NOW THEREFORE, the Declarant hereby declares that the real property described in and referred to in Article I hereof is and shall be held, transferred, sold and conveyed subject to the Protective Covenants set forth below;

ARTICLE I

The real property which is, and shall be held, transferred, sold and conveyed subject to the Protective Covenants set forth in the Articles of this Declaration is located in the County of Wake, State of North Carolina, and is more particularly described as follows:

The real property described in Article I hereof is subjected to the Protective Covenants and Restrictions hereby declared to insure the best use and the most appropriate development and

improvements of each lot thereof; to protect the owners of lots against such improper use of surrounding lots as will depreciate the value of their property; to preserve so far as practicable, the natural beauty of said property; to guard against the erection thereon of poorly designed or proportioned structures, and structures built of improper or unsuitable materials, to obtain harmonious color schemes; to insure the highest and best development of said property; to encourage and secure the erection of attractive homes thereon, with appropriate locations thereof on lots; to prevent haphazard and inharmonious improvement on lots; to secure and maintain proper setbacks from street, and adequate free spaces between structures, and in general to provide adequately for a high type and quality of improvements in said property and thereby to enhance the values of investments made by purchasers of lots therein.

ARTICLE II

LAND USE AND BUILDING TYPE. No lot shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any lot other than one detached single-family dwelling not to exceed two and one-half (2 1/2) stories in height and a private garage for not more than three (3) cars, provided, however, that a lot may be used for a well lot and contain a pump house and well equipment, provided further that a lot and building thereon may be used as an amenity and recreational purposes owned and operated by The River Landing Homeowners Association, Inc.

ARTICLE III

SITE AND PLAN APPROVAL. No building, fence, swimming pool, or any other structure shall be erected, placed or altered on any premises in said development until the building plans, specifications, and plot showing the location of such improvements, have been approved in writing as to conformity and harmony of external design with existing improvements in the development, and as to location of the improvements with respect

to topography and finished ground elevation by an architectural committee (the Architectural Committee) composed of three (3) persons designated and appointed by Declarant or its assigns. In the event said committee fails to approve or disapprove such design or location within sixty (60) days after said plans and specifications have been submitted to it, or in the event, if no suit to enjoin the erection of such improvements or the making of such alterations has been commenced prior to the completion thereof in the case of major improvements, such approval will not be required and this covenant will be deemed to have been fully complied with. Members of such committee shall not be entitled to any compensation for services performed pursuant to this covenant.

ARTICLE IV

No building or garage shall be located nearer than ten (10) feet to an interior lot line. No other permitted accessory building shall be located nearer than ten (10) feet to an interior lot line or nearer than thirty (30) feet from the minimum building setback line.
