

HOMEOWNER INTERVIEW

119 Bayleigh Court

Why are you moving?

We moved to fulfill our dream of living at the beach. As two Raleigh locals, we love it here but wanted to live closer to the ocean.

What about this home have you enjoyed the most?

The proximity to everything. 15 minutes to downtown. 5 minutes to 2 beautiful parks. 30 minutes to RDU airport. It is a cozy, quiet neighborhood with amazing and friendly neighbors.

What will you miss the most about living here?

This was our first home so it holds a very special place in our hearts. We could walk to get coffee, ice cream, or a meal plus a little longer to the YMCA, July 4 fireworks, or to the public library.

How did you find living in this neighborhood and being part of the community?

We loved the neighborhood/community. The neighbors are all so friendly, helpful, and welcoming. We even exchanged Christmas cards and exciting news.

What are some of your favorite memories here?

Our top memory is getting engaged down the road at Lake Benson Park! We hosted numerous murder mystery parties, a bridesmaid luncheon, family game nights, and our rehearsal dinner after-party all at this house. So many memories!

Extras about the house:

It was incredibly helpful that regular yard care, gutter cleaning, and roof updates were taken care of by the HOA, but we still had full flower-bed control! Also, the house is wired for AT&T fiber internet.
