FEATURES & BENEFITS

Versatile cooktop - The versatile cooktop on this commercial-style range features an entire arsenal of burners that give you the right amount of heat and control to perfectly cook anything from delicate sauces to expertly seared meats.

Caterer oven - A large capacity oven fits a full-size catering pan and has three racks, large 8-pass bake and broil elements for even heat coverage and Precision Oven modes to help guarantee results for meals of any size.

Second oven for everyday use - A second everyday oven gives you the space and features you need for family meals, including enough room for two 9" x 13" casserole dishes, two self-clean racks, no-preheat air fry, convection cooking, a precision temperature probe and more.

Color-matched manifold with lcd control - Get a coordinated look with a manifold that matches the range's finish and an LCD control panel that provides information like oven and probe temperatures and cooking time for perfect cooking results.

Superior heat distribution - The industry-exclusive Inspiral™ burner swirls the cooktop flame under cookware to more evenly spread heat from the center to the edges.

Multi-ring burner - A versatile burner offers different-sized flame rings on a single burner element, so it's like having multiple burners in one.

Built-in griddle with thermostat - An 18,000-BTU, Stainless Steel and Aluminum Clad griddle features an integrated thermostat, which automatically adjusts heat to hold your set temperature.

Two griddle burners - Cook more at once with two 12,000-BTU powerful burners that can be used together or separately with an optional griddle grill accessory.

Two high-heat burners - Boil water quickly with two 18,000-BTU Power Boil burners that give you more cooking power.

WIFI-ENABLED FEATURES

Built-in WiFi - This smart oven features WiFi connection so you can control oven functions with the SmartHQ™ app on your smart device.

No-preheat air fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray.

Enhanced Shabbos mode - The Shabbos Keeper connects to your range to automatically enable Shabbos compatible modes each week and before every holiday (Shabbos Keeper sold separately, visit www.zmantechtechnologies.com for details). WiFi connection via the SmartHQ™ app required for initial setup.

Stainless handle

Certified to NSF
Standard 184 for
sanitization

FEATURES & BENEFITS

Ultra-Wash & Dry – Unload sparkling clean dishes thanks to a comprehensive wash system with targeted cleaning jets and an Ultra-Dry system for table-ready dishes

Loading Flexibility – Load the dishes your way: Our lower wash arm provides excellent coverage for the largest of loads. The fold down tines accommodate wide or oddly shaped items and our third rack provides extra space for your silverware and kitchen utensils

Adjustable Upper Racks – You'll have room for your finest stemware and space for tall bakeware with a rack that can be moved two inches up or down, creating ultimate loading flexibility

Wash Zones – Save time and use less water when you don't have a full dish load with a fully customizable cycle that lets you wash a true half load in the upper or lower rack

Steam + Sani – Eliminate the need to pre-wash dishes at the end of every meal, thanks to a Steam + Sani feature that easily loosens lingering traces of food with an added bonus of complete sanitization

Create a look that matches your personal style – Select any combination of hardware options to create a stunning look customized to any owner's taste

Built-In Microwave/Convection Oven

CWB713P2VS1

C A F É

DISTINCT BY DESIGN™

FEATURES & BENEFITS

More room for more food - Entertaining unexpected guests is easy with the 1.7 cu. ft. capacity that helps prepare a large amount of food quickly

A microwave that's as versatile as you are - Achieve crisp, golden brown results with a convection cooking setting and a special rack that allows air to circulate around foods for even heat distribution

Delicious results in no time at all - Enjoy oven-quality results in mere minutes with a fast cook setting that combines convection and microwave cooking technology

A simple and smart addition to your culinary repertoire - Fresh vegetables and rice are perfectly prepared with a steam cook button that simplifies the entire process

You've got an eye for perfect timing - Monitor the progress of dishes with an in-oven camera that provides a view of your food from your smartphone

Cook your way with just one touch of a button - Enjoy the convenience of one-touch cooking with My Cycle, a custom cycle that remembers the exact time and temperature settings of your favorite foods

Prepare and preserve the freshest meals - Let bread rise naturally and keep entrées hot and ready with a warming and proofing oven that ensures fresh results, regardless of when you sit down to eat

Café™ Professional Series 30" Built-In Single Electric Convection Wall Oven

CTS70DP2NS1

FEATURES & BENEFITS

Precision is the name of your cooking game - Confidently try new recipes and perfectly execute your favorites, using a smart system that automatically tracks progress, modifies temperatures and adjusts cook times

Brighten up life in the kitchen - Easily navigate wall oven settings using a stunning full color display that adds an unexpected touch of style to your kitchen

The perfect bake is now perfectly easy - Achieve unrivaled performance with the only system that delivers top-down true convection for consistent results on special occasion favorites like roasts, chicken, turkey and more

No preheat, no hassle - Save time with a variety of precision cooking modes that eliminate the need for preheating

Fried taste. Crisp texture. Less oil. - Make your favorite "fried" foods healthy, thanks to a mode that crisps without using oil for frying

Enjoy convenient temperature control from anywhere - Preheat while running errands or change oven temperatures while doing yard work with the Café Appliances Kitchen app

Create a look that matches your personal style - Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste

The oven rack that handles it all - Easily remove heavy dishes with a roller rack that is specially designed to glide smoothly and stay in the oven during the self-clean cycle, so you never have to handle cumbersome racks again

The perfect fit you've always dreamed of - When you're updating your kitchen, attention to detail is a priority. That's why Café wall ovens are guaranteed for an exact fit or Café Appliances will pay up to \$300 toward modifications.

MONOGRAM 48" CHIMNEY/PYRAMID WALL MOUNT HOOD VENT

ZVWS48ISRSS

BUILT-IN INDOOR AIR QUALITY SENSORS

Monitor and control your home's air quality for a healthier living environment. Detects particulate matter, volatile organic compounds (VOCs), humidity and temperature

ADJUSTABLE 610-CFM RANGE HOOD BLOWER

This high-power range hood effectively removes smoke, cooking fumes and odors from the air, keeping your kitchen fresh and clean. Blowers sold separately

BUILT-IN WIFI

This smart range hood lets you adjust vent speed and turn on lights using your phone for the ultimate in-kitchen convenience

LED HOOD LIGHT

Bright illumination provides a clear view of your cooktop while cooking

ADA COMPLIANT

This ADA-compliant range hood can be operated with a mobile device, eliminating reaching and improving safety for users of all abilities

PERIMETER VENTING

Efficient and effective ventilation with a clean, modern design that makes a statement of style in any kitchen

CHEF CONNECT

Simplify your cooking routines. Synchronize kitchen hood with your oven so it turns on whenever the cooktop is activated and the lights illuminate when any burner is in use

BACKLIT CAPACITIVE TOUCH CONTROLS

Easily operate this range hood with capacitive touch buttons that are illuminated from behind, making them easy to locate and use in low-light

4-SPEED FAN

Customize the ventilation to suit your cooking techniques with this 4-speed fan feature. Whether simmering or searing, your cooking environment stays comfortable

Café™ 28.7 Cu. Ft. Built-in Side-by-Side Refrigerator

CSB48YP2NS1

C A F É

CSB48YP2NS1
Stainless Steel with
Brushed Stainless handles

FEATURES & BENEFITS

Create a premium look and feel in the kitchen with a built-in refrigerator that puts your kitchen design front and center

Effortlessly fill containers with filtered water by simply pressing the **Hands-Free Auto Fill button**, which uses sensors to dispense the perfect amount every time

Display groceries like a gallery with **showcase LED lighting** positioned throughout the interior to spotlight your favorite foods and containers

Tailor the internal temperature of your **Climate Controlled Drawer** to accommodate a variety of farmer's market favorites, using settings for Meat, Produce and Citrus

Enjoy peace of mind with **WiFi Connect technology** that provides a helpful alert when there's an unexpected change in performance, like a drop in temperature if the door is left open or power is lost

Spills happen, but cleanup is stress-free thanks to **adjustable slide-out, spillproof glass shelves** that easily shift and lock, and have raised edges to contain mess

Free up valuable shelf space with **large door bins**, perfect for storing the small foods and containers that can add up and deprive you of room for heftier items

Whether you're refrigerating an appetizer or dessert, ensure a consistent temperature with an **advanced temperature management system** perfect for any course

Accommodate an array of frozen items with four **wire freezer shelves** that you can easily reposition according to your needs

Enjoy plenty of pure, filtered ice for drinks and platters, thanks to a **built-in ice maker**. Simply scoop the ice straight from the freezer, or use the integrated dispenser in the refrigerator door
