Almost Paradise, LLC proposes the following scope of work:

All materials and labor to provide approximately 320 LF of 6' tall wood privacy fencing with your choice of custom fastened Alta Forest Products pre-stained, sealed 1 x 6 x 6 treated fence pickets installed on SYP pressure treated 2 x 4 x 8' s- (3 per section) attached to steel Postmaster fence posts. Your layout will include 2 single swing gates with clear openings of 4 to 5-foot wide. All posts would be set in wet mixed 4000 psi concrete with 4-6 each #10 galvanized lath screws per horizontal board. Each steel post will be covered with 1 x 6 matching Alta pickets. One existing post, fastened to the house, will be left undisturbed. Acceptance of this proposal includes conditions and terms of page 2 waiver/addendum. All labor is guaranteed to be free of workmanship defects for the life of your fence.

Due to demolition debris, a dumpster will be required to be in the street or the driveway for at least 2-3 days .

We look forward to building you the finest custom designed fence and earning your enthusiastic future referrals.
