The figure is a map interface showing a street network in Cary, NC. A popup window is open over a street, displaying the following information:

- Ownership**: Town
- Powell Bill Status**: Accepted
- Subdivision**: Taylor's Pond
- Phase**: 0
- Jurisdiction**

The map includes a scale bar (50 m, 300 ft), a compass, and a legend. The map data is powered by Huwisa and OpenStreetMap contributors. The map shows a street network with a red line indicating the selected street. The popup window is titled 'Ownership' and lists the following information:

- Ownership**: Town
- Powell Bill Status**: Accepted
- Subdivision**: Taylor's Pond
- Phase**: 0
- Jurisdiction**
