All Common Area or Common Property shall be subject to the terms and conditions of this Declaration. Common Property also may include, as determined by Declarant in its sole discretion, all water retention ponds and areas, if any, including all facilities, structures and improvements associated therewith, required to be constructed, repaired, replaced or maintained within the Project by the laws, rules or regulations of any governmental authority having jurisdiction thereof.

There may be Limited Common Area in one or more subdivisions or sections located within the Project. Limited Common Area shall, for the purposes of this Declaration, be considered a sub classification of Common Area and, except as may be otherwise provided herein, (1) all provisions of this Declaration relating to the rights, duties and obligations of the Association with respect to the Common Area shall apply to the Limited Common Area; and (ii) all provisions of this Declaration relating to the rights and obligations of Owners or Members with respect to Common Area shall, with respect to Limited Common Area, be exercised by or

(n) "Lot" shall mean and refer to any numbered or lettered plot of land which is part of the Property, is intended for single-family residential use and is shown on any plat in the office of the Register of Deeds for Wake County, North Carolina which Declarant has recorded, caused to be recorded or approved for recordation. Declarant hereby reserves the right to reconfigure, at any time and from time to time, without the consent of the Owners or Members of the Association, the boundaries of any Lot owned by the Declarant and to thereby reconfigure Lots, create additional Lots, eliminate existing Lots, create existing Common Area or reduce proposed Common Area not yet conveyed to the Association (provided that no such reduction violates any applicable ordinances of the Town of Cary or other governmental entity having jurisdiction over such Common Area). Declarant's exercise of this right shall be evidenced by the recording of a revised map of the affected Lot or Common Area. Upon the recording of any such revised map, each Lot shown on the previously recorded map that has been revised by the new map shall cease to be a Lot as defined herein and each revised Lot as shown on the new map shall be a Lot as defined herein.

For the purposes of this Declaration, a parcel of property shall not be deemed a Multiple-Family Tract until such time as a plat thereof has been recorded in the Wake County, North Carolina Registry. Any property within a Multiple-Family Tract which also qualifies as an "Exempt Property" as defined in this Declaration shall not be deemed a part of that Multiple-Family Tract for the purposes of calculating assessments or votes. A Multiple-Family Tract, or any particular portion thereof, shall be deemed to be unimproved and subject to assessment as a Multiple-Family Tract until the improvements being constructed thereon are sufficiently complete, in the sole discretion of the Board, to be subject to assessments as Multiple-Family Dwelling Units as defined in Section 15 of Article V of this Declaration.

(s) "Owner" shall mean and refer to the owner of record as shown in the Wake County, North Carolina Registry, whether one or more persons or entities, of fee simple title to any Lot, but excluding those having such interest merely as security for the performance of an obligation. Owner shall also include the owner of record as shown in the Wake County, North

Carolina Registry, whether one or more persons or entities, of fee simple title to any Multiple-Family Dwelling Unit, but excluding those having such interest merely as security for the performance of an obligation.

(t) "Person" shall mean and refer to any individual, corporation, partnership, association, trust or other legal entity.

(u) "Project" shall mean and refer to the mixed-use development now known as Preston, of which the Property is a part. It also shall include and refer to all real property presently owned or hereafter acquired by Declarant and located in the Town of Cary, North Carolina, the Town of Morrisville, North Carolina, or within the planning and zoning jurisdiction of either of said Towns, and any part of which adjoins or is situated across a public or private street from any Common Property, part of Preston or any other real property which has been subjected to this Declaration, and which is not, at the time of the execution of this Declaration, part of Preston or subject to this Declaration, but which in the future may be developed as part of or in association with Preston and which is made subject to this Declaration by a Supplemental Declaration recorded in accordance with the provisions of this Declaration relating to Supplemental Declarations. Declarant has retained, and hereby retains, the right to change the name of part or all of the Project from "Preston" to another name selected by Declarant by filing an amendment hereto in the records of Wake County, North Carolina.

(v) "Property" shall mean the Property described on Exhibit A attached to that certain "(Amended and Restated) Additional Declaration of Covenants, Conditions and Restrictions for Preston" recorded in the Wake County, North Carolina Registry in Book 5740, Page 774, at Page 817, and incorporated herein by reference, and any and all other Additional Property (as herein defined) hereinafter made subject to this Declaration by Supplemental Declaration or merger or consolidation as provided hereinbelow.

(w) "Restricted Common Properties" shall mean and refer to those tracts of land, with all improvements thereon, which are designated as Common Property or Common Area on any map of a portion of the Project which is owned by or under the control and jurisdiction of a Sub-Association and which is reserved or restricted for the common use and enjoyment of the members of such Sub-Association and/or their guests and invitees, or, in the case of an apartment development, is reserved or restricted for the common use and enjoyment of the tenants of such development and/or their guests and invitees.

(x) "Roadway Medians" shall mean all areas within public or private street rights of way within or adjoining the Property that are not Landscaped Rights-of-Way and which have been designated as Roadway Medians by Declarant.

(y) "Sub-Association" shall mean and refer to a North Carolina nonprofit corporation established by the developers of portions of the Project which contain the types of developments which require an association to own or manage the property and related business of the members of such Sub-Association as an association - for example, a town home or condominium development. Any and all assessments imposed upon the members of a Sub-Association by the documents establishing the Sub-Association or subjecting the applicable portion of the Project to such documents or to the Sub-Association shall be in addition to any and all assessments imposed upon such members by this Declaration.

**ARTICLE II
PROPERTY**

Section 1 Property Made Subject To Declaration The Property is hereby made subject to this Declaration and the Property shall be owned, held, leased, transferred, sold, mortgaged and/or conveyed by Declarant, the Association and each Owner subject to this Declaration and the terms, covenants, conditions, restrictions, easements, charges and liens set forth in this Declaration.

Section 2 Annexation of Additional Property by Declarant If Declarant is the Owner from time to time of any real property which it desires to subject to this Declaration (such real property being referred to herein as "Additional Property"), it may do so by filing of record a "Supplemental Declaration" (herein so called) which shall extend this Declaration to such Additional Property; provided, however, that such Supplemental Declaration, as applied to the Additional Property covered thereby, may include such specific additional terms, covenants, conditions, restrictions, easements, charges and liens as may be set forth in such Supplemental Declaration.

Section 3 Annexation of Additional Property by Other Person If a Person other than Declarant desires to subject real property (also referred to as "Additional Property") to this Declaration, through and including December 31, 2012, such real property may only be subjected hereto if the owner thereof consents in writing and if Declarant consents in writing. On and after January 1, 2013, if a Person other than Declarant desires to subject real property to this Declaration, such real property may only be subjected hereto if the owner thereof consents in writing and if subjection to this Declaration is approved by the affirmative vote of two-thirds (2/3) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a duly called meeting of the Association at which a quorum is present. Upon such affirmative vote, such Additional Property shall be subjected to this Declaration by the recordation in the Wake County, North Carolina Registry of a Supplemental Declaration signed by the owner of such Additional Property, the Declarant (as long as there is a class B membership) and the appropriate officers of the Association.

Section 4 Lots in Preston Trails, Preston Crossings and/or Preston Falls South There are Lots in different phases (or "Subdivisions") of the Project known as "Preston Trails", "Preston Crossings" and/or "Preston Falls South" which have been conveyed by Declarant to various Persons prior to the recordation of this Declaration and with respect to which Declarant and such Persons agreed to subject to this Declaration, some or all of such Lots being described on Exhibit B attached to that certain "(Amended and Restated) Additional Declaration of Covenants, Conditions and Restrictions for Preston" recorded in the Wake County, North Carolina Registry in Book 5740, Page 774, at Page 818, and incorporated herein by reference,. Notwithstanding anything to the contrary appearing herein, the Lots described on Exhibit B (and any other Lots in Preston Trails, Preston Crossings and Preston Falls South conveyed by Declarant to one or more Persons prior to the recordation of this Declaration and not described on Exhibit B) may be subjected to this Declaration either by the execution hereof by the Owner of such Lot or by execution by Declarant and the Owners of such Lots of one or more Supplemental Declarations subjecting such Lots to this Declaration.

Section 5 Contents of Supplemental Declaration Each Supplemental Declaration shall set forth the terms, covenants, conditions, restrictions, easements, charges and liens to which the

Additional Property covered thereby shall be subject. This Declaration may be incorporated by reference for the purpose of subjecting to its terms and conditions Lots described in Supplemental Declarations. Such terms, covenants, conditions, restrictions, easements, charges and liens may contain additions, deletions and modifications from those contained in this Declaration, as the parties subjecting such Additional Property to this Declaration may desire; provided if such party is other than Declarant, as a condition to such party's right to so impose such additions, deletions or modifications, such party must obtain the approval of Declarant. In no event, shall such Supplemental Declaration revoke, modify or add to the terms, covenants, conditions, restrictions, easements, charges and liens established by this Declaration or a previously filed Supplemental Declaration as it applies or they apply to the Property or to previously added Additional Property, except as provided in this Section and in Section 7 of this Article. In addition, Declarant shall have the right, to be exercised in its sole and absolute discretion, to impose or file Supplemental Declarations (which may or may not add Additional Property) in regard to particular phase(s) or section(s) of the Project and such Supplemental Declarations may, in regard to the phase(s) or section(s) of the Project to which it relates, amend, add to, delete from, and/or supersede in whole or in part, the provisions of this Declaration. No party other than Declarant shall be required to join in any such Supplemental Declaration to make it effective.

Section 6 Merger or Consolidation Upon a merger or consolidation of the Association with another association which is a non-profit corporation composed of owners of residential real property (including, without limitation, real property located in the Project and subject to the jurisdiction of associations other than the Association), the properties, rights and obligations of the Association may, by operation of the law, be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the properties, rights and obligations of the Association as the surviving corporation pursuant to a merger. The surviving or consolidated association shall be considered the Association and shall administer the terms and provisions of this Declaration and any applicable Supplemental Declaration affecting the portions of the Property in the jurisdiction of such Association, together with the covenants and restrictions established upon any other properties, as one scheme. The plan of merger or consolidation between the Association and any such other association may contain terms and provisions with respect to Common Property or Limited Common Property owned by the Association or such other association as may be approved by the Association and such other association in the votes authorizing the merger and, to the extent that such provisions may conflict with the provisions of this Declaration, the provisions contained in the approved plan of merger or consolidation shall control. No such merger or consolidation, however, shall affect any revocation, change or addition to the terms and provisions of this Declaration or any Supplemental Declaration pertaining to the Property or any portion thereof except as specifically provided in this Declaration.

Section 7 Additional Declarations Affecting Property. Notwithstanding anything contained herein to the contrary, it is expressly understood and agreed that Declarant may, so long as it owns the Property, create and impose additional declarations or Supplemental Declarations (which may or may not add Additional Property) in regard to all or any part of the Property and thereby supplement, modify and/or amend, in whole or in part, the terms and provisions hereof.

ARTICLE III
MEMBERSHIP AND VOTING RIGHTS

Section 1 Membership. Each and every Owner of a Lot shall automatically become and be a Member of the Association.

Section 2 Classes of Voting Members. Subject to the rights of Declarant reserved in Section 4 of this Article, the Association shall have two classes of voting membership as follows:

CLASS A Class A Members shall be all Owners of Lots, with the exception of Declarant until such time as Declarant's Class B Membership is converted to Class A Membership as provided in this Article. A Class A Member shall be entitled to one (1) vote for each Lot owned by such Class A Member at the time notice is given of the particular meeting at which Class A membership votes are eligible to be cast. Provided, when two (2) or more Persons own or hold undivided interests in any Lot, all such Persons shall be Class A Members, and the one (1) vote for such Lot shall be exercised as they, among themselves, determine (including the division thereof- into fractional votes), but in connection with any particular vote no more than one Class A membership (1) vote shall be cast with respect to each Lot.

CLASS B Class B Membership shall terminate and be converted to Class A Membership upon the happening of the first to occur of the following:

(a) When the total votes outstanding in Class A membership equal the total votes outstanding in Class B Membership. Provided, however, and notwithstanding anything to the contrary that may appear herein or in the Declaration, if at any time prior to January 1, 2013 the Class B Membership terminates for the foregoing reason and thereafter Declarant, pursuant to Section 2 of Article II of the Declaration, annexes Additional Property to the Declaration such that, following such annexation, if votes are allocated to the Lots owned by Declarant at the rate of three (3) votes per Lot Declarant's total outstanding votes would exceed the total outstanding votes of the Class A Members, the Class B Membership shall be reinstated until such time as it again terminates due to one of the events of termination stated herein. Prior to January 1, 2013 or the voluntary termination of the Class B Membership by Declarant, whichever first occurs, there shall be no limitation on the number of times the Class B Membership may terminate and be reinstated in accordance with the provisions of this paragraph (a); or

(b) voluntary termination by Declarant; or

(c) January 1, 2013.

A Person's membership in the Association shall terminate automatically whenever such Person ceases to be an Owner, but such termination shall not release or relieve any such Person from any liability or obligation incurred under or in any way connected with the Association or this Declaration during the period of such Person's ownership, or impair any rights or remedies which the Association or any other Owner has with regard to such former Owner.

Section 3 Voting Quorum and Notice Requirements. Except as may be otherwise specifically set forth in this Declaration, the Articles or the Bylaws, the vote of the majority of the aggregate votes entitled to be cast by all classes of the Members present, or represented by legitimate proxy, at a legally constituted (duly called) meeting of the Association at which a quorum is present, shall be the act of the Members with respect to the matter that is the subject of such vote. The number of votes required to constitute a quorum shall be as set forth herein or in the Bylaws. Notice

requirements for all action to be taken by the Members of the Association shall be as set forth herein or in the Bylaws.

Section 4 Additional Class of Membership Declarant, with respect to Additional Property subjected to this Declaration by Supplemental Declaration, which Additional Property contains or is to contain multi-family residential units such as apartments, duplex apartments, townhouses, condominiums and/or other forms of multi-family residential units, may create a third class of membership which may have voting rights equal to or less than (but not greater than) one vote per multi-family residential unit and which class of Members, as determined by Declarant in the applicable Supplemental Declaration, may be assessed annual and special assessments on their multi-family residential units at a rate that is equal to or less than (but not greater than) the rate at which Lots are assessed.

Section 5 Termination of Membership A Person's membership in the Association shall terminate automatically whenever such Person ceases to be an Owner, but such termination shall not release or relieve any such Person from any liability or obligation incurred under or in any way connected with the Association or this Declaration during the period of such Person's ownership of a Lot, or impair any rights or remedies which the Association or any other Member has with regard to such former Member.

ARTICLE IV
PROPERTY RIGHTS IN THE COMMON AREA

Section 1 Owners' Easements of Enjoyment Subject to the provisions of this Declaration (and subject to the provisions of any Supplemental Declaration or additional declaration which may be applicable and not inconsistent herewith) every owner shall have a right and easement of use and enjoyment in and to the Common Area, and every Owner of a Lot in a phase or section of the subdivision that has Limited Common Area shall have a right and easement of use and enjoyment in and to such Limited Common Area, which rights and easements shall be appurtenant to and shall pass with the title to every Lot; provided, however, such easement shall not give such person the right to make alterations, additions or improvements to any part of the Common Area or Limited Common Area. Subject to the terms of this Declaration, the Articles and the Bylaws, any Owner may delegate such Owner's right of use and enjoyment in and to the Common Area or Limited Common Area to the members of such Owner's family, such Owner's tenants or contract purchasers who reside on the Owner's Lot, or to such Owner's guests.

Section 2 Title to the Common Area Declarant shall dedicate and convey to the Association (by deed without warranty at Declarant's option) fee simple title to all real property portions of the Common Area, free and clear of all encumbrances and liens other than the lien of current taxes and assessments not in default and utility easements, other easements and encumbrances (not constituting a lien to secure the payment of money) and mineral interests outstanding and of record in Wake County, North Carolina, and the terms and conditions of this Declaration and any applicable Supplemental Declaration, on or (at Declarant's sole option) prior to December 31, 2012.

Section 3 Extent of Members' Easement. The rights and easements of enjoyment created hereby shall be subject to the following:

- (a) The right of the Association to prescribe and enforce regulations governing the use, operation and maintenance of the Common Area (including limiting the number of guests of Members who may use the Common Area);
- (b) Subject to the affirmative vote of two-thirds (2/3) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a meeting at which a quorum is present and which is duly called and held for the following purpose, the right of the Association to borrow money for the purpose of improving, repairing, replacing and maintaining the Common Area and facilities and/or the Landscaped Rights-of-Way and/or the Roadway Medians and in connection with such borrowing to mortgage the Common Area, provided the rights of such mortgagee in the Common Area shall be subordinate to the rights of the Owners hereunder (Note: the term "mortgage" when used in this Declaration also include a deed of trust and any other type of security interest in real or personal property). With respect to Limited Common Area, only those Class A Members who are Owners of Lots in the phase or section of the Subdivision which has such Limited Common Area shall be considered in determining the total number of votes entitled to be cast and what constitutes the required two-thirds (2/3) thereof
- (c) The right of the Association to take such steps as is reasonably necessary to protect the Common Area against foreclosure;
- (d) The right of the Association to suspend the voting rights and right to use recreational facilities, if any, by an Owner for any period during which any assessment against such Owner's Lot remains unpaid; and for a period not to exceed sixty (60) days for any infraction of the Association's published rules and regulations;
- (e) The right of the Association to charge reasonable admission and other fees for the use of recreational facilities on the Common Area, if any;
- (f) Subject to the approval of any governmental entities or agencies whose approval is required therefore, the right of the Association to exchange portions of the Common Property with the Declarant for substantially equal (in acreage or value) portions of the Property for the purpose of eliminating unintentional encroachments of Improvements onto portions of the Common Property; and
- (g) Subject to the affirmative vote of two-thirds (2/3) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a duly called meeting at which a quorum is present, the right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and upon such conditions as the Board, or the Members who exercise the required affirmative vote (if the motion or resolution passed by such vote contains such conditions), may determine. With respect to Limited Common Area, only those Class A Members who are Owners of Lots in the phase or section or the Subdivision which has such Limited Common Area shall be considered in determining the total number of votes entitled to be cast and what constitutes the required two-thirds (2/3) thereof.
- (h) Easements for drainage, storm water control or removal, utilities, signs and other matters shown on recorded plats of the Common Area or created or reserved by Declarant prior

to or simultaneously with conveyance of such Common Area by Declarant to the Association, and/or granted by the Association as permitted by this Declaration.

Upon the approval of the Board the Association may lease from or accept transfer of title from any such nonprofit corporation or association any part or all of the property owned by such corporation or association. With respect to Limited Common Area, only those Class A Members who are Owners of Lots in the phase or section of the Subdivision which has such Limited Common Area shall be considered in determining the total number of votes entitled to be cast and what constitutes the required two-thirds (2/3) thereof.
- (j) All easements for golf cart paths or other uses related to the use and operation of the Prestonwood golf course;
- (k) All provisions of this Declaration affecting such rights and easements, including those contained in this Article and not contained in this Article.

Section 4 Leases of Lots. Section 5 Ingress and Egress Notwithstanding anything to the contrary appearing in this Declaration, if ingress and egress to any Lot is through any part of the Common Area, any conveyance or encumbrance of such part of the Common Area shall be subject to an easement for ingress and egress for such Lot over and upon such portion of the Common Area as is designated for ingress and egress (by a public or private street or right of way) and shown on a recorded plat of such Common Area or the Lot affected thereby or created or reserved by Declarant in an instrument recorded in the Wake County, North Carolina Registry.

ARTICLE V
COVENANTS FOR ASSESSMENTS

Section 1 Creation of the Lien and Personal Obligation for Assessments Subject to the terms and conditions of this Declaration, each Owner of a Lot, by acceptance of a deed or other conveyance therefore, whether or not it shall be so expressed in any such deed or other conveyance, is hereby deemed to covenant and agree (and such covenant further shall be deemed to constitute a portion of the purchase money and consideration for acquisition of the Lot), to pay to the Association (or to any Person which may be designated by the Association to receive such monies on behalf of the Association):

- (a) annual assessments or charges;

(b) special assessments for capital improvements or unusual or emergency matters; and special individual assessments levied against an Owner to reimburse the Association for extra costs for maintenance and/or repairs caused by the failure of such Owner to maintain such Owner's individual Lot and Improvements thereon, all of such assessments and charges to be fixed, established and collected as hereinafter provided. The annual, special and special individual assessments, together with such interest thereon and costs of collection thereof (including, without limitation, reasonable attorney fees) as are hereinafter provided shall be a charge on the land and shall be a continuing lien upon each Lot against which each such assessment is made and shall also be the personal and continuing obligation of the Owner of such Lot at the time when the assessment became due. An Owner's personal obligation for payment of such assessments shall not pass to such Owner's successors in title unless expressly assumed by them, but the Lien against such Owner's Lot as established in this Declaration shall continue in effect (unless terminated as otherwise provided herein). No Owner shall be exempt from liability for any assessment provided for herein by reason of non-use of such Owner's Lot or Common Area. This Declaration shall, pursuant to Section 6-21.2 of the North Carolina General Statutes, constitute an evidence of indebtedness with respect to the obligation to pay each assessment provided for herein

(c) special individual assessments levied against an Owner to reimburse the Association for extra costs for maintenance and/or repairs caused by the failure of such Owner to maintain such Owner's individual Lot and Improvements thereon, all of such assessments and charges to be fixed, established and collected as hereinafter provided. The annual, special and special individual assessments, together with such interest thereon and costs of collection thereof (including, without limitation, reasonable attorney fees) as are hereinafter provided shall be a charge on the land and shall be a continuing lien upon each Lot against which each such assessment is made and shall also be the personal and continuing obligation of the Owner of such Lot at the time when the assessment became due. An Owner's personal obligation for payment of such assessments shall not pass to such Owner's successors in title unless expressly assumed by them.

Section 2 Purpose and use of Assessments. The assessments levied by the Association shall be used for the purposes of implementing and enforcing the terms and provisions hereof and of any Supplemental Declaration and promoting the enjoyment and welfare of the Owners of Lots, and in particular, but without limitation, for the improvement, use, operation, repair, replacement and maintenance of the Common Area, Landscaped Rights-of-Way and Roadway Medians;

- (a) payment of premiums for hazard insurance in connection with the Common Area, the Roadway Medians and the Landscaped Rights-of-Way, and any improvements or facilities thereon;
- (b) payment of public liability and other insurance of the Association;
- (c) paying the costs of labor, equipment (including the expense of leasing any equipment) and material required for the Common Area, the Roadway Medians and Landscaped Rights-of-Way, and the improvement, maintenance, repair, replacement, management, protection, preservation, use and supervision thereof;

- (d) payment of all ad valorem taxes and public assessments levied on the Common Area owned by the Association; and
- (e) carrying out the purposes and duties of the Association as stated in its Articles and Bylaws and as stated in this Declaration.

All funds collected by the Association shall be treated as the separate property of the Association, and such funds may be applied by the Association for the purposes stated in this Declaration. As funds pursuant to any assessment are paid to the Association by any Owner, such funds may be commingled with funds paid to the Association by other Owners. Although all funds and assets of the Association shall be held for the benefit of the Members of the Association as provided in this Declaration, no Member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer, such Member's interest therein, except as an appurtenance to such Member's Lot. When any Owner shall cease to be a Member of the Association, the Association shall not be required to account to such Owner for any share of the funds or assets of the Association or any portion thereof which may have been paid to the Association by such Owner or acquired with any funds paid to the Association by such Owner, as all funds which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used by the Association as provided in this Declaration.

To the extent that it is reasonably possible to do so, when it is necessary or desirable (as determined by the Board) to make an expenditure that affects, or provides a benefit for, or complies with a requirement in this Declaration with respect to, the Limited Common Area the funds for such expenditure shall come from the additional assessment collected from the Owners of the subdivision or section in the Project to which such Limited Common Area is related.

Section 3 Maximum Annual Assessment and Annual Assessment Through and including December 31, 1992, the maximum annual assessment shall be \$300.00 per Lot.

- (a) The maximum annual assessment for the calendar year beginning January 1, 1993, and for successive calendar years thereafter, shall be established by the Board and may be increased by the Board without approval by the membership of the Association by an amount per year not to exceed fifteen percent (15%) of the amount of the maximum annual assessment of the immediately preceding calendar year.
- (b) The maximum annual assessment for the calendar year beginning January 1, 1993, and for each successive calendar year thereafter, may be increased without limit by the affirmative vote of two-thirds (2/3) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a duly called meeting of the Association at which a quorum is present. The provisions of this subsection shall not apply to nor be a limitation upon any change in the maximum annual assessment undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under this Declaration or its Articles or Bylaws or any applicable laws.
- (c) Subject to the provisions of this Article V, the Board may fix the annual assessment at any amount not in excess of the maximum annual assessment allowed for the applicable calendar year.

Section 4 Special Assessments for Capital Improvements In addition to the annual assessments authorized herein, the Association may levy in any calendar year a special assessment for the purpose of defraying, in whole or in part, the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a duly called meeting of the Association at which a quorum is present. A special assessment shall be due and payable as established by the vote of the Members approving the special assessment, or, if not established by such vote of the Members, as established by the Board.

Section 5 Notice and Quorum For Actions Authorized Under Sections 3 and 4. Written notice of any meeting of the Association called for the purpose of taking any action required to be taken by the membership under the preceding Sections 3 and 4 of this Article shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members plus proxies entitled to cast sixty percent (60%) of the combined total number of votes of all classes of membership shall constitute a quorum. If the required quorum is not present at the first such meeting, subsequent meeting(s) may be called subject to the same notice requirement, and the required quorum at the subsequent meeting(s) shall be one-half (1/2) of the required quorum at the immediately preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the immediately preceding meeting.

Section 6 Rate of Assessments

- (a) Except as set forth in this Section, both annual and special assessments must be fixed at a uniform rate for all Lots. Annual and special assessments may be collected on a monthly, quarterly, annual or other basis, as determined by the Board. The Board shall have the power at any time and from time to time, in its sole discretion and upon such terms and conditions as the Board deems appropriate, to allow percentage discounts to Owners who pay annual and/or special assessments earlier than would otherwise be required for such payments; provided, however, all such discounts shall be made available to and applied uniformly to all Owners whose Lots are subject to the assessment to which the discount applies.
- (b) The annual assessment for a Lot on which there is not a residence dwelling for which a certificate of occupancy has been issued by the governmental authority having jurisdiction thereof at the time the Lot is conveyed to the Owner by Declarant shall, for the first six (6) months that the Lot is subject to the annual assessment, be in an amount equal to fifty percent (50%) of the annual assessment established by the Board, and thereafter shall be applied at the full rate.
- (c) Notwithstanding anything to the contrary that may appear in this Declaration, Declarant and all Lots owned by Declarant shall be exempt from all annual and special assessments which become applicable to such Lots during the time they are owned by Declarant.

Section 7 Commencement of Assessments: Establishing the Amount: Due Dates. The annual assessment shall commence with respect to a Lot on the first day of the month immediately following the month in which the Lot is conveyed to the Owner by Declarant, and the amount of the first annual assessment applicable to the Lot shall be prorated in accordance with the number of months remaining in the calendar year on and after it becomes applicable to the Lot. A special assessment

shall be applicable to each Lot subject to this Declaration at the time such assessment is established. The Board shall establish the amount of the annual assessment for the ensuing calendar year at least thirty (30) days in advance of the beginning of such year, and, if the amount of the annual assessment changes from the amount for the current year, the Board shall cause written notice of the new annual assessment to be sent to at least one of the Owners of each Lot subject to the assessment. Subject to any limitations contained in this Declaration, the Articles, the Bylaws or any applicable laws, the Board is empowered at any time and from time to time to establish the due dates and penalties for late payment of annual and special assessments. The failure of the Board to establish the amount of any annual assessment as required herein shall not be a waiver or modification in any respect of the provisions of this Declaration, or a waiver of the Board's right to establish the annual assessment at any time during the calendar year to which it is applicable, or a release of any Owner from the obligation to pay the assessment or any installment thereof for that or any subsequent year, and the annual assessment established for the immediately preceding calendar year shall continue in effect until the Board has established the new annual assessment.

Section 8 Certification of Assessments Paid The Association (or any Person employed by the Association to assist in the management of the Association and collection of assessments and authorized to issue such certificates) shall, upon demand and for a reasonable charge or fee, furnish a certificate signed by an officer of the Association (or the Person or an officer, partner or agent of such Person having authority to issue such certificate) setting forth whether or not the assessments (annual and special) on a particular Lot have been paid. A properly executed certificate of the Association (or authorized Person) as to the status of the payment of such assessments shall be binding on the Association, as of the date of its issuance, with respect to the assessments addressed therein.

Section 9 Owner's Personal Obligation for Payment of Assessments. The annual and special assessments provided for herein shall be the personal and individual debt of the Owner (as of the due date of the applicable assessment payment) of the Lot to which such assessments relate. No Owner shall be exempt from liability for such assessments by non-use of such Owner's Lot(s) or the Common Area or otherwise. In the event of default in the payment of any such assessment, the defaulting Owner shall be obligated to pay interest at the lesser of eighteen percent (18%) per annum or the highest lawful rate per annum on the amount of the assessment from the due date thereof until the date such assessment and interest is paid, together with all costs and expenses of collection, including reasonable attorney's fees.

Section 10 Assessment Lien and Foreclosure All unpaid sums that have been assessed in the manner provided in this Article shall, together with interest as provided in this Declaration, plus the cost of collection (including reasonable attorney's fees), become a continuing lien and charge on the Lot and all Improvements thereon owned by the defaulting Owner as of the assessment due date, which shall bind such Lot and Improvements then in the hands of the Owner, and the defaulting Owner's heirs, devisees, personal representatives, successors, and assigns. Except as otherwise provided in this Declaration, the aforesaid lien shall be superior to all other liens and charges against such Lot and Improvements thereon. The Board shall have the power to subordinate the aforesaid assessment lien to any other lien, and such power shall be entirely discretionary with the Board. To evidence the aforesaid assessment lien, the Board may prepare a written notice of assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot and Improvements thereon covered by such

lien, and a description of the Lot. Such notice shall be signed by one of the officers of the Association and shall be recorded in the Office of the Register of Deeds of Wake County, North Carolina. Such lien for payment of assessments shall attach with the priority above set forth from the date that such payment becomes delinquent and, subsequent to the recordation of such notice, the lien may be enforced by the foreclosure of the defaulting Owner's Lot and Improvements thereon by the Association in like manner as a deed of trust with power of sale on real property, or the Association may institute suit against the Owner personally obligated to pay the assessments, or the lien may be enforced by judicial foreclosure or the Association may pursue one or more of the foregoing remedies and/or may seek any other available remedy or relief. In any foreclosure proceeding, whether judicial or non-judicial, the Owner shall be required to pay the costs, expenses, and reasonable attorney's fees incurred by the Association. The Association shall have the power to bid on the Owner's Lot and Improvements thereon at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same.

Section 11 Subordination of the Lien to Mortgages The lien of the assessments provided for herein against a Lot shall be subordinate and inferior to the lien of any first mortgage or deed of trust on such Lot and shall be subordinate and inferior to the lien of any second mortgage or deed of trust on such Lot securing an indebtedness to Declarant for a portion of the purchase price of such Lot; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale (whether public or private) of such Lot pursuant to the terms and conditions of any such mortgage or deed of trust. Such sale shall not relieve any new Owner of the Lot from liability for the amount of any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

Section 12 Common Area Exempt The Common Area and all portions of the Property owned by or otherwise dedicated or conveyed to any governmental entity shall be exempt from the assessments and liens created herein. In addition, if required by the governmental entity to whom such Common Area or portion of the Property is being dedicated or conveyed, such Common Area or portion of the Property may be dedicated or conveyed free and clear of all of the terms, conditions, covenants and restrictions contained in this Declaration.

Section 13 Additional Assessments Declarant reserves the right, by recordation of supplemental declarations or specific subdivision declarations or other document, to subject Lots located in one or more sections or subdivisions in the Project to provisions requiring the Owners thereof to pay additional annual and special assessments to the Association for the construction, repair, maintenance, alteration and replacement of, and addition to, Limited Common Property including, without limitation, any one or more of the following: (i) private streets; (ii) specialized subdivision entrance or other features; and (iii) specialized subdivision landscaping features. All of the provisions of this Declaration relating to annual and special assessments shall apply to the additional annual and special assessments, with the following exceptions: (i) the maximum additional 1993 annual assessment for Lots in any subdivision or section of the Project that contains Limited Common Area shall be \$120.00; (ii) the actual additional annual and special assessments may vary from subdivision to subdivision or section to section; and (iii) the additional annual and special assessments for Lots in any particular subdivision or section of the Project shall be used exclusively in connection with the Limited Common Area associated with that subdivision or section.

Section 14 Multiple-Family Tract Assessment. A Multiple-Family Tract, excluding such portions thereof as have been determined by the Board to be subject to assessment as Multiple-Family Dwelling Units and such portions as constitute Exempt Property, shall be subject to the maximum annual assessment, annual assessment and all special assessments in the same manner and to the same extent as such assessments are applicable to Lots, with the following exceptions:

- (a) The maximum annual assessment for a Multiple-Family Tract, through and including calendar year 1994, shall be \$100.00 for each acre of such Multiple-Family Tract.
- (b) The actual annual assessment for a Multiple-Family Tract, through and including calendar year 1994, shall be \$50.00 for each acre of such Multiple-Family Tract.
- (c) Special assessments shall be applicable to Multiple-Family Tracts as follows: the amount of the current annual assessment per acre for the Multiple-Family Tract shall be divided by the amount of the current annual assessment for a Lot and the resulting quotient shall be multiplied by the amount of the special assessment for a Lot to determine the amount of the special assessment per acre of Multiple-Family Tract.

At such time as all attached residential units intended for development on a Multiple-Family Tract have been classified as Multiple-Family Dwelling Units as provided herein, and the owner of the Multiple-Family Tract is able to warrant to the satisfaction of the Board that (i) no further development of Multiple-Family Dwelling Units shall take place upon the Tract and (ii) any remaining unimproved acres within the Tract shall not be sold to a third party for further development of Multiple-Family Dwelling Units and that such unimproved acres consist solely of Common Property, Restricted Common Property, recreational areas, common parking areas, street rights of way or such other classification acceptable to the Board, the owner may apply to the Board for the release of the remaining unimproved acres within the Tract from classification as Multiple-Family Tract acres subject to assessment, and the Board may, in the exercise of its sole discretion, grant such release. Provided, however, if the classification of any of the acreage for which such release has been granted changes following the grant of the release, the Board may re-impose thereon the appropriate classification for assessments applicable under this Declaration.

Section 15 Multiple-Family Dwelling Unit Assessment The provisions of this Article V with respect to maximum annual assessment, annual assessment and all types of special assessments applicable to a Lot, and with respect to the collection of such assessments, establishment and enforcement of liens for such assessments and all other provisions of this Article V relating to such assessments shall also apply to each Multiple-Family Dwelling Unit in the same manner and to the same extent as are applicable to Lots, with the following exceptions:

- (a) Each such assessment for a Multiple-Family Dwelling Unit shall be one-half (1/2) of the amount that is applicable to a Lot.
- (b) A Multiple-Family Dwelling Unit being constructed on a Multiple-Family Tract, or portion thereof, shall become subject to assessment as a Multiple-Family Dwelling Unit on the first day of the calendar month immediately following the calendar month in which the Board, in its sole discretion, determines that construction of such Multiple-Family Dwelling Unit is sufficiently complete to be subject to assessment as a Multiple-Family Dwelling Unit. Provided, however, the Board shall not make any such determination prior to the sixth month immediately following the calendar month in which a building permit is issued for construction of such Multiple-Family

Dwelling Unit or for construction of the building in which such Multiple-Family Dwelling Unit is to be located. It shall be the duty of the Owner of a Multiple-Family Tract to notify the Board of the date on which such building permit has been issued.

The Association, acting through its Board, at any time and from time to time may exchange with Declarant, or with any Owner, or with any other Person with whom such an exchange is determined by the Board to be in the best interests of the Association, a portion of the real property Common Area for a portion of the real property owned by the Declarant, such Owner or such Person, provided that the real property acquired by the Association in the exchange:

Except as otherwise provided herein, no business activity or trade of any kind (other than activities related to construction, alteration, repair, improvement, maintenance or replacement of a single-family residence, or improvement or maintenance of a Lot) shall be conducted on any Lot. Provided, however, and notwithstanding anything to the contrary that may appear herein: (1) Declarant, Declarant's agent, or any builder of homes on any Lot, subject to Declarant's approval, shall be permitted to erect and maintain sales offices, model homes and temporary construction or sales trailers or offices on any Lot owned by Declarant or such builder for the purpose of carrying on business related to the development, improvement and sale of Lots and the construction of single-family residences within the Property. Section 2 Obstructions, etc. There shall be no obstruction of the Common Area, nor shall anything be kept, stored, altered, constructed or planted in or on the Common Area, or removed there from, without the prior consent of Declarant or the Association. Provided, however, Declarant and the Association shall have the right to install, place, repair, replace and maintain signs in the Common Area and to install, maintain, repair and replace in the Common Area such materials, equipment and other apparatus as may be necessary to enable the Association to carry out its powers and duties under this Declaration.

Section 3 Restricted Actions by Owners. No Owner shall permit anything to be done or kept on such Owner's Lot or in the Common Area which will result in the cancellation of or increase in cost of any insurance carried by the Association, or which would be in violation of any law or any rule or regulation established by the Association. No waste shall be committed in the Common Area, except as may be necessary to enable Declarant or the Association to exercise any rights reserved to them hereunder or except as may be necessary to enable the Association to carry out its powers and duties

hereunder. Each Owner shall comply with all laws, regulations, ordinances (including, without limitation, applicable zoning ordinances) and other governmental rules and restrictions in regard to such Owner's Lot(s) and the Common Area.

Section 4 Nuisance and Other Matters. No noxious or offensive activity shall be conducted upon any Lot nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. No trade materials or inventories (other than materials used for construction of dwellings or other approved structures on the Lots) may be stored upon any Lot and no tractors, inoperable motor vehicles, rubbish, trash, or unsightly materials of any kind may be stored, regularly placed, or allowed to remain on any Lot (except that trash, leaves, tree limbs, materials for recycling pick-up and similar items may be kept or placed on a Lot temporarily and only for such time as is reasonably necessary to enable the appropriate governmental or private entity to remove same from the Lot, or such materials may be kept on a Lot for use as a compost (provided that such materials used for this purpose are neatly kept and are screened from view from any adjoining Lot or street as approved by the Architectural Control Committee) and inoperable motor vehicles may be stored on a Lot if the same are kept in an enclosed garage). Provided, however, trucks and/or other construction vehicles, materials and equipment may be allowed to remain on the Property temporarily during construction of roads, utilities and other improvements in the Project and during construction on a Lot of a single-family residential dwelling and/or other Improvements which have been approved for construction by Declarant or the Architectural Control Committee established by this Declaration (the temporary nature of the foregoing to be determined by the Declarant or by the Association or the Architectural Control Committee, when such right has been assigned by the Declarant to the Association or the Architectural Control Committee). Notwithstanding the foregoing, no vehicle of any type or size which transports inflammatory or explosive cargo or which stores or transports materials or substances defined as hazardous or toxic by any applicable environmental laws of any governmental entity having jurisdiction over the Property may be kept or allowed to remain in or on the Property at any time, except as may be required to effectuate removal of such prohibited materials and substances.

Section 5 Animals No animals, livestock or poultry of any kind shall be kept or maintained on any portion of the Property or in any dwelling except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes, that they do not create a nuisance (in the judgment of the Board), such as, but without limitation, by number, noise, odor, damage or destruction of property or refuse, and further provided that they are kept and maintained in compliance with (i) all laws and ordinances of the State of North Carolina, the Town of Cary and/or the County of Wake relating thereto; and (ii) such rules and regulations pertaining thereto as the Board may adopt from time to time. In no event shall more than three dogs and/or three cats be regularly kept on any Lot.

Section 9 Rules of the Association All Owners and occupants of Lots shall abide by all rules and regulations adopted by the Association from time to time. The Board shall have the power to enforce compliance with said rules and regulations by all appropriate legal and equitable remedies, and an Owner determined by judicial action to have violated said rules and regulations shall be liable to the Association and/or the Declarant for all damages and costs, including attorney's fees.

Section 10 Boats, etc. Neither a motorboat, houseboat or other similar water-borne vehicle, nor any airplane, nor any travel trailers, other trailers, or "camper" vehicles may be maintained, stored or kept on any portion of the Property, except in enclosed garages or in area(s) specifically designated by the Declarant.

Section 11 New Construction. Except as otherwise provided in this Declaration, construction of new dwellings only shall be permitted on Lots, it being the intent of this covenant to prohibit the moving of any existing building onto a Lot and remodeling or converting same into a dwelling house. Provided, however, the foregoing shall not be construed as prohibiting remodeling of or constructing additions to existing buildings or structures on a Lot that have been previously constructed thereon in compliance with this Declaration.

Section 12 On-Street Parking The Owner of each Lot shall provide for adequate parking space on the Lot for vehicles of all types and all other apparatus designed for movement over and upon streets or highways (whether self-propelled or not) and regularly used by the residents of the single-family residence on the Lot. No automobiles, trucks, vans, travel trailers, other trailers or any other apparatus designed for movement over and upon streets or highways (whether self-propelled or not) shall be regularly parked on the streets within or adjoining the Property, and trucks with tonnage in excess of one (1) ton shall not be permitted to park overnight on the streets, driveways or otherwise within the Property, except that Declarant may allow such parking by any such vehicles used in connection with the construction of improvements within the Property, In addition and supplemental to the prohibitions on parking set forth in this Declaration the Board is empowered to promulgate and enforce rules and regulations relating to parking on the streets within or adjoining the Property.

Section 13 No Temporary Structure. No structure of a temporary character, such as a trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any Lot at any time as a dwelling house.

Section 14 Landscaping. Except for the single-family residence, driveways, sidewalks and other Improvements on each Lot, the surface of each Lot shall be of undisturbed areas left in their natural state or grass or other live foliage or areas covered with pine straw and/or other ground cover approved by the Architectural Control Committee, and such grass, foliage, pine straw and ground cover shall be neatly maintained at all times.

Section 15 Water Systems. As long as water is supplied to a Lot by and is available from a governmental entity, no individual water supply system shall be permitted on the Lot.

Section 16 Sewer Systems. As long as sanitary sewer service is supplied to a Lot by and is available from a governmental entity, no individual sewage system shall be permitted on any Lot.

Section 17 Fences and Walls Except as specifically approved in writing by the Architectural Control Committee: (i) no fence, wall or hedge shall be erected, placed or altered on any Lot nearer to any street fronting such Lot than the front building corner of the main dwelling constructed on such Lot and shall not exceed six (6) feet in height unless otherwise specifically required by governmental authorities having jurisdiction; and (ii) unless written consent is given by Declarant (or, following termination of the Class B Membership, by the owner of the Prestonwood Country Club Golf Course), no fence may be constructed on a Lot closer than twenty-five (25) feet to the boundary of any part of the Prestonwood Country Club Golf Course and all such fences must be screened from view from the Golf Course side of the fence in a manner approved by the Architectural Control Committee. All fences on Lots shall be maintained at all times in a structurally sound and attractive manner and in a good state of repair. All fences on Lots shall be of wood, metal (excluding chain link), masonry or other material approved by the Declarant (or the Board, when the right to appoint the Architectural Control Committee has been assigned to the Board) and no fence shall be constructed, placed or allowed to remain on any Lot until the Owner thereof has obtained approval for such fence from the Architectural Control Committee.

Section 18 Sight Line Limitations. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two and six feet above roadways shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting them at a point twenty (20) feet from the intersection of the street lines, or in the case of a rounded property corner, from the intersection of the street property lines extended. The same sight line limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersection unless the foliage line is maintained at sufficient height to prevent obstruction of sight lines.

Section 19 Antennae. No exterior antennae, earth satellite station, microwave dish or other similar improvements may be constructed, placed or maintained on any Lot without the prior approval of the Architectural Control Committee.

Section 20 Gas Meters. No gas meters shall be set in the front of a residence on a Lot unless such meter is of an underground type or is screened in a manner approved by the Architectural Control Committee.

Section 21 Utility Yards. Each Lot on which a single-family residence is located shall have thereon one or more utility yards. At least one such utility yard shall be constructed at the same time as the single-family residence is constructed, unless provision is made for the housing or storage of the items set forth in this Article either inside the single-family residence or inside the garage. Each utility yard shall be walled or fenced or otherwise screened as required by the Architectural Control Committee, and the entrance thereto shall be screened, using materials with height and design approved by the Architectural Control Committee. The following buildings, structures and objects may be constructed or placed on a Lot and allowed to remain on a Lot only if the same are located wholly inside the single-family residence or garage on the Lot or wholly within a utility yard located on the Lot: pens, yards and houses for pets; above ground garbage and trash cans or receptacles (unless by applicable governmental law or regulation the same must be located elsewhere); above ground and exterior air-conditioning, heating and other mechanical equipment; and all other buildings, structures and objects determined by the Architectural Control Committee to be of a similar nature to the foregoing items or determined by the Architectural Control Committee to be of an unsightly nature or appearance.

Section 22 Mailboxes. All mailboxes, unless affixed to the residence on a Lot, shall be affixed to a substantial pole or stand permanently placed in the ground and shall not be located within a sidewalk. Architectural guidelines with respect to mailboxes may require, prohibit, restrict or specify one or more of the following: method and type of support; style; material; color; size; height; and one or more of the foregoing with respect to the numbering and/or lettering to be placed on a mailbox or affixed thereto.

Section 23 Utilities. All electric, telephone, water and sewer, natural gas and cable television utilities and utility connections shall be located underground or screened in such manner as is approved by the Architectural Control Committee. Transformers, electric, gas or other meters of any type, or other utility apparatus shall be contained within the buildings constructed on Lots or, if adequately screened in a manner approved by the Architectural Control Committee, the same may be located on the exterior of buildings.

Section 24 Governmental Requirements Nothing herein contained shall be deemed to constitute a waiver of any governmental requirements applicable to any Lot and all applicable governmental requirements or restrictions relative to the construction of Improvements on and/or use and utilization of any Lot shall continue to be applicable and shall be complied with in regard to the Lots. Provided, that in any instance in which the provisions of this Declaration impose a more restrictive requirement than the applicable governmental requirements or restrictions, the provisions of this Declaration shall control.

ARTICLE IX
ARCHITECTURAL CONTROL

Section 1 General Anything contained in this Declaration to the contrary notwithstanding, no site preparation on any Lot, no change in grade or slope of any Lot, no construction or placement of any building or exterior additions or alterations to any building situated upon a Lot, and

no construction of or changes or additions to any other structure or Improvement on a Lot shall be commenced, nor shall any of the same be placed, maintained or allowed to remain, on any Lot until the "Architectural Control Committee" (appointed as hereinafter provided) has approved the plans and specifications therefore and the location of such Improvements.

Section 2 Composition Through and including December 1, 2012, Declarant shall annually appoint the members of the Architectural Control Committee which will be composed of at least three (3) individuals (the exact number of members of the Architectural Control Committee to be designated by Declarant from time to time), each generally familiar with residential and community development design matters and knowledgeable about the Declarant's concern for a high level of taste and design standards within the Project. In the event of the death or resignation of any member of the Architectural Control Committee, Declarant, for so long as it has the authority to appoint the members of the Architectural Control Committee, and thereafter, the Board, shall have full authority to designate and appoint a successor. No member of the Architectural Control Committee shall be liable for claims, causes of action or damages (except where occasioned by gross negligence or willful misconduct of such member) arising out of services performed pursuant to this Declaration. Subsequent to December 1, 2012 (and earlier if Declarant specifically assigns this right to the Board), the Board shall designate the number of and appoint the members of the Architectural Control Committee. At any time and from time to time Declarant may assign to the Board its right to appoint members of the Architectural Control Committee.

The Declarant (and the Board when applicable), in its discretion, may at any time and from time to time appoint two separate Architectural Control Committees, one for the purpose of reviewing plans, specifications and site plans for initial Improvements to be constructed or placed on a Lot, and another to review plans, specifications and site plans for subsequent new improvements and changes in and additions to existing Improvements on a Lot, the specific division of such reviews to be as specified by the Declarant (or the Board when applicable). Each such Architectural Control Committee separately shall be subject to and shall comply with the provisions of this Declaration applicable to the Architectural Control Committee and the review of plans, specifications and site plans.

Section 3 Procedure No exterior Improvement of any kind or nature shall be constructed, repaired, replaced, remodeled, placed or allowed to remain on any Lot until all plans and specifications therefore and a site plan therefore have been submitted to and approved in writing by the Architectural Control Committee, as to:

- (a) Type of materials, adequacy of site dimensions and facing of main elevation with respect to nearby streets;
- (b) Conformity and harmony of the external design, color, type and appearance of exterior surfaces and compatibility with existing Improvements within the Property;
- (c) Location of the Improvement on a Lot and effect of location and use on neighboring Lots and Improvements situated thereon;
- (d) Provisions for handling water drainage;
- (e) Compliance with the provisions of this Declaration and compliance with any architectural guidelines that may be established from time to time by Declarant (or by the Board when the Board has the right to appoint the members of the Architectural Control Committee,

or by the Architectural Control Committee, if such power is delegated to it by Declarant or the Board otherwise possessing such power).

Final plans and specifications for all Improvements proposed to be constructed on a Lot shall be submitted to the Architectural Control Committee for approval or disapproval in such format and in such numbers or sets (not to exceed three) as the Architectural Control Committee may require. The Architectural Control Committee is authorized to request the submission of samples of proposed construction materials. At such time as the plans and specifications meet the approval of the Architectural Control Committee, at least one complete set of plans and specifications shall be retained by the Architectural Control Committee and another complete set of plans and specifications shall be marked "Approved" and returned to the Lot Owner or such Owner's designated representative. If such plans and specifications are determined not to be in compliance with this Declaration, or if the same are otherwise unacceptable to the Architectural Control Committee because of inadequacy or noncompliance with respect to the provisions of this Section, one set of plans and specifications shall be returned to the Lot Owner marked "Disapproved, accompanied by a reasonable statement of items found not to be in compliance with this Declaration or otherwise unacceptable. Any modification or change in the plans and specifications submitted to and approved by the Architectural Control Committee must again be submitted to the Architectural Control Committee for its inspection and approval in accordance with requirements established by the Architectural Control Committee. The Architectural Control Committee's approval or disapproval, as required herein, shall be in writing. The Declarant (or the Board, when the Board has the right to appoint members of the Architectural Control Committee, or the Architectural Control Committee, when such power has been delegated to it by the Declarant or the Board possessing such power), may from time to time adopt procedures for conducting the architectural reviews and other duties of the Architectural Control Committee, provided that such procedures do not conflict with the specific requirements of this Declaration.

The Declarant (or the Board, when the Board has the right to appoint members of the Architectural Control Committee, or the Architectural Control Committee, when such power has been delegated to it by the Declarant or the Board possessing such power) at any time and from time to time may establish architectural guidelines for one or more types of Improvements to be constructed on a Lot, which guidelines shall be fair and reasonable, and shall carry forward the spirit and intention of this Declaration. Although the Architectural Control Committee shall not have unbridled discretion with respect to taste, design and any standards specified herein or in such guidelines, the Committee shall be responsive to technological advances or general changes in architectural designs and materials and related conditions in future years and use its best efforts to balance the equities between matters of taste and design (on the one hand) and use of private property (on the other hand). Subject to the specific terms and conditions of this Declaration, different architectural guidelines may be promulgated and applied to different phases, or subdivisions, within the Project. Such guidelines shall supplement, but not supersede, the provisions of this Declaration and may be more (but not less) restrictive than the specific provisions of this Declaration. Provided, however, if there is a conflict between any such guideline and the specific provisions of this Declaration, any Supplemental Declaration or any recorded declaration of covenants, conditions and restrictions applicable to any subdivision or section in the Project, the provisions of this Declaration, such Supplemental Declaration or such other recorded declaration shall control.

Section 4 Jurisdiction. In addition to the foregoing, the Architectural Control Committee is authorized and empowered to consider and review any and all aspects of the construction of any Improvements on a Lot which may, in the reasonable opinion of the Architectural Control Committee, adversely affect the living enjoyment of one or more Owners or the general value of the Property or the Project.

Section 5 Enforcement. The Architectural Control Committee shall have a specific, nonexclusive right (but not obligation) to enforce the provisions contained in this Article of this Declaration and/or to prevent any violation of the provisions contained in this Article of this Declaration by a proceeding at law or in equity against the person or persons violating or attempting to violate any such provisions.

Section 6 Failure of the Architectural Control Committee to Act If the Architectural Control Committee fails to approve or disapprove any plans, specifications and other submittals which conform with the requirements for such submittals established as provided herein or to reject them as being inadequate or unacceptable within thirty (30) days after submittal thereof to the Architectural Control Committee, and provided such submittal was a full and complete submittal of all items required by this Declaration and any applicable architectural guidelines to have been submitted to the Architectural Control Committee, it shall be conclusively presumed that the Architectural Control Committee has approved such conforming plans and specifications and other submittals, except that the Architectural Control Committee has no right or power, either by action or failure to act, to waive or grant any variances relating to any mandatory requirements specified in this Declaration, in any applicable Supplemental Declaration, or of any applicable governmental entity. If plans and specifications or other submittals are not sufficiently complete or are otherwise inadequate, the Architectural Control Committee may reject them as being inadequate or may approve or disapprove the same in part, conditionally or unconditionally, and reject the balance.

Section 8 Miscellaneous. No member of the Architectural Control Committee shall be entitled to compensation for, or be liable for, claims, causes of action or damages (except where occasioned by gross negligence or arbitrary and capricious conduct) arising out of, services performed pursuant to this Declaration. The Association may reimburse members of the Architectural Control Committee for reasonable out-of-pocket expenses.

**ARTICLE X
EASEMENTS**

Section 1 Easements Reserved by Declarant

(a). Easements for installation, maintenance, repair, replacement, use, operation and removal of utilities, drainage facilities and impoundments are reserved by Declarant for itself, its successors and assigns, over, under and across the Lots (other than the portions thereof used as building sites), and in any event over no less than a five (5) foot strip inside of and adjacent to the front, rear and side property boundaries of each Lot. Full right of ingress and egress shall be had by Declarant at all times over the Lots (other than the portions thereof used as building sites) for the installation, use, operation, maintenance, repair, replacement or removal of any

utility, drainage facility or impoundment, together with the right to remove any obstruction that may be placed in any easement that would constitute interference with the use of such easement, or with the use, installation, maintenance, repair, replacement, removal or operation of same. Assignees to whom Declarant reserves the right to assign and convey, in whole or in part, the easements reserved by it hereunder shall include, without limitation, the Association and one or more governmental entities or public utility companies.

(b). Declarant and the Association reserve the right to subject the Property to a contract with Carolina Power And Light Company for the installation of above ground or underground electric cables and lines and/or the installation of street lighting, either or both of which may require an initial payment and/or a continuing monthly payment to Carolina Power And Light Company by each Owner.

Section 2 Easement Reserved for the Association Full rights of ingress and egress shall be had by the Association at all times over and upon each Lot for the maintenance and repair of each Lot in accordance with the provisions hereof and for the carrying out by the Association of its rights, powers, duties and obligations hereunder; provided, that any such entry by the Association upon any Lot shall be made with as minimum inconvenience to the Owner as reasonably practicable, and any damage caused as a result of the gross negligence of the Association's employees or agents shall be repaired by the Association at the expense of the Association.

Section 3 Easement Reserved for Governmental Entities and Public Utilities An easement is hereby established for municipal, state or public utilities serving the Project, and their agents and employees, over all Lots and over Common Areas hereby or hereafter established, for the purpose of setting, removing and reading utility meters, maintaining, repairing and replacing utility or drainage connections, and acting for other purposes consistent with the public safety and welfare, including, without limitation, police and fire protection.

Section 4 Easements Shown On Recorded Maps Declarant, for itself, its successors and assigns (including, without limitation, governmental entities and the Association), and in addition to those easements reserved in this Declaration, hereby reserves easements in the locations and for the purposes shown and indicated on all maps of Lots subject to this Declaration that are recorded in the Wake County, North Carolina Registry, and, for the purpose of exercising and implementing such easement rights, Declarant and the Association shall have the right of ingress, egress and regress over and upon those easement areas. The rights reserved by this Section include, without limitation, the right to construct, alter, place, maintain, repair, replace and use in the easement areas identified on such maps, all Improvements deemed necessary in the reasonable discretion of the Declarant or the Association, for the full exercise of such easements.

ARTICLE XI

Section 1 Duty of Maintenance. The Owner of each Lot in the Property shall have the duty and responsibility, at such Owner's sole cost and expense, to keep and maintain such Lot, including all Improvements thereon, ground and drainage easements or other rights-of-way incident thereto, in

accordance with the terms and provisions of the Declaration and in a well- maintained, safe, clean and attractive condition at all times. Such maintenance includes, but is not limited to, the following:

- (a) Prompt removal of all litter, trash, refuse and wastes;
- (b) Lawn mowing and maintenance on a regular basis;
- (c) Tree and shrub pruning and removal of dead or diseased trees and shrubs;
- (d) Watering by means of a lawn sprinkler system or hand watering as needed;

- (i) Keeping parking areas and driveways in good repair;
- (j) Complying with all governmental health and police requirements;
- (k) Repainting of improvements; and
- (l) Repair of exterior damage to improvements.

In the event that any Owner shall fail to maintain and repair such Owner's Lot and/or such Improvements as required hereunder, the Association, in addition to all other remedies available to it hereunder or at law or in equity, and without waiving any of such alternative remedies, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements (including, without limitation, all Improvements) erected thereon; and each Owner (by acceptance of a deed for a Lot) hereby covenants and agrees to repay to the Association the cost thereof immediately upon demand, and the failure of any such Owner to pay the same shall carry with it the same consequences as the failure to pay any assessment hereunder when due. The Association, at the cost of the Owner of the affected Lot, shall, if the Owner of such affected Lot fails to promptly (and in any event, within sixty(60) days following the date of the casualty) do so following the date of occurrence of the hereinafter described damage, cause any and all improvements situated upon a Lot which are damaged or destroyed by fire or other casualty to be repaired and/or removed so as not to present an unsightly appearance and/or unsafe condition, with the cost of same to be charged to and collected from the Owner in the manner provided in this Section.

Section 2 Owner's Obligations to Repair Except for those portions, if any, of each Lot which the Association is required to maintain or repair hereunder, each Owner shall, at such Owner's sole cost and expense, maintain and repair such Owner's Lot and the Improvements situated thereon, keeping the same in good condition and repair and in compliance with the covenants, conditions and restrictions herein contained. In the event that any Owner shall fail to maintain and repair such Owner's Lot and/or such Improvements as required hereunder, the Association, in addition to all other remedies available to it hereunder or at law or in equity, and without waiving any of such alternative remedies, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements (including, without limitation, all Improvements) erected thereon; and each Owner (by acceptance of a deed for a Lot) hereby covenants and agrees to repay to the Association the cost thereof immediately upon demand, and the failure of any such Owner to pay the same shall carry with it the same consequences as the

failure to pay any assessment hereunder when due. The Association, at the cost of the Owner of the affected Lot, shall, if the Owner of such affected Lot fails to promptly (and in any event, within sixty (60) days following the date of the casualty) do so following the date of occurrence of the hereinafter described damage, cause any and all improvements situated upon a Lot which are damaged or destroyed by fire or other casualty to be repaired and/or removed so as not to present an unsightly appearance and/or unsafe condition, with the cost of same to be charged to and collected from the Owner in the manner provided in this Section.

Section 3 Enforcement If any such Owner (or occupant of such Owner's Lot) has failed in any of the duties or responsibilities of such Owner as set forth in this Declaration, then the Association or Declarant may give such Owner written notice of such failure and such Owner must, within ten (10) days after receiving such notice (which notice shall be deemed to have been received upon deposit in an official depository of the United States mail, addressed to the party to whom it is intended to be delivered, and sent by certified mail, return receipt requested), perform the care and maintenance required or otherwise perform the duties and responsibilities of such Owner. Should any such Owner fail to fulfill this duty and responsibility within such period, then the Association or the Declarant, acting through its authorized agent or agents, shall have the right and power to enter onto the premises and perform such care and maintenance without any liability to any Person for damages for wrongful entry, trespass or otherwise. The Owner of a Lot on which such work is performed shall be liable to the Declarant or the Association for the cost of such work, together with interest on the amounts expended by the Association or the Declarant in performing such work computed at the highest lawful rate from the date(s) such amounts are expended until repaid, and for all costs and expenses (including attorney fees) incurred by Declarant or the Association in seeking the compliance of such Owner with the duties and responsibilities of Owners hereunder, and shall reimburse the Association or the Declarant, as the case may be, on demand for such costs and expense (including attorney fees and interest). If such Owner shall fail to reimburse the Association or the Declarant, as the case may be, within thirty (30) days after mailing to such Owner of a statement for such costs and expense by the Association or the Declarant, then, without limitation of any other rights of the Association or Declarant, the Association may issue a special assessment against such Owner, and may enforce and collect the same, as provided in the Sections of this Declaration relating to assessing, enforcing and collecting assessments.

ARTICLE XII

Section 1 Duration. This declaration and the terms, covenants, restrictions and provisions set forth herein shall run with and bind the Property and shall inure to the benefit of every Owner of a Lot in the Property, including the Declarant, and their respective heirs, successors, and assigns, for a term beginning on the date this Declaration is recorded and continuing through and including December 31, 2050. At such time, the easements, covenants, conditions and restrictions herein shall be automatically extended for successive period(s) of ten (10) years each unless, at a duly called annual or special meeting of the Association at which a quorum is present held prior to the expiration of the applicable time period, termination of this Declaration is approved by the affirmative vote of seventy-

five percent (75%) or more of the votes entitled to be cast by the Members present or represented by proxy. A vote by the membership on termination of this Declaration may be held only upon presentation to the Association of a petition for termination signed by Members possessing no less than twenty-five percent (25%) of the total eligible vote of the membership of the Association, which petition, in the case of an annual meeting of the Association, shall be presented to the Association prior to the date that notice of the annual meeting is sent to the Members. The Association shall give written notice of any annual or special meeting at which termination of this Declaration is to be considered and voted upon to all Owners at least thirty (30) days in advance of the date of such meeting, which notice shall set forth that termination of this Declaration will be considered and voted upon at such meeting. If the membership votes to terminate this Declaration, such termination shall be effective upon the expiration of the then applicable time period for which the Declaration is in existence, or shall be effective on such date thereafter as may be specified in the resolution of termination passed by the membership as required herein (it being the intention of this Section, notwithstanding anything to the contrary appearing herein, that if the membership has voted to terminate this Declaration, the membership may set a date of termination that may result in this Declaration continuing to be in effect for a period of less than ten (10) years following the expiration of a preceding time period in which this Declaration was in effect).

The quorum required at the annual or special meeting at which termination of this Declaration is to be considered by the membership pursuant to the petition filed with the Association shall be the presence of Members plus proxies entitled to cast sixty percent (60%) or more of the total vote of the membership. If the Members vote to terminate this Declaration in accordance with the foregoing requirements, then the President and Secretary of the Association shall execute in recordable form a certificate which shall set forth at least the following information: the Resolution of Termination adopted by the Association, the date of the meeting of the Association at which such resolution was adopted; the date that notice of such meeting was given, the total number of votes required to constitute a quorum at such meeting; the total number of votes present at such meeting; the total number of votes necessary to adopt the resolution terminating the Declaration the total number of votes cast in favor of such resolution; and the total number of votes cast against the resolution. Such certificate shall be recorded in the Wake County, North Carolina Registry no later than thirty (30) days following the date such resolution of termination is passed by the membership, and such certificate may be relied upon for the correctness of the facts contained therein as they relate to the termination of this Declaration.

Section 2 Amendment. Subject to the limitations hereinafter contained, this Declaration or any Supplemental Declaration hereto may be amended or modified at any time by the affirmative vote of seventy-five percent (75%) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a duly called annual or special meeting of the Association at which a quorum is present. Written notice of any such meeting shall be given to all Members at least thirty (30) days in advance of the date of such meeting, which notice shall set forth the amendments to be voted upon at such meeting. Notwithstanding anything contained hereinabove, it is understood and

agreed that the consent of Declarant in writing to any amendment or modification of this Declaration or of any Supplemental Declaration must first be obtained if such amendment or modification is to be effective prior to January 1, 2013. Notwithstanding the foregoing requirements for amending this Declaration, Declarant may make minor amendments or modifications hereof which do not involve a change which materially affects the rights, duties or obligations specified herein if Declarant first obtains the affirmative vote of a majority of the total number of votes entitled to be cast by all Members present or represented by proxy at a duly called annual or special meeting of the Association at which a quorum is present. If any amendment to this Declaration is approved as required herein, the President and Secretary of the Association shall execute an amendment to this Declaration which shall set forth the amendment, the effective date of the amendment (which in no event shall be less than thirty (30) days following the date of the meeting at which such amendment was adopted by the membership), the date of the meeting of the Association at which such amendment was adopted, the date that notice of such meeting was given, the total number of votes required to constitute a quorum at such meeting, the total number of votes present at such meeting, the total number of votes necessary to adopt the amendment, the total number of votes cast in favor of such amendment and the total number of votes cast against the amendment. Such amendment shall be recorded in the Wake County, North Carolina Registry within thirty (30) days following the date of the meeting at which such amendment was adopted. Provided, however, and notwithstanding the foregoing or anything else to the contrary that may appear herein, no amendment to this Declaration adopted by the Members in the manner prescribed herein shall be void or invalid solely because the same is not recorded in the Wake County Registry within said thirty (30) day period following the date of the meeting at which it was adopted, and any such duly adopted amendment recorded after the end of said thirty (30) day period shall be effective on the later of the effective date specified therein or the date it is recorded in the Wake County, North Carolina Registry; further provided, and notwithstanding the foregoing or anything else to the contrary that may appear herein, if any such duly adopted amendment fails to specify its effective date, it shall become effective on the later of the date it is recorded in the Wake County, North Carolina Registry or the 31st day following the date of the meeting at which it was adopted. All previous amendments to the Declaration adopted by the Members of the Association in the manner prescribed by the Declaration, including, without limitation, all the amendments contained in the '(Amended and Restated) Declaration of Covenants Conditions And Restrictions For Preston' recorded in the Wake County, North Carolina Registry in Book 5740, Page 0774, are hereby ratified and confirmed, regardless of whether or not the same were recorded in the Wake County, North Carolina Registry within thirty (30) days following the meeting at which they were adopted by the Members.' The foregoing shall not limit the rights of Declarant under Article II of this Declaration. In addition to the foregoing rights, and notwithstanding anything to the contrary that may appear herein, Declarant may (at Declarant's option) at any time and from time to time amend or modify this Declaration and any Supplemental Declaration without obtaining the consent or approval of the Members or any other person or entity if such amendment or modification is necessary for any one or more of the following purposes: to correct an obvious typographical error; to cause this Declaration or any such Supplemental Declaration to comply with the requirements of FHA (Federal Housing Administration), VA (Veterans Administration), Fannie Mae (Federal National Mortgage Administration) or other similar agency; or as may be necessary to

establish or maintain the tax exempt status of the Association under the laws of the United States or the State of North Carolina.

Amendments for consideration by the Members may be proposed by the Declarant, or by resolution adopted by the Board, or by written petition signed by the Class A Members possessing twenty percent (20%) or more of the total votes of the Class A Membership.

Section 3 Dissolution or Insolvency of the Association. The Association shall be dissolved upon the termination of this Declaration, or upon the written assent given in writing and signed by not less than two-thirds (2/3) of the Members of each class of membership, or upon such more restrictive or additional conditions and in such manner as otherwise provided by the laws of the State of North Carolina. Upon dissolution or insolvency of the Association or upon loss of ownership of the Common Area (once such ownership has been acquired) by the Association for any reason whatsoever (except for exchange or dedication or conveyance of any part or all of the Common Area as allowed by this Declaration or by reason of merger and/or consolidation with any other association as allowed by this Declaration), any portion of the Common Area not under the jurisdiction of and being maintained by another association substantially similar to the Association, together with all other assets of the Association, shall be offered to the Town of Cary, North Carolina, or to some other appropriate governmental entity or public agency (as determined by the Board) to be dedicated for public use for purposes similar to those to which the Common Area and such assets were required to be devoted by the Association. If the Town of Cary or such other appropriate governmental entity or public agency accepts the offer of dedication, such portion of the Common Area and assets shall be conveyed by the Association to the Town of Cary or such other appropriate governmental entity or public agency, subject to the superior right of the Owner of each Lot to an easement (if necessary) for reasonable ingress and egress to and from such Owner's Lot and the public or private street(s) on which such Lot is located, and subject to all other applicable rights of way and easements and subject to ad valorem property taxes subsequent to the date of such conveyance.

In the event that the Town of Cary or such other appropriate governmental entity or public agency refuses the offer of dedication and conveyance, the Association may transfer and convey such Common Area and assets to any nonprofit corporation, association, trust or other entity which is or shall be devoted to purposes and uses that would most nearly conform to the purposes and uses to which the Common Area was required to be devoted by this Declaration, such conveyance to be made subject to the rights of Owners and other matters set forth in the immediately preceding paragraph.

Section 4 Enforcement Declarant, the Association, and every Owner shall have the right to Enforce the terms, covenants, conditions, restrictions, easements, charges and liens for which provision is made in this Declaration, which enforcement shall be by any proceeding at law or in equity (or otherwise, as provided in this Declaration) against any Person violating or attempting to violate any such term, covenant, condition, restriction, easement, charge or lien either to restrain violation or to recover damages, and against the land, to enforce any lien created by these covenants; and failure by the Association, Declarant or any Owner to enforce any such term, covenant, condition, restriction, easement, charges or lien shall in no event be deemed a waiver of the right to do so thereafter or a waiver of any other or future violation of any of same.

Section 5 Severability of Provisions. If any paragraph, section, sentence, clause or phrase of this declaration shall be or become illegal, null or void for any reason or shall be held by any court of

competent jurisdiction to be illegal, null or void, the remaining paragraphs, sections, sentences, clauses and phrases of this declaration shall continue in full force and effect and shall not be affected thereby. It is hereby declared that said remaining paragraphs, sections, sentences, clauses and phrases would have been and are imposed irrespective of the fact that any one or more other paragraphs, sections, sentences, clauses or phrases shall become or be illegal, null or void.

Section 6 Notice Except as otherwise provided herein, whenever written notice to an Owner (including Declarant) is required hereunder, such notice shall be given by the mailing of same, postage prepaid, to the address of such Owner appearing on the records of the Association. If notice is given in such manner, such notice shall be conclusively deemed to have been given by placing same in the United States mail properly addressed, with postage prepaid, whether received by the addressee or not. It shall be the duty of each Owner to keep the Association informed of such Owner's current mailing address and telephone number. If an Owner has not provided the Association with the Owner's current mailing address the Association may use the street address of such Owner's Lot for that Owner's mailing address.

Section 8 Number and Gender. Whenever the context of this Declaration requires, the singular shall include the plural and one gender shall include all.

Section 9 No Exemption. No Owner or other party may exempt himself from the coverage hereof or obligations imposed hereby by non-use or abandonment of such Owner's Lot(s) or the Common Area.

Section 10 Subdivision Covenants. It is contemplated by Declarant that within the Project there will be a number of separate, distinct residential subdivisions or sections that will be subjected to this Declaration. It is further contemplated by Declarant that, because of varying lot sizes, marketing considerations and other factors, it may be necessary or desirable to impose additional and different covenants, conditions and restrictions on such subdivisions or sections which are applicable solely to such subdivision or section. Accordingly, in addition to any other rights reserved to Declarant herein, Declarant further reserves the right to subject such subdivisions and sections to additional and different subdivision restrictive covenants as Declarant, in its discretion, may from time to time determine. This right also includes the right to subject more than one subdivision or section to the same subdivision restrictive covenants.

Section 11 FHA/VA Approval Notwithstanding any provision in this Declaration to the contrary, through and including December 31, 2012, the following actions shall require the approval of the Federal Housing Administration (FHA) or Veterans Administration (VA) if the Declarant desires to qualify parts or all of the Property for FHA or VA approvals: (i) annexation of Additional Property; (ii) amendment of this Declaration or of any applicable Supplemental Declaration; (iii) mergers and consolidations involving the Association; (iv) mortgaging of Common Area; (v) dissolution of the Association; and (vi) exchange of Common Area.

Section 13 Conflict between Declaration and Articles, Bylaws. Whenever there exists a conflict between the provisions of this Declaration and the Articles or Bylaws, the provisions of this Declaration shall control, and whenever there is a conflict between the provisions of the Articles and Bylaws, the provisions of the Articles shall control.

Section 14 Laws of North Carolina. This Declaration shall be subject to and construed in accordance with the laws of the State of North Carolina and all applicable laws and regulations of the United States of America.

Section 16 Golf Course. Declarant hereby informs all Owners of the Lots subject to this Declaration, as well as all family members, guests and invitees of such Owners, that the Lots subject to this Declaration are part of the Project and that located in the Project is a private country club (presently named "Prestonwood Country Club"), which includes a club house, swimming pool, tennis courts and a golf course facility. The golf course facility, as of September 1, 1991, includes a driving range, two practice greens, 27 regulation golf holes and 4 practice golf holes. Subsequent to September 1, 1991, the golf course is being expanded to include 45 or more regulation golf holes.

Declarant hereby further informs all such Owners, and their family members, guests and invitees, that there exist certain hazards or risks associated with the ownership and use of property located adjacent to or near a golf course, including, without limitation, the risk of personal injury or property damage resulting from golf balls, golf carts and golf course maintenance equipment, and that such risks exist with respect to the ownership and use of Lots in the Project. Each Owner, by acceptance of a deed to such Owner's Lot, specifically acknowledges the existence of the foregoing risks and interference with the use and enjoyment of such Lot by said Owner and said Owner's family members, guests and invitees, which risks and interference arise out of and are associated with the usual and normal use and operation of a golf course.
