	Ram Jack proposes to install a total of 6 helical piles to support the foundation around the front door and front right corner. Piles will be driven to a depth where the density of the soil will provide proper loads to lift and or stabilize the foundation. Piles are priced to a depth of 20ft. In the event additional material is needed it would be charged at \$32 per ft. Piles come with Transferrable Life of Structure Warranty. See attached drawing to reference the proposed work. We do not guarantee lift or crack closure, only stabilization. Installs will be schedule when we receive the deposit. Also please take notice that the final invoice for this job will have state sales tax added.	7,950.00	7,950.00
