BILLING AND PAYMENT

TREATMENT COST:

Stomp Pest control will furnish all labor and materials to complete the service in accordance with the above provisions for the sum of: \$ 1940

WARRANTY RENEWAL:

Please Initial ADG*

* Term - after the one-year warranty expires I authorize Stomp Pest Control to auto renew my warranty on a yearly basis for an annual fee of \$ 199.

Please Initial ADG*

*I authorize Stomp Pest Control to automatically withdraw from my credit card for pest control provided. I understand this automatic payment will continue to recur for each annual inspection for the amount due. This authorization will remain in effect until Stomp Pest Control has received written notification from the authorized parties and has a reasonable opportunity to act on it.

CC # [REDACTED]

Exp. Date [REDACTED]

WARRANTY SECTION

CONTROL WARRANTY: If at anytime within a period of one year from date of treatment, subterranean termites should infest / re-infest this structure, and Stomp Pest Control is so advised, Stomp Pest Control will return and do any / all treatment necessary for their control at no additional cost to the owner. This re-treatment does not apply to any area of the structure which is inaccessible for inspection and / or treatment.

WARRANTY RENEWABLE: After the original one-year warranty expires Stomp Pest Control will offer to extend the above warranty on a yearly basis (up to 10 years) for an annual fee, provided that payment for the annual renewal is received by Stomp Pest Control within 30 days after the annual renewal date. Stomp Pest Control reserves the right to adjust the annual renewal fee at the end of any warranty period. Each year that the warranty is renewed Stomp Pest Control will send a representative to the property at some time during the warranty period to make an inspection of the structure that was originally treated.

TRANSFER OF WARRANTY: This service agreement, if renewable, may be transferred to any subsequent owner of this property as long as the original, and any other subsequent owners, has adhered to all terms and conditions.

(Please see reverse side for additional provisions / exclusions of these warranties.)

NOTICE TO OWNER/TENANT

- I. **ADDITIONAL PROVISIONS OF WARRANTIES.** This treatment and / or warranty does not apply to any additions, alterations and / or improvements to the structure after the original treatment date. In the event of any additions or alterations, the owner shall make arrangement with Stomp Pest Control to provide any needed additional treatment at an agreed price. Stomp Pest Control, as a result of treating this structure or making annual inspections, shall not be held liable under any circumstances for any pest, wood destroying or non-wood destroying, other than Eastern Subterranean Termites. **When field studies on the effective lifespan of termiticides by the U.S. Forest Service indicate that the termiticide Stomp Pest Control originally applied to this structure can no longer be expected to provide adequate control, Stomp Pest Control reserves the right to require re-treatment of the entire structure before offering the warranty for renewal.**
- II. **1. FUTURE DAMAGE, LIMITATION OF LIABILITY.** This agreement does not provide for the control or prevention of formosan termites, powder post beetles, wood borers, carpenter ants, carpenter bees, wood wasps, wood decay fungus or any other pests not indicated herein. I expressly waive and release Stomp Pest Control from liability for any claim for personal injury or damages to the structure or its contents caused by wood infesting organisms, fire ants, pharaoh ants, spiders, ticks, fleas, wasps, and bees.
2. DISCLAIMER.
 - A. Stomp Pest Control's liability under this agreement will be terminated if Stomp Pest Control is prevented from fulfilling its responsibilities under the terms of this agreement by reason of delays in transportation, shortages of fuel and/or materials, strikes, embargoes, fire, floods, quarantine restrictions, earthquakes, hurricanes or any other act of God or circumstances or cause beyond the control of Stomp Pest Control.
 - B. STOMP PEST CONTROL DISCLAIMS ANY LIABILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES. THE GUARANTEES STATED IN THIS AGREEMENT ARE GIVEN IN LIEU OF ANY OTHER GUARANTEE OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**3. ARBITRATION.** The purchaser and Stomp Pest Control agree that any controversy or claim between them arising out of or relating to this agreement shall be settled exclusively by arbitration. Such arbitration shall be conducted in accordance with the Commercial Arbitration Rules then in force of the American Arbitration Association. The decision of the arbitrator shall be final and binding resolution of the disagreement which may be entered as a judgment of the arbitrator's decision. Neither party shall sue the other where the basis of the suit is the agreement other than for enforcement of the arbitrator's decision. In no event shall either party be liable to the other for indirect, special or consequential damages or loss of anticipated profits.
UPON REQUEST STOMP PEST CONTROL WILL PROVIDE THE PURCHASER WITH A COPY OF THE MANUFACTURER'S SPECIMEN LABEL OF THE PESTICIDE(S) WHICH WILL BE USED TO TREAT THE PREMISES.

CONTROL OF SUBTERRANEAN TERMITES IN EXISTING STRUCTURES

Property Owner: <u>Krishnam Penumacha</u>		Agent: <u>Stomp Pest Control</u>	
Address: <u>334 Stonehouse Dr</u>		Address: <u>6300 Limousine dr STE 116</u>	
City: <u>Cary NC 27519</u>		City: <u>Raleigh NC, 27617</u>	
Location of Property, if different from above: <u>Same</u>		Date of Contract: <u>3/26/26</u>	
Type of Construction	Basement: ☐	Crawl-Space: ☐	Slab: ☐ Combination: ☒

Before signing this form you should read and understand each of the treatment specifications indicated below. These specifications are based on the minimum requirements of the N.C. Structural Pest Control Committee.

The items checked below apply to the structure to be treated and **will not be performed** in treating the property listed above. Any item checked below must be explained on the right adjacent to the item checked on the left.

j. Mechanical Alterations/Sanitation:

- ☐ A. Provide access openings to permit inspection of all basement and crawl-space areas.
- ☐ B. Remove all wood and cellulose materials, such as stumps, form boards and construction debris, contacting soil in all crawl-space areas.
- ☐ C. Provide required clearance between soil and wood floor joists, girders and subsills.
- ☐ D. Remove all visible tubes or tunnels on the foundation and other structures below the sill line.
- ☐ E. Remove all wooden contacts between the building and soil both outside and inside except those which are pressure treated.

Explanation and location of item(s) waived:

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or other markings on the paper.

II. Foundation Treatment:

- ☐ F. Drill and treat with a termiticide all voids in multiple masonry walls within 4 feet of any evidence of termites.
- ☐ G. Drill and treat with a termiticide all voids in multiple masonry pillars, pilasters, chimneys, and step buttresses within 4 feet of any evidence of termites.
- ☐ H. Drill and treat with a termiticide voids in porch walls.

III. Slab Treatment:

- ☐ I. Drill and treat all concrete slab porches as required.
- ☐ J. Where concrete slabs other than porches, such as walkways, carports and patios, prevent trenching soil adjacent to foundation elements, drill slab and treat soil beneath slab.
- ☐ K. Treat soil with a termiticide beneath floor slabs, such as garages, storage rooms and interior floor slabs.

IV. Soil Treatment:

- ☐ L. Treat soil with a termiticide adjacent to all foundation elements, pipes and other utility conduits both inside and outside the foundation wall. (If slabs adjacent to the foundation wall prevent trenching, see "Slab Treatment J." above.)
- ☐ M. Trench and treat soil with a termiticide to a depth below and under the edge of stucco on wood or similar type material.

V. Service Agreement Information:

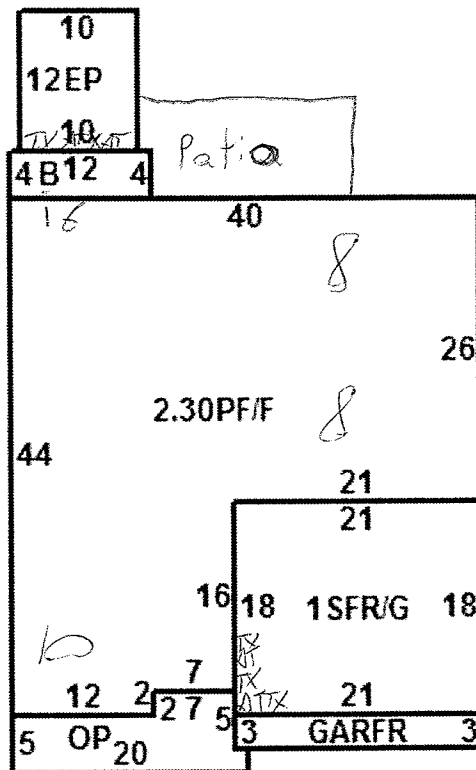

V. Service Agreement Information.
This treatment is ☒ is not ☐ covered by a service agreement (one must be checked). If a service agreement is to be issued, a copy is attached to these specifications.
