Section 1. Membership. The Declarant shall be a Member of the Association, and a creditor who acquires title to any portion of the Property pursuant to foreclosure or any other proceeding or deed in lieu of foreclosure shall be a Member of the Association. Every Owner shall be a Member of the Association.

- (5) The principles of this paragraph shall apply, insofar as possible, to execution of proxies, waivers, consents or objections, and for the purpose of ascertaining the preserve of a quorum.

Section 3. Governance. The Association shall be governed by a Board of Directors consisting of three (3) members until December 31, 2015 or until there are no Class C Members and seven (7) members thereafter. The term of such Directors is to be determined in accordance with the provisions of

Each Member shall be entitled to as many votes as equals the total number of votes he is entitled to based on his Ownership of or Tenancy in one (1) or more of the various classifications of property as computed by the formula set out herein above. Each Member may cast the total number of votes to which he is entitled for each vacancy to be filled by a Class I or Class II Director. Cumulative voting shall not be allowed.

Section 5. Quorum Required for Any Action Authorized at Regular or Special Meetings of the Association. The quorum required for any action which is subject to a vote of the members at an open meeting of the Association shall be as follows:

(a) The first time a meeting of the Members of the Association is called to vote on (i) an increase in the Maximum Regular Annual Assessment as provided herein, (ii) a Special Assessment, (iii) the gift or sale of any Common Area, (iv) an Amendment to this Declaration, or (v) the termination of this Declaration, the presence of Members or proxies entitled to cast sixty percent (60%) of the total vote of the Membership required for such action shall constitute a quorum.

(b) The first time a meeting of the Members of the Association is called to vote on any other action, the presence at the meeting of Members or proxies entitled to cast thirty percent (30%) of the total vote of the Membership required for such action shall constitute a quorum.

If the required quorum is not present at any meeting described above, with the exception of any meeting called to vote on the termination of this Declaration another meeting or meetings may be called subject to the giving or proper notice, and the required quorum at such subsequent meeting or meetings shall be one-half (½) of the required quorum at the preceding meeting.

Unless otherwise provided, any reference hereafter to "votes cast at a duly called meeting" shall be construed to be subject to the quorum requirements established by this section of this Article and any other requirements for such "duly called meeting" which may be established by the Bylaws of the Association. For the purpose of this section, "proper notice" shall be deemed to be given when given each Member not less than fifteen (15) days nor more than sixty (60) days prior to the date of the meeting at which any proposed action is to be considered.

Provided, however, such ballots shall not be counted in determining whether a quorum is present to vote upon motions not appearing on the ballot.

Section 8. Board of Directors Vote. Upon election hereunder, each Director shall have the same vote as any other Director.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, hereby covenants, and each Owner of any portion of the Property (other than the Association) by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association, in addition to any assessments required under a Supplemental Declaration, the following: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. All assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Property and for the improvement and maintenance of Open Space and Common Areas (including without limitation entrance ways, lakes/ponds, stormwater impoundments and related facilities, amenities, private drives and parking areas, landscaping and natural areas), for the establishment of adequate reserves for the replacement of capital improvements, if any, located within the Common Area, payment of insurance premiums for contracts of hazard and liability insurance on the Common Area and on other portions of the Property and payment of local ad valorem taxes or governmental charges, if any, on the Common Area, maintenance of landscaped areas within the Property which are maintained by the Association and maintenance of landscaped areas in the front and side yards of the Villas Lots. It shall be expressly understood that due to differences which may exist with respect to the plan of development for the Gardens and Estates Lots and the Villas Lots, there are certain additional assessments which are unique to the Villas Lots, for example, front lawn maintenance, and they shall be included in the assessments for the Villas Lots and not within the assessments for the Gardens and Estates Lots located within the remainder of the Property.

Section 3. Maximum Annual Assessment. The Maximum Regular Annual Assessment, as set forth by the Board of Directors, and as is automatically increased annually pursuant to subparagraph (h) below, shall be levied by the Association and shall be in addition to Special Assessments and any assessments created by any Supplemental Declaration. If, however, the Board of Directors of the Association, by majority vote, determines that the important and essential functions of the Association may be properly funded by an Assessment less than the Maximum Regular Annual Assessment, it may levy such lesser Assessment; provided, however, so long as the Declarant is engaged in the development

of properties which are subject to the terms of this Declaration, the Association may not reduce Assessments below those set out below without the written consent of the Declarant. The levy of an Assessment less than the Maximum Regular Annual Assessment in one (1) year shall not affect the Board's right to levy an Annual Assessment equal to the Maximum Regular Annual Assessment in

subsequent years.

If the Board of Directors shall levy less than the Maximum Regular Annual Assessment for any Assessment year, such Annual Assessment shall automatically be five percent (5%) greater than the Annual Assessment levied for the previous Assessment year; provided, however, that the Board of Directors may, by majority vote, levy a greater or lesser Assessment if it shall determine that the important and essential functions of the Association will be properly funded by such greater or lesser Assessment.

If the Board of Directors shall levy less than the Maximum Regular Annual Assessment for any Assessment year and, thereafter, during such Assessment year, determine that the important and essential functions of the Association cannot be funded by such lesser Assessment, the Board may, by majority vote, levy a Supplemental Assessment. In no event shall the sum of the initial and Supplemental Assessments for that year exceed the applicable Maximum Regular Annual Assessment.

(a) From and after the date of this Declaration, the Maximum Regular Annual Assessment shall be as set by the Board of Directors and as shall be automatically increased in each instance by an inflation adjuster as set forth herein, and as may be increased pursuant to the provisions set forth immediately above:

(b) Property shall not be classified for purposes of these Covenants and these Annual Assessments as a Single Family Lot until the first day of the month following the recording of a plat in the Office of the Register of Deeds of **Wake County**, North Carolina, showing such Single Family Lot.

(c) For purposes of these Covenants and these Annual Assessments, all properties which have not been subdivided into and classified as Single Family Lots shall be classified as Unsubdivided Land and not subject to Assessments.

(d) Assessments shall be billed annually, quarterly, monthly or on such other basis as may be determined by the Board of Directors. The billing schedule shall be the same for all properties of a specified category; however, the Board of Directors, in its discretion, may establish different schedules for the billing of Assessments due from different categories of property. All Assessment bills shall be due and payable as determined by the Board of Directors; provided, however, that if the Board of Directors elects to utilize a Billing Agent, the Billing Agent shall set the date on which Assessment bills shall be due and payable. Further, the Board of Directors may authorize the billing of the Annual Assessment in different installment amounts throughout the year in order to provide adequate cash flow.

(e) The Board of Directors may authorize a billing agent (the "Billing Agent") to collect the Assessments provided for herein.

(f) The Owner of any assessable property which changes from one category to another during an Assessment year shall be billed an additional amount for the remaining full months of such year to reflect the category change.

(g) Except as provided herein from and after the date of this Declaration, the Maximum Regular Annual Assessment shall be automatically increased each year by an amount of five (5%) percent per year over the previous year.

Section 4. Special Assessments for Improvements and Additions. In addition to the Maximum Regular Annual Assessments authorized by Section 3 hereof, the Association acting through the Board of Directors may levy Special Assessments for the following purposes:

(a) For maintenance, repair and additions to the Common Areas, including but not limited to the pond and dam.

(b) To provide for the necessary facilities and equipment to offer the services.

(c) To repay any loan made to the Association to enable it to perform its duties and functions.

(d) Such Special Assessment, before being charged, must have received the approval of the Members of the Association by the favorable vote of fifty-one percent (51 %) of the votes cast at a duly called meeting of the Association, subject to the quorum requirements established herein by each class of voting members. Except, that to provide for those special assessments for types of maintenance, repair and replacement which only apply to the Villas Lots, the vote for such special assessments may be approved solely by the favorable vote of fifty-one percent (51 %) of the votes cast at a duly called special meeting of Class B Members.

This provision shall be interpreted to mean that the Association may make in any one (1) year an Annual Assessment up to the maximum set forth herein, plus an additional Special Assessment. The fact that the Association has made an Annual Assessment for an amount up to the Maximum Regular Annual Assessment shall not affect its right to make a Special Assessment during the year.

The proportion of each Special Assessment to be paid by the Owners of the various classifications of assessable property shall be equal to the proportion of the Annual Assessments levied for the Assessment year during which such Special Assessments are approved by the Members. In no event shall a Special Assessment be levied during the time period where the Class C Member has 51% or more of the eligible votes.

Section 5. Reserve Funds. The Association may establish reserve funds from its Annual Assessments to be held in reserve in an interest drawing account of investments as a reserve for:

(a) Major rehabilitation or major repairs;

(b) For emergency and other repairs required as a result of storm, fire, natural disaster or other casualty loss; and

(c) Initial costs of any new service to be performed by the Association.

Section 7. Change in Maximum Amounts of Annual Assessments Upon Merger or Consolidation. The limitations regarding assessments set forth herein shall apply to any merger or consolidation in which the Association is authorized to participate under the provisions herein and under the By-Laws of the Association.

Section 8. Date of Commencement of Annual Assessments, Due Date. The full Annual Assessments provided for herein shall commence at the time of the first transfer of a Single Family Lot following the issuance of a Certificate of Compliance/Occupancy or similar instrument for the dwelling

constructed on said Lots. Further, there shall be paid to the Association at the time of the first transfer of each and every Single Family Lot following the issuance of a Certificate of Compliance or similar instrument for the dwelling constructed on said Lots an amount equal to one-fourth (1/4) of the amount of the Annual Assessment then in effect in order to establish a working capital fund. Such amounts shall be in addition to and shall not be considered an advance payment of any portion of the Annual Assessment. In any event nothing herein shall be construed to require the Declarant to pay any assessments. In addition, upon the transfer of a Lot to a builder who is not the Declarant, the builder shall pay Annual Assessments at the rate of twenty-five (25%) of the then full Annual Assessments until the issuance of a Certificate of Compliance/Occupancy, at which time the builder shall begin paying the Full Annual Assessments.

Section 9. Duties of the Board of Directors. The Board of Directors of the Association shall fix the amount of the Annual Assessment against each Single Family Lot within the Assessment Schedule as provided herein above, and shall, at that time, direct the preparation of an index of the Properties and Annual Assessments applicable thereto, and any Special Assessments applicable thereto, which shall be kept in the office of the Association and which shall be open to inspection by any Member. Written notice of Assessment shall thereupon be sent to every Member subject thereto.

The Association shall upon demand at any time furnish to any Owner liable for said Assessments a certificate in writing signed by an Officer of the Association, setting forth whether said Assessments have been paid. Such certificate shall be conclusive evidence against all but the Owner of payment of any Assessment therein stated to have been paid. If the Board of Directors authorizes a Billing Agent to collect Assessments, the Certificate of the said Billing Agent shall be conclusive evidence against all but the Owner of payment of any Assessment therein stated to have been paid.

Section 10. Payment and Collection of Assessments. If the Annual Assessment or any Special Assessment is not paid on or before the past due date specified in the assessment bill (the "Assessment Bill") as mailed to the Owner(s), then such Assessment shall become delinquent and shall (together with interest thereon at the maximum annual rate permitted by law from the due date and cost of collection thereof including a reasonable attorney's fee as hereinafter provided and applicable late fees) become a charge and continuing lien on the land and all improvements thereof, against which each such Assessment is made, in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. Additionally the Board of Directors may impose the maximum late charge on any unpaid sum allowed by law.

If the Assessment is not paid within thirty (30) days after the past due date indicated in the Assessment Bill, the Association may, in addition to enforcing a lien as provided hereunder, bring an action at law against the Owner personally and there shall be added to the amount of such Assessment the costs of preparing the filing of the Complaint in such action and a reasonable attorney's fee, and in the event a judgment is obtained, such judgment shall include interest on the Assessment as above provided and a reasonable attorney's fee together with the costs of the action. The lien of the assessment shall be as of the due date of the assessment indicated in the Assessment Bill.

If the Board of Directors of the Association elects to utilize a Billing Agent to collect Assessments, interest which shall accrue on past due sums will be the maximum interest rate which such agent may lawfully charge.

Section 11. Subordination of the Lien. The Lien of the Assessments provided for herein shall be

subordinate to the lien of any first deed of trust now or hereafter placed upon any portion of the Property. In the event a creditor acquires title to any property subject to Assessment pursuant to foreclosure or any other proceeding or deed in lieu of foreclosure, said creditor shall be subject to Assessments accruing after such acquisition.

Section 12. Exempt Property. The following property, individuals, partnerships or corporations subject to this Declaration shall be exempted from the Assessment, charge and lien created herein:

- (a) All lands and any improvements thereon designated in any way as Common Area.
- (b) All lands and any improvements thereon committed to the Association through express written notification by the Declarant to the Association of intent to convey to the Association.
- (c) Open Space Areas herein.
- (d) Property which is used for the maintenance, operation and service of facilities within Common Areas.
- (e) Property which is used for the maintenance, operation and service of utilities within the Property.
- (f) The grantee in conveyances made for the purpose of granting utility easements.

Section 13. Annual Statements. The President, Treasurer or such other Officer as may have custody of the funds of the Association shall annually, within ninety (90) days after the close of the fiscal year of the Association, prepare and execute under oath a general itemized statement showing the actual assets and liabilities of the Association at the close of such fiscal year and a statement of revenues, costs and expenses. It shall be necessary to set out in the statement the name of any creditor of the Association, provided, however, that this requirement shall be construed to apply only to creditors of more than One Thousand and No/100 Dollars (\$1,000.00). Such Officer shall furnish to each Member of the Association, who may make request therefore in writing, a copy of such statement within thirty (30) days after receipt of such request. Such copy may be furnished to the other Member either in person or by mail. Any holder of a first mortgage on a Single Family Lot shall be entitled upon written request to a financial statement for the immediately preceding fiscal year.

Section 14. Annual Budget. The Board of Directors shall prepare and adopt, at least sixty (60) days prior to the Annual Meeting of the Association, a proposed budget outlining anticipated receipts and expenses for the upcoming fiscal year. Within thirty (30) days after adoption of the proposed budget, the Board of Directors shall send to all Owners a written summary of the budget which may be sent together with the notice of the Annual Meeting. The summary of the budget or the notice of meeting, if sent together therewith, shall include a statement that the budget may be ratified without a quorum. The Annual Meeting shall be held not less than ten (10) nor more than sixty (60) days after mailing of the summary and notice. For purposes of the ratification of the budget, there shall be no requirement that a quorum be present at the meeting. The proposed budget shall be ratified unless at that meeting a majority of the votes of the Membership of the Association reject the proposed budget. In the event the proposed budget is rejected, the periodic budget last ratified, or otherwise then in effect, shall be continued until such time as the Owners ratify a subsequent budget proposed by the Board of Directors. The financial

books of the Association shall be available for inspection by all Members at all reasonable times.

Section 1. General. Anything contained in this Declaration which may be construed to the contrary notwithstanding, no tree trimming or removal, grading site preparation or change in grade or slope of any portion of the Property or erection of buildings or houses or exterior additions or alterations to any building situated upon the Property or erection of or changes or additions in fences, hedges, walls and any other structures whatsoever, or construction of any swimming pools or other Improvements, shall be commenced, erected or maintained on any portion of the Property until the Architectural Review Committee (herein called the "Architectural Review Committee") appointed as hereinafter provided, has approved the plans and specifications therefore and the location of such Improvements.

Section 2. Composition. For so long as there is a Class C Member, the Class C Member shall annually appoint the members of the Architectural Review Committee which will be composed of a number of individuals (which number shall be determined by the Board of Directors of the Association), each generally familiar with residential and community development design matters and knowledgeable about the Declarant's concern for a high level of taste and design standards within the Subdivision. In the event of the death or resignation of any member of the Architectural Review Committee, Declarant, for so long as it has the authority to appoint the members of the Architectural Review Committee, and thereafter, the remaining members of the Architectural Review Committee, shall designate and appoint a successor. No member of the Architectural Review Committee shall be liable for claims, causes of action or damages (except where occasioned by gross negligence or willful misconduct of such member) arising out of services performed pursuant to this Declaration. Upon final termination of Declarant's membership in the Association, the Board of Directors of the Association shall appoint the members of the Architectural Control Committee on an annual basis provided. At any time Declarant may elect not to appoint the members of the Architectural Control Committee and may assign this right to the Board of Directors of the Association.

Section 3. Procedure. No Improvement of any kind or nature shall be erected, remodeled or placed on any portion of the Property until all plans and specifications therefore and a site plan therefore have been submitted to and approved in writing by the Architectural Control Committee.

With respect to the initial Improvements to be constructed on the Property, the final plans and specifications required hereunder shall include a site plan with building footprints showing distance of the Improvements from the Parcel boundaries, a final plat showing the parcel boundaries, construction drawings showing exterior elevations, a schedule of exterior materials and color scheme, and plans for landscaping. For Improvements other than initial Improvements, the detail of the plans and specifications required therefore shall be as determined necessary by the Architectural Review Committee based on the circumstances of the proposed Improvements. Final plans and specifications for all Improvements

proposed to be constructed on any portion of the Property shall be submitted in duplicate to the Architectural Review Committee for approval or disapproval. The Architectural Review Committee is authorized to request the submission of samples of proposed construction materials and is authorized to charge a reasonable fee in association with its review of plans and specifications as said review is required herein. At such time as the plans and specifications meet the approval of the Architectural Review Committee, one complete set of plans and specifications will be retained by the Architectural Review Committee and the other complete set of plans and specifications will be marked "Approved" and returned to the Owner or his designated representative. Such plans and specifications as are so retained by the Architectural Review Committee shall be kept and considered as strictly confidential and shall be utilized to monitor and insure compliance therewith and for no other purpose. If found not to be in compliance with these covenants, conditions and restrictions, or if found to be otherwise unacceptable to the Architectural Review Committee pursuant hereto, one set of plans and specifications shall be returned to the Owner marked "Disapproved", accompanied by a reasonable statement of items found not to be in compliance with these covenants, conditions and restrictions or otherwise being so unacceptable. Any modification or change to the Architectural Review Committee approved set of plans and specifications must again be submitted to the Architectural Review Committee for its inspection and approval. The Architectural Review Committee's approval or disapproval, as required herein, shall be in writing.

The Architectural Review Committee may, but shall not be so required, from time to time publish and promulgate architectural standards bulletins which shall be fair, reasonable and uniformly applied and shall carry forward the spirit and intention of these covenants, conditions and restrictions.

Section 4. Jurisdiction. The Architectural Review Committee is authorized and empowered to consider and review any and all aspects of the construction of any Improvements on any portion of the Property which may, in the reasonable opinion of the Architectural Review Committee, adversely affect the living enjoyment of one or more Owners or the general value of the Property.

Section 5. Enforcement. The Architectural Review Committee and/or the Association shall have the specific, nonexclusive right (but not obligation) to enforce the provisions contained in this Article of this Declaration and/or to prevent any violation of the provisions contained in this Article of this Declaration by a proceeding at law or in equity against the person or persons violating or attempting to violate any such provisions contained in this Article of this Declaration.

Section 6. Definition of "Improvement". The term "Improvement" shall mean and include all buildings, storage sheds or areas, roofed structures, parking areas, loading areas, trackage, fences, walls, hedges, mass plantings, poles, mailboxes, driveways, ponds, lakes, changes in grade or slope, site preparation, swimming pools, tennis courts, signs, exterior illumination, changes in any exterior color or shape and any new exterior construction or exterior improvement exceeding \$1,000.00 in cost which may not be included in any of the foregoing. The definition of Improvement does not include shrub or tree replacements or minor pruning of shrubs and trees or any other replacement or repair of any magnitude which ordinarily would be expensed in accounting practice and which does not change exterior colors or exterior appearances. The definition of Improvements does include both original Improvements and all later changes to Improvements.

Section 7. Failure of the Architectural Review Committee to Act. If the Architectural Review Committee fails to approve or disapprove any plans and specifications and other submittals which conform (and which relate to Improvements which will conform) with the requirements hereof or to reject

them as being inadequate or unacceptable within thirty (30) days after submittal thereof, it shall be conclusively presumed that the Architectural Review Committee has approved such conforming plans and specifications and other submittals. If plans and specifications or other submittals are not sufficiently complete or are otherwise inadequate, the Architectural Review Committee may reject them as being inadequate or may approve or disapprove part, conditionally or unconditionally, and reject the balance.

Section 8. Limitation of Liability. Neither the Architectural Review Committee nor the members thereof nor Declarant shall be liable in damages or otherwise to anyone submitting plans and specifications and other submittals for approval or to any owner by reason of mistake of judgment, negligence, except for gross negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any plans or specifications.

Section 9. Miscellaneous. No member of the Architectural Review Committee shall be entitled to compensation for services performed pursuant to this Article. The Association shall reimburse members of the Architectural Review Committee for reasonable out-of-pocket expenses.

ARTICLE VIII

Notwithstanding the foregoing, all signs erected and maintained must conform with all applicable governmental requirements. Further, both the Declarant and the Association shall have the right and easement, wherever there shall have been placed or constructed a sign in violation of the provisions herein contained to enter immediately upon such property and summarily remove such sign at the expense of the Owner of the parcel where the sign is located.

(c) No house trailers shall be permitted on any portion of the Property, with the exception of a trailer which may be used during the period of initial construction which shall be moved immediately upon the completion of such construction. Boats, trailers, campers, tents or temporary buildings shall not be permitted on any portion of the Property except in areas where they can not be viewed from the streets.

(d) No lumber, brick, stone, cinder block, concrete or any other building materials, scaffolding, mechanical devices or any other thing used for building purposes shall be stored on any portion of the Property in an exposed location except for the purpose of construction on such property and shall not be stored on such property for longer than the length of time reasonably necessary for the construction in which same is to be used.

(h) No portion of the Property may be used for hotel or other transient residential purposes. Each lease relating to any portion of the Property or any Improvements thereon (or any part thereof) must be for a term of at least sixty (60) days and must provide that the tenant is obligated to observe and perform all of the terms and provisions of this Declaration applicable to such Property and/or Improvements.

(i) Each Improvement located upon the Property shall be provided with adequate space for the parking of motor vehicles located off of public streets prior to the use of occupancy of said Improvement.

(k) No fences shall be constructed without approval of the Declarant or Architectural Committee.

Section 3. Hobbies and Activities. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles, which might tend to cause disorderly, unsightly or unkempt conditions, shall not be pursued or undertaken on any part of any Properties at locations where they can be viewed from any street or upon any portion of the Common Area or any Open Space Area.

Section 4. Animals and Pets. A reasonable number of household pets as determined by the Board of Directors of the Association shall be permitted, provided they are not raised for commercial purposes and provided that the Board of Directors of the Association may, in its discretion, pass rules and regulations requiring the clean-up and/or repair by pet owners of all injury, damage or refuse caused by

pets to exterior portions of the Property and requiring housing such pets at certain nighttime hours.

Section 5. Prohibited Activities. Noxious, offensive or loud activities shall not be carried on upon any portion of the property. Each Owner shall refrain from any act or use which could reasonably cause embarrassment, discomfort, annoyance or nuisance to the neighborhood. Each Owner shall keep and maintain all portions of the property owned by said Owner in a neat, orderly and well kept manner and shall keep in place adequate measures for erosion, insect, reptile, rodent and fire Review such maintenance includes, but is not limited to, the following, except as maintained by the Association pursuant to this Declaration:

- (1) Prompt removal of all litter, trash, refuse and wastes;
- (2) Mow lawns;

Such entry shall not be made until thirty (30) days after the Owner of such property has been notified in writing of the need to take corrective action and unless such Owner fails to perform the corrective action within said thirty (30) day period; provided, however, that should such condition pose a health or safety hazard, such entry shall not be made until the Owner has been notified in writing of the need to take immediate corrective action and unless such Owner fails to perform the corrective action immediately. The provisions of this paragraph shall not create any obligation on the part of the Declarant or the Association to take any such corrective action.

Section 6. Governmental Regulations. All governmental building codes, health regulations,

zoning restrictions and the like applicable to the Property shall be observed. In the event of any conflict between any provision of such governmental code, regulation or restriction and any provision of this Declaration, the more restrictive provision shall apply.

Section 7. Utilities Easements. Declarant reserves an easement for and the right at any time in the future to grant a right-of-way and easement for the purpose of drainage, underground or above ground installation, repair and maintenance of poles, lines, conduits, pipes and other equipment necessary to or useful in furnishing electric power, gas, sewer, telephone service, cable services, stormwater drainage (including without limitation general flowage easements for stormwater drainage) and any other utilities over, under and through all portions of the Property; provided, however, that no such easement shall be applicable to any portion of the Property as may (a) have been used prior to the installation of such utilities for construction of a building whose plans were approved by the Architectural Review Committee as set forth herein, and (b) such portion of the Property as may be designated as the site for a building on a plot plan for erection of a building which has been approved by the Architectural Review Committee as set forth herein. These easements and rights expressly include the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or take any other similar action reasonably necessary to provide economical and safe utility installation and to maintain reasonable standards of health, safety and appearance. This reservation shall not create any obligation on the part of the Declarant to provide or maintain any utility or service. No structures, plantings or other materials shall be placed or permitted to remain in such storm water drainage easements which may interfere with such drainage or change the direction of the flow, obstruct or retard the flow of surface water through drainage channels which may be constructed within such easements.

Section 10. Erosion Review. During any period of grading and construction of the Improvements and thereafter, each Owner shall exercise and maintain such erosion Review measures, including the erection of silt fences, as may be required by the Declarant in order to minimize erosion and runoff. Compliance with the applicable erosion Review ordinance shall not constitute automatic approval by Declarant, and Declarant reserves the right to impose requirements and standards in excess of those required by law.

Section 11. Setbacks. All portions of the property shall be subject to setbacks, if at all, as may be shown on any recorded subdivision map of the Property and which are shown thereon as specifically pertaining to and affecting the subject property. The Architectural Review Committee is hereby vested with the authority to grant waivers or variances with respect to violations of such setbacks as are imposed hereby; provided, however, with respect to setbacks imposed by municipal authority, nothing herein shall relieve the requirement to comply therewith, such relief being available solely from the municipal authority imposing same.

Section 3. Declarant Rights. The Declarant reserves unto itself, its successors and assigns, and its agents, the right to enter any Open Space Areas for the purpose of constructing, landscaping, maintaining and operating any facilities constructed with the provisions herein contained. The provisions of this paragraph shall not create any obligations on the part of the Declarant to construct, landscape, maintain or operate any such facilities. The Declarant shall further have the right to landscape, grade or implant erosion Review measures and to construct siltation basins, stormwater impoundments or similar means and shall have the right to take reasonable measures to provide and insure adequate drainage ways in Open Space Areas. These reservations and rights expressly include the right to cut any trees, bushes or shrubbery, rights to make any gradings of the soil or take any other similar actions reasonably necessary to exercise the rights reserved herein. Such rights shall not create any obligation on the part of the Declarant to provide or maintain any such utility or service.

Section 4. Trash. No dumping of trash, garbage or any unsightly or offensive material shall be placed upon any Open Space except as is temporary and incidental to the bona fide improvement of the area in a manner consistent herewith.

Section 5. Public. The granting of the easement in Open Space Areas in no way grants to the public or to the owners of any lands outside the Property the right to enter any Open Space

Section 6. Declarant's Easement. The Declarant expressly reserves unto itself, its successors and assigns, and its agent, every reasonable use and enjoyment of the Open Space Areas in a manner not inconsistent herewith.

Such conveyance shall be made subject to the provisions herein and any other restrictions or limitations which the Declarant, in its sole discretion, shall elect to impose. As an appurtenance to such conveyance, the Association shall have all the powers, immunities and privileges reserved unto the Declarant under this Article as well as all of the Declarant's obligations with respect thereto; provided, however, that so long as the Declarant, its successors and assigns, is the Owner of any portion of the Property, the Declarant and its agent, in addition to and jointly with the Association, shall maintain all rights of easement reserved under this Article and shall, furthermore, retain all rights of entry granted in this Article and the retention of said rights shall in no way create any obligation on the part of the Declarant to perform any affirmative action. Portions of the

Property conveyed to the Association pursuant to this provision shall become "Common Area."

Section 8. Pond and Dam Use. Members and their invited guests may use the Pond and Dam area for fishing and boating so long as boat use is limited to non-electric or non-gas powered canoes, kayaks, rowboats paddle boats or other watercraft; except, that sailboats are prohibited. Use of the Pond and/or Dam is at one's own risk.

No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer signed by two-thirds (2/3) of each class of Members has been recorded; and,

(d) the right of the Association to formulate, publish, impose and enforce rules and regulations for the use and enjoyment of the Common Area, which regulations may further restrict the use of the Common Area.

Section 2. Delegation of Use. Subject to Section 1 above, any Owner may delegate, in accordance with the Bylaws, his rights of use and enjoyment in and to the Common Area, to the members of his family, his lawful tenants, or contract purchasers who reside on such owner's Lot and, to his guests, invitees and licensees.

The term "enclosed heated dwelling space" does not include garages, terraces, decks, open porches, and screened porches.

Section 3. General Restrictions.

(a) All Residential Properties shall be used for residential purposes, recreational purposes incidental thereto and for customary accessory uses. The use of a portion of a dwelling unit on a Residential Property as an office by the Owner or tenant thereof shall be considered a residential use if such use does not create undue customer or client traffic as determined by the Declarant, in its sole and unbridled discretion, to and from the unit on the Property.

(b) No structure, except as hereinafter provided, shall be erected, altered, placed or permitted to remain on a Single Family Lot other than one (1) detached single family dwelling and one (1) small accessory building which may include a detached private garage, provided the use of accessory building does not overcrowd the Single Family Lot, as determined by the Declarant in is sole discretion, except that on certain Villas Lots as approved by Declarant and shown as an A or B Lot attached, duplex/townhome single family dwellings are permitted, and provided, further, that such building is not used for any activity normally conducted as a business. Such accessory building may not be constructed prior to the construction of the main building.

(c) The provisions of this paragraph or any other provision herein shall not prohibit the Declarant or persons authorized by Declarant from using any house, other dwelling units or accessory buildings as models.

Houses and other dwelling structures may not be temporarily or permanently occupied until Certificates of Compliance have been issued by the appropriate governmental authority. During the continuance of construction, the Owner of a Lot shall require the contractor to maintain said parcel in a reasonably clean and uncluttered condition.

(b) The failure to complete the exterior of any house or any other structure within the time limits set forth shall be a violation and breach of these Covenants. Such entry shall not be made until thirty (30) days after the Owner of the property has been notified in writing of the violation. The cost of such corrective action, when performed by the Declarant or its agents, shall be paid by the Owner of the property on which the corrective action is performed. The provisions of this paragraph shall not create any obligation on the part of the Declarant to take any action to effect compliance with this paragraph.

ARTICLE XII

GENERAL PROVISIONS

Section 1. Enforcement. The Association, Declarant or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association, Declarant or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Cost of Corrective Action. Whenever the Declarant on the Association or their agent is permitted by this Declaration to correct, repair, enhance, improve, clear, preserve, remove or take any action on any portion of the Property and whenever it is stated in this Declaration that the cost of such action (the "Cost of Corrective Action") shall be paid by the Owner of the Property or which such corrective action is performed, the Cost of Corrective Action, together with such interest thereon at the maximum annual rate permitted by law and cost of collection therefore including reasonable attorney fees shall be a charge and continuing lien against all portions of the Property owned by said Owner, its heirs, successors and assigns, which is subject to the provisions of this Declaration and, in addition, shall also be the personal obligation of the Owner at the time when such Cost of Corrective Action became due and payable. The Cost of Corrective Action shall be billed at the completion of such corrective action, and all bills shall be due and payable thirty (30) days from the date of mailing of same.

If the Cost of Corrective Action not paid within thirty (30) days after the due date, the Declarant

and/or the Association or their agent may bring an action at law against such Owner personally and there shall be awarded the amount of such Cost of Corrective Action the costs of preparing the filing of the Complaint in such action and a reasonable attorney's fee, and in the event a judgment is obtained, such judgment shall include interest on the Cost of Corrective Action as above provided and a reasonable attorney's fee together with the costs of the action. The lien of the Cost of Corrective Action produced for herein shall be subordinate to the lien of any first deed of trust now or hereafter placed upon the Property. In the event a creditor (other than Declarant or a creditor of Declarant) acquires title to any portion of the Property pursuant to foreclosure or any other proceeding or deed in lieu of foreclosure, said creditor shall be subject to any lien of the Cost of Corrective Action placed upon such Property.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full and effect

Section 3. Amendment. The covenants, conditions and restrictions of this Declaration shall run with and bind the Property, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended prior to December 31, 2015 by an instrument approved by the Board of Directors of the Association and not less than sixty-seven percent (67%) of the Owners, and thereafter by an instrument approved by not less than sixty-seven percent (67%) of the Owners.

If any amendment to these covenants, conditions and restrictions is so approved, each such amendment approved as set forth above shall be delivered to the Board of Directors of the Association. Thereupon, the Board of Directors shall within thirty (30) days, do the following:

(a) Reasonably assure itself that the amendment has been validly approved by the required number of Owners. (For this purpose, the Board may rely on its roster of Members and shall not be required to cause any title to any examined).

(b) Attach to the amendment a certification as to its validity, which certification shall be executed by the Association in the same manner that deeds are executed. The following form of certification is suggested:

CERTIFICATION OF VALIDITY OF AMENDMENT TO COVENANTS CONDITIONS AND RESTRICTIONS OF JOHNSON'S LANDING SUBDIVISION

By authority of its Board of Directors, Johnson's Landing Homeowners Association, Inc., hereby certifies that the foregoing instrument has been duly approved by the owners of ____ percent of the votes of the Members of Johnson's Landing Owners Association, Inc. and is, therefore, a valid amendment to the existing covenants, conditions and restrictions of The Landing Subdivision.

This the ____ day of _____, _____.

JOHNSON'S LANDING HOMEOWNERS ASSOCIATION, INC.

 President

(c) Immediately, and within the thirty (30) day period aforesaid, cause the amendment to be recorded in the Wake County Registry.

All amendments shall be effective from the date of their recordation in the Wake County Registry, provided, however, that no such instrument shall be valid until it has been indexed in the name of the Association. When any instrument purporting to amend the covenants, conditions, and restrictions has been certified by the Board of Directors, recorded, and indexed as provided by this Section, it shall be conclusively presumed that such instrument constitutes a valid amendment as to all persons thereafter purchasing any portion of the Property.

Section 5. Annexation of Additional Property. At any time during the effective term of this Declaration, Declarant may propose that the Association annex additional properties which have been or will be developed in conformity with the general plan of development for the Subdivision as follows:

Annexation of additional properties shall require the assent of two-thirds (2/3) of the votes of the voting membership of the Association at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The presence of Members or of written proxies entitled to cast sixty-six and two-thirds percent (66-2/3%) of the votes of the membership shall constitute a quorum. If the required quorum is not present at any meeting, another meeting may be called subject to the notice requirement set forth above and the required quorum at such subsequent meeting shall be the same. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. In the event that two-thirds (2/3) of the voting membership are not present in person or by proxy, Members not present may give their written assent to the action taken thereat.

Notwithstanding the above, prior to December 31, 2015, the Declarant may, from time to time, annex Additional Properties to the Property without the consent of the Members, if the Declarant should develop an additional tract or tracts of land consisting of any property contiguous to the Property. The annexation will be accomplished by recording with the appropriate Register of Deeds a Supplementary Declaration of Annexation, duly executed by Declarant, describing the lands annexed and incorporating the provisions of this Declaration. No other action or consent shall be necessary. Upon annexation, the Additional Properties shall be deemed part of the Property and shall be subject to this Declaration.

Subsequent to recordation of the Declaration of Annexation, but prior to the sale of the first Lot in the Additional Property, the landowner shall deliver to the Association one or more deeds conveying any property that will be designated as Common Areas within the Additional Properties.

Section 6. Reserved Declarant and Successor Declarant Rights. Subject to all applicable governmental ordinances, as long as Class C membership exists, the Declarant reserves the following development rights: (i) to add real estate to the Property in accordance with Section 5 of this Article; (ii)

to add Common Areas; (iii) to reallocate Lots within the Property; (iv) prior to a conveyance of that real estate to an Owner, to withdraw real estate from the Property, and (v) without approval of the Class A Membership, make amendments to the Declaration which are required by any governmental agency, municipality, Fannie Mae, VA or FHA.

Section 7. Contract Rights of Association. As long as there is a Class C membership, any contract entered into by or on behalf of the Association shall contain a provision giving the Association or the other party thereto the right to terminate such contract upon the giving of not more than thirty (30) days written notice to the other party or parties.
