

Exclusive Features of 439 Grand Highclere Way

Turn-Key Luxury: Freshly painted throughout the entire main floor and the majority of the upstairs.

Unrivaled Privacy: Situated on an expansive 0.55-acre lot framed by beautiful, mature trees.

Spa-Inspired Primary Bath: An indulgent retreat featuring both a deeply relaxing soaking tub and a premium steam shower.

Secluded First-Floor Suite: A dedicated first-floor private guest suite, perfect for visitors or multi-generational living.

Expansive Storage: A coveted 3-car garage offering ample room for vehicles, a workshop, or extra storage.

EV-Ready Garage: Equipped with dedicated high-voltage wiring infrastructure to support fast, seamless charging for your electric vehicle.

Chef's Kitchen Upgrades: Equipped with a brand-new Bosch dishwasher and an induction cooktop for highly precise cooking and effortless clean-up.

Integrated CPI Alarm System: An advanced CPI smart security setup equipped with 24/7 monitoring, automated entry alerts, and integrated smart home capabilities to ensure complete, hassle-free property protection.

Flexible Living Areas: A quiet, main-floor dedicated office for hybrid work, plus a spacious upstairs loft perfect for recreation or a secondary lounge.

The Ultimate Drop Zone: An expanded, high-functioning mudroom entry

Screened Porch Retreat: A serene outdoor living space perfect for relaxing and entertaining bug-free.

Pet-Friendly Infrastructure: Features an invisible fence already installed to keep your four-legged family members safe.

Architectural Staircase Upgrades: Features sophisticated, upgraded stair posts and balusters that create a striking visual centerpiece and elevate the home's stairwell and loft areas.

Targeted Drip Irrigation: An efficient, automated drip irrigation system that delivers precise watering to select flowerbeds and extends directly to the screened porch for effortless container and hanging plant care.
