Section 11. Subordination of the Lien to Mortgages and Ad Valorem Taxes. The lien of the assessments provided for herein shall be subordinate to the lien of any institutional first mortgage and ad valorem taxes and public assessments levied on said Lot. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to such mortgage or tax foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 12. Exempt Property. Any portion of the Property dedicated to, and accepted by, a local public authority and any portion of the Property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 13. Foreclosure of liens for unpaid Townhome Common Expenses. In any action brought by the Board to foreclose on a Lot because of unpaid Assessments, the Lot Owner shall be required to pay a reasonable rental for the use of his Lot, and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board, acting on behalf of all Lot Owners, or on behalf of any one or more individual Lot Owners, if so instructed, shall have the power to purchase such Lot at the foreclosure sale and to acquire, hold, lease, mortgage, convey, or otherwise deal with the same, subject, however, to applicable restrictions of record. A suit to recover money judgment for unpaid Townhome Common Expenses may be maintainable without foreclosing or waiving the lien securing the same.

Section 14. Unpaid Assessments. No Lot Owner shall be liable for the payment of any part of the Townhome Common Expenses assessed against his Lot subsequent to a consummated sale, transfer or other conveyance by him (made in accordance with the provisions of the Declaration and applicable restrictions of record) of such Lot. A purchaser of a Lot shall be jointly and severally liable with the seller for the payment of the Townhome Common Expenses assessed against such Lot prior to the acquisition by the purchaser of such Lot, without prejudice to the purchaser's right to recover from the seller the amounts paid by the purchaser therefor. Provided, that a first-lien mortgagee or other purchaser of a Lot at a foreclosure sale of such Lot shall not be liable for, and

such Lot shall not be subject to, a lien for the payment of Townhome Common Expenses assessed prior to such foreclosure sale, and such unpaid assessed Townhome Common Expenses shall be deemed to be Townhome Common Expenses collectible from all of the Lot Owners, including such purchaser, his successors and assigns.

If any Owner desires to sell his property, he may, in order to assure a prospective purchaser that no adjoining Owner has a right of contribution as provided in this Article V, request of the adjoining Owner a certificate that no contribution exists, whereupon it shall be the duty of each adjoining Owner to make such certification immediately upon request without charge; provided, however, that where the adjoining Lot Owner claims a right of contribution, the certification shall contain a recital of the amount claimed.

ARTICLE VI

ARCHITECTURAL CONTROL

No site preparation (including, but not limited to, grading, elevation work, sloping or tree work) or initial construction, erection or installation of any improvements, including but not limited to, buildings, fences, signs, walls, screens, mailboxes, landscaping, plantings or other structure shall be commenced, erected, placed, altered or maintained upon the Property or any Lot, nor shall any exterior addition to, or change, or alteration therein be made to any improvement by any Owner, other than Declarant, until the plans and specifications showing the nature, kind, shape, height, materials, exterior design, colors, siding, roof shingles, location and elevations of the proposed improvements shall have been submitted to, and approved in writing, as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an Architectural Committee composed of three (3) or more representatives appointed by the Board. Provided however, at the Declarant's option, the Declarant may retain the ability to appoint the members of the Architectural Committee after Class B membership has terminated until such time as the construction of a Living Unit has been completed on all Lots. In the event said Board, or its designated Committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required; and this Article will be deemed to have been fully complied with; provided that plans and specifications that contain inaccurate or missing data or information when submitted shall not be deemed to be approved notwithstanding the foregoing or any prior approval by the Committee.

Upon request the Board shall provide any Owner with a letter stating that any such work plans and specifications have been approved and the same may be relied upon by third parties.

Refusal of approval of such plans, location or specifications may be based upon any grounds, including purely aesthetic and environmental, that in the sole discretion of the Board or Committee, it shall deem sufficient. The Association, Board or Architectural Committee shall not be responsible for any defects in the plans and specifications submitted to it or in any structure erected according to such plans and specifications.

The Association or its appointed agents shall have the right, at its election, but shall not be required, to enter upon any of the Property during site preparation or construction, erection, or installation of improvements to inspect the work being undertaken and to determine that such work is being performed in conformity with the approved plans and specifications.

Any reference to "Association" in this Article shall mean the Board or the Architectural Committee, if vested with approval by the Board.

ARTICLE VII

ANNEXATION OF ADDITIONAL PROPERTIES

Section 1. Approval of Annexation. Annexation of additional property, except as provided in Section 2 of this Article VII, shall require the assent of two-thirds (2/3) of the Class A membership and two-thirds (2/3) of the Class B membership, if any, present in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purposes of the meeting. The presence of Members or of proxies entitled to cast forty percent (40%) of the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called subject to the notice requirement set forth above and the required quorum shall be one-half (1/2) of the required quorum of the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting. In the event that two-thirds (2/3) of the Class A membership or two-thirds (2/3) of the Class B membership are not present in person or by proxy, Members not present may give their written assent to the action taken thereat.

Section 2. Annexation by Declarant. If within twenty (20) years of the date of recordation of this Declaration in the office of the Wake County Register of Deeds, the Declarant should develop such other lands as Declarant or Affiliate or member of Declarant may hereafter acquire contiguous to the additional land, which additional land has been subjected to this Declaration, such land may be annexed by the Declarant without the consent of Members; and, in doing so, Declarant may file and record such amendments to this Declaration as are necessary without the consent of the Members in order to subject such additional lands to the terms of this Declaration and the jurisdiction of the Association. For purposes of determining contiguity of property, the rights-of-way of public or private roads and utilities, as well as rivers and streams, shall be deemed not to separate otherwise contiguous property. It is hereby authorized and the intent of the Declarant to annex Lots 2 and 3 as reflected on Book of Maps 2010, Page 1048, Wake County Registry by subsequent annexation documents.

Declarant may amend this Declaration at the time of annexation of additional lands as pursuant to the provisions of this Article VI, Section 2. Declarant shall have the right to make such complementary additions and/or modifications of the covenants and restrictions contained in this Declaration as may be necessary or convenient, in the sole judgment of the Declarant, to reflect the different character, if any, of the added properties and as are not inconsistent with the plan of this Declaration but such additions and/or modifications shall have no effect upon the properties previously subjected to this Declaration.

The addition of property authorized under this paragraph may increase the cumulative maximum number of lots authorized in the properties, and, therefore, may alter the relative maximum potential voting strength of the various types of membership of the Association.

Section 3. Recording Annexation Documents. Annexation of additional lands shall be accomplished by recording in the Office of the Register of Deeds in the county in which the Property is located, a Declaration of Annexation, duly executed by the Declarant if the Declarant has the right to annex pursuant to Section 2 above (and by the Association and the land owner of the annexed tract if pursuant to Section 1 above), describing the lands annexed and incorporating the provisions of this Declaration, either by reference or by fully setting out said provisions of this Declaration. The additional lands shall be deemed annexed to the Property on the date of recordation of the Declaration of Annexation, and in the case of an annexation by the Declarant, no action or consent

on the part of the Association or any other person or entity shall be necessary to accomplish the annexation except any local governmental authority if required by its ordinances

Section 4. Annexed Townhome Common Elements. Subsequent to recordation of the Declaration of Annexation by the Declarant, the Declarant shall deliver to the Association one or more deeds conveying any Townhome Common Elements within the lands annexed as such Townhome Common Elements are developed and by recordation of such deed by the Declarant, the Association is deemed to accept such Townhome Common Elements for ownership and maintenance as necessary.

ARTICLE VIII

EXTERIOR MAINTENANCE

Section 1. Exterior Maintenance by Association. In addition to maintenance of the Townhome Common Elements, the Association shall provide exterior maintenance upon each Living Unit which is subject to assessment hereunder, as follows: paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, mailboxes, fences installed by Declarant or approved by the Association, exterior post lights (excluding electricity therefor), and other exterior improvements. Such exterior maintenance shall not include glass surfaces, or screens for windows and doors, or any improvements contained within courtyards or areas secured by the owner or the repair or reconstruction of any improvements on any lot, the cost of which repair or reconstruction would be covered by casualty insurance, whether or not a policy of casualty insurance is in effect. The Association shall not be responsible for damage to vegetation planted by a Lot Owner. If, in the opinion of the Association any such Owner fails to maintain his rear yard in a neat and orderly manner, the Association may revoke the Owner's maintenance rights for a period not to exceed one year and the Association shall perform maintenance during the revocation period at the expense of the Owner. The Owner shall not plant any vegetation in the front or rear yard except with the prior written approval of the Association. In the event a Lot Owner selects unusual or exotic vegetation for his Lot, which vegetation necessitates extraordinary maintenance and care by the Association, the Association reserves the right to impose an individual assessment upon the individual Lot Owner for any costs attributable to said extraordinary maintenance and care of his vegetation.

As a matter of information to future Members of this Association, the Declarant wishes to make it known that it is a part of the original plan of development to construct a variety of dwellings with a variety of exteriors for the good of the entire subdivision. Some dwellings will require far more maintenance than others because of the types of exterior exposures. Nevertheless, in order to avoid monotony and in order to achieve a harmony of design and textures, all of those connected with the conception, design, construction and financing of this subdivision as originally planned, are in accord in their belief that all Members of the Association will be benefited by the variety of exteriors and, therefore, the Association should provide exterior maintenance and make a uniform rate of charge without regard to the actual cost of maintenance of each dwelling.

Section 2. Damage by Owner. In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, or tenants, guests, contractors, or invitees, or contract purchasers the cost of such maintenance or repairs shall be added to, and become a part of, the assessment to which such Lot is subject.

Section 3. Inspection Rights Reserved. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association, its agents, employees or contractors, the right to unobstructed access over and upon each Lot or Living Unit at all reasonable times for inspection and to perform maintenance as provided in this Article.

Section 4. Casualty Loss Not Included. Maintenance and repairs under this Article arise from normal usage and weathering and do not include maintenance and repairs made necessary by fire or other casualty or damage.

ARTICLE IX

USE RESTRICTIONS

Section 1. Rules and Regulations. The Board of Directors of the Association shall have the power to formulate, publish and enforce reasonable rules and regulations concerning the use and enjoyment of the yard space of each Lot and the Townhome Common Elements. Such rules and regulations may provide for imposition of fines or penalties for the violation thereof, or for the violation of any of the covenants and conditions contained in this Declaration.

Section 2. Use of Property. No portion of the Property (except for temporary office of the Declarant and/or model townhouses used by Declarant) shall be used except for single-family residential purposes and for purposes incidental or accessory thereto.

No trade or business of any kind shall be conducted upon any Lot or part thereof, except as may be approved by the Board of Directors on a case-by-case basis after petition by an Owner. Provided however, that any such approved business must be conducted entirely within the confines of the house or garage of an Owner and must not create, among other things, a nuisance to the neighbors, or create among other things, excessive noise, traffic, odors or unpleasant appearances. Once permission is granted by the Board of Directors for such a business, the Board of Directors automatically retains the right to terminate approval of such business for violation of the above conditions or any other conditions stated in the Board's initial approval and the Owner shall terminate such business within thirty (30) days after receipt of notice from the Board.

Section 3. Quiet Enjoyment. No obnoxious or offensive activity shall be carried on upon the Property, nor shall anything be done which may be, or may become, a nuisance or annoyance to the neighborhood.

Section 4. Animals. No animals, birds, livestock or poultry of any kind shall be kept or maintained on any Lot or in any dwelling except that dogs, cats, pet birds or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes and are controlled in accordance with applicable governmental ordinances and are not a nuisance to other Owners. No pet shall be allowed to make an unreasonable amount of noise. Pets shall be under leash at all times when walked or exercised in any portion of the Townhome Common Elements, and the owner of such pet shall clean up after such pet. Upon the written request of any Owner, the Board may conclusively determine, in its sole and absolute discretion, whether for purposes of this Section 5, a particular pet is a generally recognized house pet or such pet is a nuisance, and the Board shall have the right to require the owner of a particular pet to remove such pet from the Property if such pet is found to be a nuisance or to be in violation of these restrictions. The Board of Directors shall have the further right to fine any Owner for the violation of these pet restrictions by such Owner, and the Owner shall be liable to the Association for the cost of repair of any damage to the Townhome Common Elements caused by the Owner's pet. Any such fine or cost of repair shall be added to and become a part of that portion of any Assessment next coming due to which such Dwelling and its Owner are subject. No aggressive dog breeds are allowed without approval of the Board. Aggressive dog breeds shall include but not limited to the following list: Pit Bulls, Rottweilers, Wolf Hybrids, Doberman, Chow Chow, Husky, Malamute, German Shepherd and other dog breeds prone to aggressive behavior.

Section 5. Insurance. Nothing shall be kept, and no activity shall be conducted, on the Property which will increase the rate of insurance, applicable to residential use, for the Property or the contents thereof. No Owner shall do or keep anything, nor cause or allow anything to be done or kept, in his townhome or on the Townhome Common Elements which will result in the cancellation of insurance on any portion of the Property, or the contents thereof, or which will be in violation of any law, ordinance, or regulation. No waste shall be committed on any portion of the Townhome Common Elements.

Section 6. Offensive Behavior. No immoral, improper, offensive, or unlawful use shall be made of the Property, or any part thereof, and all valid laws, ordinances, and regulations of all governmental agencies having jurisdiction thereof shall be observed. All laws, order, rules, regulations, or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be complied with, by and at the sole expense of the Owner or the Association, whichever shall have the obligation to maintain or repair such portion of the Property.

Section 7. Structural Integrity. Nothing shall be done in or to any Building or in, to, or upon any of the Townhome Common Elements which will impair the structural integrity of any building, or portion of the Townhome Common Elements or which would impair or alter the exterior of any Building or portion thereof, except in the manner provided in this Declaration.

Section 8. Business. No industry, business, trade, occupation, or profession of any kind, whether commercial or otherwise, shall be conducted, maintained, or permitted on any Lot except as provided for in Article IX, Section 2 hereinabove, except that the Declarant or its agents may use any unsold Lots for sales or display purposes, Declarant may maintain a sales or rental office on the Property.

Section 9. Signs. No owner shall display, or cause or allow to be displayed, to public view any sign, placard, poster, billboard, or identifying name or number upon any Building, or any portion of the Townhome Common Elements, except as allowed by the Association pursuant to its Bylaws or regulations or as required by local governmental authority; provided, however, that the Declarant, Owner and any mortgagee who may become the Owner of any Lot, or their respective agents, may place "For Sale" or "For Rent" signs on any unsold or unoccupied townhomes and in suitable places on the Townhome Common Elements provided, however, that during the development of the Property and the marketing of townhomes, the Declarant may maintain a sales office and may erect and display such signs as the Declarant deems appropriate as aids to such development and marketing, provided that such signs do not violate any applicable laws. For a period of four (4) years from the date of the recording of this Declaration, any "For Sale" or "For Rent" signs erected by any party other than Declarant shall be permitted to be shown only in the front window of a Living Unit.

Section 10. Alterations. No Person shall undertake, cause, or allow any alteration or construction in or upon any portion of the Townhome Common Elements except at the direction or with the express written consent of the Association.

Section 11. Townhome Common Elements Use. The Townhome Common Elements shall be used only for the purposes for which they are intended and reasonably suited and which are incident to the use and occupancy of the townhomes, subject to any rules or regulations that may be adopted by the Association pursuant to its Bylaws.

Section 12. Screens. No Owner shall utilize window screens on the front of any townhome.

Section 13. Parking. No boats, trailers, campers, motorhomes, trucks or tractors shall be parked on any Lot, on the Common Elements, or on any right of way of any roads or streets within

the Property or adjoining the Property by any Lot Owner, its family members, tenants or contract purchasers, except inside an enclosed garage located on a Lot or in a specified storage area established by the Association or except as otherwise may be permitted by Rules and Regulations of the Association. Delivery and maintenance vehicles are permitted. Notwithstanding the foregoing, this prohibition shall not apply to contractor's trucks and vehicles during the construction of any dwelling, garage or accessory building, it being clearly understood that contractor's trucks and vehicles shall be permitted to park on the roads and streets within the Property until completion of any dwelling, garage or accessory building.

Section 15. Trailers, etc. No trailer, tent, mobile home, modular home or other structure of a temporary character shall be placed upon any Lot at any time, provided, however, that this prohibition shall not apply to a Sale Center Trailer used during the initial sale and marketing of Lots and shelters or storage units used by the contractor during the construction of a dwelling, garage or accessory building, it being clearly understood that these latter temporary shelters may not, at any time, be used as residences or permitted to remain on the Lot after completion of construction.

Section 16. Fuel Tanks. No fuel tanks or similar storage receptacles may be exposed to view. Any such receptacles may be installed only within an accessory building or within a screened area, or buried underground; provided, however, that nothing contained herein shall prevent the Declarant or Association from erecting, placing or permitting the placing of tanks, or other apparatus, on the Property for uses related to the provision of utility or other service

Section 18. Antennae. With exception to the Federal Communications Commissions Restrictions identified in the Telecommunications Act of 1996, the following applies: Exterior radio and television antennae, aerials, disks and dishes for reception of commercial broadcasts shall not be permitted on any Lot and no other aerials, disks and dishes (for example, without limitation, amateur short wave or ship to shore) shall be permitted on any Lot without permission of the Board as to design, appearance and location or pursuant to Regulations issued for that purpose

Section 17. Firearms; Hunting Prohibited. There shall be no discharging of firearms, guns or pistols of any kind, caliber, type, or method of propulsion; and no hunting of any type shall be carried on or conducted on the Property.

Section 18. Drying Areas. Clotheslines or drying yards shall not be located upon any Lot without the prior written consent of the Board, which consent may be conditioned or withheld in the sole discretion of the Board, or as set forth in Regulations established for that purpose

Section 19. Independent Covenants. Each and every covenant and restriction contained herein shall be considered to be an independent and separate covenant and agreement, and in the event any one or more of said covenants or restrictions shall, for any reason, be held to be invalid, or unenforceable, all remaining covenants and restrictions shall nevertheless remain in full force and effect.

Section 20. Additional Restrictions. Declarant may include in any contract or deed hereafter made any additional covenants and restrictions that are not inconsistent with and which do not diminish the covenants and restrictions set forth herein.

Section 21. Leasing. Each Lot is hereby restricted to use by the Owner thereof, his employees, servants, guests, invitees and lessees. Lot Owners may lease the entire Lot but all leases and subleases must be in writing and the term must have a minimum duration of six (6) months. Any lease agreement shall be required to provide that the terms of the lease shall be subject to the provisions of this Declaration and the Association Bylaws and its rules and regulations, and that any failure of a lessee or sublessee to comply with the terms of such documents shall be a condition of default under the lease. All leases and subleases must be filed with the Association or such

information from such leases or subleases as may be prescribed by the Board shall be filed with the Association.

ARTICLE X

EASEMENTS

Section 1. Utility Easements. All of the Property, including Lots and Townhome Common Elements, shall be subject to such easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage facilities, gas lines, cablevision, telephone and electric power line and other public utilities as shall be established by the Declarant or by his predecessors in title, prior to the subjecting of the Property to this Declaration; and the Association shall have the power and authority to grant and establish upon, over, under and across the Townhome Common Elements conveyed to it, such further easements as are requisite for the convenient use and enjoyment of the Property without approval of the membership as provided in the Articles of Incorporation and this Declaration.

Section 2. Adjoining Areas. Each Owner is hereby declared to have an easement, and the same is hereby granted by the Declarant, over all adjoining Lots and Townhome Common Elements for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, or additional settlement or shifting of the building, or any other cause. There shall be valid easements for the maintenance of said encroachment, which include any encroachments created during the original construction of the Building and related structures on a Lot, settlement or shifting; provided however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to the willful misconduct of said Owner or Owners. In the event a structure on any Lot is partially or totally destroyed, and then repaired or rebuilt, the Owners of each Lot and the Townhome Common Elements agree that minor encroachments over adjoining Lots and the Townhomes Common Elements shall be permitted and that there shall be valid easements for the maintenance of said encroachments so long as they shall exist.

Section 3. Unintentional Encroachments. In the event that any building on a Lot shall encroach upon any Townhome Common Elements or upon any other Lot for any reason not caused by the purposeful or negligent act of the Owner or agents or such Owner, then an easement appurtenant to such Lot shall exist for the continuance and maintenance of such encroachment upon the Townhome Common Elements or other Lot for so long as such encroachment shall naturally exist; and, in the event that any portion of the Townhome Common Elements shall encroach upon any Lot, then an easement shall exist for the continuance and maintenance of such encroachment of the Townhome Common Elements onto any such Lot for so long as such encroachment shall naturally exist.

Section 4. Overhanging Roofs and Eaves. Each Lot and its Owner within the Properties is hereby declared to have an easement, and the same is hereby granted by the Declarant, over each adjoining Lot and/or the Townhome Common Elements, as the case may be, for over-hanging roofs and eaves and the maintenance thereof.

Section 5. Easement for the Benefit of Governmental Authorities. An easement is hereby established for the benefit of the Town of Holly Springs or other governmental agency, over all Townhome Common Elements for the setting, removing and reading of water meters (which shall be separate for each Living Unit), maintaining and replacing water, and sanitary sewer facilities owned

by the Town, for police protection, fire fighting and garbage collection, postal services, and the rendering of such other services as are appropriate and necessary for the use and enjoyment of the Property.

Section 6. Easement for Benefit of Utility Company. The Declarant reserves the right to subject the Property, including the Townhome Common Elements, to a contract with Progress Energy for the installation of underground electric lines, cables and connector posts or for the installation of street lighting, either or both of which, may require an initial payment or a continuing annual payment to the utility by the owner of each Lot.

Section 7. Priority of Easements. Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall henceforth be deemed to be covenants running with the land for the use and benefit of the Lots, and the Townhome Common Elements, as the case may be, superior to all other encumbrances which may hereafter be applied against or in favor of the Property or any portion thereof.

Section 8. Declarant Easement. Every Lot shall be subject to an easement for entry and encroachment by the Declarant for a period not to exceed eighteen (18) months following conveyance of a Lot to an Owner for the purpose of correcting any problems that may arise regarding grading and drainage. The Declarant, upon making entry for such purpose, shall restore the affected Lot or Lots to as near the original condition as practicable.

Section 9. Structural Support. Every portion of a townhome which contributes to the structural support of the Building shall be burdened with an easement of structural support for the benefit of all other townhomes within the Building.

Section 10. Emergencies. Every Lot and townhome shall be subject to an easement for entry by the Association for the purpose of correcting, repairing, or alleviating any emergency condition which arises upon any Lot or within any townhome and that endangers any building or portion of the common area.

Section 11. Maintenance and Drainage Easement. The Association reserves an easement over and across every Lot for the purpose of performing the maintenance requirements of the Association as prescribed herein. The Declarant so long as it has Class B Membership, and thereafter the Association, may cut and create drains and drainways both above ground and underground for the purpose of facilitating the removal of surface water whenever such action may appear to be necessary in order to maintain reasonable standards of health, safety and appearance along, over or across any Lot. Each Lot Owner shall maintain the drainage devices on its Lot at its own expense. Furthermore, each Lot Owner shall not allow the diversion or concentration of stormwater runoff, without the prior written approval of the Architectural Committee, and no drainage diversion or structure may be constructed in violation of any North Carolina Department of Transportation regulation.

Section 12. Easements for Repairs. Each lot owner shall have a perpetual access easement over the adjoining lot and Townhome Common Elements to the extent reasonably necessary to perform repair, maintenance, or reconstruction of his townhome. Such repair, maintenance, or reconstruction shall be done expeditiously, and, upon completion of the work, the owner shall restore the adjoining lot and Townhome Common Elements to as near the same condition as that which prevailed prior to the commencement of the work as is reasonably practicable.

Section 13. Protection Easements for Stormwater Control Facilities. The Association shall also be subject to the terms and conditions of a certain Declaration of Maintenance Covenants and Grant of Protection Easements for Stormwater Control Facilities executed by the Declarant and

the Association recorded contemporaneously with this Declaration, the terms of which are hereby incorporated by reference.

ARTICLE XI

INSURANCE

Section 1. Insurance to be Maintained by the Association. The following insurance coverage shall be maintained in full force and effect by the Association:

(a) Public liability and property damage insurance in such amounts and in such forms as shall be required by the Association, but public liability shall be an amount of at least \$1,000,000 for each occurrence.

(b) All liability insurance shall contain cross-liability endorsements to cover liability of the Owners as a group to an individual Owner.

(c) Fidelity bond coverage covering those that shall be responsible or shall handle funds of the Association.

(d) Such other insurance coverage as it may determine to be desirable and necessary, including fire and hazard insurance covering all buildings located on the Property as specified in Section 4, if determined to be better served by the Association procuring such insurance.

Section 2. Premiums. Premiums for insurance policies purchased by the Association shall be paid by the Association and charged as a Townhome Common Expense ratably to Owners as an annual assessment according to the applicable provisions of this Declaration.

Section 3. Insurance Beneficiaries. All such insurance policies shall be purchased by the Association for the benefit of the Association and the Owners.

Section 4. Insurance to be Maintained by Owners. Every Owner shall maintain in full force and effect at all times fire and hazard insurance from an insurer selected by the Board, in an amount equal to the full replacement value of his Living Unit, including the value of excavations and foundations. An Owner shall exhibit to the Board, upon request, evidence that such insurance is in effect. If any Owner shall fail to maintain such insurance, the Board is authorized to obtain such insurance in the name of the Owner from an insurer selected by the Board, and the cost of such insurance shall be included in the annual assessment of the Owner and shall constitute a lien against his Lot until paid as a result of enforcement by the Association or otherwise.

The Association may, at its election, procure and pay for such insurance on all buildings, improvements and Living Units.

Casualty coverage shall afford protection against:

- (A) Loss or damage to property by fire or other hazards covered by a standard extended coverage endorsement; and
- (B) Such other risks as from time to time shall be customarily covered with respect to buildings and improvements similar in construction, location

and use as the buildings and improvements to be insured, including, but not limited to, vandalism and malicious mischief.

Such insurance shall be issued with an insurer licensed to do business in North Carolina and holding a rating of "A" or better by Best's Insurance Reports, and such policy must provide that the insurer will not cancel, reduce or substitute coverage without first giving the Association and any mortgagee named in the policy thirty (30) days prior written notice thereof.

ARTICLE XII

REPAIR, RESTORATION OR RECONSTRUCTION OF CASUALTY DAMAGE

Section 1. Repair and Restoration. Except as otherwise herein provided, damage to or destruction of Living Units or Lots shall be repaired, restored or reconstructed by the affected Owners within one hundred and eighty (180) days from damage, such repair and restoration or reconstruction, insofar as possible, to be in accordance with the original plans and specifications of the original building. In the event that the Owners of damaged Living Units and Lots default in the obligation to repair and restore or reconstruct as herein provided, the Association, after thirty days prior notice, may (but shall be under no obligation to) repair and restore or reconstruct the damaged Living Unit or Lot. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association and its agents the right to unobstructed access over and upon each Lot at all reasonable times to perform repair and restoration or reconstruction as provided in this Article. In the event of action by the Association as herein permitted, the Owners of damaged Living Units and Lots shall be liable for assessment for the entire cost of such repair and restoration or reconstruction and subject to exercise of the enforcement remedies herein provided in the event of failure of timely payment of the assessment.

ARTICLE XIII

Section 1. Rights Reserved to Institutional Lenders. "Institutional Lender" or "Institutional Lenders", as the terms are used herein, shall mean and refer to banks, savings and loan associations, savings banks, insurance companies, Veterans Administration, Federal Housing Administration, Federal National Mortgage Association and other reputable mortgage lenders, guarantors and insurers of first mortgages. So long as any Institutional Lender or Institutional Lenders shall hold any mortgage upon any Lot, or shall be the Owner of any Lot, such Institutional Lender or Institutional Lenders shall have the following rights:

- A. - B. To be given notice by the Association of the call of any meeting of the membership to be held for the purpose of considering any proposed Amendment to the Declaration, or the Articles of Incorporation and Bylaws of the Association, which notice shall state the nature of the amendment being proposed, and to be given permission to designate a representative to attend all such meetings.
- C. To be given notice of default in the payment of assessments by any Owner of a Lot of sixty (60) days or more encumbered by a mortgage held by the Institutional Lender or

Institutional Lenders, such notice to be given in writing and to be sent to the principal office of such Institutional Lender or Institutional Lenders, or to the place which it or they may designate in writing to the Association.

- D. To inspect the books and records of the Association and the Declaration, Bylaws and any Rules and Regulations during normal business hours and to obtain copies thereof.
- E. To be given notice by the Association of any substantial damage to any part of the Townhome Common Elements.

- G. To be given notice of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.
- H. Any proposal requiring consent of the mortgage holders.

Whenever any Institutional Lender desires the benefits of the provisions of this section, such Lender shall serve written notice of such fact upon the Association by Registered Mail or Certified Mail addressed to the Association and sent to its address stated herein, or to the address of the Property, identifying the Lot upon which any such Institutional Lender or Institutional Lenders hold any mortgage or mortgages, or identifying any Lot owned by them, or any of them, together with sufficient pertinent facts to identify any mortgage or mortgages which may be held by it or them, and which notice shall designate the place to which notices are to be given by the Association to such Institutional Lender.

ARTICLE XIV

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. General Amendments. The covenants and restrictions of this Declaration shall run and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated as hereinafter provided. This Declaration may be terminated only with the consent of the Owners entitled to cast at least eighty percent (80%) of the votes of the Association. This Declaration may be amended with the consent of the Owners entitled to cast at least eighty percent (80%) of the votes of the Association. The foregoing notwithstanding, however, during Declarant's Development Period, this Declaration may not be amended or terminated without Declarant's consent; and no termination and no amendment relating to the maintenance or ownership of any permanent detention or retention pond shall be effective unless reviewed and approved by the governmental office having jurisdiction for watershed protection. In addition, no alteration, amendment or modification of the rights and privileges granted and reserved hereunder in favor of

Declarant or of the obligations imposed herein on Declarant shall be made without the written consent of Declarant being first had and obtained and no alteration, amendment or modification of any easement rights established in favor of any property not a part of the Property shall be effective without the written consent of the owner(s) of such property. Any notice of termination or amendment must: (1) be executed on behalf of the Association by its duly authorized officers; (2) contain an attestation by the officers executing the instrument on behalf of the Association that the requisite Owner and Declarant approval has been obtained and is evidenced by written acknowledgment(s) signed by the Owners approving the termination or amendment and, as the case may be, if required, Declarant, and that such acknowledgments have been made a part of the Minute Book of the Association; and (3) be properly recorded in the Office of the Register of Deeds, Wake County, North Carolina. For the purpose of this section, additions to existing property by Declarant pursuant to Section 4 of this Article shall not constitute an "amendment."
