or noxious odors shall be permitted in any Improvements, Dwelling Units or Lots. Without limiting the generality of any of the foregoing provisions, no horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smoky vehicles, large power equipment of large power tools, unlicensed off-road motor vehicles or any items which may

unreasonably interfere with television or radio reception of any Owner shall be located, used or placed on any Lot, or exposed to the view of other Owners without the prior written approval of the Board and/or the Committee, if required.

D. Outside Storage of Personal Property. The personal property of any Owner shall be kept inside the Owner's Dwelling Unit, except for patio furniture and accessories, and other personal property commonly kept outside, which must be kept in the rear of the Lot and must be neat appearing and in good conditions.

E. Parking and Vehicular Restrictions. Vehicles may be parked or stored only on portions of a Lot improved for that purpose, i.e., garage, driveway, carport or parking pad. No unenclosed parking shall be constructed or maintained on any Lot except a paved driveway and an attached paved parking pad, which pad shall be designed for the parking of not more than 2 vehicles. Any driveway or parking pad constructed upon any Lot shall have either an asphaltic concrete surface, a cement concrete surface, or brick pavers.

No mobile house trailer (whether on or off wheels), vehicle or enclosed body of the type which may be placed on or attached to a vehicle (known generally as "campers"), or commercial vehicle of any kind shall be parked on the street within the Subdivision, nor shall any such vehicle be parked or kept on any Lot. Furthermore, no boat or boat trailer shall be parked on the street within the Subdivision. No tractor trailer trucks or cabs shall be parked on any street or Lot within the Subdivision.

No vehicle of any type which is abandoned or inoperative shall be stored or kept on any Lot in such manner as to be seen from any other Lot, any street within the Subdivision or any Private Open Space and no automobiles or mechanical equipment may be dismantled or allowed to accumulate on any Lot.

F. No Improper Uses. No improper, offensive, hazardous or unlawful use shall be made of any Dwelling Unit nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to any person using any portion of the Property. All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction over the Property shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction over the Property, relating to any Dwelling Unit shall be corrected by, and at the sole expense of the Owner of the Dwelling Unit.

G. Trash and Other Materials. Each Owner shall regularly pick up all garbage, trash, refuse or rubbish on his Lot, and no Owner or resident shall place or dump any garbage, trash, refuse, rubbish or other materials on any other portions of the Property. Garbage, trash, refuse or rubbish that is required to be placed at the front of the Lot in order to be collected may be placed and kept at the front of the Lot after 5:00 p.m. on the day before the scheduled day of collection, and any trash facilities must be removed on the collection day. All garbage, trash, refuse or rubbish must be placed in appropriate trash facilities or bags. All containers, dumpsters or garbage facilities shall be stored inside a Dwelling Unit. No noxious or offensive odors shall be permitted.

H. Leases. No portion of a Dwelling Unit (other than an entire Dwelling Unit) may be rented. All leases must be in writing and shall provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles, Bylaws, of applicable rules and regulations, or of any other agreement, document or instrument

governing the Lots or Dwelling Units. A copy of the proposed lease must be delivered to the Association prior to occupancy by the tenant. All garage doors shall remain closed when vehicles are not entering or leaving the garage.

K. Animals and Pets. Only common domesticated household pets may be kept on any Lot or in a Dwelling Unit, not to exceed a total of three (3) per Dwelling Unit with the prior consent of the Board but in no event for the purpose of breeding or for any commercial purposes whatsoever. No other animals, livestock, reptiles or poultry of any kind shall be kept, raised, bred or maintained on any portion of the Property. Permitted pets shall only be kept subject to and in accordance with such rules and regulations as shall be promulgated from time to time by the Board. Under no circumstances may a pit bull be permitted on the Property. Any pet must not be an unreasonable nuisance or annoyance to other residents on the Property. The Board may adopt rules and regulations concerning animals which are more restrictive than the provisions of this Declaration including rules requiring that all animals be kept on a leash when on the Association Property or outside a fenced yard and that animals be restricted to designated areas within the Association Property and that Owners are responsible for cleaning up any mess that a pet created within any Lot or the Association Property. The Board may require any pet to be immediately and permanently removed from the Property due to a violation of this Section.

Each Owner who determines to keep a pet thereby agrees to indemnify the Association and Declarant and hold them harmless against any loss or liability of any kind or character whatsoever arising from or growing out of his having any animal on the Property.

N. Air Conditioning Units. Only central air conditioning units are permitted, and no window, wall, or portable air conditioning units are permitted.

O. Clotheslines and outside Clothes Drying. No clotheslines or clothespoles shall be erected, and no outside clothes-drying is permitted, except where such activity is advised or mandated by governmental authorities for energy conservation purposes, in which event the Committee shall have the right to approve the portions of any Lot used for outdoor clothes-drying purposes and the types of devices to be employed in this regard, which approval must be in writing.

P. Outside Antennas, Satellite Dishes and Flag Poles. No Owner may erect or maintain a television or radio receiving or transmitting antenna, satellite dish or similar apparatus or equipment unless: (i) such apparatus is two (2) feet or less in diameter, (ii) the apparatus is screened from public view and located behind the Dwelling Unit either in the rear yard or affixed to the rear roof, (iii) the apparatus is not visible while standing at any point along the property boundary line in front of the house that abuts or is adjacent to a street, right-of-way or sidewalk, and (iv) the Committee has approved the apparatus, its location and the type of screening.

No signs advertising a Lot or a Dwelling "for rent" or "for lease" shall be permitted within the Properties without the prior written consent of Declarant (until the Termination of Declarant Control of the Committee) and the Committee.

S. Window Treatments and Hurricane Shutters. Window treatments shall consist of drapery, blinds, decorative panels, or other tasteful window covering, and no newspaper, aluminum foil, sheets or other temporary window treatments are permitted, except for periods not exceeding one (1) week after an Owner or tenant first moves into a Dwelling Unit or when permanent window treatments are being cleaned or repaired.

Hurricane shutters are permitted as long as the prior approval of the Committee is obtained prior to the installation of the hurricane shutters.

T. Surface Water Management. No Owner or any other person shall do anything to adversely affect the surface water management and drainage of the Property, without the prior written approval of the Committee, and any controlling governmental authority, including, but not limited to, the excavation or filling in of any Lot, provided the foregoing shall not be deemed to prohibit or restrict the initial construction of Improvements upon the Property by Declarant in accordance with permits issued by controlling governmental authorities. In particular, no Owner shall install any landscaping or place any fill on the Owner's Lot which would adversely affect the drainage of any contiguous Dwelling. No Owner shall be permitted to reshape or alter the topographical features or area within a Private Drainage Easement, nor shall any Owner be permitted to install fences or other Improvements or structures within a private drainage easement, including the installation of landscaping, plants, trees or other vegetation, except for low growing grass. The application of herbicide to the portions of the Property within any Private Drainage Easement is prohibited.

No Owner shall remove native vegetation that become established within any wetland areas, wetland buffer areas, bio-retention areas, or riparian buffer areas located on or adjacent to any portion of the Property. No Owner may construct or maintain any building, residence, fence, wall, or structure, or undertake or perform any activity in any wetland areas, riparian buffer areas, bio-retention areas and any upland conservation areas without the prior approval of the Association and the applicable Governmental Authorities and utility providers.

U. Bio-Retention Basins; Dry Detention Basins; Grassed Swales. The Bio-Retention Basins, the Dry Detention Basins, and the Grassed Swales, shall always be kept and maintained only as an area for water retention, drainage and water management purposes as part of the Stormwater Control Measures in compliance with the Master Declaration and the applicable governmental and water management district requirements. The Owners are prohibited from installing or removing any Improvements (including landscaping) within or near the Grassed Swales or Dry Detention Basins or taking any action that may cause erosion of the Dry Detention Basin embankment or any condition or problem that disrupts or interferes with the proper functioning of the Stormwater Control Measures. Lot Owners are prohibited from using the Dry Detention Basins for irrigation purposes.

The Standards published by the Committee may contain specific requirements regarding the design, maintenance, location, and use of any fences or walls proposed to be installed upon a Lot, including, but not limited to, the location, number and design of the gates. In addition, the rules and regulations published by the Board may contain specific requirements regarding fences and walls installed by an Owner on a Lot. In general, any fence installed upon a Lot shall be designed and used in a manner

that will allow access to and from the rear yard of such Lot to allow the Association to perform maintenance of the Yard Improvements for such Lot, and to allow public utility companies to inspect, maintain and repair any utility facilities located within the boundary of the Lot. If an Owner who is permitted by the Committee to install a fence upon such Owner's Lot, fails to comply with any of the requirements in this Section on the scheduled day for the Association's maintenance of the Yard Improvements on the Lot, then the Association shall have no responsibility to perform the scheduled maintenance on such day. If an Owner continues to prevent access to the rear yard of such Owner's Lot, the Association shall have the right to levy a fine on the Owner, in addition to the right to remove the obstructing Improvement(s) as provided in Article IX. The Owner of a Lot upon which a fence or wall is installed shall be solely responsible for providing and maintaining access to and from the rear yard of such Lot.

X. Mailboxes. No mailboxes are permitted without the consent of the Committee, except for mailboxes which are identical to mailboxes originally provided for the Dwelling Units by Declarant.

Y. Building Setbacks; Building Location. No Dwelling Unit shall be erected or maintained on any Lot outside of the building envelope shown on the applicable Final Plat or as otherwise required or permitted by the zoning ordinances of the City. For purposes of these building setback requirements, decks, porches, patios, stoops, eaves, overhangs, bay windows, chimneys, carports and other similar projections shall be deemed to be part of the Dwelling Unit only to the extent that the same are deemed to be part of a dwelling unit under the zoning ordinances of the City as it exists as of the date of issuance of a certificate of occupancy for such Dwelling Unit. On corner Lots, a Dwelling Unit may be erected so as to face the intersection of the 2 streets on which the Lot abuts.

Z. Septic Tanks; Wells. No septic tank shall be installed, used or maintained on any Lot. No well shall be installed, used or maintained on any Lot for human domestic water consumption, nor shall any well be connected in any manner whatsoever to the water mains, laterals and piping serving the Dwelling Unit, which mains furnish domestic water from sources beyond the boundaries of the Lot.

AA. Removal of Trees. Except in the case of an emergency situation that does not permit any delay, no living tree larger than 3 inches in diameter (or 9 3/4 inches in circumference) at a point measured 4 1/2 feet off the ground shall be removed from any Lot without the approval of the Committee. The foregoing provision shall apply only to Lots that have been occupied pursuant to a certificate of occupancy issued by the City. No Owner shall remove any tree (or other plants or landscaping) from the bio-retention basins owned and maintained by the Master Association, the natural protective yards established by City zoning ordinance, or Landscape Areas, without the prior written consent of the Association, and if required, the City or other applicable Governmental Authority.

BB. Damage and Destruction. In the event any Improvement contiguous with a Dwelling Unit is damaged or destroyed by casualty or for any other reason, the Owner of the Dwelling Unit shall repair and restore the damaged Improvement as soon as is reasonably practical to the same condition that the Improvement was in prior to such damage or destruction, unless otherwise approved by the Committee.

DD. Construction. All construction, landscaping or other work which has been commenced on any Lot shall be continued with reasonable diligence to completion and no partially completed Dwelling Unit or other Improvement shall be permitted to exist on any Lot, except during such reasonable time period as is necessary for completion. The Owner of each Lot shall at all times keep contiguous public streets free from any dirt, mud, garbage, trash or other debris resulting from any such construction on the subject Owner's Lot.

EE. Certain Rights of Declarant. The provisions, restrictions, terms and conditions of this Article XI shall not apply to Declarant as an Owner.

ARTICLE XII

SUBJECTING ADDITIONAL PROPERTY TO THESE PROTECTIVE COVENANTS

A. Additional Property acquired by Declarant. Prior to the Turnover Date, Declarant shall have the right, without the approval or joinder of the Association, the Owners or any other Person (except the fee simple owner of the applicable real property, if not Declarant) to bring under the provisions of this Declaration and thereby add to the Subdivision, the Future Development Property and any other real property which is contiguous to the Property or which is contiguous with a public or private street adjacent to the Property or which is located within the Master Development ("Additional Property"), provided that the City has approved such Additional Property as part of the Subdivision. To the extent that such Additional Property is thereafter made part of Camden Park by a Supplement, reference herein to the Property shall be deemed to include such Additional Property. If any Additional Property that is made a part of the Subdivision would increase the number of Total Planned Lots, then the number of Total Planned Lots shall be increased by the number of Lots depicted on the Final Plat of such Additional Property.

Upon the vote or written consent of the Owners of not less than ninety (90%) of the Lots, any real property which is contiguous to the Property or which is contiguous with a public or private street adjacent to the Property may be brought under the provisions of this Declaration and thereby added to the Camden Park community, provided that the annexation of such real property is for the purposes of reflecting changes or modifications to the Site Plan which have been approved by the City. To the extent that any contiguous property approved for annexation by the Owners after the Turnover Date is thereafter made part of Camden Park by a Supplement, reference herein to the Property shall be deemed to include such property.

B. Association Property within Annexed Property. If any real property is hereafter made part of Camden Park and subjected to this Declaration by the recording of a Supplement as provided above, any Association Property or Limited Association Property located within such newly annexed portion of the Property shall be conveyed to the Association, and any Master Association Property shall be conveyed to the Master Association prior to the date the first Lot in such property is conveyed to an Owner as provided in this Declaration and in the Master Declaration.

C. HUD/VA Approval. If prior to the Turnover Date, the Property is subject to any requirements of VA, FHA, the Federal Home Loan Mortgage Corporation or any other governmental or quasi-governmental agency that insures, guaranties, or purchases mortgages, that stipulates that HUD/VA or other similar agency shall approve the annexation of Additional Property, then annexation of any Additional Property will require the approval of such agency(ies).

D. Withdrawal. Prior to the Turnover Date, Declarant reserves the right to amend this Declaration at any time, without prior notice and without the consent of any Person for the purpose of removing certain portions of the Property then owned by Declarant from the provisions of this Declaration to the extent that such real property was included originally in error, as a result of changes in the plans for Camden Park desired by Declarant, or in order to make minor boundary adjustments with any adjacent property owned by Declarant.

ARTICLE XIII ENFORCEMENT: NON-MONETARY DEFAULTS: ASSOCIATION REMEDIES

A. Non-Monetary Defaults. In the event of a violation by any Owner or any tenant of an Owner, or any person residing with them, or their guests or invitees, (other than the non-payment of any Assessment or other monies) of any of the provisions of this Declaration, the Articles, the Bylaws or the rules and regulations of the Association, the Association shall notify the Owner and any tenant of the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within seven (7) days after such written notice, or if the violation is not capable of being cured within such seven (7) day period, if the Owner or tenant fails to commence and diligently proceed to completely cure such violation as soon as practicable within seven (7) days after written notice by the Association or if any similar violation is thereafter repeated, the Association may, at its option:

1. Impose a fine against the Owner or tenant as provided in Section B of this Article XIII;
and/or
2. Commence an action to enforce the performance on the part of the Owner or tenant, or for such equitable relief as may be necessary under the circumstances, including injunctive relief; and/or
3. Commence an action to recover damages; and/or
4. Take any and all actions reasonably necessary to correct such failure, which action may include, where applicable, but is not limited to, removing any addition, alteration, improvement or change which has not been approved by the "Committee" or erected in accordance with the Committee's approval (as herein defined), or performing any maintenance required to be performed by this Declaration.

All expenses incurred by the Association in connection with the correction of any failure, plus a service charge of ten percent (10%) of such expenses, and all expenses incurred by the Association in connection with any legal proceedings to enforce this Declaration, including reasonable Legal Fees, shall be assessed against the applicable Owner as an Individual Expense Assessment in accordance with Section D of Article VI. The Association shall have a lien for any such Individual Expense Assessment and any interest, costs or expenses associated therewith, including Legal Fees incurred in connection with such Assessment, and may take such action to collect such Assessment or foreclose said lien as in the case and in the manner of any other Assessment as provided above. Any such lien shall only be effective from and after the recording of a claim of lien in the office of the Clerk of the Superior Court of the County.

B. Fines. The amount of any fine shall be determined by the Board. Prior to imposing any fine, the Owner or tenant shall be afforded an opportunity for a hearing after reasonable notice to the Owner or tenant of not less than fourteen (14) days, which notice shall include (i) a statement of the date, time and place of the hearing, (ii) a statement of the provisions of this Declaration, Bylaws or rules and regulations which have allegedly been violated, and (iii) a short and plain statement of the matters asserted by the Association. The Owner of a leased Dwelling Unit shall have the right to participate in any hearing involving the tenant of such Dwelling Unit, and the Association shall provide notice to the Owner of such

Dwelling Unit concurrently with the Association's notice to the tenant of the subject Dwelling Unit. The Owner or tenant shall have an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge and respond to any material considered by the Association. At the hearing, the Board shall conduct a reasonable inquiry to determine whether the alleged violation in fact occurred, and if the Board so determines, it may impose such fine as it deems appropriate by written notice to the Owner or tenant. If the Owner or tenant fails to attend the hearing as set by the Board, the Owner or tenant shall be deemed to have admitted the allegations contained in the notice to the Owner or tenant. Any fine imposed by the Board shall be due and payable within ten (10) days after written notice of the imposition of the fine, or if a hearing is timely requested within ten (10) days after written notice of the Board's decision at the hearing. Any fine levied against an Owner shall be deemed an Individual Expense Assessment, and if not paid when due all of the provisions of this Declaration relating to the late payment of Assessments shall be applicable. If any fine is levied against a tenant and is not paid within ten (10) days after same is due, the Association shall have the right to evict the tenant as hereinafter provided.

C. Negligence. An Owner shall be liable and may be assessed by the Association for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness, to the extent otherwise provided by law and to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in insurance rates occasioned by use, misuse, occupancy or abandonment of a Lot or Dwelling Unit or the Association Property.

D. Responsibility of an Owner for Occupants, Tenants, Guests, and Invitees. To the extent otherwise provided by law, each Owner shall be responsible for the acts and omissions, whether negligent or willful, of any person residing in his Dwelling Unit, and for all guests and invitees of the Owner or any such resident, and in the event the acts or omissions of any of the foregoing shall result in any damage to the Association Property, or any liability to the Association, the Owner shall be assessed for same as in the case of any other Assessment, limited where applicable to the extent that the expense or liability is not met by the proceeds of insurance carried by the Association. Furthermore, any violation of any of the provisions of this Declaration, the Articles, or the Bylaws, by any resident of any Dwelling Unit, or any guest or invitee of an Owner or any resident of a Dwelling Unit, shall also be deemed a violation by the Owner, and shall subject the Owner to the same liability as if the violation was that of the Owner.

E. Right of the Association to Evict Tenants, Occupants, Guests and Invitees. If a tenant shall materially violate any provision of this Declaration, the Articles, or the Bylaws, or shall create a nuisance or an unreasonable and continuous source of annoyance to the residents of the Property, or shall willfully damage or destroy any Association Property or personal property of the Association, then upon written notice by the Association such person shall be required to immediately leave the Property. If such tenant fails to leave the Property, to the extent permitted by applicable law, the Association is authorized to commence an action to evict such tenant or compel the person to leave the Property and, where necessary, to enjoin such person from returning. The expense of any such action, including Legal Fees, may be assessed against the applicable Owner as an Individual Expense Assessment, and the Association may collect such Assessment and have a lien for same as elsewhere provided. The foregoing shall be in addition to any other remedy of the Association. The Association shall provide notice to the Owner of a leased Dwelling Unit concurrently with any notices sent to the tenant of such Dwelling Unit pursuant to this Section, and such Owner shall have the right to participate in any hearings or eviction proceedings involving the tenant of such Owner's Dwelling Unit. The right of eviction provided for in this section

shall be inserted in every lease, but the omissions from the lease agreement of such right shall not affect the right to evict as set forth herein.

F. No Waiver. The failure of the Association to enforce any right, provision, covenant or condition which may be granted by this Declaration, the Articles, or the Bylaws, shall not constitute a waiver of the right of the Association to enforce such right, provision, covenant or condition in the future.

G. Rights Cumulative. All rights, remedies and privileges granted to the Association pursuant to any terms, provisions, covenants or conditions of this Declaration, the Articles or the Bylaws, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude the Association from executing any additional remedies, rights or privileges as may be granted or as it might have by law.

ARTICLE XIV AMENDMENT AND MODIFICATION

The process of amending or modifying this Declaration shall be as follows:

A. Prior to Turnover Date. Until the Turnover Date and except as specifically provided otherwise in this Section A of Article XIV, Declarant may amend this Declaration without the approval of any Member provided the amendment does not materially alter or change any Owner's right to the use and enjoyment of such Owner's Lot or of the Association Property as set forth in this Declaration, and the amendment does not adversely affect the title to any Lot. During any such period prior to the Turnover Date, this Declaration may not be amended without the written joinder of Declarant. Any other amendments of this Declaration prior to the Turnover Date, shall require the vote or written consent of sixty-seven percent (67%) of the votes held by each class of Members of the Association as such classes are set forth in the Association Documents; provided, however, that the percentage of the votes attributable to each class of Members of the Association necessary to amend a specific provision of this Declaration shall not be less than (i) the prescribed percentage (if any) of affirmative votes required for action to be taken under that provision, and (ii) any higher percentage of Members or of affirmative votes attributable to the Members (or each class of Members) specified by the Planned Community Act (if applicable).

B. After the Turnover Date. After the Turnover Date, and except for the annexation of Additional Property which shall be accomplished pursuant to the provisions of Article XII, this Declaration may be amended by: (i) the consent of the Owners owning sixty-seven percent (67%) of all Lots; together with (ii) the approval or ratification of a majority of the Board, provided that the percentage of votes attributable to the Owners shall not be less than the prescribed percentage (if any) of affirmative votes attributable to the Owners as specified by the Planned Community Act. The aforementioned consent of the Owners owning sixty-seven percent (67%) (or such higher percentage, if applicable) of the Lots may be evidenced by a writing signed by the required number of Owners or by the affirmative vote of the required number of Owners at any regular or special meeting of the Association called and held in accordance with the Bylaws evidenced by a certificate of the Secretary or an Assistant Secretary of the Association.

C. Scrivener's Errors. Amendments for correction of scrivener's errors or other nonmaterial changes may be made by Declarant alone until the Turnover Date and by the Board thereafter and without the need of consent of the Owners.

D. Amendments to Declarant's Rights. No amendment to this Declaration shall be effective which shall impair or prejudice the rights or priorities of Declarant, the Association or of any Institutional Mortgagee under the Association Documents without the specific written approval of such Declarant, Association and/or Institutional Mortgagee affected thereby. No amendment to this Declaration shall be effective which would prejudice the rights of a then Owner or his family members, guests, invitees and lessees to utilize or enjoy the benefits of the then existing Association Property unless the Owner or Owners so affected consent to such amendment in writing or unless such amendment is adopted in accordance with the procedures required for adoption of an amendment to this Declaration after the Turnover Date. Additionally, no amendment to this Declaration shall be effective which shall eliminate or modify the provisions of Section G of Article XV and any such amendment shall be deemed to impair and prejudice the rights of Declarant hereunder.

E. FHA/VA Approval Prior to Turnover Date. As long as the "Class B" membership exists, if the Property is subject to any requirements of the Veteran's Administration ("VA"), The Federal Housing Administration ("FHA"), the Federal Home Loan Mortgage Corporation or any other governmental or quasi-governmental agency which insures, guaranties, or purchases mortgages, that stipulate that such HUD/VA or similar agency shall approve amendments of this Declaration, then amendment of this Declaration prior to the Turnover Date will require approval of any such agency(ies), except for those amendments permitted to be made by Declarant as provided in this Article XIV.

F. Certification and Recording of Amendments. A true copy of any amendment to this Declaration shall be sent certified mail by the Association to Declarant and to all Institutional Mortgagees holding a mortgage on any portion of the Property requesting notice. The amendment shall become effective upon the recording of a Certificate of Amendment to this Declaration setting forth the amendment or modification amongst the Public Records of the County.

G. Amendments to Satisfy Lending Requirements. Declarant may, without the consent of any Owners, file any amendments which may be required by an Institutional Mortgagee for the purpose of satisfying its planned unit development criteria or such other criteria as may be established by such mortgagee's secondary mortgage market purchasers, including, without limitation, the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation.

ARTICLE XV GENERAL PROVISIONS

A. Conflict with Other Association Documents. In the event of any conflict between the provisions hereof and the provisions of the Articles and/or Bylaws and/or rules and regulations promulgated by the Association, the provisions of this Declaration shall control.

B. Notices. Any notice or other communication required or permitted to be given or delivered hereunder shall be deemed properly given and delivered upon the mailing thereof by United States mail, first class, postage prepaid, to: (i) any Owner, at the address of the person whose name appears as the Owner on the records of the Association at the time of such mailing and, in the absence of any specific address, at the address of the Dwelling Unit owned by such Owner; and (ii) the Association, certified mail, return receipt requested, at 3739 National Drive, Suite 101, Raleigh, North Carolina, 27612, or such other address as the Association shall hereinafter notify Declarant and the Owners of in writing; and (iii) Declarant, certified mail, return receipt requested, at 3739 National Drive, Suite 101, Raleigh, North Carolina, 27612, or such other address or addresses as Declarant shall hereafter notify the

Association of in writing, any such notice to the Association of a change in Declarant's address being deemed notice to the Owners. Upon request of an Owner, the Association shall furnish to such Owner the then current address for Declarant as reflected by the Association records.

C. Enforcement. The covenants and restrictions herein contained may be enforced by Declarant (so long as Declarant holds an equitable or legal interest in any Lot and/or Dwelling Unit), the Association, any Owner and any Institutional Mortgagee holding a mortgage on any portion of the Property in any judicial proceeding seeking any remedy recognizable at law or in equity, including damages, injunction or any other form of relief against any person, firm or entity violating or attempting to violate any covenant, restriction or provision hereunder. The failure by any party to enforce any such covenant, restriction or provision herein contained shall in no event be deemed a waiver of such covenant, restriction or provision or of the right of such party to thereafter enforce such covenant, restriction or provision. The prevailing party in any such litigation shall be entitled to all costs thereof including, but not limited to, Legal Fees. All rights, remedies and privileges granted to the parties entitled to enforce the covenants, restrictions and provisions of this Declaration pursuant to any terms, provisions, covenants or conditions of this Declaration, the Articles or the Bylaws, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude a party entitled to enforce the covenants, restrictions and provisions of this Declaration from executing any additional remedies, rights or privileges as may be granted or as it might have by law.

D. Captions, Headings and Titles. Article and Section captions, headings and titles inserted throughout this Declaration intended as a matter of convenience only and in no way shall such captions, headings or titles define, limit or in any way affect the subject matter or any of the terms and provisions thereunder or the terms and provisions of this Declaration.

E. Context. Whenever the context so requires or admits, any pronoun used herein may be deemed to mean the corresponding masculine, feminine or neuter form thereof, and the singular form of any nouns and pronouns herein may be deemed to mean the corresponding plural form thereof and vice versa.

F. Severability; Conflict with Planned Community Act. In the event that any of the provisions of this Declaration now or hereafter conflict with the provisions of any applicable law or requirement, including (but not limited to) the Planned Community Act, the provisions of the applicable law shall control unless the law permits this Declaration to override the applicable law, in which event this Declaration shall control. In the event any of the provisions of this Declaration shall be deemed invalid by a court of competent jurisdiction, said judicial determination shall in no way affect any of the other provisions hereof, which shall remain in full force and effect, and any provisions of this Declaration deemed invalid by a court of competent jurisdiction by virtue of the term or scope thereof shall be deemed limited to the maximum term and scope permitted by law. In the event that any court should hereafter determine that any provision of this Declaration is in violation of the rule of property known as the "rule against perpetuities" or any other rule of law because of the duration of a time period, such provision shall not thereby become invalid, but instead the duration of such time period shall be reduced to the maximum period allowed under such rule of law, and in the event the determination of the duration of such time period requires measuring lives, such measuring life shall be that of the incorporator of the Association.

G. Certain Rights of Declarant. Declarant reserves and Declarant and its nominees shall have the right to enter into and transact on the Property any business necessary to consummate the sale, lease or encumbrance of Dwelling Units or real property including, but not limited to, the right to maintain models

and a sales and/or leasing office, place signs, employ sales and leasing personnel, use the Association Property and show Dwelling Units, and Declarant reserves and shall have the right to make repairs to the Association Property and to carry on construction activity for the benefit of the Property. Declarant and its nominees may exercise the foregoing rights without notifying the Association. Any such models, sales and/or leasing office, signs and any other items pertaining to such sales or leasing efforts shall not be considered a part of the Association Property and shall remain the property of Declarant. This Section G may not be suspended, superseded or modified in any manner by any amendment to this Declaration unless such amendment is consented to in writing by Declarant. This right of use and transaction of business as set forth herein and the other rights reserved by Declarant in the Association Documents may be assigned in writing by Declarant in whole or in part. The rights and privileges of Declarant as set forth in this Section G, which are in addition to, and are in no way a limit on, any other rights or privileges of Declarant under any of the Association Documents, shall terminate upon Declarant no longer owning any portion of the Property (and having any equitable or legal interest therein) or upon such earlier date as Declarant shall notify the Association in writing of Declarant's voluntary election to relinquish the aforesaid rights and privileges.

H. Association's Indemnification. The Association covenants and agrees that it will indemnify and save harmless Declarant, and the members of the Board from and against any and all claims, suits, actions, damages, and/or causes of action arising from any personal injury, loss of life, and/or damage to property sustained in or about the Property or the appurtenances thereto from and against all costs, Legal Fees, expenses and liabilities incurred in and about any such claim, the investigation thereof or the defense of any action or proceeding brought thereon, and from and against any orders, judgments and/or decrees which may be entered therein, except those costs generally applicable to all Owners. Included in the foregoing provision of indemnification are any expenses that Declarant may be compelled to incur in bringing suit for the purpose of compelling the specific enforcement of the provisions, conditions and covenants contained in this Declaration to be kept and performed by the Association.

I. Disputes as to Use. In the event there is any dispute as to whether the use of the Property or any portion or portions thereof complies with the covenants, restrictions, easements or other provisions contained in this Declaration, such dispute shall be referred to the Board, and a determination rendered by the Board with respect to such dispute shall be final and binding on all parties concerned therewith. Notwithstanding anything to the contrary herein contained, any use by Declarant of the Property or any parts thereof in accordance with Section G of this Article XV shall be deemed a use which complies with this Declaration and shall not be subject to a contrary determination by the Board.

J. Delegation. The Association, pursuant to a resolution duly adopted by the Board, shall have the continuing authority to delegate all or any portion of its responsibilities for maintenance, operation and administration, as provided herein, to any managing agency or entity selected by the Board from time to time and whether or not related to Declarant. All contracts with management companies shall contain a provision that allows the Association to unilaterally terminate the contract without cause after ninety (90) days notice.

K. Term. This Declaration and the terms, provisions, conditions, covenants, restrictions, reservations, regulations, burdens and liens contained herein shall run with and bind the Property and inure to the benefit of Declarant, the Association, Owners, and their respective legal representatives, heirs, successors and assigns for a term of twenty-five (25) years from the date of recording this Declaration amongst the Public Records of the County, after which time this Declaration shall be automatically renewed and extended for successive periods of ten (10) years each unless at least one (1) year prior to the

termination of such twenty-five (25) year term or any such ten (10) year extension there is recorded amongst the Public Records of the County an instrument agreeing to terminate this Declaration signed by Owners owning the greater of (i) two-thirds (2/3) of the Lots, or (ii) such higher percentage (if any) of Owners prescribed by the applicable provisions of the Planned Community Act, and Institutional Mortgagees holding first mortgages encumbering two-thirds (2/3) of all Lots encumbered by first mortgages held by Institutional Mortgagees, upon which event this Declaration shall be terminated upon the expiration of the fifty (25) year term or the ten (10) year extension during which such instrument was recorded.

L. Rights of Mortgagees.

1. Right to Notice. The Association shall make available for inspection upon request, during normal business hours or under reasonable circumstances, the Association Documents and the books, records and financial statements of the Association to Owners and the holders, insurers or guarantors of any first mortgages encumbering any portion of the Property. In addition, evidence of insurance shall be issued to each Owner and mortgagee holding a mortgage encumbering a Dwelling Unit upon written request to the Association.

2. Rights of Listed Mortgagee. Upon written request to the Association, identifying the name and address of the holder, insurer, or guarantor (such holder, insurer or guarantor is herein referred to as a "Listed Mortgagee") of a mortgage encumbering a Lot and the legal description of such Lot the Association shall provide such Listed Mortgagee with timely written notice of the following:

i. Any condemnation, loss or casualty loss which affects any material portion of the Association Property;

ii. Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

iii. Any proposed action which would require the consent of mortgagees holding a mortgage encumbering a Lot; and

iv. Any failure by an Owner owning a Lot encumbered by a mortgage held, insured or guaranteed by such Listed Mortgagee to perform his obligations under the Association Documents, including, but not limited to, any delinquency in the payment of Assessments, or any other charge owed to the Association by said Owner where such failure or delinquency has continued for a period of sixty (60) days.

3. Right of Listed Mortgagee to Receive Financial Statement. Any Listed Mortgagee shall, upon written request made to the Association, be entitled to financial statements for the Association for the prior fiscal year free of charge and the same shall be furnished within a reasonable time following such request.

M. Approval of Association Lawsuits by Owners. Notwithstanding anything contained herein to the contrary, the Association shall be required to obtain the approval of three-fourths (3/4) of all Members (at a duly called meeting of the Members at which a quorum is present) prior to the payment of legal or other fees to persons or entities engaged by the Association for the purpose of suing, or making, preparing or investigating any lawsuit, or commencing any lawsuit other than for the following purposes:

1. the collection of Assessments;

2. the collection of other charges which Owners are obligated to pay pursuant to the Association Documents;
3. the enforcement of the use and occupancy restrictions contained in the Association Documents;
4. in an emergency where waiting to obtain the approval of the Owners creates a substantial risk of irreparable injury to the Association Property or to Owner(s) (the imminent expiration of a statute of limitations shall not be deemed an emergency obviating the need for the requisite vote of three-fourths (3/4) of the Members);
5. filing a compulsory counterclaim; or
6. termination of employment relationship or enforcement of a contract.

N. Compliance with Provisions. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot except as elsewhere herein provided does and shall be conclusively deemed to have consented to and agreed to every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in such property.

O. Rights and Requirements of Governmental Authorities. Any governmental authority or agency, including, but not limited to the City and the County, their agents, and employees, shall have the right of immediate access to the Property at all times if necessary for the preservation of public health, safety and welfare. Should the Association or its Board fail to maintain the Association Property in accordance with the specifications set forth in the applicable governmental approvals for Camden Park for an unreasonable time, not to exceed ninety (90) days after written request to do so, the City, the County and any other applicable governmental authority, by and through the affirmative action of a majority of the governing body, shall have the same right (but not the obligation), power and authority as is herein given to the Association and its Board to enforce this Declaration and levy Assessments necessary to maintain the Association Property, it being understood that in such event the applicable governing body may elect to exercise the rights and powers of the Association or its Board, to the extent necessary to take any action required and levy any Assessment that the Association might have taken, either in the name of the Association or otherwise, to cover the cost of maintenance of any Association Property. The rules granted herein shall be supplemental to any governmental authority the City and County may have, and application of this provision shall not diminish, limit, or restrict the right of the City and County to apply any other legal rights it may have.
