DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS

FOR

WENDELL FALLS COMMERCIAL PROPERTIES

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS is made by NASH WENDELL FALLS, LLC, a Delaware limited liability company authorized to do business in North Carolina, on behalf of itself, its successors, and assigns ("**Declarant**").

Article I **Creation of the Community**

1.1. Purpose and Intent.

Declarant, as the owner of the real property described in Exhibit "A," intends by this Declaration to establish a general plan of development for those properties which it designates for Commercial Use (as defined herein) within the master planned community known as Wendell Falls. An integral part of the development plan is the creation of Wendell Falls Commercial Association, Inc., a nonprofit corporation whose membership is comprised of all owners of real property submitted to this Declaration (the "**Association**"), to own, operate and/or maintain various common areas and community improvements and to administer and enforce this Declaration and the other Governing Documents referenced in this Declaration.

1.2. Binding Effect.

This Declaration shall constitute a covenant running with the title to all property described in Exhibit "A" and such additional property, if any, as is hereafter submitted to this Declaration by a Supplemental Declaration recorded pursuant to Article IX (collectively, the "**Properties**"). The Properties shall be owned, conveyed and used subject to the provisions of this Declaration, which shall be binding upon and shall be enforceable by all Persons now or hereafter having any right, title, or interest in any portion of the Properties, and their heirs, successors, successors-in-title, and assigns. In addition, this Declaration shall be enforceable by Declarant, the Association, Wendell Falls Community Association, Inc., and their respective legal representatives, successors, and assigns, whether or not such entities hold any interest in any portion of the Properties.

This Declaration, as it may be amended, is intended to have perpetual duration, subject to termination in accordance with the procedures set forth in Article XIX. However, if any provision of this Declaration would be invalid, void, or voidable by reason of any N.C.G.S. Chapter 41, Article 2, or any other applicable North Carolina law imposing time limits on certain property interests or arrangements, such provision shall expire on the later of 90 years after the date of recording of this Declaration or such earlier date as mandated by such statute, unless this Declaration is terminated prior to such date in accordance with Article XIX. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the holder of such easement.

1.3. Governing Documents.

The governing documents for the Properties consist of:

- this Declaration and such Supplemental Declarations as may be recorded from time to time pursuant to Article IX;
- the Association's Articles of Incorporation and By-Laws;
- the Design Guidelines described in Article IV; and
- the Rules described in Article III;
- such resolutions as the Association's Board of Directors may adopt from time to time;

all as they may be amended ("**Governing Documents**").

In the event of a conflict between or among any of the Governing Documents, the documents shall be given priority in the order listed above. Some areas within the Community may be subject to additional covenants, restrictions and easements. If there is a conflict between the Governing Documents and any such additional covenants or restrictions, the Governing Documents shall control. For purposes of this provision, a "conflict" shall exist when requirements of a document and applicable law, or two or more documents, are inconsistent and mutually exclusive, making compliance with all such requirements impossible. If two or more documents or laws impose requirements that address the same matter, but are not inconsistent or mutually exclusive, both shall be complied with, it being the intent that the Governing Documents shall supplement, and may be more restrictive or expansive than, applicable law to the extent permitted by applicable law, and that one document may be more restrictive or detailed than another so long as not in conflict with the document that would control under this paragraph in the event of a conflict.

The Governing Documents apply to all Owners, tenants, and occupants of any portion of the Properties, as well as to their respective employees, guests and invitees. If a Unit is leased, the tenant and all occupants of the leased premises are bound by and obligated to comply with the Governing Documents and the lease shall so provide.

The Association, the Declarant, and every Owner shall have the right to take legal action to enforce the Governing Documents. The Association shall have the specific enforcement powers and remedies described in Section 7.5 and elsewhere in the Governing Documents.

If a court should determine that any provision of this Declaration is invalid, or invalid as applied in a particular instance, such determination shall not affect the validity of other provisions or other applications of such provision.

Article II Concepts and Definitions

2.1. Defined Terms.

The terms used in the Governing Documents shall generally be given their natural, commonly accepted definitions unless otherwise specified. Capitalized terms shall be defined as set forth below.

"Additional Association": a condominium association or other owners association, if any, having jurisdiction over any portion of the Properties concurrent with (but subject to) the jurisdiction of Wendell Falls Commercial Association, Inc. Nothing in this Declaration shall require the creation of any Additional Associations.

"Area of Common Responsibility": the Common Area, together with such other areas, if any, for which the Association has or assumes responsibility pursuant to the terms of this Declaration, any Supplemental Declaration, or other applicable covenants, contracts, or agreements.

"Articles": the Articles of Incorporation of Wendell Falls Commercial Association, Inc., filed with the Office of the Secretary of State, State of North Carolina, as they may be amended.

"Association": Wendell Falls Commercial Association, Inc., a North Carolina non-profit corporation, its successors or assigns.

"Board of Directors" or "Board": The body responsible for administration of the Association, selected as provided in the By-Laws and generally serving the same role as the board of directors under North Carolina corporate law.

"By-Laws": The By-Laws of Wendell Falls Commercial Association, Inc., as they may be amended. A copy of the initial By-Laws is attached to this Declaration as Exhibit "F."

"Class "B" Control Period": The period of time during which the Declarant, as the Class "B" Member, is entitled to appoint a majority of the members of the Board, as provided in Article III of the By-Laws. The Class "B" Control Period shall terminate no later than 90 days after the first to occur of the following:

(a) the date that (i) certificates of occupancy have been issued for structures on Units containing 80% of the maximum floor area which the Development Agreement (as defined below) would permit to be developed for Commercial Use (as defined below) within that real property specifically described on Exhibits "A" and "B" of this Declaration and (ii) such Units have been conveyed to Persons other than the Declarant or a Declarant Affiliate; or

(b) 20 years from the date of recording of this Declaration; or

(c) such earlier date as the Class "B" Member, in its sole discretion, executes and records a written notice voluntarily terminating the Class "B" Control Period.

Temporary suspension of the Class "B" Membership pursuant to Section 6.2(a) shall not affect the Class "B" Control Period.

"Commercial Use": A land use permitted by the Development Agreement, other than residential uses, roads, parks, open space, greenways, public schools, and civic uses; provided, for purposes of this definition, multi-family rental apartments, congregate care facilities, nursing homes, assisted living facilities, and similar facilities providing living quarters and specialized services for elderly or disabled persons who do not own such living quarters shall not be considered a "residential use." Commercial Uses may include, by way of example and not limitation, office, institutional, retail, restaurant, and neighborhood business uses.

"Common Area": All real and personal property, including easements, which the Association owns, leases or otherwise holds possessory or use rights in for the common use and enjoyment of the Owners and occupants of Units. The term shall include the Limited Common Area, as defined below.

"Common Expenses": The actual and estimated expenses which the Association incurs, or expects to incur, for the general benefit of all Owners in performing its responsibilities and exercising its rights and powers under the Governing Documents, including any reasonable reserves, as the Board may find necessary or appropriate pursuant to the Governing Documents. Common Expenses shall not include any expenses incurred during the Class "B" Control Period for initial development or other original construction costs unless approved by Members representing a majority of the total Class "A" votes in the Association and by the Class "B" Member, except that payments due under leases of capital improvements such as street lights, and costs of purchasing or installing capital improvements such as street lights or an irrigation well to reduce other ongoing Common Expenses, if the Board determines such purchase to be in the best interests of the Association, shall not be considered an initial development expense or original construction cost subject to this limitation.

"Community-Wide Standard": The standard of conduct, maintenance, or other activity generally prevailing within the Properties, or the minimum standards established pursuant to the Design Guidelines, Rules, and Board resolutions, whichever is the highest standard. Declarant initially shall establish such standard and it may contain both objective and subjective elements. The Community-Wide Standard may evolve as development progresses and as the needs and desires within the Properties change.

"Covenant to Share Costs": any declaration of easements and/or covenant to share costs which Declarant executes and records that creates certain easements for the benefit of the Association or the present and future owners of the real property described therein, and/or that obligates the Association and such owners to share the costs of maintaining certain mutually beneficial property or providing mutually beneficial services, as described in such Covenant to Share Costs.

"Declarant": NASH Wendell Falls, LLC, a Delaware limited liability company, or any successor or assign who takes title to any portion of the property described in Exhibits "A" or "B" for the purpose of development and/or sale and who the immediately preceding Declarant designates as Declarant in a recorded instrument.

"Declarant Affiliate": Any Person that controls, is controlled by, or is under common control with the Declarant, and any Person that is an owner, a member, a partner, or a shareholder of the Declarant.

"Design Guidelines": The guidelines and standards for design, construction, landscaping, and exterior items placed on Units adopted pursuant to Article IV, as they may be amended.

"Development Agreement": That development agreement entered into on or about June 26, 2006 between the Town of Wendell and Wendell Falls Development, LLC with respect to the Properties, as amended from time to time.

"Development and Sale Period": The period of time between the recording of this Declaration and the date as of which (i) the Declarant, any Declarant Affiliate, and Parcel Developers cease to own any property subject to this Declaration; (ii) the Declarant's right to unilaterally expand the Properties pursuant to Section 9.1 has expired; and (iii) every Unit has become an Improved Unit.

"General Assessment": Assessments levied on all Units subject to assessment under Article VIII to fund Common Expenses for the general benefit of all Units, as determined in accordance with Section 8.2.

"Governing Documents": This Declaration and any applicable Supplemental Declaration, the By-Laws, the Articles, the Design Guidelines, the Rules, and Board resolutions, all as they may be amended.

"Improved Unit": A Unit (as defined herein) which has been improved with a structure that has been issued a certificate of occupancy by the applicable governmental authority.

"Limited Common Area": A portion of the Common Area assigned, pursuant to Article XII, for the primary benefit or use of one or more, but less than all, Units.

"Master Plan": The land plan for the development of Wendell Falls approved by the Town of Wendell, North Carolina, as it may be supplemented and amended, which shall be deemed to include the property described on Exhibit "A" to this Declaration plus any additional property submitted to this Declaration or specifically described on Exhibit "B" and subject to unilateral annexation by the Declarant under Article IX. Inclusion of property on the Master Plan shall not, under any circumstances, obligate Declarant to submit such property to this Declaration, nor shall the omission of any property from the Master Plan bar its later submission to this Declaration as provided in Article IX.

"Member": A Person subject to membership in the Association pursuant to Section 6.2.

"Mortgage": A mortgage, a deed of trust, or any other form of security instrument affecting title to any Unit. The term **"Mortgagee"** shall refer to a beneficiary or holder of a Mortgage.

"Owner": One or more Persons who hold the record title to any Unit, but excluding in all cases any party holding an interest merely as security for the performance of an obligation. If a Unit is sold under a recorded contract of sale, and the contract specifically so provides, the purchaser (rather than the fee owner) will be considered the Owner.

"Parcel Developer": Any Person who acquires title to vacant land within the Properties for the purpose of constructing improvements thereon for resale or lease in the ordinary course of its business, and who is designated a "Parcel Developer" hereunder in a written instrument executed by the Declarant.

"Person": A natural person, a corporation, a partnership, a limited liability company, a trust, or any other legal entity.

"Properties": The real property described in Exhibit "A," together with such additional property as is made subject to the terms of this Declaration pursuant to Article IX.

"Public Records": The Office of the Register of Deeds of Wake County, North Carolina, or such other place as may be established for the recording of matters affecting title to real estate in Wake County, North Carolina.

"Residential Association": Wendell Falls Community Association, Inc., a North Carolina nonprofit corporation having jurisdiction over residential properties in Wendell Falls pursuant to the Residential Declaration, and its successors and assigns.

"Residential Declaration": The Declaration of Covenants, Conditions and Restrictions for Wendell Falls executed by NASH Wendell Falls, LLC, a Delaware limited liability company, and recorded or to be recorded in the Public Records, as it may be supplemented and amended.

"Residential Properties": The real property subject to the Residential Declaration, as it may be supplemented and amended from time to time.

"Rules": The initial Rules set forth in Exhibit "C," as they may be supplemented, modified and repealed pursuant to Article III.

"Service Area": A group of Units designated as a separate Service Area pursuant to Section 7.3 of this Declaration for purposes of sharing Limited Common Areas and/or receiving other benefits or services from the Association which are not provided to all Units. A Service Area may be comprised of more than one land use and may include noncontiguous parcels of property. A Unit may be assigned to more than one Service Area. Where the context permits or requires, the term "Service Area" shall also refer to any Service Area Committee established in accordance with the By-Laws to represent the interests of Owners of Units within a Service Area.

"Service Area Assessments": Assessments levied against the Units in a particular Service Area to fund Service Area Expenses, as described in Section 8.2.

"Service Area Expenses": The actual and estimated expenses which the Association incurs or expects to incur for the benefit of Owners within a particular Service Area, which may include a reasonable reserve for capital repairs and replacements and a reasonable administrative charge, as may be authorized pursuant to this Declaration or in the Supplemental Declaration(s) applicable to such Service Area.

"Special Assessment": Assessments levied in accordance with Section 8.3.

"Specific Assessment": Assessments levied in accordance with Section 8.4.

"Supplemental Declaration": An instrument recorded pursuant to Article IX which submits additional property to this Declaration, designates Service Areas, and/or creates or imposes additional easements, restrictions and obligations on the land described in such instrument.

"Unit": A portion of the Properties, whether improved or unimproved, depicted as a separately identified lot, parcel, or airspace on a recorded subdivision plat or in a recorded instrument creating a condominium under North Carolina law, which may be independently owned and is intended for development, use, and occupancy for a Commercial Use. The term shall not include Common Area or property dedicated to the public on any recorded plat. The term shall refer to the land, if any, which is part of the Unit as well as any improvements thereon. In the case of a property which has been submitted to a condominium regime with the Declarant's approval, each "unit" as defined by state law and/or the recorded condominium instruments shall constitute a separate "Unit" hereunder. A parcel of land under single ownership is considered a single Unit unless and until a subdivision plat or condominium instrument is recorded dividing it into more than one Unit.

Units may be combined or further subdivided, and boundary lines of Units may be changed, only by recording of a plat or other legal instrument further subdividing or resubdividing the parcel of property (which subdivision shall be subject to such other restrictions as may be set forth in this Declaration or the Rules).

"Wendell Falls": all of the real property described or depicted on the Master Plan, whether or not it has been made subject to this Declaration.

2.2. Interpretation of Certain References.

(a) Consent or Approval. All references in the Governing Documents to "consent" or "approval" shall refer to permission or approval that, unless otherwise expressly qualified in the specific provision, may be granted or withheld in the discretion of the Person whose consent or approval is required.

(b) Discretion and Determinations. All references in the Governing Documents to "discretion" or to the right to "determine" any matter shall refer to the sole and absolute power or right to decide or act and, unless otherwise expressly limited in the Governing Documents, a Person entitled to exercise discretion or make a determination may do so without regard to the

reasonableness of, and without the necessity of justifying, the decision, determination, action or inaction.

(c) Recording. All references in the Governing Documents to a "recorded" legal instrument, or to recordation or the recording of a legal instrument, shall refer to an instrument filed, or the filing of a legal instrument, in the Public Records.

Article III Use and Conduct; Insurance and Indemnification

3.1. Framework for Regulation.

The Governing Documents establish, as part of the general plan of development for Wendell Falls, a framework of affirmative and negative covenants, easements and restrictions that govern the Properties. The initial Rules attached as Exhibit "C" are a part of that framework. However, within that framework, the Declarant and the Association must have the ability to respond to unforeseen problems and changes in circumstances, conditions, needs, desires, and trends. Therefore, this Article establishes rulemaking authority and procedures for modifying and expanding the initial Rules set forth in Exhibit "C." This Article shall not apply to rules regulating use and operation of the Common Area, which the Board may adopt by resolution pursuant to Section 7.1(c), nor to administrative policies which the Board may adopt by resolution to interpret, define or implement any provision of the Governing Documents.

3.2. Rule Making Authority.

(a) Declarant Authority. So long as the Declarant has the right unilaterally to amend this Declaration pursuant to Section 18.1, the Declarant may unilaterally amend the Rules to add new Rules or to modify or rescind existing Rules.

(b) Board Authority. Subject to the terms of this Article and the Board's duty to exercise its powers in a reasonable, fair and nondiscriminatory manner, the Board may modify, cancel, limit, create exceptions to, or expand the Rules by majority vote of the directors at any meeting. However, during the Development and Sale Period, any such action shall be subject to the Declarant's prior written approval.

(c) Member Authority. Subject to the terms of this Article, Members may, at an Association meeting duly called for such purpose, modify, cancel, limit, create exceptions to, or expand the Rules then in effect upon approval of persons entitled to cast more than 50% of the total Class "A" votes in the Association. In addition, during the Development and Sale Period, any such action shall require the written consent of Declarant.

(d) Notice of Proposed Rule Change. The Board shall send notice to the Declarant, during the Development and Sale Period, and to all Owners or, in lieu of notice to the Owners, publish notice in a community newsletter or on a community intranet or website, concerning any Rule change proposed under subsections (b) or (c) above at least five business days prior to the meeting of the Board or Members at which such action is to be considered. At any such

meeting, Members and the Declarant shall have a reasonable opportunity to be heard before the proposed action is put to a vote.

(e) Effective Date. At least 30 days prior to any action taken under this Section becoming effective, the Board shall send a copy of the new rule or explanation of any changes to the Rules to each Owner and the Declarant. The Association shall provide, without cost, a copy of the Rules then in effect to any requesting Member or Mortgagee.

(f) Limitation. No action taken under this Article shall have the effect of modifying, repealing or expanding the Design Guidelines or any provision of this Declaration other than the initial Rules set forth in Exhibit "C," as they may have previously been amended pursuant to this Article.

3.3. Owners' Acknowledgment and Notice to Purchasers.

ALL OWNERS ARE GIVEN NOTICE THAT USE OF THEIR UNITS AND THE COMMON AREA IS LIMITED BY THE RULES AS AMENDED, EXPANDED AND OTHERWISE MODIFIED FROM TIME TO TIME. Each Owner, by acceptance of a deed, acknowledges and agrees that the use and enjoyment and marketability of his or her Unit can be affected by this provision and that the Rules may change from time to time. All purchasers of Units are on notice that the Association may have adopted changes. Copies of the current Rules may be obtained from the Association.

3.4. Protection of Owners and Others.

Except as may be set forth in this Declaration (either initially or by amendment) or in the initial Rules set forth in Exhibit "C," all Rules shall comply with the following provisions:

(a) Reasonableness. Rules shall bear a rational relationship to legitimate interests of the Association and shall not be unreasonable.

(b) Signs and Displays. No Rule shall prohibit Owners or occupants of Units from displaying on their respective Units signs or lettering identifying a legitimate business operated within the Unit; however, the Design Guidelines may establish design criteria for any such signs or lettering and the Association may regulate the size, color, type, location and manner of placement of such signs or lettering.

(c) Flags. No Rule shall regulate or prohibit the display on a Unit of the flag of the United States of America or the flag of the State of North Carolina, of a size no greater than four feet by six feet, by the Owner or occupant of such Unit, provided the flag is displayed in accordance with or in a manner consistent with the patriotic customs set forth in 4 U.S.C. Sections 5-10, as amended, governing the display and use of the flag of the United States.

(d) Political Signs. No Rule shall regulate or prohibit the indoor or outdoor display of a political sign on a Unit by the Owner or occupant of the Unit, except that the Association may adopt rules (i) prohibiting the display of political signs earlier than 45 days before the day of the election and later than seven days after an election day, and (ii) regulating the size and number of political signs that may be placed on a Unit, subject to the limitations set forth in N.C.G.S.

Section 47F-3-121. For the purposes of this subsection (d), "political sign" means a sign that attempts to influence the outcome of an election, including supporting or opposing an issue on the election ballot.

(e) Activities Within Structures on Units. No Rule shall interfere with the activities carried on within the confines of structures on Units in compliance with this Declaration and applicable laws and ordinances, except that the Rules may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that pose a danger to the health or safety of occupants of other Units and their employees and invitees, that generate excessive noise, or that create unsightly conditions visible from outside of the structures on Units.

(g) Allocation of Burdens and Benefits. No Rule shall alter the allocation of financial burdens among the various Units or rights to use the Common Area to the detriment of any Owner without such Owner's consent. Nothing in this provision shall prevent the Association from changing the Common Area available, from adopting generally applicable rules for use of Common Area, or from denying use privileges to those who are delinquent in paying assessments, abuse the Common Area, or violate the Governing Documents. This provision does not affect the right to increase the amount of assessments as provided in Article VIII or the right to amend this Declaration as provided in Article XVIII for any purpose.

(h) Leasing and Transfer of Units. No Rule shall prohibit the lease or transfer of any Unit or require consent of the Association or Board for the lease or transfer of any Unit; however, rules may require Owners to include specific language in their leases to protect the Association's interests.

(i) Abridging Existing Rights. No Rule shall require an Owner to dispose of personal property that was kept in or on a Unit prior to the adoption of such rule if such personal property was in compliance with all rules previously in force. This exemption shall apply only during the period of such Owner's ownership of the Unit, and shall not apply to subsequent Owners who take title to the Unit after adoption of the rule.

(j) Reasonable Rights to Develop, Sell and Lease. No Rule shall interfere with the ability of the Declarant or any Parcel Developer to develop, market, and sell or lease property in Wendell Falls, nor interfere with the exercise by the Declarant, or such Parcel Developers as the Declarant may authorize, of any rights reserved to the Declarant under the Governing Documents.

(k) Interference with Easements. No Rule may unreasonably interfere with the exercise of any easement.

(l) Interference with Permitted Commercial Uses. No Rule shall unreasonably interfere with (i) the use of any Unit for a permitted use approved in writing by the Declarant at the time of purchase of the Unit from Declarant, if such use is commenced within three years after closing of such purchase or such longer time period as may be specified in any Supplemental Declaration applicable to the Unit, or (ii) the permitted use or operation of any business or other lawful activity being conducted from a Unit in compliance with the Governing Documents, and the covenants and rules of any Additional Association having jurisdiction over

the Unit, at the time the Rule is proposed, unless the Owner of the affected Unit consents to such Rule.

The limitations in subsections (a) through (j) of this Section 3.4 shall only limit rulemaking authority exercised under Section 3.2; they shall not apply to amendments to this Declaration adopted in accordance with Article XVIII.

3.5. Exclusive Rights to Conduct Certain Activities.

The Declarant reserves for itself and its assigns the right to restrict certain uses within the Properties and the right to grant to the Owner or lessee of any Unit or any portion of a Unit the exclusive right to conduct certain activities or operate certain businesses within the Properties, provided that any such grant does not (a) violate the terms of any existing lease agreement entered into by the Declarant; or (b) infringe upon the exclusive rights or written approvals which the Declarant has previously granted, or (c) materially interfere with any business then being conducted in full compliance with the Governing Documents by the Owner or lessee of another Unit without such Owner's or lessee's consent. An initial list of activities which may not be conducted within the Properties without the express written approval of the Declarant or its assign is attached as Exhibit "E." The Declarant, or any Person to whom it assigns this right, may amend Exhibit "E" from time to time to expand or otherwise modify such list of uses and activities, subject to the conditions set forth in this Section 3.5. Any grant of exclusive rights shall be set forth in a written instrument executed by the Declarant.

3.6. Prohibited Uses.

(a) No Owner, lessee or occupant of any Unit shall permit or engage in any land use on the Unit that would cause the number of parking spaces necessary to satisfy the minimum parking requirements for such land use under applicable zoning, the Design Guidelines, or applicable development approvals to exceed the number of parking spaces available for the exclusive use of the Unit (either located on the Unit or subject to an easement for exclusive use), or otherwise allocated to the Unit pursuant to any recorded Supplemental Declaration or other instrument executed and recorded by the Declarant. No Owner or occupant of any Unit shall have any right to restrict parking on public streets for the use of such Owner or occupant or their invitees or otherwise.

(b) Except as may be specifically approved in writing by the Declarant during the Development and Sale Period or by the Association thereafter, no Owner, lessee, or occupant of any Unit, nor any member, representative, or agent of any of them, shall challenge or otherwise interfere with or use the Unit for any purpose that under state law, local ordinance, or otherwise, would preclude, restrict, or interfere with, the ability of any present or future Owner of any other Unit to obtain a license or permit to sell alcoholic beverages for off-premises consumption or to serve alcoholic beverages for consumption on the premises of such other Unit (subject to such sale or serving of alcoholic beverages being authorized by the Founder pursuant to Section 3.5 and not otherwise being prohibited by recorded covenants applicable to such Unit). No approval granted by the Declarant hereunder shall permit any such use or activity to interfere with the ability of any business selling alcoholic beverages from a Unit for on-premises or off-premises consumption immediately prior to the granting of such approval, under a valid license

or permit and in full compliance with the Governing Documents and applicable laws and ordinances, to continue to operate such business in the manner which it operated immediately prior to the granting of such approval.

(c) In addition to the foregoing and such other uses as are inconsistent with applicable law or zoning, or are prohibited or restricted by other recorded covenants, conditions, restrictions or easements, or the terms of any applicable lease, the following uses are prohibited within the Properties:

(i) pawn shops and any establishment (other than a state or federally chartered financial institution) which offer loans or check cashing services for a fee, except that this shall not preclude check cashing by a grocery store as a customer service incidental to and in conjunction with the purchase of groceries);

(ii) thrift stores, flea markets, salvage businesses, donation centers for used clothing and household items or retail stores reselling such donated items, or any establishment whose merchandise consists primarily of excess inventory, discontinued items and/or goods acquired through liquidation of other businesses or fire or bankruptcy sales (this shall not prohibit consignment shops or retail stores specializing in indoor sale of antiques or vintage merchandise by one or more sellers, or occasional used book sales, yard sales, or similar events sponsored or approved by the Association);

(iii) massage parlors, except that this provision shall not preclude massage services offered by fully clothed, trained personnel as part of a legitimate massage therapy business, or as part of a gym or fitness center authorized pursuant to Section 3.5, or as part of a legitimate day spa which offers such services in conjunction with beauty, body care, skin care, nail care, and similar services;

(iv) "adult entertainment uses," which shall mean, for the purposes of this Declaration, any theater or other establishment which offers entertainment, massages, or other services performed by nude or partially dressed persons or shows, previews, or prominently displays, advertises, or conspicuously promotes for sale or rental: (A) movies, films, videos, magazines, books, or other media (whether now or hereafter developed) which are rated "X" by the movie production industry (or any successor rating established by the movie production industry) or is otherwise of a pornographic or obscene nature; or (B) sexually explicit games, toys, devices, or similar merchandise;

(v) any establishment advertising or selling paraphernalia designed or known to be commonly used for ingesting, inhaling, or otherwise introducing cannabis, cocaine, hashish, hashish oil, nitrous oxide or other mood-altering substances into the human body, except that this provision shall not preclude a pharmacy or any establishment commonly referred to as a drug store which contains a pharmacy, from selling prescription drugs and medical devices in a legal manner along with other health and wellness products;

(vi) any establishment offering tattoos or body piercings (except that this shall not prohibit a department store, jewelry store, or other general retailer from offering ear piercing incidental to the purchase of earrings or studs);

(vii) trailer courts, mobile home parks, and recreation vehicle sales, service, or campgrounds;

(viii) junk yards, scrap metal yards, automobile used parts and/or dismantling operations and sanitary landfills, except that nothing herein shall preclude neighborhood recycling centers established solely for the collection and sorting of household recyclable materials in structures or receptacles approved pursuant to Article IV and maintained in accordance with the Community-Wide Standard;

(ix) dumping, storage, disposal, incineration, treatment, processing or reduction of garbage or refuse of any nature, except as is incidental to the use, operation and ownership in accordance with this Declaration of the Unit on which it is generated and in a manner which is not unsightly and does not result in noxious odors emitting from such Unit;

(x) lumberyards, sawmills, or outdoor storage of building or construction materials (except in the usual course of construction on the site where stored);

(xi) truck terminals and truck stop type facilities (except loading docks and similar facilities approved pursuant to Article IV which are incidental to the use, operation and ownership of the Unit on which they are constructed);

(xii) a funeral home, crematory, or undertaking services;

(xiii) a betting agency; and

(xiv) any industrial use, except "warehouse flex" space combining office or retail uses in the same building as warehouse space and other light industrial uses as may be permitted by applicable zoning and authorized by the Declarant during the Development and Sale Period or by the Board thereafter and set forth in a Supplemental Declaration or other written instrument recorded in the chain of title to such Unit.

3.7. Liability Insurance; Indemnification.

Each Owner shall at all times maintain comprehensive public liability insurance covering such Owner's Unit and activities within the Properties, with a combined single limit of at least \$1,000,000.00 with respect to bodily injury or death to any one person, at least \$2,000,000.00 with respect to bodily injury or death arising out of any one occurrence, and at least \$1,000,000.00 with respect to property damage arising out of any one occurrence. While improvements are under construction on any Unit, the Owner shall maintain or ensure that its contractor maintains builder's risk insurance, worker's compensation insurance, if required by law, and such other insurance as the Board may reasonably require for the protection of the Association and others using the Properties. Each Owner shall indemnify, defend and hold the Association and the Declarant harmless from and against all claims, demands, liabilities, causes of action, and damages arising out of or occurring as a result of violation of the Governing Documents by the Owner or occupants of the Owner's Unit.

Article IV **Architecture and Landscaping**

4.1. General.

No structure or thing shall be placed, erected, or installed upon any Unit and no improvements or other work (including staking, clearing, excavation, grading and other site work, exterior alterations of existing improvements, or planting or removal of landscaping) shall take place within the Properties, except in compliance with this Article and the Design Guidelines. This Article and the Design Guidelines shall not be construed to regulate or prohibit those flags or political signs permitted under Section 3.4(c) or (d), or those antennae and other Permitted Devices described in Exhibit "C," provided they are installed in compliance with those sections and such rules as are specifically authorized in those sections.

No approval shall be required hereunder to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. Any Owner may make alterations to the interior of structures on its Unit without approval provided such alterations are not visible from outside the structure.

All construction on Units shall comply with all applicable building codes and requirements.

This Article shall not apply to structures in existence on the date of recording of this Declaration, or to Declarant's activities during the Development and Sale Period, nor to activities of the Association during the Class "B" Control Period.

4.2. Design Review.

(a) By Declarant. Each Owner, by accepting a deed or other instrument conveying any interest in a Unit, acknowledges that Declarant has a substantial interest in ensuring that the structures, landscaping and other improvements within the Properties enhance Declarant's reputation as a community developer and do not impair Declarant's ability to market, sell, or lease its property in, or in the vicinity of, Wendell Falls. Therefore, each Owner agrees that no activity within the scope of this Article shall be commenced on such Owner's Unit unless and until Declarant or its designee, or the Design Review Committee established pursuant to subsection (b), as applicable (the entity having authority hereunder in a particular case being referred to as the "**Reviewer**"), has given its prior written approval for such activity, which approval may be granted or withheld in the Reviewer's sole discretion, subject to the Declarant's veto rights under Section 4.3(b).

In reviewing and acting upon any request for approval, Declarant or its designee shall be acting solely in Declarant's interest and shall owe no duty to any other Person. Declarant's rights reserved under this Article shall continue until termination of the Development and Sale Period, unless earlier terminated in a written instrument that Declarant executes and records.

Declarant may, in its sole discretion, designate one or more Persons from time to time to act on its behalf in reviewing applications hereunder.

Declarant may, but shall not be obligated to, delegate all or a portion of its reserved rights under this Article to (i) a design review committee appointed by the Board of Directors pursuant to subsection (b) (the "**DRC**"), or (ii) a committee comprised of architects, engineers or other persons who may or may not be Members of the Association. Any such delegation shall be in writing specifying the scope of responsibilities delegated and it shall be subject to (i) Declarant's right to revoke such delegation at any time and reassume jurisdiction over the matters previously delegated and (ii) Declarant's right to veto any decision which Declarant determines, in its sole discretion, to be inappropriate or inadvisable for any reason. During the Development and Sale Period, the jurisdiction of the foregoing entities shall be limited to such matters as Declarant specifically delegates to them.

(b) Design Review Committee. Upon termination of the Development and Sale Period or delegation by the Declarant, the Association, acting through the DRC, shall assume jurisdiction over architectural matters, except that if delegated, such jurisdiction shall be limited to the extent delegated. The DRC, when appointed, shall consist of at least three, but not more than five, persons who shall serve and may be removed and replaced in the Board's discretion. The members of the DRC need not be Members of the Association or representatives of Members, and may, but need not, include architects, engineers or similar professionals, who may be compensated for their service in such manner and amount if any, as the Board may establish.

(c) Review Fees; Assistance. The Reviewer may establish and charge reasonable fees for review of applications and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers or other professionals, if Declarant or the Association elect to retain architects, engineers, or other persons to perform such review. The Board may include the compensation of such persons in the Association's annual operating budget.

(d) Construction Deposit. As a condition of approval of any application hereunder, the Reviewer may require the Owner to post a construction deposit ("**Construction Deposit**") in such amount as the Reviewer determines reasonable in light of the nature and scope of the proposed Work, not to exceed \$5,000, which construction deposit shall be posted with the Association prior to commencing any work on the Unit. All Construction Deposits collected hereunder shall be placed in a segregated account maintained by and in the name of the Association. The Association shall be entitled to draw upon the construction deposit, after notice and an opportunity for a hearing as may be required by Section 7.5, to cover costs which it incurs:

(i) to clean up dirt or debris and/or repair damage to any subdivision improvements or Common Areas, or any portion of Wendell Falls outside of the Properties, which the Board determines, after notice to the Owner and an opportunity for a hearing in accordance with the By-Laws, is attributable to the construction activities of the Owner or its contractors, subcontractors, suppliers, or others providing goods or services in conjunction with the construction activities on the Owner's Unit; and

(ii) to complete any improvements or landscaping on the Owner's Unit which are not completed in accordance with the approved plans or to the Community-Wide Standard, or to correct or cure any conditions on the Owner's Unit that the Reviewer determines necessary to

conform the Unit to the approved plans or to correct drainage or other conditions on the Unit which fail to meet the Community-Wide Standard or which cause or are likely to cause damage to property outside the Unit, if the Owner fails to do so within a reasonable period of time as set forth in written notice from the Association specifying the action required.

The Owner shall provide funds to restore the Construction Deposit to its original amount within 10 days after written request from the Association notifying the Owner of the amount of any disbursement from the Owner's Construction Deposit. Upon final inspection and approval of the completed construction, the Association shall refund to the Owner or applicant who originally paid the construction deposit the amount of such construction deposit, less any funds expended by the Association pursuant to this subsection (d) and not restored by the applicant.

Nothing in this subsection (d) shall be construed as limiting the Association's right to seek reimbursement from the Owner for the total amount expended on the Owner's behalf in the event the amount expended exceeds the amount of the Construction Deposit, nor shall anything in this Section be construed to limit any of the rights or remedies granted to the Association by others provisions of this Declaration.

4.3. Guidelines and Procedures.

(a) Design Guidelines. Declarant may prepare the initial Design Guidelines, which may contain general provisions applicable to all of the Properties as well as specific provisions that vary according to land use and from one area to another within the Properties. The Design Guidelines are intended to provide guidance to Owners and their contractors regarding matters of particular concern to the Reviewer in considering applications. The Design Guidelines are not the exclusive basis for decisions of the Reviewer and compliance with the Design Guidelines does not guarantee approval of any application.

Declarant shall have sole and full authority to amend the Design Guidelines during the Development and Sale Period, notwithstanding a delegation of reviewing authority to the DRC, unless Declarant also expressly delegates the power to amend the Design Guidelines to the DRC. Upon termination or delegation of Declarant's right to amend, the DRC shall have the authority to amend the Design Guidelines with the consent of the Board and, during the Development and Sale Period, the prior written consent of the Declarant.

Any amendments to the Design Guidelines apply prospectively only, and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced. There shall be no limitation on the scope of amendments to the Design Guidelines, and such amendments may remove requirements previously imposed or otherwise make the Design Guidelines less restrictive; provided, no amendment shall be inconsistent with applicable law or ordinances. Notwithstanding the above, no amendment to the Design Guidelines shall have the effect of revoking, rescinding, or modifying any approval previously granted by the Reviewer hereunder or prohibiting the restoration of the improvements on a Unit in accordance with previously approved plans following damage or destruction.

The Reviewer shall make the Design Guidelines available to Owners and Parcel Developers who seek to engage in development or construction within the Properties.

(b) Procedures. Except as otherwise specifically provided in this Declaration or the Design Guidelines, no activities shall commence on any Unit until an application for approval has been submitted to and approved by the Reviewer. Such application shall include plans and specifications showing site layout, structural design, exterior elevations, exterior materials and colors, landscaping, drainage, exterior lighting, irrigation, and other features of proposed construction, as applicable ("**Plans**"). The Design Guidelines and the Reviewer may require the submission of such additional information as may be reasonably necessary to consider any application.

In reviewing each submission, the Reviewer may consider any factors it deems relevant, including, without limitation, harmony of external design with surrounding structures and environment. Decisions may be based on purely aesthetic considerations. Each Owner acknowledges that determinations as to such matters are purely subjective and opinions may vary as to the desirability and/or attractiveness of particular improvements. The Reviewer shall have the sole discretion to make final, conclusive, and binding determinations on matters of aesthetic judgment and such determinations shall not be subject to review so long as made in good faith and in accordance with the procedures set forth herein.

The Reviewer shall make a determination on each application within 45 days after receipt of a completed application and all required information. The Reviewer may (i) approve the application, with or without conditions; (ii) approve a portion of the application and disapprove other portions; or (iii) disapprove the application.

Upon termination of the Development and Sale Period, the DRC shall notify Declarant in writing within three business days after the DRC has approved any application within the scope of matters delegated to the DRC by Declarant. The notice shall be accompanied by a copy of the application and any additional information that Declarant may require. Declarant shall have 10 days after receipt of such notice to veto any such action, in its sole discretion, by written notice to the DRC.

The Reviewer shall notify the applicant in writing of the final determination on any application within five days thereafter or, with respect to any determination by the DRC subject to Declarant's veto right, within five days after the earlier of: (i) receipt of notice of Declarant's veto or waiver thereof; or (ii) expiration of the 10-day period for exercise of Declarant's veto. In the case of disapproval, the Reviewer may, but shall not be obligated to, specify the reasons for any objections and/or offer suggestions for curing any objections. Notice shall be deemed given when deposited in the U.S. Mail, certified mail, return receipt requested, properly addressed to the applicant at the address stated in such applicant's notice, or upon receipt if given by any other means.

In the event that the Reviewer fails to give notice of its approval or disapproval of any application within the time period required above, the applicant may notify the Reviewer by certified mail, return receipt requested, at the address for such notices set forth in the current edition of the Design Guidelines, stating that no response has been received and that unless a

written response is given at the address set forth in such notice within 15 days of the Reviewer's receipt of the applicant's notice, as evidenced by the return receipt, the application shall be deemed approved. However, no approval, whether expressly granted or deemed granted, shall be inconsistent with the Design Guidelines unless a written variance has been granted pursuant to Section 4.5.

Upon issuance by the Reviewer of final written approval of plans for any proposed improvements on a Unit, the Reviewer may not thereafter revoke or rescind such approval. Once construction is commenced, it shall be diligently pursued to completion. All work shall be completed within 18 months of commencement unless otherwise specified in the notice of approval or unless the Reviewer grants an extension in writing, which it shall not be obligated to do. If approved work is not completed within the required time, it shall be considered nonconforming and shall be subject to enforcement action by the Association, Declarant or any aggrieved Owner.

The Reviewer may, by resolution, exempt certain activities from the application and approval requirements of this Article, provided such activities are undertaken in strict compliance with the requirements of such resolution.

4.4. No Waiver of Future Approvals.

Each Owner acknowledges that the persons reviewing applications under this Article will change from time to time and that opinions on aesthetic matters, as well as interpretation and application of the Design Guidelines, may vary accordingly. In addition, each Owner acknowledges that it may not always be possible to identify objectionable features until work is completed, in which case the Reviewer may elect not to require changes to the improvements involved, but the Reviewer may refuse to approve similar proposals in the future. Approval of applications or plans, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar applications, plans, or other matters subsequently or additionally submitted for approval.

4.5. Variances.

The Reviewer may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. No variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) preclude the Reviewer from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

4.6. Limitation of Liability.

The standards and procedures established by this Article are intended as a mechanism for maintaining and enhancing the overall aesthetics of the Properties; they do not create any duty to any Person. Review and approval of any application pursuant to this Article is made on the

basis of aesthetic considerations only, and the Reviewer shall not bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements, nor for ensuring that all structures are of comparable quality, of similar design, or aesthetically pleasing or otherwise acceptable to neighboring property owners.

Neither Declarant, the Association, the Board, any committee, nor any member of any of the foregoing, shall be held liable for soil conditions, drainage or other general site work; any defects in plans revised or approved hereunder; any loss or damage arising out of the action, inaction, integrity, financial condition or quality of work of any contractor or its subcontractors, employees or agents; or any injury, damages, or loss arising out of the manner or quality or other circumstances of approved construction on or modifications to any Unit. In all matters, the Board, the DRC, and the members of each shall be defended and indemnified by the Association as provided in Article VI of the By-Laws.

4.7. Certificate of Compliance.

Any Owner may request that the Reviewer issue a certificate of compliance certifying that there are no known violations of this Article or the Design Guidelines. Within 30 days after receipt of a written request, the Association shall issue a certificate either confirming such compliance or identifying any known violations and may charge a reasonable administrative fee for issuing such certificate. Issuance of such a certificate shall preclude the Association from taking enforcement action with respect to any condition as to which the Association had notice as of the date of such certificate.

Article V Maintenance and Repair by Owners and Additional Associations

5.1. Maintenance by Owners.

Except to the extent that such maintenance responsibility is otherwise assigned to or assumed by the Association pursuant to Section 7.2 or any Supplemental Declaration applicable to the Unit, each Owner shall maintain such Owner's Unit and all landscaping and improvements comprising the Unit in a manner consistent with the Governing Documents, the Community-Wide Standard and all applicable covenants, except that there shall be no right to remove trees, shrubs or similar vegetation without prior approval pursuant to Article IV other than removal of a diseased or dead shrub from the Owner's Unit, in which case the removed shrub shall be replaced with another plant of the same variety within seven days after such removal. Nothing in this Declaration, any Supplemental Declaration, or any other declaration of covenants applicable to such Unit shall be construed to require irrigation of landscaping to the extent such irrigation would otherwise be prohibited during any period in which the Governor of the State of North Carolina, any agency of the State of North Carolina, or any unit of local government having jurisdiction over any portion of the Properties, has imposed water conservation measures.

5.2. Maintenance by Additional Associations.

Any Additional Association shall maintain its common property and any other property for which it has maintenance responsibility in a manner consistent with the responsibilities of

Owners under Section 5.1 and with the Governing Documents, the Community-Wide Standard, and all applicable covenants.

The Association may assume the maintenance responsibility of any Additional Association, either by agreement with the Additional Association or upon the Board's determination pursuant to Section 7.5(d) that the level and quality of maintenance then being provided is not consistent with the Community-Wide Standard. All costs of maintenance pursuant to this paragraph shall be assessed as a Specific Assessment against only the Units subject to the jurisdiction of the Additional Association. The provision of services in accordance with this Section shall not constitute discrimination within a class.

5.3. Responsibility for Repair and Replacement; Insurance by Owners.

Unless otherwise specifically provided in the Governing Documents or in other instruments creating and assigning maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement as necessary to maintain the property to a level consistent with the Community-Wide Standard.

Each Owner shall carry property insurance for the full replacement cost of all insurable improvements on such Owner's Unit, less a reasonable deductible, unless the Association or an Additional Association is obligated to carry or assumes responsibility for providing such insurance pursuant to any Supplemental Declaration or other covenants applicable to the Unit.

In the event of damage to or destruction of structures on or comprising a Unit, the Owner shall, within 120 days thereafter, repair or reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved pursuant to Article IV; provided, if such damage is of such a nature or extent that repairs or reconstruction cannot reasonably be completed within 120 days, then within 120 days after such damage or destruction the Owner shall either (i) apply for all necessary approvals and permits within 90 days after such damage and destruction and promptly upon receipt of the same commence such repair or reconstruction of the damaged structures in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article IV and thereafter diligently pursue it to completion; or (ii) clear the Unit of all damaged structures, debris, and ruins and thereafter maintain it in a neat and attractive, landscaped condition consistent with the Community-Wide Standard until such time as the Owner obtains all necessary approvals for and is ready to proceed with reconstruction. The Owner shall pay any costs not covered by insurance proceeds.

This Section shall also apply to any Additional Association responsible for common property within its jurisdiction in the same manner as if the Additional Association were an Owner and the common property were a Unit. Additional covenants applicable to any area of the Properties may establish more stringent requirements for insurance and more stringent standards for rebuilding or reconstructing structures on the Units within such area and for clearing and maintaining the Unit in the event the structures are not rebuilt or reconstructed.

Article VI The Association and its Members

6.1. Function of Association.

The Association has been established to administer the Properties in accordance with the Governing Documents. Its responsibilities include, but are not limited to:

- (a) management, maintenance, operation and control of the Area of Common Responsibility; and
- (b) interpretation and enforcement of the Governing Documents; and
- (c) establishing and upholding the Community-Wide Standard within the Properties; and
- (d) upon delegation or termination of Declarant's authority under Article IV, administering the design review process for the Properties, as provided in that Article.

6.2. Membership.

(a) Classes of Membership. The Association initially shall have two classes of membership, Class "A" and Class "B". Class "A" Members shall be all Owners, including the Declarant as to any Unit which it owns. The sole Class "B" Member shall be the Declarant. Until termination of the Declarant's right to annex property under Section 9.1, the Class "B" membership shall be temporarily suspended during any period that the Declarant does not own a Unit, subject to automatic reinstatement upon Declarant's acquisition of any Unit or annexation of additional property pursuant to Article IX; however, such temporary suspension shall not suspend, terminate, or otherwise affect the Class "B" Control Period. The Class "B" membership shall terminate upon the earlier of:

- (i) the date that 90% of the total acreage designated on the Master Plan for Commercial Use has been conveyed to Persons other than the Declarant or Declarant Affiliates; or
- (ii) 20 years from the date of recording of this Declaration; or
- (iii) such earlier date as the Class "B" Member, in its sole discretion, executes and records a written notice voluntarily terminating the Class "B" membership.

Declarant shall hold a Class "A" membership for each Unit that it owns, notwithstanding the termination of the Class "B" Membership.

(b) Automatic Membership; Exercise of Privileges. Every Owner automatically becomes a Member of the Association upon taking title to a Unit and shall remain a Member as long as the Owner holds title to such Unit. Acceptance of a deed to any Unit shall be deemed consent to membership in the Association. There shall be only one membership per Unit. If a Unit is owned by more than one Person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in

Section 6.3 and in the By-Laws, and all such co-Owners shall be jointly and severally obligated to perform the responsibilities of Owners. The membership rights of an Owner that is a legal entity may be exercised by any officer, director, partner or trustee, or by the individual designated from time to time by the Owner in a written instrument provided to the Secretary of the Association.

6.3. Voting.

The voting rights of each class of membership shall be as follows:

(a) Class "A". Each Unit owned by a Class "A" Member is assigned votes in accordance with the formula set forth in Exhibit "D". If there is more than one Owner of a Unit, the vote for such Unit shall be exercised as the co-Owners determine among themselves and advise the Secretary of the Association in writing prior to the vote being taken. Absent such advice, the Unit's vote shall be suspended if more than one Person seeks to exercise it. Voting rights shall be subject to suspension for nonpayment of assessments or other charges owed the Association as provided in Section 7.5(b)(ii).

No vote shall be exercised for any property that is exempt from assessment under Section 8.7.

(b) Class "B". The Class "B" Member shall have Class "A" voting rights with respect to any Units that it owns and, in addition, the consent of the Class "B" Member shall be required for various actions of the Board, the membership and committees, as specifically provided elsewhere in the Governing Documents. In addition, the Class "B" Member may appoint a majority of the members of the Board of Directors during the Class "B" Control Period, as specified in Article III of the By-Laws. Additional rights of the Class "B" Member are specified in the relevant sections of the Governing Documents. In addition, the Class "B" Member shall have a right to disapprove actions of the Board and committees as provided in the By-Laws.

Article VII Association Powers and Responsibilities

7.1. Acceptance and Control of Association Property.

(a) The Association, through action of its Board, may acquire, hold, lease (as lessor or lessee), operate and dispose of tangible and intangible personal property and real property, subject to the provisions of Article XVII. The Association may enter into leases, licenses or operating agreements for portions of the Common Area, for such consideration or no consideration as the Board deems appropriate, to permit use of such portions of the Common Area by community organizations and by others, whether nonprofit or for profit, for the provision of goods or services for the general benefit or convenience of owners and occupants of Units.

(b) During the Development and Sale Period, the Declarant, any Declarant Affiliate, and their respective designees may convey to the Association, and the Association shall accept, personal property and fee title, leasehold or other property interests in any real property,

improved or unimproved, which has been made subject to this Declaration; provided, Declarant, Declarant Affiliates, and their designees shall not convey any real property to the Association which the transferor knows or has reason to believe is contaminated with hazardous substances in such amounts as would require remediation under state or federal law. Each conveyance of Common Area shall be free and clear of all liens and encumbrances of a monetary nature. Upon Declarant's written request, the Association shall reconvey to Declarant (or quitclaim any interest in) any portion of the Common Area which does not contain structures or facilities for common use, if requested by Declarant to make adjustments in boundary lines or other changes in the Master Plan, and each Owner, by acceptance of a deed to a Unit, covenants and agrees to execute such written consents as the Declarant may request to authorize such reconveyance.

(c) The Association shall be responsible for management, operation and control of the Common Area, subject to any covenants and restrictions set forth in the deed or other instrument transferring such property to the Association. The Board may adopt such reasonable rules regulating use of the Common Area as it deems appropriate. The Association may permit use of the Common Area facilities by persons other than Owners and occupants of Units and may charge use fees, in such amount as the Board may establish, for such use.

7.2. Maintenance and Operation of Area of Common Responsibility.

(a) The Association shall maintain the Area of Common Responsibility in accordance with the Community-Wide Standard, except to the extent that responsibility for any portion of the Area of Common Responsibility has been assigned to the Residential Association pursuant to a Covenant to Share Costs and except as otherwise provided in this Section 7.2. The Area of Common Responsibility shall include, but need not be limited to:

(i) all landscaping, improvements, and personal property of the Association on the Common Area; and

(ii) all streets and alleys within the Properties which are not part of a Unit, unless and until such time as they are accepted by a public body for perpetual maintenance; provided, the Association shall have no responsibility for removal of snow or ice on streets or alleys; and

(iii) any landscaping, signage, and sidewalks within public rights-of-way or sidewalk easements lying within or abutting the property subject to this Declaration, except to the extent that such responsibility is otherwise assigned to Owners pursuant to Section 5.1 or assumed by a governmental body or utility provider; provided, the Association shall have no responsibility for removal of snow or ice from sidewalks or other walkways; and

(iv) streetlights and light poles along streets and alleys within the Properties, unless such streetlights are leased from and maintained by the utility provider pursuant to the terms of any lease; and

(v) all culverts, pipes, ponds, and other stormwater management facilities located within the Common Area, rights-of-way, or easements granted to the Association, and

(vi) any pipes, lines, pumps, or other apparatus comprising any irrigation system serving the Common Area, to the extent located within the Common Area, rights-of-way, or easements granted to the Association; and

(vii) the community signage and entry features located at vehicular entrances to the Properties from public streets or highways; and

(viii) such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, or any contract or agreement for maintenance thereof entered into by the Association; and

(ix) any property and facilities Declarant owns and makes available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members. Such property and facilities shall be identified by written notice from Declarant to the Association and will remain part of the Area of Common Responsibility maintained by the Association until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.

The Association may maintain other property that it does not own, including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard. However, nothing herein shall be construed to make the Association liable for any damage or injury occurring on or arising out of the condition of property that it does not own. The Association shall specifically be authorized to enter into agreements with the Residential Association, the Town of Wendell, and other owners of property in or near Wendell Falls for the sharing of maintenance responsibility and/or costs associated with any property or services which the Board deems to benefit the Association and its members.

Without limiting the generality of the foregoing, the Association shall assume all of the Declarant's ongoing maintenance responsibilities with respect to the Area of Common Responsibility under any development agreement or conditions of zoning or development approvals imposed by the Town of Wendell or other local governmental or quasi-governmental subdivisions, any state and federal agencies, and similar entities of any kind, and shall indemnify and hold the Declarant harmless with respect to such assumed responsibilities. In addition, the Association shall comply with governmental or quasi-governmental permits, approvals, or regulations concerning the Properties.

The Board may provide for removal of snow or ice from portions of the Area of Common Responsibility at such times and under such conditions as the Board may determine; however, nothing herein shall create any duty for the Association to provide for the removal of snow or ice on the Area of Common Responsibility or any liability for the accumulation of snow or ice or the failure to remove snow or ice from the Area of Common Responsibility, regardless of whether the Board elects to provide or arrange for such service.

(b) Any community trail system within the Properties may contain different types of trails with different levels of improvement varying from earthen paths which depend on foot and bicycle traffic to keep the trail clear of undergrowth, to mulch, gravel, or asphalt and other hard

surfaces. Neither the Association nor the Residential Association shall have any obligation to improve or maintain all portions of the trail to the same standard.

(c) Some portions of the Area of Common Responsibility may consist of open space or conservancy areas intentionally left in a natural or relatively undisturbed state. The level of maintenance that the Association provides to the Area of Common Responsibility may vary from a high level of landscaping and regular, weekly maintenance to intermittent or no maintenance, depending on the nature and intended use of the particular open space area. Open space, wetlands, or other natural areas may serve as habitats for a variety of native plant, animal, and insect species, and may contain creeks, fallen trees and other naturally occurring conditions, some of which may pose hazards to persons or pets coming in contact with them. The Association, the Declarant, Declarant Affiliates, and Parcel Developers shall have no responsibility for providing maintenance in such areas or taking action to abate such conditions, and any maintenance provided shall be consistent with the terms of any recorded restrictions or easements affecting such property, including any conservation easement or covenants and restrictions recorded by the Declarant as part of a final compensatory mitigation plan required by the U.S. Army Corps of Engineers or the State of North Carolina.

(d) The Association shall maintain the facilities and equipment within the Area of Common Responsibility in continuous operation, except for any periods necessary, as determined in the Board's sole discretion, to perform required maintenance or repairs, unless Members entitled to cast at least 75% of the total Class "A" votes in the Association and, during the Development and Sale Period, the Declarant, agree in writing to discontinue such operation. Notwithstanding this, the Association may, but shall not be obligated to, maintain any lake or pond which has formed or forms within the Common Area as a result of stream blockage and no Member approval shall be required for the Declarant or the Association to remove debris blocking streams or breach any beaver or other dams that may be blocking streams, notwithstanding that doing so may result in drainage of lakes, ponds, or other bodies of water within the Properties formed as a result of such blockage.

(e) Except as otherwise specifically provided in this Declaration or any applicable Supplemental Declaration, the costs associated with maintenance, repair, replacement, insurance and operation of the Area of Common Responsibility shall be a Common Expense, subject to the right of the Association to seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Area of Common Responsibility pursuant to this Declaration, other recorded covenants, or agreements with the owner(s) thereof. The costs that the Association incurs or expects to incur for maintenance, repair and replacement of Limited Common Areas shall be a Service Area Expense assessed against the Units within the Service Area to which the Limited Common Areas are assigned.

7.3. Provision of Benefits and Services to Service Areas.

(a) The Declarant, on Exhibit "A" to this Declaration and/or by Supplemental Declaration may assign the property described therein to one or more Service Areas (by name or other identifying designation) as it deems appropriate, which Service Areas may be then existing or newly created, and may require that the Association provide benefits or services to such Units in addition to those which the Association generally provides to all Units. So long as it has the

right to subject additional property to this Declaration pursuant to Section 9.1, Declarant may unilaterally amend this Declaration or any Supplemental Declaration to redesignate Service Area boundaries; provided, nothing in this Section shall authorize the Declarant to assign property owned by others to a Service Area without the consent of the Owner of such property. All costs associated with the provision of services or benefits to a Service Area shall be assessed against the Units within the Service Area as a Service Area Assessment.

(b) In addition to Service Areas which Declarant may designate, any group of Owners may petition the Board to designate their Units as a Service Area for the purpose of receiving from the Association: (i) special benefits or services which are not provided to all Units, or (ii) a higher level of service than the Association otherwise provides. Upon receipt of such petition signed by Owners of a majority of the Units within the proposed Service Area, the Board shall investigate the terms upon which the requested benefits or services might be provided and notify the Owners in the proposed Service Area of such terms and the charge to be made therefor, which may include a reasonable administrative charge in such amount as the Board deems appropriate (provided, any such administrative charge shall apply at a uniform rate per Unit among all Service Areas receiving the same service). Upon written approval of the proposal by Owners of at least 67% of the Units within the proposed Service Area, the Association shall provide the requested benefits or services on the terms set forth in the proposal. The cost and administrative charges associated with such benefits or services shall be assessed against the Units within such Service Area as a Service Area Assessment, subject to the right of the Owners of Units within the Service Area to veto the budget for their Service Area as provided in Section 8.2.

7.4. Insurance.

(a) Required Coverages. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(i) Property insurance for all insurable improvements on the Common Area (and within the Area of Common Responsibility, if and to the extent that Association has assumed responsibility in the event of a casualty, regardless of ownership) insuring against all risks of direct physical loss commonly insured against. The total amount of such insurance after application of any deductibles shall be not less than 80% of the replacement cost of the insured improvements under current building ordinances and codes at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property policies; and

(ii) Commercial general liability insurance on the Area of Common Responsibility, insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf. If generally available at reasonable cost, such coverage (including primary and any umbrella coverage) shall have a limit of at least \$1,000,000.00 per occurrence with respect to bodily injury, personal injury, and property damage; and

(iii) Workers compensation insurance and employers liability insurance, if and to the extent required by law; and

(iv) Directors and officers liability coverage; and

(v) Commercial crime insurance, including fidelity insurance covering all Persons responsible for handling Association funds in an amount determined in the Board's business judgment. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation; and

(vi) Such additional insurance as the Board, in the exercise of its business judgment, determines advisable.

In addition, the Association shall, if and to the extent specified in a Supplemental Declaration applicable to any Service Area, obtain and maintain property insurance on the insurable improvements within such Service Area, which insurance shall comply with the requirements of Section 7.4(a)(i). Any such policies shall provide for a certificate of insurance to be furnished upon request to the Owner of each Unit insured.

Premiums for all insurance on the Area of Common Responsibility shall be a Common Expense, except that premiums for insurance on Limited Common Areas shall be a Service Area Expense of the Service Area to which such Limited Common Areas are assigned, unless the Board reasonably determines that other treatment of the premiums is more appropriate.

If the insurance described in clauses (i) or (ii) of this subsection (a) is not reasonable available, the Association shall promptly cause notice of that fact to be hand-delivered or sent via U.S. Mail, postage prepaid, to all Owners.

(b) Policy Requirements. The Association shall arrange for a periodic review of the sufficiency of its insurance coverage by one or more qualified Persons, at least one of whom must be familiar with insurable replacement costs in the Raleigh, North Carolina area. All Association policies shall provide for a certificate of insurance to be furnished to the Association and, upon request, to each Member.

The policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements of Section 7.4(a). In the event of an insured loss, the deductible shall be treated as a Common Expense or a Service Area Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss is the result of the negligence or willful misconduct of one or more Owners, their tenants, or their respective employees, guests, or invitees (which may include contractors, suppliers, or service providers when performing work on, or making deliveries or providing service to the Unit), then the Board may assess the full amount of such deductible against such Owner(s) and their Units as a Specific Assessment.

All insurance coverage obtained by the Board shall:

- (i) be written with a company authorized to do business in North Carolina;
- (ii) be written in the name of the Association as trustee for the benefited parties. Policies on the Common Areas shall be for the benefit of the Association and its Members. Policies secured on behalf of a Service Area shall be for the benefit of the Owners within the Service Area and their Mortgagees, as their interests may appear; and
- (iii) be primary and not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees individually; and
- (iv) provide that each Owner is an insured person under the policy to the extent of the Owner's insurable interest and with respect to liability arising out of such Owner's interest in the Common Area as a Member in the Association (provided, this provision shall not be construed as giving an Owner any interest in the Common Area other than that of a Member); and
- (v) provide a waiver of the insurer's right to subrogation under the policy against any Owner or occupant of a Unit;
- (vi) include an endorsement precluding denial of coverage under the policy on account of any act or omission of any Owner or occupant of a Unit, unless such Owner is acting within the scope of its authority on behalf of the Association.

In addition, the Board shall use reasonable efforts to secure insurance policies which name the Owners, collectively, as additional insureds and provide an endorsement requiring at least 30 days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

(c) Restoring Damaged Improvements. In the event of damage to or destruction of Common Area or other property which the Association is obligated to insure, the Board or its duly authorized agent shall file and adjust all insurance claims and obtain reliable and detailed estimates of the cost of repairing or restoring the property to substantially the condition in which it existed prior to the damage, allowing for changes or improvements necessitated by changes in applicable building codes.

The Association shall cause damaged improvements on the Common Area to be repaired or reconstructed unless (i) repair or restoration would be illegal under any state or local statute or ordinance, or (ii) a decision not to repair or reconstruct is approved within 60 days after the loss or damage by Owners of at least 80% of the Units, including 100% of the Units to which any Limited Common Area is assigned, if the damaged improvements are Limited Common Area, and during the Development and Sale Period, by the Declarant. If either the insurance proceeds or estimates of the loss, or both, are not available to the Association within such 60-day period, then the period shall be extended until such funds or information are available. However, such extension shall not exceed 60 additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed.

If a decision is made not to restore the damaged improvements and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be distributed as follows: (i) to the extent that the excess insurance proceeds are attributable to damaged improvements on Limited Common Area that are not rebuilt, they shall be distributed to the Owners of Units to which such Limited Common Area was assigned or to their Mortgagees, as their interests may appear; and (ii) the remainder shall be distributed to all of the Owners or their Mortgagees, as their interests may appear, in the same proportion as their relative liability for assessments, or credited against their future assessment liability.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board may, without a vote of the Members, levy Special Assessments to cover the shortfall against those Owners responsible for the premiums for the applicable insurance coverage under Section 7.4(a).

7.5. Compliance and Enforcement.

(a) Every Owner and occupant of a Unit shall comply with the Governing Documents. The Association, the Residential Association, the Declarant during the Development and Sale Period, and every affected Owner shall have the right to file suit at law or in equity to enforce the Governing Documents, subject to the provisions of Article XIII. In addition, the Board may impose sanctions for violation of the Governing Documents as set forth in this Section 7.5 and elsewhere in the Governing Documents.

(b) The Board may impose the following sanctions only after notice and a hearing in accordance with the procedures set forth in Article VIII of the By-Laws:

(i) imposing reasonable monetary fines (subject to the limitations set forth in N.C.G.S. 47F-3-107); and

(ii) suspending the vote attributable to a violating Owner's Unit, suspending any Person's right to use Common Area facilities other than as necessary for ingress and egress to the Unit owned or occupied by such Person; and suspending any services which the Association provides to an Owner or the Owner's Unit, during any period that the Owner is more than 30 days delinquent in paying any assessment or other charge owed to the Association or for a reasonable period for other violations of the Governing Documents; and

(iii) without liability to any Person, precluding any contractor, subcontractor, agent, employee, supplier or service provider who fails to comply with the terms and provisions of Article IV and the Design Guidelines from continuing or performing any further activities in the Properties; and

(iv) levying Specific Assessments pursuant to Section 8.4 to cover costs which the Association incurs to bring a Unit into compliance with the Governing Documents, or costs incurred as a consequence of the conduct of an Owner or occupant of a Unit, their respective employees, or any contractor, supplier or service provider performing work on or making deliveries or providing service to the Unit.

(c) In addition, the Association, acting through the Board or its designee, may take the following action to enforce the Governing Documents without the necessity of compliance with the procedures set forth in Article VIII of the By-Laws:

(i) requiring an Owner or Additional Association, at its own expense, to perform maintenance on such Owner's Unit or the Additional Association's property, respectively, or to remove any structure, item or improvement on such Owner's Unit in violation of the Governing Documents and to restore the Unit to its previous condition; or

(ii) entering the property and exercising self-help to remove or cure a violating condition upon failure of an Owner or an Additional Association to take action as required pursuant to subsection (c)(i) above within 10 days after receipt of written notice to do so, and any such entry shall not be deemed a trespass; or

(iii) exercising self-help in any situation which requires prompt action to avoid potential injury or damage or unreasonable inconvenience to other persons or their property (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules); and/or

(iv) bringing suit at law or in equity to enjoin any violation or to recover monetary damages or both, subject to the procedures set forth in Article XIII, if applicable.

(d) The Association also shall have the power to require specific action to be taken by any Additional Association in connection with its obligations and responsibilities under this Declaration, such as requiring specific maintenance or repairs or aesthetic changes to be effectuated and requiring that a proposed budget include certain items and that expenditures be made therefor. An Additional Association shall take appropriate action required by the Association in a written notice within the reasonable time frame set by the Association in the notice. If the Additional Association fails to comply, the Association shall have the right to effect such action on behalf of the Additional Association and levy Specific Assessments to cover the costs, as well as an administrative charge and sanctions.

(e) All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any situation in which the Association incurs legal fees and/or costs to enforce the Governing Documents, it shall be entitled to assess and recover from the violator or the Owner of the Unit in which the violator resides all costs reasonably incurred, including, without limitation, attorneys' fees and court costs, reasonably incurred, whether or not suit is filed.

(f) The decision to have the Association pursue enforcement action in any particular case shall be left to the Board's discretion, except that the Board shall not be arbitrary or

capricious in taking enforcement action. Without limiting the generality of the foregoing sentence, the Board may determine that, under the circumstances of a particular case:

- (i) the Association's position is not strong enough to justify taking any or further action; or
- (ii) the covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with applicable law; or
- (iii) although a technical violation may exist or may have occurred, it is not of such a material nature as to be objectionable to a reasonable person or to justify expending the Association's resources; or
- (iv) it is not in the Association's best interest, based upon hardship, expense, or other reasonable criteria, to pursue enforcement action.

Such a decision shall not be construed a waiver of the right of the Association to enforce such provision at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction or rule, nor shall it preclude any Owner from taking action at law or in equity to enforce the Governing Documents.

(g) The Association, by contract or other agreement, may enforce applicable Town of Wendell ordinances.

7.6. Implied Rights; Board Authority.

The Association may exercise any right or privilege given to it expressly by the Governing Documents, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. All rights and powers of the Association may be exercised by the Board without a vote of the membership except to the extent that the Governing Documents or North Carolina law specifically require a vote of the membership.

The Board may institute, defend, settle, or intervene on behalf of the Association in mediation, binding or non-binding arbitration, litigation, or administrative proceedings in matters pertaining to the Area of Common Responsibility, enforcement of the Governing Documents, or any other civil claim or action. However, the Governing Documents shall not be construed as creating any independent legal duty to institute litigation on behalf of or in the name of the Association or its Members.

In exercising the rights and powers of the Association, making decisions on behalf of the Association, and conducting the Association's affairs, Board members shall be subject to, and their actions shall be judged in accordance with, the standards set forth in Article VI of the By-Laws.

7.7. Provision of Services to Units.

The Association may provide, or provide for, services and facilities for the Owners and their Units, and shall be authorized to enter into and terminate contracts or agreements with other

entities, including Declarant, to provide such services and facilities. The Association may enter into bulk service agreements by which a particular service is provided (a) to all Units, in which case it may include the costs of such services or facilities in the Association's budget as a Common Expense and assess it as part of the General Assessment; or (b) only to Improved Units or at the option of each Owner, in which case the cost may be levied against the Units receiving service as a Specific Assessment. By way of example, such services and facilities might include trash collection, recycling services, landscape maintenance; cable, digital, satellite or similar television service; telecommunication and internet connection services; security monitoring; utilities; and other services and facilities.

Any Association contract for services may provide for Owners or occupants to execute separate agreements directly with the Persons providing components or services in order to gain access to or obtain specified services. Such contracts and agreements may contain terms and conditions that, if violated by the Owner or occupant of a Unit, may result in termination of services provided to such Unit. Any such termination shall not relieve the Owner of the continuing obligation to pay assessments for any portion of the charges for such service that are assessed against the Unit as a Common Expense or Service Area Expense pursuant to this Article.

In its discretion, the Board may discontinue offering particular services and may modify or cancel existing contracts for services, subject to the contract terms and any provision that may exist elsewhere in the Governing Documents requiring the Association to provide such services.

Nothing in this Section shall be construed as a representation by Declarant or the Association as to what, if any, services shall be provided. In addition, the Board shall be permitted to modify or cancel existing contracts for services in its discretion, unless the provision of such services is otherwise required by the Governing Documents. Non-use of services provided to all Owners or Units as a Common Expense shall not exempt any Owner from the obligation to pay assessments for such services.

7.8. Relationships with Other Properties.

The Association may enter into contractual agreements or cost-sharing arrangements with the Residential Association or any neighboring property owner to contribute funds for, among other things, shared or mutually beneficial property or services and/or a higher level of Common Area maintenance. In addition, the Declarant may prepare, execute, and record a document ("**Covenant to Share Costs**") providing for:

- (a) the maintenance and operation of community infrastructure and improvements ("**Shared Properties**") which benefit any portion of the Properties and any other real property in or adjacent to Wendell Falls;
- (b) the provision of services which benefit the Properties and other real property in or adjacent to Wendell Falls ("**Shared Services**");

(c) the sharing of costs incurred in maintaining, operating, and insuring such Shared Properties or the provision of Shared Services between the Association, the Residential Association, and/or any other Persons designated therein,

(d) easements over any portion of the Common Area, Shared Properties, or any other property (with the consent of the Owner thereof), for the benefit of any real property within or adjacent to Wendell Falls; and/or

(e) easements over any other property for the benefit of all of portions of the Properties.

Any such Covenant to Share Costs shall be executed by the Declarant and the owner(s) of the property being submitted to such Covenant to Share Costs, if owned by someone other than the Declarant, and shall be binding upon the Association and the Owners of any portion of the Properties submitted to such Covenant to Share Costs.

7.9. Safety and Security.

The Association may, but shall not be obligated to, maintain or support certain activities within Wendell Falls designed to enhance the level of safety or security that each Owner, occupant, or other person provides for himself and his property. However, in so doing, the Association assumes no responsibility for personal safety or security of any Persons or their property. No representation or warranty is made that any systems or measures, including any mechanism or system for limiting access to Wendell Falls or any portion thereof, cannot be compromised or circumvented, nor that any such systems or measures undertaken will in all cases prevent loss or provide the detection or protection for which the system or measure is designed or intended. Neither the Association, the Declarant, the Parcel Developers, nor the members, partners, affiliates, officers, directors, agents or employees of any of the foregoing, shall in any way be responsible for, or considered insurers or guarantors of, personal safety or safety or security of personal property of any Person within or outside of Wendell Falls, whether or Common Area, public or private property, or elsewhere, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

Each Owner and occupant of a Unit, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property in Wendell Falls and each of them assumes all risks of personal injury and loss or damage to their property, including Units and their contents, resulting from acts of third parties.

Each person entering upon or using any Common Area or Limited Common area facilities does so at his or her own risk and assumes all risks of personal injury and loss or damage to their personal property while using such facilities.

7.10. Marketing and Promotion.

(a) Authorized Activities. The Association may, in the Board's discretion, undertake as a Common Expense advertising, marketing and promotional activities and events designed to create and project a positive image of and increase awareness of and support for businesses within the Properties and may employ staff or retain third parties, including the Declarant or any Declarant Affiliate, to advise and assist in such efforts. The Association may engage in joint enterprises with other Persons or groups to accomplish these goals.

The Association's efforts shall be focused on promotion of commercial properties within Wendell Falls as a whole and not on promotion of particular businesses or components within the Properties individually; however, the balanced use of advertising that lists or otherwise identifies all businesses or groups of similar businesses within the Properties (for example, all restaurants and/or retail businesses, all corporate offices, all health care facilities, etc.) and the reasonable and balanced use of a business or group of businesses as focal points of periodic promotional activities shall not violate this provision.

The Association's activities may be on-site, off-site, within, and without the State of North Carolina and may be conducted in cooperation with nonmembers.

(b) Advisory Committee. The Board may, but shall not be obligated to, appoint an advisory committee to assist the Association in developing and implementing activities and programs to accomplish its goals under this Section. Such committee, if appointed, shall consist of not less than three nor more than seven persons, who may, but need not, be Owners or representatives of Owners. Such committee may include marketing, advertising or similar professions, whose compensation, if any, shall be established by the Board. Such committee, if established, shall conduct itself in accordance with the resolution of the Board establishing the committee. The Declarant shall be entitled to have at least one representative on any such committee throughout the Development and Sale Period.

(c) Budget; Costs. Amounts expended by the Association pursuant to this Section 7.10 shall be a Common Expense to be included in the annual operating budget and assessed as part of the annual General Assessment against all Units subject to assessment under Article VIII; provided, the total amount included in the annual operating budget for such activities in any year shall not exceed 25 cents times the number of square feet of floor area used in allocating assessment liability pursuant to the formula set forth in Exhibit "D" unless otherwise approved by Owners entitled to cast a majority of the total votes in the Association.

Article VIII Association Finances

8.1. Authority to Levy Assessments for Association Expenses.

(a) Purposes. There are hereby created, and the Association is hereby authorized to levy, assessments for expenses incurred or anticipated to be incurred by the Association in performing its responsibilities and exercising its rights and powers under this Declaration, any Supplemental Declaration, the Articles and the Bylaws, specifically including but not limited to: expenses of maintaining, repairing, replacing, improving, operating, and insuring the Area of Common Responsibility, including amounts due to third parties who perform such tasks on

behalf of the Association, and the costs of labor, equipment, materials, management, supervision, and utilities; taxes, if any, imposed on the Association or the Common Area; the cost of insurance and fidelity bond coverage obtained pursuant to Section 7.4; the cost of water or other utilities provided to the Area of Common Responsibility; charges for services provided to Units pursuant to Section 7.7; expenses of monitoring and enforcing compliance with the provisions of the Governing Documents; expenses arising out of the Association's indemnification obligations; expenses arising out of any measure undertaken to enhance the safety of the Owners and occupants of Units and the Properties; expenses incurred in exercising architectural control under Article IV; expenses of managing the Association, including compensation of management personnel, maintaining books and records, handling Association funds, providing financial reports, and corresponding with Members; administrative expenses such as postage, copying expense, office supplies and equipment; legal, accounting, and other professional fees; and such other expenses as the Board deems necessary or desirable to keep the Properties in good, clean, and attractive condition and to maintain and enhance property values and marketability of Units within the Properties.

(b) Types of Assessments. There shall be four types of assessments: (i) General Assessments; (ii) Service Area Assessments; (iii) Special Assessments as described in Section 8.3; and (iv) Specific Assessments as described in Section 8.4. Each Owner, by accepting a deed or entering into a recorded contract of sale for any Unit, is deemed to covenant and agree to pay these assessments. Such assessments shall commence at the time and in the manner set forth in Section 8.5.

(c) Personal Obligation and Lien. Each Owner, by accepting a deed or entering into a recorded contract of sale for any Unit, is deemed to covenant and agree to pay all assessments authorized in the Governing Documents. All assessments, together with interest (computed from its due date at a rate of 10% per annum or such higher rate as the Board may establish by resolution, not to exceed 18% per annum), late charges as determined by Board resolution (subject to the limitations of North Carolina law), costs, and reasonable attorneys' fees, shall be the personal obligation of each Owner, and a charge and continuing lien upon each Unit as provided in Section 8.6, until paid in full. Upon a transfer of title to a Unit, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance, except that a Mortgagee or other purchaser who obtains title to a Unit upon the foreclosure of a first priority Mortgage of record shall not be liable for the assessments against the Unit which became due prior to such Mortgagee's or purchaser's acquisition of title to the Unit. For purposes of the foregoing sentence, "acquisition of title" shall be deemed to occur upon the earlier of: (i) the recording of a deed conveying title; or (ii) the time at which the rights of the parties are fixed following the foreclosure of such Mortgage.

Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay General Assessments and Service Area Assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfall.

No Owner may exempt himself from liability for assessments by non-use of Common Area, abandonment of his or her Unit, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

Within 10 business days after receipt of a written request therefor, the Association shall furnish to any Owner liable for any type of assessment a certificate in writing signed by an officer or duly authorized agent of the Association setting forth the amount of any unpaid assessments or other charges levied on the Unit. Such certificate shall be binding on the Association and every Owner. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

(d) Declarant's Obligations for Assessments. Declarant shall be liable for assessments on its unsold Units in accordance with the formula set forth in Exhibit "D"; however, during the Development and Sale Period, Declarant may elect to satisfy its obligation to pay General Assessments on any Units that it owns either in the form of cash or by "in kind" contributions of services or materials, or by a combination of these, provided that the fair market value of any "in kind" contributions is fair and reasonable to the Association. The value of any "in kind" contributions shall be documented in the Association records.

8.2. Adoption and Ratification of Budgets; Annual Assessment Rates.

(a) Preparation of Budgets. At least 60 days before the beginning of each fiscal year, the Board shall prepare a budget of the estimated Common Expenses for the coming year, including such amounts as the Association may be required to pay to the Residential Association under the terms of any Covenant to Share Costs. In addition, the Board shall prepare a separate budget for each Service Area reflecting the estimated Service Area Expenses that the Association expects to incur for the benefit of such Service Area in the coming year.

The estimated expenses in each budget shall include, in addition to any operating reserves, a reasonable contribution to a reserve fund for repair and replacement of any capital items to be maintained as a Common Expense or as a Service Area Expense of the Service Area for whom the budget is prepared, as applicable. In determining the amount of such reserve contribution, the Board shall take into account the number and nature of replaceable assets, the expected useful life of each, the expected repair or replacement cost, and the contribution required to fund the projected need by an annual contribution over the useful life of the asset.

Each budget shall also reflect the sources and estimated amounts of funds to cover such expenses, which may include any surplus to be applied from prior years, any income expected from sources other than assessments levied against the Units, and the amount to be generated through the levy of General Assessments or Service Area Assessments calculated in accordance with subsection (b) or (c), as applicable.

The Declarant may loan funds to the Association to cover any budget shortfall or Common Expenses which are due prior to the due date of assessments under the applicable

budget; provided, any such loans and the debt service shall also be disclosed in the applicable budget. The Declarant may charge and collect interest on the outstanding principal balance of any loan at a rate not to exceed the greater of 10% per annum or two percentage points over the prime rate published by the Wall Street Journal on the date of such loan, such interest rate to be set forth in a promissory note executed on behalf of the Association.

(b) Calculation of General Assessments. Upon determining the total amount of income required to be generated through the levy of General Assessments to fund the Common Expense budget, the Board shall allocate such amount among the Units subject to assessment pursuant to Section 8.5 in accordance with the formula set forth on Exhibit "D" and shall assess such amount to each such Unit as a General Assessment. The Board shall give notice to the Owners of such budget and assessment as provided in Section 8.2(d).

Declarant may, but shall not be obligated to, reduce the General Assessment rate for any fiscal year by payment of a subsidy to the Association. Payment of a subsidy in any fiscal year shall not obligate Declarant to continue payment of such subsidy in future years, unless otherwise provided in a written agreement between the Association and Declarant. Any such subsidy may be treated as a contribution, an advance against future assessments due from Declarant, or a loan, in Declarant's discretion; provided, any such subsidy and the characterization thereof shall be conspicuously disclosed as a line item in the income portion of the applicable budget.

(c) Calculation of Service Area Assessments. Upon determining the total amount of income required to be generated through the levy of Service Area Assessments to fund the budget for any Service Area, the Board shall allocate such amount among the Units within the Service Area subject to assessment pursuant to Section 8.5 in accordance with the formula set forth on Exhibit "D" as shall assess such amount to each such Unit as a Service Area Assessment, except as may otherwise be provided in this Declaration or any applicable Supplemental Declaration.

All amounts that the Association collects as Service Area Assessments shall be held in trust for and expended solely for the benefit of the Service Area for which they were collected and shall be accounted for separately from the Association's general funds.

(d) Notice of Budget and Assessment; Ratification. Within 30 days following the Board's adoption of any new or revised budget under Section 8.2(a) or (c), the Board shall send a summary of the applicable budget, together with notice of the amount of the General Assessment or Service Area Assessment to be levied pursuant to such budget, to each Owner to be assessed thereunder. The budget shall be accompanied by notice of the date, time and location of a meeting to consider ratification, which meeting shall be set by the Board to occur no less than 10 nor more than 60 days after mailing of the budget summary and notice. The notice shall include a statement that the meeting may be held and the budget may be ratified without a quorum being present.

The General Budget shall be deemed ratified unless rejected at the meeting by Owners of at least 75% of the total number of Units then subject to the Declaration. The Service Area Expense budget for each Service Area shall be deemed ratified unless rejected by Owners of at

least 75% of the total number of Units in the Service Area to which the budget applies, except that the right to reject a Service Area budget shall apply only to those line items which are attributable to services or benefits requested by the Service Area and shall not apply to any item which the Governing Documents require to be assessed as a Service Area Expense.

If any proposed budget or budget revision is rejected by the percentage vote specified above or the Board fails for any reason to determine the budget for any year, then the budget most recently in effect shall continue in effect until a new budget is determined.

(e) Budget Revisions. The Board may revise the budgets and adjust the General Assessment or Service Area Assessments from time to time during the year, subject to the notice and ratification requirements set forth above.

8.3. Special Assessments.

In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted under Section 8.2. Any such Special Assessment may be levied against the entire membership, if such Special Assessment is for general Common Expenses, or against the Units within any Service Area if such Special Assessment is for Service Area Expenses related to such Service Area. Except as otherwise specifically provided in Section 7.4(c) and as may be required to fund deficits under the General Budget due to delinquencies in payment of assessments, any Special Assessment shall require the affirmative vote or written consent of Members entitled to cast more than 50% of the total votes allocated to Units which will be subject to such Special Assessment, and during the Development and Sale Period, the written consent of Declarant. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved. Special Assessments shall be levied in accordance with the formula set forth in Exhibit "D."

8.4. Specific Assessments.

The Association shall have the power to levy Specific Assessments against a particular Unit or group of Units as follows:

(a) to cover the costs, including overhead and administrative costs, of providing services to such Unit(s) pursuant to Section 7.7, either under a bulk service contract entered into by the Association to provide services to less than all Units (for example, only to Improved Units) or upon request of the Owner pursuant to any menu of special services which the Association may offer (which might include the items identified in Section 7.7). Specific Assessments for special services may be levied in advance of the provision of the requested service; and

(b) for monetary fines imposed pursuant to Section 7.5 and to cover costs incurred in bringing the Unit into compliance with the Governing Documents, or costs incurred as a consequence of the conduct of the Owner or tenant of the Unit, their employees, or their respective contractors, suppliers or service providers while performing work on or making

deliveries or providing services to the Unit; provided, the Board shall give the Unit Owner prior written notice and an opportunity for a hearing in accordance with the By-Laws, before levying any Specific Assessment under this subsection (b); and

(c) to cover costs incurred or expected to be incurred by the Association to set up, clean up, provide additional security, utilities or other services in connection with any promotion or special events sponsored by the Owners or tenants of any Unit or group of Units, upon the Board's determination, in the exercise of its business judgment, that such services are necessary or appropriate; and

(d) pursuant to Section 8.8.

8.5. Payment of Assessments.

Except as otherwise provided herein, the obligation to pay assessments shall commence as to each Unit on the first day of the month following: (a) the month in which the Unit is made subject to this Declaration, or (b) the month in which the Board first determines a budget and levies assessments pursuant to this Article, whichever is later. The first annual General Assessment levied on each Unit, whether levied at the partial or full rate, shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on that Unit.

Assessments shall be paid in such manner and on such dates as the Board may establish. The Board may require advance payment of assessments at closing of the transfer of title to a Unit and impose special requirements for Owners with a history of delinquent payment. If the Board so elects, assessments may be paid in two or more installments. Unless the Board otherwise provides, the General Assessment and any Service Area Assessment shall be due and payable in advance on the first day of each fiscal year.

If any Owner is delinquent in paying any assessments or other charges levied on his Unit, the Board may require the outstanding balance on all assessments to be paid in full immediately or it may, in its discretion, permit payment of the outstanding balance in installments. Neither the Association nor the Owner is obligated to accept any proposed installment payment schedule. The Board may add reasonable administrative fees and costs for accepting and processing installments to the outstanding balance and include them in the installment payment schedule; however, such costs may include reasonable attorneys' fees only if the Owner has first been given notice of the Board's intention to recover attorneys' fees and court costs, as required by N.C.G.S. 47F-3-116, and given 15 days from the mailing of the notice to pay the outstanding balance without attorneys' fees and court costs. The notice shall also provide the name and telephone number for a representative of the Association with whom the Owner may speak to discuss a payment schedule.

8.6. Lien for Assessments.

(a) Subject to North Carolina law, as it may be amended, if any assessment or installment thereof remains unpaid 30 days or more after the due date, the Association shall, upon filing a claim of lien in the office of the Register of Deeds of Wake County, North Carolina

conforming to the requirements of N.C.G.S. Section 47F-3-116, have a lien against each Unit in favor of the Association to secure payment of assessments and other fees and charges due to the Association as authorized by the North Carolina law or the Governing Documents or as the result of any arbitrator's, mediator's or judicial decision, as well as interest, late charges, and costs of collection (including attorneys' fees and court costs, if and to the extent authorized under Section 8.5 and North Carolina law). Subject to the limitations of North Carolina law, such lien shall be superior to all other liens, except (i) the liens of all real estate taxes, governmental and other assessments and charges which by law would be superior, and (ii) the lien or charge of any recorded first Mortgage (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value and recorded prior to the filing of the claim of lien.

(b) If an assessment against a Unit remains unpaid for 90 days or more and the Board votes to proceed with foreclosure of the Association's lien on that particular Unit, the Association may foreclose its lien through judicial or non-judicial foreclosure proceedings in accordance with North Carolina law, as it may be amended, except that any lien securing only fines and/or service or collection fees may be foreclosed only by judicial foreclosure.

(c) The Association may bid for the Unit at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Unit. While a Unit is owned by the Association following foreclosure: (i) no right to vote shall be exercised on its behalf; (ii) no assessment shall be levied on it; and (iii) each other Unit shall be charged, in addition to its usual assessment, its pro rata share of the assessment that would have been charged such Unit had it not been acquired by the Association. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same, in addition to pursuing any and all remedies allowed by law to enforce the lien.

(d) Sale or transfer of any Unit shall not affect the assessment lien or relieve such Unit from the lien for any subsequent assessments. However, the sale or transfer of any Unit pursuant to foreclosure or deed in lieu of foreclosure of a first Mortgage recorded prior to the filing of the Association's claim of lien shall extinguish the lien as to any installments of such assessments due prior to the date of such foreclosure or deed, as applicable. The subsequent Owner of the foreclosed Unit shall not be personally liable for assessments on such Unit due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Units subject to assessment under Section 8.5, including such acquirer, its successors and assigns.

8.7. Exempt Property.

(a) The following property shall be exempt from payment of General Assessments, Service Area Assessments, and Special Assessments:

(i) all Common Area, streets, and alleys, and such portions of the property owned by Declarant as are included in the Area of Common Responsibility;

(ii) any property owned by any Additional Association for the common use and enjoyment of its members, or owned by the members of an Additional Association as tenants-in-common.

(b) In addition, the Declarant or the Association may, but shall not be obligated to, grant a full or partial exemption from assessments for:

(i) any property owned by a governmental authority or public utility for public purposes, including, without limitation, schools, public safety facilities, parks, and utility infrastructure; and

(ii) any property owned by Persons qualifying for tax-exempt status under Section 501(c) of the Internal Revenue Code, so long as such Persons own the property for purposes listed in Section 501(c) of the Internal Revenue Code.

Any exemption granted pursuant to this subsection (b) shall be set forth in writing, signed by the Declarant or the Association, and a copy shall be filed in the records of the Association.

8.8. Capitalization of Association.

At the time of first occupancy of a structure on an Improved Unit, the Owner thereof shall make a contribution to the working capital of the Association in an amount equal to the greater of \$500 or one-sixth of the annual General Assessment that would have been levied on such Unit for the year in which such first occupancy occurs if it had been improved with such structure for the entire year. This amount shall be in addition to, not in lieu of, the annual General Assessment and shall not be considered an advance payment of such assessments, but rather shall be considered a Specific Assessment secured by the Association's lien for assessments under Section 8.6. This amount may be used by the Association for operating expenses and other expenses incurred by the Association pursuant to this Declaration and the By-Laws, or for funding of reserves as the Board may determine in its discretion.

8.9. Use and Consumption Fees.

The Board may charge use, consumption, or activity fees to any Person using Association services or facilities or participating in Association-sponsored activities. The Board may determine the amount and method of determining such fees. Different fees may be charged to different classes of users (*e.g.*, Owners and non-Owners).

Article IX Expansion of the Properties

9.1. Expansion by Declarant.

Declarant may from time to time expand the Properties to include all or any portion of the property described in Exhibit "B," and/or any property lying within a 2-mile radius of the perimeter boundaries of the property described in Exhibits "A" or "B," by recording a Supplemental Declaration describing the additional property and stating the intent to submit it to the provisions of this Declaration. A Supplemental Declaration recorded pursuant to this Section shall not require the consent of any Person except the owner of such property, if other than Declarant.

Declarant's right to expand the Properties pursuant to this Section shall expire 20 years after this Declaration is recorded. Until then, Declarant may transfer, assign, or otherwise permit this right to be exercised by any Person or Persons who are the developers of at least a portion of the real property described in which is subject to, or may be made subject to, this Declaration. Any such transfer, assignment or permission shall be memorialized in a written, recorded instrument executed by Declarant and the Person to whom it is assigned.

Nothing in this Declaration shall be construed to require Declarant or any successor to subject additional property to this Declaration or to develop any of the property described in Exhibit "B" in any manner whatsoever.

9.2. Expansion by the Association.

The Association may also expand the Properties to include additional property by recording a Supplemental Declaration describing the additional property and the intent to submit it to the provisions of this Declaration. Any such Supplemental Declaration shall require the affirmative vote of persons entitled to cast more than 50% of the Class "A" votes in the Association represented at a meeting duly called for such purpose and the consent of the owner of the property. In addition, during the Development and Sale Period, Declarant's written consent shall be necessary. The Supplemental Declaration shall be signed by the President and Secretary of the Association, by the owner of the property and by Declarant, if Declarant's consent is necessary.

9.3. Additional Covenants and Easements.

Declarant may subject any portion of the Properties to additional covenants and easements, including covenants obligating the Association to maintain and insure such property and authorizing it to recover its costs through Service Area Assessments. Such additional covenants and easements may be set forth either in a Supplemental Declaration subjecting such property to this Declaration or in a separate Supplemental Declaration referencing property previously subjected to this Declaration. If the property is owned by someone other than Declarant, then the consent of the Owner(s) shall be necessary and shall be evidenced by their execution of the Supplemental Declaration. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

9.4. Effect of Filing Supplemental Declaration.

A Supplemental Declaration shall be effective upon recording unless otherwise specified in such Supplemental Declaration. On the effective date of the Supplemental Declaration, any additional property subjected to this Declaration shall be assigned voting rights in the Association and assessment liability in accordance with the provisions of this Declaration.

Article X Additional Rights Reserved to Declarant

10.1. Withdrawal of Property.

During the Development and Sale Period, Declarant reserves the right to amend this Declaration for the purpose of withdrawing from the coverage of this Declaration any real property which has not yet been improved with structures, provided such withdrawal does not reduce the total acreage subject to this Declaration by more than 10% below the maximum acreage submitted to this Declaration at any time prior to such withdrawal, unless the withdrawn property is immediately submitted to the Residential Declaration. Otherwise, such amendment shall not require the consent of any Person other than the Owner(s) of the property to be withdrawn, if not the Declarant. If the property is Common Area, the Association shall consent to such withdrawal.

10.2. Right to Approve Changes in Community Standards.

During the Development and Sale Period, no amendment to or modification of the Rules or Design Guidelines shall be effective without prior notice to and the written approval of Declarant.

10.3. Development and Sales Activities.

During the Development and Sale Period:

(a) Declarant and Parcel Developers whom the Declarant so authorizes in writing may construct and maintain upon portions of the Common Area such facilities and activities as, in Declarant's sole opinion, may be reasonably required, convenient, or incidental to the development and sale of the Properties, including, but not limited to, business and sales offices, construction offices, parking areas, and signs. Declarant and authorized Parcel Developers shall have easements for access to and use of such facilities at no charge. Such right shall specifically include the right of Declarant to restrict use or access to such facilities by the Association, its members and others as long as Declarant is using them for such purposes; provided, Declarant shall be responsible for maintenance and operating costs associated with any portion of such Common Area facilities used exclusively by the Declarant during the period of such exclusive use.

(b) Declarant and its employees, agents and designees shall have a right of access and use and an easement over and upon all of the Common Area and roadways within the Properties for the purpose of:

(i) exercising any rights reserved to the Declarant under the Governing Documents; and

(ii) making, constructing, and installing any improvements indicated on recorded subdivision maps or plats of the Properties and such other improvements to the Common Area and to the Exhibit "B" property as it deems appropriate; and

(iii) making repairs or correcting any condition on the Common Area or any Unit.

(c) Declarant reserves for itself and its designees the right, without the consent of or payment of compensation to any Person, to take photographs and to capture, produce, and reproduce, by any method and in any format or media, images of any structures, streetscapes, landscapes, signage, public spaces, or other elements located on Units, Common Area, or public property within the Properties which are visible from public streets or Common Area, and to use such images in advertising, marketing materials, displays, presentations, and publications of any kind, including, without limitation, newspaper, internet, television, and other media, except that there shall be no right to sell such images for commercial use by others. Each Owner, by accepting a deed to any Unit, shall be deemed to have consented to the exercise by Declarant and its designees of the rights described in this subsection (b) and to have waived any personal or proprietary right such Owner may have in connection with such images to permit such use.

10.4. Control of and Changes in Development Plan.

Every Person that acquires any interest in the Properties acknowledges that Wendell Falls is a master planned community, the development of which is likely to extend over many years, and agrees that neither the Association nor any Additional Association shall engage in, or use Association funds to support, any protest, challenge or other form of objection to (a) changes in uses or density of property within or outside Wendell Falls, or (b) changes in the Master Plan without the prior written consent of Declarant, which consent may be granted or withheld in Declarant's sole discretion.

10.5. Special Declarant Rights; Allocation of Parking.

(a) Declarant may exercise any or all of the "Special Declarant Rights" described in N.C.G.S. Section 47F-1-103(28).

(b) Declarant reserves for itself, its successors and assigns, the exclusive right to allocate, for the benefit of such Units as it may designate, all parking spaces on streets within the Common Area or public rights-of-way within or adjacent to the Properties and other portions of Wendell Falls, which allocation may be set forth in one or more Supplemental Declarations or other recorded instruments executed by the Declarant.

10.6. Additional Covenants.

No Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Properties without Declarant's review and written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed and recorded by Declarant.

10.7. Right to Transfer or Assign Declarant Rights.

Any or all of Declarant's special rights and obligations set forth in this Declaration or the By-Laws may be transferred in whole or in part to other Persons; provided, the transfer shall not reduce an obligation nor enlarge a right beyond that which Declarant has under this Declaration or the By-Laws. No such transfer or assignment shall be effective unless it is in a written instrument signed by Declarant and the transferee and recorded. The foregoing sentence shall

not preclude Declarant from permitting other Persons to exercise, on a one time or limited basis, any right reserved to Declarant in this Declaration where Declarant does not intend to transfer such right in its entirety, and in such case it shall not be necessary to record any written assignment unless necessary to evidence Declarant's consent to such exercise.

10.8. Exclusive Rights To Use Name of Development.

No Person other than Declarant, its authorized agents, and Parcel Developers, shall use the name "Wendell Falls," any derivative of such names, or associated logos or depictions, in any electronic, printed or promotional media or material without Declarant's prior written consent. However, Owners may use the name "Wendell Falls" in printed or promotional matter where such term is used solely to specify that particular property is located within Wendell Falls. The Association shall also be entitled to use the words "Wendell Falls" in its name.

10.9. Right to Notice of Design or Construction Claims.

No Person shall retain an expert for the purpose of inspecting the design or construction of any structures or improvements constructed by Declarant within the Properties in connection with or in anticipation of any potential or pending claim, demand or litigation involving such design or construction unless Declarant, in the case of improvements to the Common Areas, and any contractor involved in the design or construction have been first notified in writing and given an opportunity to meet with the Owner of the property to discuss the Owner's concerns and conduct their own inspection pursuant to the rights reserved in Section 11.7.

10.10. Right of Convert Unit to Common Area or Roadway.

Declarant reserves the right to convert any Unit which it owns to Common Area or to public right-of-way, or to a combination of Common Area and right-of-way. Such right shall include, without limitation, a right to convert a Unit to right-of-way for the purpose of providing permanent access to property adjacent to the Properties, whether or not such property is made subject to this Declaration. Upon conveyance of any Unit by Declarant to the Association as Common Area, the Unit shall cease to be a Unit and shall thereafter be Common Area. Upon recordation by Declarant of a plat or other instrument establishing a public right-of-way over a Unit that Declarant owns, the Unit shall cease to be a Unit and shall thereafter be treated in the same manner as any other property in the Properties that has been dedicated to the public.

10.11. Central Telecommunication, Receiving, and Distribution System.

To the extent permitted by applicable law, Declarant reserves for itself, its Affiliates, successors, and assignees, the exclusive and perpetual right and easement to operate within the Properties, central telecommunication receiving and distribution systems (*e.g.* cable television, high speed data/Internet/intranet service, telephone, and security monitoring), including associated infrastructure, software, hardware, conduits, wires, amplifiers, towers, antennae, and other related apparatus and equipment (the "**Community System**") as Declarant, in its discretion, deems appropriate. Such exclusive and perpetual right shall include, without limitation, Declarant's right to select and contract with companies licensed to provide telecommunications and cable television service in the Wake County, North Carolina area, and

to charge or authorize such provider to charge individual users a reasonable fee not to exceed the maximum allowable charge for such service, as from time to time is defined by the laws, rules, and regulations of any relevant government authority, if applicable.

Declarant may enter into and assign to the Association, or cause the Association to enter into, a bulk rate service agreement providing for access to any Community Systems for all Units as a Common Expense. If particular services or benefits are provided to particular Owners or Units at their request, the benefited Owner(s) shall pay the service provider directly for such services, or the Association may assess the charges as a General Assessment or Specific Assessment and pay such charges to the provider on behalf of the Owners, as the Board deems appropriate.

Article XI Easements

11.1. Easements in Common Area.

Declarant grants to each Owner a nonexclusive right and easement of use, access, and enjoyment in and to the Common Area, subject to:

(a) the Governing Documents, any Covenant to Share Costs, and any other recorded covenants, restrictions or easements applicable to such Common Area;

(b) any restrictions, limitations or easements contained in any deed conveying such property to the Association;

(c) the Board's right to:

(i) adopt rules regulating use and enjoyment of the Common Area (other than for access to and from a Unit), except that the Board shall not charge fees for parking in designated parking spaces, if any, within the Common Area by employees or customers of any Owner or lessee of a Unit to which parking rights in such Common Area have been granted by Supplemental Declaration;

(ii) suspend the right of an Owner and the occupants of the Owner's Unit to use facilities within the Common Area pursuant to Section 7.5;

(iii) dedicate or transfer all or any part of the Common Area, or mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred, subject to Section 17.3;

(iv) rent any Common Area facilities on an exclusive or non-exclusive short-term basis to any Person;

(v) permit use of any Common Area facilities by persons who do not own property subject to this Declaration, which use or licenses may be subject to such fees or charges as the Board may establish in its discretion (subject to any applicable covenants, restrictions, or easements affecting such Common Area); and

(vii) permit any Person to use Common Areas, at such charge or no charge as the Board may determine, for the purpose of conducting special events, or offering and conducting classes or similar activities that may be of interest to the Owners and occupants of Units and such other individuals as the Board may specify, whether offered on a fee basis, for profit or otherwise;

(d) the rights of certain Owners to the exclusive use of those portions of the Common Area designated "Limited Common Areas," as described in Article XII; and

(f) The right of Declarant, and its designees, including such Parcel Developers as Declarant may authorize, to the exclusive use of portions of the Common Area pursuant to Section 10.3.

Any Owner may extend his or her right of use and enjoyment to the tenant and occupants of such Owner's Unit and their employees and invitees, as applicable, subject to reasonable regulation by the Board.

11.2. Easements Between Adjacent Units and Common Areas.

(a) Easements of Encroachment. Declarant grants reciprocal appurtenant easements of encroachment, and for maintenance and use of any permitted encroachment, between each Unit and any adjacent Common Area or right-of-way and between adjacent Units due to the unintentional placement or settling or shifting of the improvements (other than buildings) constructed, reconstructed, or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than two feet, as measured from any point on the common boundary along a line perpendicular to such boundary. However, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, the Person claiming the benefit of such easement.

(b) Easements for Use of Air Space. The Declarant hereby grants reciprocal appurtenant easements over and between adjacent Units and each Unit and any adjacent Common Area for the temporary use of air space as reasonably necessary during construction and maintenance of improvements on a Unit. The permitted use of air space includes the right to temporarily install and use scaffolding and a tower or other crane, and the right to swing a crane and its load, over the air space of any adjacent Unit or Common Area as may be reasonably necessary during the construction of improvements on a Unit and during the maintenance, repair, cleaning, and inspection of such improvements, provided that the exercise of such easement shall not unreasonably interfere with the use of the burdened Unit nor authorize the person exercising such easement to cause any damage to the burdened Unit.

11.3. Easements for Utilities, Etc.

(a) Installation and Maintenance. Declarant reserves for itself, during the Development and Sale Period, and grants to the Association and all utility providers, perpetual non-exclusive easements throughout the Properties (but not through a structure) to the extent reasonably necessary for the purpose of:

(i) installing utilities and infrastructure to serve Wendell Falls, cable and other systems for sending and receiving data and/or other electronic signals, security and similar systems, walkways, pathways and trails, stormwater drainage systems, spray irrigation systems, and street lights and signage, on property which Declarant or the Association owns or within public rights-of-way or easements reserved for such purpose on recorded plats or in other recorded documents; and

(ii) inspecting, maintaining, repairing and replacing the utilities, infrastructure and other improvements described in Section 11.3(a)(i); and

(iii) access to read utility meters.

(b) Right to Grant Specific Easements. Declarant also reserves for itself the non-exclusive right and power to grant and record such specific easements as may be necessary, in the sole discretion of Declarant, in connection with the orderly development of any property subject to this Declaration or which may be made subject to this Declaration. The Owner of any property to be burdened by any easement granted pursuant to this subsection (b) shall be given written notice in advance of the grant. The location of the easement shall be subject to the written approval of the Owner of the burdened property, which approval shall not unreasonably be withheld, delayed or conditioned.

(c) Minimal Interference. All work associated with the exercise of the easements described in subsections (a) and (b) of this Section shall be performed in such a manner as to minimize interference with the use and enjoyment of the property burdened by the easement. Upon completion of the work, the Person exercising the easement shall restore the property, to the extent reasonably possible, to its condition prior to the commencement of the work. The exercise of these easements shall not extend to permitting entry into the structures on any Unit, nor shall it unreasonably interfere with the use of any Unit and, except in an emergency, entry onto any Unit shall be made only after reasonable notice to the Owner or occupant.

11.4. Right of Entry for Maintenance by Owners.

If any structure or landscaping is located within five (5) feet of the boundary of any Unit and such location conforms to all applicable laws, ordinances, and Design Guidelines, the Owner shall have a perpetual, nonexclusive easement over the Unit adjoining such boundary to the extent reasonably necessary to perform maintenance and repairs to such structure or landscaping, except that nothing herein shall authorize entry into any building on the Unit and the person seeking entry shall provide reasonable notice to the Owner or tenant of the adjacent Unit prior to entry. All work shall be done expeditiously and, upon completion of the work, the Owner shall restore the adjoining Unit to as nearly the same condition as that which existed prior to such entry as reasonably practicable.

11.5 Easements to Serve Additional Property.

Declarant hereby reserves for itself and its duly authorized agents, successors, assigns, and mortgagees, an easement over the Common Area for the purposes of enjoyment, use, access, and development of any property which has been submitted to this Declaration or may be

submitted to this Declaration pursuant to Article IX. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for construction of roads, installation of utilities, construction of stormwater facilities to serve such property, and for connecting and installing utilities on such property.

Declarant agrees that it and its successors or assigns shall be responsible for any damage caused to the Common Area as a result of their respective actions in connection with development of such property. Declarant further agrees that if the easement is exercised for permanent access to such property and such property or any portion thereof benefiting from such easement is not made subject to this Declaration, Declarant, its successors or assigns shall enter into a reasonable agreement with the Association to share the cost of any maintenance which the Association provides to or along any roadway providing access to such property.

11.6. Easements for Maintenance, Emergency and Enforcement.

Declarant grants to the Association easements over the Properties as necessary to enable the Association to fulfill its maintenance responsibilities under Section 7.2 and otherwise exercise its authority and fulfill its duties under the Governing Documents. The Association shall also have the right, but not the obligation, to enter upon any Unit for emergency, security, and safety reasons, to perform maintenance and to inspect for the purpose of ensuring compliance with and enforce the Governing Documents. Such right may be exercised by any member of the Board and its duly authorized agents and designees, and all emergency personnel in the performance of their duties. Except in an emergency situation, entry onto an occupied Unit for any purpose other than performing, during daylight hours, exterior maintenance which is the Association's responsibility under this Declaration or any Supplemental Declaration, shall only be during reasonable hours and after notice to the Owner.

11.7. Easement to Inspect and Right to Correct.

Declarant reserves for itself and others it may designate the right to inspect, monitor, test, redesign, and correct any structure, improvement or condition which may exist on any portion of the Properties, including Units, and a perpetual, nonexclusive easement of access throughout the Properties to the extent reasonably necessary to exercise such right. Except in an emergency, entry onto a Unit shall be only after reasonable notice to the Owner and no entry into a structure shall be permitted without the consent of the Owner. The person exercising this easement shall promptly repair, at such person's own expense, any damage resulting from such exercise.

11.8. Landscaping and Signage Easements.

Declarant and its designees and the Association shall have perpetual, nonexclusive easements exercisable by their respective employees, agents, and contractors over areas within the rights-of-way of streets within the Properties and those portions of Units, if any, designated as landscaping and signage easements, landscape buffers, or by similar name ("**Landscaping and Signage Easement**") on the recorded subdivision plats relating to the Properties for the purpose of installation, maintenance, repair, and replacement of, signage, lighting, street furniture, irrigation systems, and landscaping within the easement area. Nothing herein shall obligate Declarant or the Association to exercise such easements or to construct or install any of

the foregoing within any right-of way or Landscaping and Signage Easement. No fences, structures, driveways, plantings, or other objects, temporary or permanent, shall be constructed or placed in such easement areas without the Association's prior written approval, other than those installed by Declarant or its designees.

No person shall interfere with the exercise of this easement by Declarant, its designees, or the Association, by removing, defacing, or otherwise vandalizing any signs (temporary or permanent) or other improvements placed within such easement area by Declarant, its designees, or the Association, or otherwise. The Declarant, its designees and the Association, respectively, may remove signs or other improvements which they have placed on the easement area.

11.9. Easements for Erosion Control.

Declarant reserves for itself, its successors and assigns, and grants to the Association, a perpetual, non-exclusive easement to enter upon any portion of the Properties for the purpose of implementing such erosion control measures as Declarant or the Association deem necessary to prevent or correct soil erosion or siltation thereon.

11.10 Easements for Storm Water Collection, Retention, and Irrigation Systems.

Declarant reserves for itself, the Association, and their successors, assigns, and designees, the nonexclusive right and easement to enter upon any portion of the Properties designated as a utility or drainage easement on recorded plats to (a) install, operate, maintain, and replace pumps and lines to supply irrigation water to the Area of Common Responsibility; (b) to construct, maintain and repair basins, structures and equipment which are part of the stormwater facilities serving the Properties, including any ponds, bulkheads, and other structures for capturing and retaining stormwater; and (c) maintain such areas in a manner consistent with the Community-Wide Standard. Except in an emergency, entry onto a Unit shall be only after reasonable notice to the Owner and no entry into a structure shall be permitted without the consent of the Owner. The person exercising this easement shall promptly return any property damaged as a result of such exercise to substantially the same condition as the property existed prior to the exercise of the easement.

11.11. Easements for Maintenance of Water Bodies.

The Declarant reserves for itself, the Association, and their successors, assigns, and designees, a perpetual, nonexclusive right and easement of access over the lakes, detention ponds or other bodies of water and wetlands within Wendell Falls, and over the Common Area and Units (but not the structures thereon) adjacent to or within 25 feet of such lakes, detention ponds or other bodies of water and wetlands, in order to perform such maintenance and repair as the Board may deem appropriate, which may include maintenance of shorelines, bulkheads, and water quality, algae control, removal of silt and debris, breaching of dams, removal of dead or diseased trees, shrubs, and plants, all subject to the conditions of any conservation easement applicable to the property. All persons entitled to exercise this easement shall use reasonable care in and repair any damage resulting from the intentional exercise of such easement. Nothing in this Section shall be construed to make the Declarant, the Association, or any other

Person responsible for maintaining any dam, lake, or pond or liable for any damage resulting from flooding due to weather events or other natural occurrences.

11.12. Private Streets and Access Easements.

(a) Rights of Association and Owners. Until such time as the Declarant or a Declarant Affiliate conveys any private street or access easement within the Properties ("**Private Street**") to the Association, or dedicates it to the general public, the Private Street shall be subject to a temporary, nonexclusive easement for access, ingress, and egress for the benefit of the Association, each Unit and the Owner and occupants thereof and their invitees, and each other portion of the Properties. Use of any Private Street shall be subject to and in accordance with any rights and easements set forth in this Declaration, on the recorded plat, and in any law, ordinance, or regulation governing the use of such street. Use of any Private Street may be restricted by plat or Supplemental Declaration to the Owners of Units shown on the plat depicting such Private Street and their guests and invitees.

(b) Service Easements. Declarant hereby creates a perpetual, nonexclusive easement for access, ingress, and egress over any Private Street for law enforcement, fire fighting, paramedic, rescue, and other emergency vehicles, equipment, and personnel; for school buses; for U.S. Postal Service delivery vehicles and personnel; for utility providers; and for vehicles, equipment, and personnel providing garbage and/or recycling collection service to the Properties, provided that such easement shall not authorize any such Persons to enter the Private Streets except while acting in their official capacities.

Article XII Limited Common Areas

12.1. Purpose.

Certain portions of the Common Area may be designated as Limited Common Area and reserved for the exclusive use or primary benefit of Owners and occupants of particular Units. By way of illustration and not limitation, Limited Common Areas may include entry features, stormwater ponds, landscaped areas and other portions of the Common Area primarily serving a limited number of Units. All costs associated with ownership, maintenance, repair, replacement, management, operation and insurance of a Limited Common Area shall be a Service Area Expense allocated among the Owners in the Service Area to which the Limited Common Area is assigned.

12.2. Designation.

Initially, any Limited Common Area shall be designated as such in the deed conveying such area to the Association or on the subdivision plat relating to such Common Area; provided, however, any such assignment shall not preclude Declarant from later assigning use of the same Limited Common Area to additional Units, so long as Declarant has a right to subject additional property to this Declaration pursuant to Section 9.1.

Thereafter, a portion of the Common Area may be assigned as Limited Common Area upon approval of (a) the Board, (b) persons entitled to cast a majority of the total Class "A" votes in the Association, and (c) persons entitled to cast a majority of the Class "A" votes attributable to Units to which the Limited Common Area is proposed to be assigned or reassigned. During the Development and Sale Period, any such assignment or reassignment shall also require Declarant's written consent.

Article XIII Dispute Resolution and Limitation on Litigation

13.1. Agreement to Encourage Resolution of Disputes Without Litigation.

(a) Declarant, the Association and its officers, directors, and committee members, all Persons subject to this Declaration, and any Person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "**Bound Parties**"), agree that it is in the best interest of all concerned to encourage the amicable resolution of disputes involving Wendell Falls without the emotional and financial costs of litigation. Accordingly, each Bound Party agrees not to file suit in any court with respect to a Claim described in subsection (b), unless and until it has first submitted such Claim to the alternative dispute resolution procedures set forth in Section 13.2 in a good faith effort to resolve such Claim.

(b) As used in this Article, the term "**Claim**" shall refer to any claim, grievance or dispute arising out of or relating to

(i) the interpretation, application, or enforcement of the Governing Documents; or

(ii) the rights, obligations, and duties of any Bound Party under the Governing Documents; or

(iii) the design or construction of improvements within Wendell Falls, other than matters of aesthetic judgment under Article IV, which shall not be subject to review;

except that the following shall not be considered "Claims" unless all parties to the matter otherwise agree to submit the matter to the procedures set forth in Section 13.2:

(i) any suit by the Association to collect assessments or other amounts due from any Owner; and

(ii) any suit by the Association to obtain a temporary restraining order (or emergency equitable relief) and such ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of Articles III, IV, and V of this Declaration (relating to creation and maintenance of community standards), and any suit by the Association to enforce the Governing Documents if the Association has already complied with the notice and hearing procedures set forth in the By-Laws; and

(iii) any suit which does not include Declarant or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents; and

(iv) any suit in which any indispensable party is not a Bound Party; and

(v) any suit as to which any applicable statute of limitations would expire within 180 days of giving the Notice required by Section 13.2(a), unless the party or parties against whom the Claim is made agree to toll the statute of limitations as to such Claim for such period as may reasonably be necessary to comply with this Article.

13.2. Dispute Resolution Procedures.

(a) Notice. The Bound Party asserting a Claim ("**Claimant**") against another Bound Party ("**Respondent**") shall give written notice ("**Notice**") to each Respondent and to the Board stating plainly and concisely:

(i) the nature of the Claim, including the Persons involved and the Respondent's role in the Claim; and

(ii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises); and

(iii) the Claimant's proposed resolution or remedy; and

(iv) the Claimant's desire to meet with the Respondent to discuss in good faith ways to resolve the Claim.

(b) Negotiation. The Claimant and Respondent shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the parties in negotiating a resolution of the Claim.

(c) Mediation. If the parties have not resolved the Claim through negotiation within 30 days of the date of the notice described in Section 13.2(a) (or within such other period as the parties may agree upon), the Claimant shall have 30 additional days to submit the Claim to mediation with an entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency providing dispute resolution services in the Raleigh, North Carolina metropolitan area. The mediator shall notify the parties in writing of the date, time and location of the mediation, which shall be within 25 days after the mediator receives the written request from the Claimant. The provisions of N.C.G.S. 7A-38.3F(d), (h), and (i) shall apply to any mediation hereunder.

If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be relieved of any and all liability to the Claimant (but not third parties) on account of such Claim.

If the Parties do not settle the Claim within 30 days after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date that mediation was terminated. The Claimant shall thereafter be entitled to file suit or to initiate administrative proceedings on the Claim, as appropriate.

Each Party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all fees charged by the mediator.

Alternative Dispute Resolution Process

(d) Settlement. Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the parties. If any party thereafter fails to abide by the terms of such agreement, then any other party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the procedures set forth in this Section. In such event, the party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties in equal proportions) all costs incurred in enforcing such agreement or award, including, without limitation, attorneys' fees and court costs.

13.3. Initiation of Litigation by Association.

In addition to compliance with the foregoing alternative dispute resolution procedures, if applicable, the Association shall not initiate any judicial or administrative proceeding unless first approved by a vote of persons entitled to cast 75% of the total Class "A" votes in the Association, except that no such approval shall be required for actions or proceedings:

- (a) initiated during the Class "B" Control Period; or
- (b) initiated to enforce the provisions of the Governing Documents, including collection of assessments and foreclosure of liens; or
- (c) initiated to challenge *ad valorem* taxation or condemnation proceedings; or
- (d) initiated against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies; or
- (e) to defend claims filed against the Association or to assert counterclaims in proceedings instituted against it.

This Section shall not be amended unless such amendment is approved by the same percentage of votes necessary to institute proceedings.

Article XIV Mortgage Provisions

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Units in the Properties. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

14.1. Notices of Delinquency.

Upon written request of an institutional holder, insurer, or guarantor of a first Mortgage ("Mortgagee") stating the name and address of such Mortgagee and the street address of the Unit to which its Mortgage relates, the Association shall provide a statement of any delinquency in the payment of assessments or charges owed for such Unit or any other violation of the Governing Documents relating to such Unit or the Owner or occupant thereof which has not been cured.

14.2. Right to Examine Books and Records.

Subject to the provisions of the Act, upon written request of any Mortgagee stating the name and address of such Mortgagee and the street address of the Unit to which its Mortgage relates, the Association shall provide the Mortgagee with a copy of the Association's most recent financial statement and shall permit such Mortgagee or its agent to inspect the books and records of the Association during normal business hours, subject to the terms of the By-laws.

14.3. No Priority.

No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

14.4. Notice to Association.

Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

Article XV Additional Relationships and Disclosures

15.1. Irrigation Using Non-Potable Water.

Each Owner and tenant of a Unit, and their respective employees, guests and invitees, are hereby advised that non-potable water may be used to irrigate property within or adjacent to the Properties, including the Area of Common Responsibility. Although non-potable water is considered safe for irrigation and limited contact, it is not suitable for human or animal consumption and should not be used for drinking, bathing, swimming, or any other purpose other than irrigation.

15.2. High Voltage Power Lines; Radio and Telecommunication Towers.

Every Owner and occupant of a Unit is hereby advised that there are high voltage power transmission lines and radio towers located within or in the vicinity of Wendell Falls. While

various studies have failed to establish any causal relationship between living in proximity to high voltage power transmission lines or radio towers and cancer or other diseases, there remains some speculation that such a relationship may exist. Every Owner and occupant of a Unit must evaluate such risk for themselves prior to making a decision to purchase, lease, or occupy a Unit. Neither Declarant, Parcel Developers, the Association, nor the members, partners, affiliates, officers, directors, agents or employees of any of the foregoing, shall be liable for any damage or injury to any Person or any property arising out of or related to proximity to high voltage power transmission lines and/or radio towers.

Every Owner and occupant of a Unit is further advised that telecommunication towers and related equipment may also be built within or in the vicinity of Wendell Falls. Neither Declarant, Parcel Developers, the Association, nor the members, partners, affiliates, officers, directors, agents or employees of any of the foregoing shall be liable for any damage or injury to any Person or any property arising out of or related to the construction, installation, maintenance and operation of any such towers that may now or hereafter be located in or in the vicinity of Wendell Falls.

15.3. Public Safety Facilities.

The Declarant reserves the right to designate and convey sites anywhere within the Properties, subject to local government approvals, for use as a fire station, police station, or other facility which may involve emergency or public safety vehicles entering, leaving, and passing through the Properties and alarms and sirens audible within the Properties at any time of day or night. The Declarant has no obligation to locate any such facility away from structures or to take any other action to minimize the disturbance of Owners or occupants of Units as a result of such alarms and sirens.

15.4. Stormwater Facilities.

Some Units may be located adjacent to Common Area containing lakes, ponds or stormwater detention or retention facilities that may from time to time contain water. Owners and occupants of such Units have no right to erect fences, attach docks, build retaining walls, anchor or store boats or other watercraft, or landscape, clear, or otherwise disturb vegetation within natural areas located within the Common Area between the boundary of the Unit and the water's edge, or within the nondisturbance buffer on any Unit.

15.5. Notices and Disclaimers as to Community Systems.

In recognition of the fact that interruptions in service provided by any Community System may occur from time to time, neither the Association, the Declarant, nor any Declarant Affiliate shall be held liable for any interruption in Community Systems services.

15.6. Nonresidential Uses.

Wendell Falls is a planned unit development in which zoning permits a mix of land uses, including a variety of residential uses, neighborhood businesses, office and institutional, civic and other nonresidential uses. The development of such nonresidential uses is subject to market

conditions and the Declarant makes no representations or guarantees that any particular nonresidential uses or mix of uses will be developed, nor is any builder, broker, managing agent, or other person authorized to make any such representations.

15.7. Other Uses in Vicinity of Wendell Falls.

In addition to the specific matters described above, the Declarant, the Association and the Builders have no ability to control the general use, maintenance or appearance of, or noise, odors, and emissions emanating from, nearby expressways, highways, and property owned by third parties adjacent to or in the vicinity of the Properties which is not subject to this Declaration. All purchasers of Units should conduct their own diligence with respect to adjacent landowners, land uses, and potential uses of land in the vicinity of the Properties which may have an impact on the purchasers' use and enjoyment of their Units.

Article XVI Leasing and Transfer of Units

16.1. Leasing.

For purposes of this Declaration, the terms "lease" and "leasing" shall refer to the regular, exclusive occupancy of any portion of a Unit by any Person other than the Owner, for which the Owner receives any consideration or benefit. All leases shall be in writing and shall provide that the tenant, its employees, guests and invitees, and all other occupants of the leased Unit or portion thereof are bound by and obligated to comply with the Governing Documents. However, the Governing Documents shall apply regardless of whether such a provision is specifically set forth in the lease. The Owner shall give the tenant copies of the Governing Documents prior to the tenant taking occupancy of the leased premises. Within 30 days of a lease being signed, the Owner of the Unit shall notify the Board or the Association's managing agent of the lease, identifying the leased premises and providing the name and mailing address of the tenant, contact information for the tenant representative, the term of the lease, and the intended use of the leased premises.

Notwithstanding the above, the Owner of a Unit operated as multi-family rental apartments (i) shall not be required to provide notice to the Board of execution of each lease of an apartment dwelling with a residential tenant but shall provide to the Board, upon the Board's request, a list of all tenants with current leases as of the date of such request, identifying the tenant, the apartment to which such tenant's lease relates and the term of such lease; and (ii) may, in lieu of delivering copies of all of the Governing Documents to each residential tenant, provide a copy of the Association's Rules to each tenant and advise the tenant in writing at the time of lease execution of a reasonably convenient means to access a complete copy of the Governing Documents for review, either onsite or via a community website maintained by the Owner and accessible to the residential tenants.

16.2. Notice of Transfer.

Any Owner desiring to sell or otherwise transfer title to his or her Unit shall make such disclosure as required by North Carolina law, and in addition shall give the Board at least seven

days' prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. The Person transferring title shall continue to be jointly and severally responsible with the Person accepting title for all obligations of the Owner, including assessment obligations, until the date upon which the Board receives such notice, notwithstanding the transfer of title.

16.3. Administrative Fee.

The Association may charge a reasonable administrative fee for preparation of a statement of unpaid assessments hereunder and may require that such fee be paid in advance.

Article XVII Changes in Common Area

17.1. Condemnation.

If any part of the Common Area shall be taken by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to written notice of such taking or conveyance prior to disbursement of any condemnation award. Any condemnation award shall be payable to the Association and shall be disbursed as follows:

If the taking or conveyance involves a portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements on the remaining land included in the Common Area to the extent available, unless within 60 days after such taking Declarant, during the Development and Sale Period, and Members entitled to cast at least 75% of the total Class "A" votes in the Association shall otherwise agree. Any such construction shall be in accordance with plans approved by the Board. The provisions of Section 7.4(c) regarding funds for restoring improvements shall apply.

If the taking or conveyance does not involve any improvements on the Common Area, or if a decision is made not to repair or restore, or if net funds remain after any such restoration or replacement is complete, then such award or net funds shall be treated in the same manner as if proceeds from the sale of Common Area pursuant to Section 17.3.

17.2. Partition.

Except as permitted in this Declaration, the Common Area shall remain undivided, and no Person shall bring any action seeking the partition of any portion of the Common Area without the written consent of all Owners and Mortgagees. This Section shall not prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring and disposing of real property which may or may not be subject to this Declaration, subject to such approval as may be required under Section 17.3.

17.3. Mortgaging, Conveyance or Dedication of Common Area.

The Association may dedicate portions of the Common Area to the Town of Wendell or the State of North Carolina, or to any other local, state, or federal governmental or quasi-

governmental entity, or may subject Common Area to a security interest, or may transfer or convey Common Area as follows:

(a) if Common Area other than Limited Common Area, upon the written direction of Members entitled to cast at least 80% of the total Class "A" votes in the Association and the Declarant during the Development and Sale Period; and

(b) if Limited Common Area, upon written agreement of all Owners of Units to which the Limited Common Area is assigned;

except that no conveyance of Common Area shall reduce the total area comprising the Common Area below that required by applicable governmental authorities as a condition of development or subdivision approvals, and no sale or encumbrance of Common Area may deprive any Unit of rights of access or support. Nothing herein shall require membership approval for the Board to grant easements over the Common Area for public utilities or for other purposes which are not inconsistent with the use and enjoyment of the Common Area by the Owners for its intended purpose.

The proceeds from the sale or financing of Common Area other than Limited Common Area shall be an asset of the Association to be used as the Board determines. The proceeds from the sale or financing of Limited Common Area shall be disbursed as provided by the agreement authorizing such sale or security interest.

Article XVIII Amendment of Declaration

18.1. By Declarant.

In addition to specific amendment rights granted elsewhere in this Declaration, until termination of the Class "B" Control Period, Declarant may unilaterally amend this Declaration for any purpose. Thereafter, until termination of the Development and Sale Period, Declarant may unilaterally amend this Declaration for the purpose of (a) bringing any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (b) enabling any reputable title insurance company to issue title insurance coverage on the Units; (c) enabling any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans to make, purchase, insure or guarantee mortgage loans on the Units; or (d) complying with the requirements of any state or federal law or any local, state or federal governmental agency. However, any unilateral amendment by Declarant pursuant to this Section shall be subject to the limitations set forth in Section 18.3.

18.2. By Members.

Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Persons entitled to cast at least 67% of the total Class "A" votes in the Association, and during the Development and Sale Period, the Declarant's consent. Any amendment pursuant to this Section shall be subject to the limitations set forth in Section 18.3.

18.3. Validity and Effective Date.

Notwithstanding the above, the votes or approvals necessary to amend a specific clause shall not be less than the prescribed votes or approvals required for action to be taken under that clause and no amendment to this Declaration shall:

(a) modify the formula set forth on Exhibit "D" so as to reallocate liability for Common Expenses and/or voting rights among existing Units without the consent of the Owner of any Unit whose share of liability for Common Expenses would be increased or whose voting rights would be decreased by such amendment (this limitation shall not apply to any reallocation resulting from the annexation of additional property in accordance with Article IX); or

(b) impose new types of mandatory fees not previously authorized in this Declaration;

(c) materially adversely affect the right of an Owner or tenant of any Unit to continue to operate, after such amendment, the business which it conducted from such Unit in full compliance with applicable laws and the Governing Documents immediately prior to such amendment, in the same manner in which it was being operated immediately prior to such amendment, unless the Owner of such Unit consents to such amendment; or

(d) materially adversely affect any rights granted by the Charter to any lender with a then-existing first priority Mortgage lien on a Unit;

(e) remove, revoke, or modify any right or privilege of Declarant or the Class "B" Member without the written consent of Declarant or the Class "B" Member, respectively (or the assignee of such right or privilege);

provided, if the Declarant or the Association submits a written request to any Owner for such Owner's approval of any proposed amendment, which request includes the statement "THIS IS A LEGAL NOTICE. IF YOU FAIL TO RESPOND, YOU WILL BE DEEMED TO HAVE APPROVED THIS MATTER" and the Owner fails to respond in writing within 21 days after the delivery of such request to such Owner's address as on file with the Association or, if no address is on file, the address of its Unit and the address of its registered agent, if any, on file with the North Carolina Secretary of State, and the Owner fails to respond in writing within 21 days after the delivery of such request, the Owner shall be deemed to have approved such amendment. Any notice under this paragraph may be delivered in any manner authorized in the By-Laws.

If an Owner consents, or is deemed to have consented under the foregoing paragraph, to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Any amendment shall become effective upon recording, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within one year of its recordation or such amendment shall be presumed to have been validly adopted.

In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

Amendments shall be indexed in the Grantee index under the names "Wendell Falls" and "Wendell Falls Commercial Association, Inc." and in the Grantor index under the name "NASH Wendell Falls, LLC."

18.4. Exhibits.

Exhibits "A," "B," "D" and "E" attached to this Declaration are incorporated by this reference and amendment of such exhibits shall be governed by this Article except as otherwise provided in Article IX. All other exhibits are attached for informational purposes and may be amended as provided therein or in the provisions of this Declaration which refer to such exhibits.

Article XIX Termination of Declaration

This Declaration may be terminated only upon recording a termination agreement signed by the then Owners of at least 80% of the Units. In addition, during the Development and Sale Period, the written consent of the Declarant shall be required. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the holder of such easement.

Note to clerk and title examiners:

This Declaration is not intended to create an encumbrance on title to the property described in this Exhibit "B." Such title may be encumbered only with the consent of the owner by filing a Supplemental Declaration in accordance with Article IX.

EXHIBIT "C"

Initial Rules

The following restrictions shall apply to the Properties until such time as they are amended, modified, repealed or limited pursuant to Article III of the Declaration.

1. General. Units shall be used only for Commercial Uses which are (a) consistent with this Declaration and any applicable Supplemental Declaration; and (b) approved by Declarant, its assigns, or the Association, as applicable, if such approval is required under Exhibit "E." Notwithstanding the foregoing, no residential use shall be permitted. For purposes of this Section, multifamily rental apartments, hotels and other transient lodging facilities, congregate care facilities, nursing homes, assisted living facilities, and similar facilities providing living quarters and specialized services to sick, elderly or disabled persons who do not own their living quarters shall not be considered a "residential use" as such term is used herein.

2. Restricted Activities. The following activities are prohibited within the Properties unless expressly authorized by, and then subject to such conditions as may be imposed by, the Reviewer pursuant to Article IV or, with respect to matters outside the scope of Article IV, by the Board of Directors:

(a) any activity which tends to cause an unclean, unhealthy or unsafe condition to exist outside of enclosed structures on the Unit;

(b) any activity which emits foul or obnoxious odors, fumes, dust, smoke, or pollution outside the Unit, or which creates noise, unreasonable risk of fire or explosion, or other conditions which are a nuisance; however, nothing herein shall preclude normal and customary operation of any restaurant;

(c) any activity which violates local, state or federal laws, ordinances, codes, or regulations (collectively, "**Laws**") or the terms of any permits, licenses, or certifications required for the operation of such activity within the Properties;

(d) outside burning of trash, leaves, debris or other materials;

(e) outdoor storage of goods, materials, or equipment, except that (1) outdoor storage of building materials shall be permitted during construction on the Unit on which such materials are being stored; and (2) outdoor dining facilities and outdoor storage and display of inventory shall be permitted in areas of a Unit approved for such purposes pursuant to the architectural approval process under Article IV; and (3) the Association may use Common Areas for such purposes in the Board's discretion;

(f) any activity which would constitute a public or private nuisance;

(g) use or discharge of any radio, loudspeaker, horn, whistle, bell, or other sound device so as to be audible to occupants of other Units, except alarm devices used exclusively for security purposes provided they are maintained in proper working order so as to avoid repeated

(continued)

and incessant false alarms and are shut off within a reasonable period of time after sounding an alarm;

(h) generation, storage, or disposal of explosives, radioactive materials, or hazardous, toxic, or dangerous substances, materials, or waste, except in full compliance with all applicable Laws and in such quantities and in a manner which could not reasonably be expected to give rise to liability or an obligation to take remedial or other action under any Laws;

(i) dumping grass clippings, leaves or other debris, petroleum products, fertilizers, garbage, or other potentially hazardous or toxic substances in any storm sewer, drainage ditch, or other component of the storm drainage system serving the Properties, any stream, pond, or lake, or elsewhere within Wendell Falls, except that fertilizers may be applied to landscaping on Units provided care is taken to minimize runoff, and Declarant and Developers may dump and bury rocks and trees removed from a building site on such building site;

(j) subdivision of a Unit into two or more Units, or changing the boundary lines of any Unit, without prior written notice to the Association, except that Declarant and Declarant Affiliates shall be permitted to subdivide or replat Units which they own;

(l) discharge of firearms; provided, the Board shall have no obligation to take action to prevent or stop such discharge;

(m) on-site storage of gasoline, heating, or other fuels, except that a reasonable amount of propane gas and other fuel may be stored on each Unit for heating, emergency purposes and operation of tools or equipment used on the Unit, and the Association shall be permitted to store fuel for operation of maintenance vehicles, generators, and similar equipment. This provision shall not apply to any underground fuel tank authorized pursuant to Article IV;

(o) any rummage sale, fire sale, sidewalk sale, or similar activity;

(p) overnight or regular parking of vehicles or equipment in places other than designated parking areas on the Units with which they are associated; and

(q) any construction, erection, placement, or modification of any thing, permanently or temporarily, on the outside portions of the Unit, whether such portion is improved or unimproved, except in strict compliance with the provisions of Article IV of the Declaration. This shall include, without limitation, signs, lights, dumpsters, storage containers, equipment, hedges, walls, or fences of any kind, except that:

(i) an antenna that is one meter or less in diameter and used to receive direct broadcast satellite services, including direct-to-home satellite services, or to receive or transmit fixed wireless signals via satellite; or

EXHIBIT "C"

Initial Rules (continued)

(ii) an antenna that is one meter or less in diameter or diagonal measurement and designed to receive video programming services via multipoint distribution services, including multichannel multipoint distribution services, instructional television fixed services, and local multipoint distribution services, or to receive or transmit fixed wireless signals other than via satellite; or

(iii) an antenna that is designed to receive television broadcast signals;

(collectively, "**Permitted Antennas**") shall be permitted on Units without prior approval, provided they are installed in compliance with such requirements as to location and screening as may be set forth in the Design Guidelines in order to minimize obtrusiveness as viewed from streets and adjacent property, consistent with the Federal Communications Commission's Over-the-Air Reception Devices rule, 47 C.F.R. 1.4000 adopted pursuant to the Telecommunications Act of 1996, as amended from time to time. Declarant and/or the Association shall have the right, without obligation, to erect an aerial, satellite dish, or other apparatus for a master antenna, cable, or other communication system for the benefit of all or a portion of the Properties, should any master system or systems be utilized by the Association and require such exterior apparatus.

3. Prohibited Conditions. The following shall be prohibited within the Properties:

(a) Plants, animals, devices or other things of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Properties by persons occupying or visiting other Units;

(b) Structures, equipment or other items on the exterior portions of a Unit which have become rusty, dilapidated or otherwise fallen into disrepair; and

(c) Sprinkler or irrigation systems or wells of any type which draw upon water from ground or surface waters within Wendell Falls, except that Declarant, its designees, and the Association shall have the right to draw water from such sources.

EXHIBIT "D"**Formula for Determining Liability for Assessments and Voting Rights**

Except as otherwise specifically provided in the Declaration or any applicable Supplemental Declaration, each Unit's liability for Common Expenses and Service Area Expenses and the percentage of voting power allocated to each Unit shall be based upon the number of "Equivalent Units" assigned to a particular Unit relative to all other Units subject to a particular assessment or entitled to vote on a particular matter, as described herein.

1. Determination of Equivalent Units. The number of Equivalent Units assigned to each Unit shall be determined as follows:

(a) Except as otherwise provided in subsection (b) of this Section 1, each Unit shall be assigned one (1) Equivalent Unit for each 1,000 square feet of land comprising the Unit and two (2) Equivalent Units for each 1,000 square feet of gross floor area within any buildings on the Unit. For purposes of this Exhibit, "buildings" refers to enclosed structures intended for human occupancy and for which an initial certificate of occupancy has been issued, but shall not include parking garages. Each Unit shall be assigned a minimum of one Equivalent Unit, except in the case of a Unit within a condominium.

(b) In the case of a condominium, the Equivalent Units shall be calculated for the entire condominium parcel without regard to separate ownership of the Units comprising the condominium and the total number of Equivalent Units so calculated shall then be allocated among the Units within such condominium in accordance with each Unit's percentage interest in the common elements of such condominium, as set forth in the declaration of condominium or other instruments establishing such condominium. In the case of Units subject to the jurisdiction of an Additional Association which holds title to common property for the benefit of such Units, each such Unit shall be deemed to include, in addition to the land within the boundaries of the Unit, its pro rata share of the common property of such Additional Association, such pro rata share being based upon the percentage of liability for common expenses of such Additional Association attributable to the Unit under the recorded declaration or other instrument establishing the assessment authority of such Additional Association.

2. Calculation of Assessment. Except as otherwise specified in any applicable Supplemental Declaration with respect to Service Area Assessments, the share of any Common Expenses or Service Area Expenses to be assessed by the Association against a Unit shall be represented by a fraction, the numerator of which is the number of Equivalent Units assigned to the particular Unit and the denominator of which is the total number of Equivalent Units assigned to all Units subject to such assessment. Such fraction shall be multiplied by the total dollar amount of the expenses to be assessed in order to determine the dollar amount of the assessment to be levied against the particular Unit.

3. Calculation of Votes. The percentage of votes allocated to each Unit shall be computed by dividing the Equivalent Units assigned to such Unit by the total Equivalent Units assigned to all Units eligible to vote on a particular matter.

EXHIBIT "D"

Formula for Determining Liability for Assessments and Voting Rights

(continued)

4. Computation by Board. The number of Equivalent Units and resulting percentages for allocation of assessments and voting rights shall be computed annually by the Board of Directors as of a date which is not less than 60 days prior to the beginning of each fiscal year. Notice of the percentages for each Unit shall be sent to each Owner together with the annual notice of assessments.

In the event that additional real property is made subject to this Declaration between annual cutoff dates for computation of Equivalent Units, the Board shall recompute assessment and voting percentages for each Unit and levy assessments as appropriate on those Units within the additional property for the remainder of the fiscal year; however, no adjustments need be made in any assessments previously levied on other Units for such fiscal year. The Board shall notify each Owner of such recomputed percentages prior to any meeting of the membership or membership vote on any matter.

EXHIBIT "E"**Initial List of Uses by Approval Only**

No portion of the Properties shall be used for any of the following purposes without the express written consent of the Declarant or its assigns (which consent may be granted or withheld in the sole discretion of the Declarant or its assigns, and then only by such Person(s), in such location, and subject to such conditions, as may be set forth in the instrument executed by the Declarant granting such consent:

- (a) a food supermarket or grocery store;
- (b) a gourmet coffee store which sells coffee beans or ground coffee and coffee-derived beverages for consumption on or off the premises, except that any food supermarket or grocery store approved hereunder may sell such items within the supermarket or grocery store unless specifically restricted or limited in the instrument granting such approval;
- (c) a pharmacy, except that any food supermarket or grocery store approved hereunder may include a pharmacy unless specifically restricted or limited in the instrument granting such approval;
- (d) a restaurant, café, coffee shop, donut or bagel shop, sandwich shop, ice cream or yogurt shop, "smoothie" shop, or any other establishment selling prepared food and/or beverages for consumption on or off the premises;
- (e) a nightclub, bar, lounge, or other establishment that sells alcoholic beverages for on-premises consumption;
- (f) a gym, fitness center, workout club, health club, or similar establishment, or any health facility;
- (g) a skating rink, bowling alley, movie theater, video arcade, or other entertainment or recreation center or facility;
- (h) a child care center or preschool offering child care and/or education to children younger than five years of age; or
- (i) any real estate brokerage or other activity requiring persons engaged in such business to be licensed under Chapter 93A of the General Statutes of North Carolina;
- (j) an
- (k) any of the following health care facilities or services:
 - i. urgent care center (i.e., facilities providing urgent care evaluation and treatment of non-life threatening conditions on an outpatient basis;

BY-LAWS
OF
WENDELL FALLS COMMERCIAL ASSOCIATION, INC.

Article I Name, Principal Office, and Definitions

1.1. Name.

The name of the corporation is Wendell Falls Commercial Association, Inc. (the "**Association**").

1.2. Principal Office.

The principal office of the Association shall be located in Chatham County or Wake County, North Carolina, or such other location within 90 miles of Wendell Falls as the Board may designate from time to time. The Association may have such other offices, either within or outside the state of North Carolina, as the Board of Directors may determine or as the affairs of the Association may require.

1.3. Definitions.

Unless otherwise specified, the words used in these By-Laws shall be given their normal, commonly understood definitions except that, unless the context otherwise requires, capitalized terms used in these By-Laws shall have the same meaning as set forth in the Declaration of Covenants, Conditions, and Restrictions for Wendell Falls recorded by Nash Wendell Falls, LLC in the Office of the Register of Deeds of Wake County, North Carolina (as it may be amended and supplemented, the "**Declaration**"). The term "**majority**," as used in these By-Laws, means those votes, Owners, or other group, as the context may indicate, totaling more than 50% of the total eligible number.

Article II Membership: Meetings, Quorum, Voting, Proxies

2.1. Membership.

The Association initially shall have two classes of membership, Class "A" and Class "B," as more fully set forth in the Declaration, the rights of which shall vary by class to the extent provided in the Articles of Incorporation, the Declaration, and/or these By-Laws. The Declarant, by recording of the Declaration, and each Owner of a Unit, by accepting record title to the Unit or recordation of a contract of sale, is deemed to consent to membership in the Association. Membership shall be resigned or transferred only upon transfer of title to the Unit as provided in the Declaration. The provisions of the Declaration pertaining to membership and the designations, qualifications, rights, privileges and obligations of each class of membership are incorporated by this reference.

2.2. Place of Meetings.

Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as the Board may designate.

2.3. Annual and Regular Meetings.

The first meeting of the Association, whether a regular or special meeting, shall be held within one year after the date of incorporation of the Association. The Board shall schedule subsequent regular annual meetings to occur during the fourth quarter of the Association's fiscal year, on such date and at such time and place as the Board shall determine. In the Board's discretion, additional regular meetings of the membership may be held in accordance with a schedule for regular meetings published by the Board.

2.4. Special Meetings.

The President or any two members of the Board may call special meetings of the membership. In addition, the President or Secretary shall call a special meeting if so directed by Board resolution or upon receipt of a petition, signed and dated by Members representing at least 10% of all votes entitled to be cast on any issue proposed to be considered, requesting that a special meeting be called and stating the purpose thereof. Notice of such meeting shall be given within 15 days after receipt of any such petition and shall call for such meeting to be held within 30 days after the date of such notice. If the President or Secretary fail to comply with this requirement, then any Owner who signed the petition may call such meeting by giving notice to the Owner of each Unit in accordance with Section 2.5 and Section 9.5.

2.5. Notice of Meetings.

(a) At least 10 days (or at least 30 days if notice is mailed by other than first class, registered or certified mail) but not more than 60 days before any membership meeting, the President, the Secretary, or the officers or other persons calling the meeting shall deliver or cause to be delivered to each Member a written notice stating the place, day, and hour of the meeting and the items on the agenda for such meeting, including a description of the general nature of any proposed amendment to the Declaration or By-Laws, any proposed budget changes, any proposal to remove a director, and any other matter to be put to a vote of the members. If proxies are permitted, the notice shall also state the procedures for appointing proxies. If the meeting is to be held solely by electronic communications or if participation in the meeting is permitted by electronic communications, as described in Section 2.11 below, the notice shall state the form of communications system to be used for the meeting and the means of accessing the communications system. No business shall be transacted at a special meeting except as stated in the notice. Such notice shall be delivered by such means as permitted under Section 9.5.

(b) The Board may set a record date for determining who is entitled to receive notice of a meeting, which shall be no earlier than 70 days before the meeting date. If no record date is fixed by the Board, Members as of the close of business on the business day preceding the day on which notice is given or, if notice is waived, at the close of business on the business day preceding the day on which the meeting is held, are entitled to notice of the meeting and any person who is a Member on the date of such meeting shall be entitled to vote on any matter coming be-

fore the Members for a vote. If a record date is set, the Association shall prepare an alphabetical list of the names of all Members entitled to notice of the meeting, showing the address and number of votes each member is entitled to cast, and shall prepare on a current basis through the time of the membership meeting a list of members, if any, who are entitled to vote at the meeting, but not entitled to notice of the meeting. Beginning two business days after notice is given of the meeting for which the list was prepared and continuing through the meeting, the list of members shall be available at the Association's principal office or at a reasonable place identified in the meeting notice in the city where the meeting will be held, for inspection by any Member for the purpose of communication with other Members concerning the meeting. The Association shall make the list of Members available at the meeting, and any Member, personally or by or with his representatives, is entitled to inspect the list at any time during the meeting or any adjournment thereof.

2.6. Waiver of Notice.

Waiver of notice of a meeting of the Members shall be deemed the equivalent of proper notice. Any Member may waive, in writing, notice of any meeting of the Members, either before or after such meeting and such waiver shall be filed with the minutes of the meeting in the Association's records. Attendance at a meeting by a Member or the Member's proxy shall be deemed waiver by such Member of notice of the time, date, and place thereof, unless the Member or the Member's proxy specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting also shall be deemed waiver of notice of all business transacted at such meeting unless an objection on the basis of lack of proper notice is raised before the business is put to a vote.

2.7. Adjournment of Meetings.

If any meeting of the Members cannot be held because a quorum is not present, a majority of the Members who are present at such meeting may adjourn the meeting to a time no fewer than 5 nor more than 30 days from the scheduled date of the original meeting. At the reconvened meeting, if a quorum is present, any business may be transacted which might have been transacted at the meeting originally called. If a time and place for reconvening the meeting is not fixed by those in attendance at the meeting when originally called, or if for any reason a new date is fixed for reconvening the meeting or a new record date is set after adjournment, the Board shall provide notice of the time and place for reconvening the meeting in the manner prescribed for regular meetings in Section 2.5(a).

Members or their proxies present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the departure of a sufficient number of Members to leave less than a quorum; however, at least a majority of the votes required to constitute a quorum, or such larger percentage as may be required under the Declaration, these By-Laws, or applicable law for specific actions, must approve any action taken. Provisions of the Declaration regarding voting by co-Owners are incorporated herein by this reference.

2.8. Voting.

Members shall have such voting rights as are set forth in the Declaration, which provisions are specifically incorporated by this reference. To the extent permitted by North Carolina law, a membership vote on any matter may be conducted at a meeting or by ballot cast by mail, facsimile transmission, or electronic message as provided in Section 2.12, or by any combination of those methods, as the Board determines appropriate. The Board shall establish voting procedures to provide reasonable assurance that the person casting the vote is the Member or the Member's proxy appointed pursuant to Section 2.9.

2.9. Proxies.

Members may vote in person or by proxy, subject to the limitations of North Carolina law and subject to any specific provision to the contrary in the Declaration or these By-Laws. Every proxy shall be in writing, shall identify the Unit for which it is given, and shall be signed by the Member or his duly authorized attorney-in-fact, dated, and filed with the Secretary of the Association prior to the meeting for which it is to be effective. The Board may, in its discretion, accept proxies filed in person, by mail, by facsimile transmission, or electronically, provided they are signed and the Board has no reason to question the validity of the proxy. The Association shall have no obligation to recognize any proxy that is not actually received prior to the deadline established by the Board for delivery of proxies (which deadline may be earlier for proxies sent via mail, facsimile or electronic transmission). Unless otherwise specifically provided in the proxy, a proxy shall be presumed to cover all votes which the Member giving such proxy is entitled to cast, and in the event of any conflict between two or more proxies purporting to cover the same voting rights, the later dated proxy shall prevail, or if dated as of the same date, both shall be deemed invalid.

Every proxy shall be revocable unless otherwise specifically stated in the proxy and coupled with an interest which has not been extinguished. A proxy shall automatically terminate upon: (a) transfer of title to any Unit for which it was given; (b) receipt by the Secretary of written notice of revocation of a revocable proxy or of the death or judicially declared incompetence of the Member who signed it; (c) attendance and voting by the Member at the meeting; or (c) 11 months from the date of the proxy, unless a different period is specified in the proxy, in which case the period specified in the proxy shall control, subject to termination due to other events specified in this paragraph.

2.10. Quorum.

Except as otherwise provided in these By-Laws or the Declaration, the presence, in person or by proxy, of persons entitled to cast 20% of the total Class "A" votes in the Association shall constitute a quorum at all meetings of the Association membership, and the casting of ballots or written consents representing at least 20% of the total Class "A" votes in the Association shall constitute a quorum for any election or other membership vote conducted by means other than at a meeting; provided, if a quorum is not represented at any meeting or vote when originally called, then the quorum for any subsequent attempt to convene such meeting or conduct such vote shall be reduced to 10% of the total Class "A" votes in the Association. During the Class

"B" Control Period and thereafter as long as there is a Class "B" Membership, the presence of a representative of the Declarant shall also be necessary to establish a quorum.

2.11. Conduct of Meetings.

The President shall preside over all meetings of the Association. The Secretary shall ensure that minutes of the meetings are prepared, reflecting all resolutions adopted and all other transactions occurring at such meetings. The minutes shall be kept with the Association's books and records.

The Association may hold membership meetings and/or allow Members or their proxies to participate in any membership meeting by conference telephone or similar communications equipment or another suitable electronic communications system, including videoconferencing technology or the Internet, if the telephone or other equipment or system permits each person participating in the meeting to communicate with all other persons participating in the meeting. If voting is to take place at the meeting, the Association must implement measures to verify that every Member and proxy voting at the meeting by means of remote communication is sufficiently identified.

2.12. Action Without a Meeting; Voting by Written or Electronic Ballot.

(a) Any action that the North Carolina Nonprofit Corporation Act requires or permits to be taken at a meeting of the Members may be taken without a meeting, without prior notice and without a vote, if all Members entitled to vote on such matter sign and submit a written consent or consents specifically authorizing the proposed action. Such consents shall be signed by the Member (or, if the Member is not an individual, by an authorized signatory of the Member), dated, and delivered to the Association within 60 days after receipt of the earliest dated consent. Such consents shall be filed with the Association's minutes and shall have the same force and effect as a vote of the Members at a meeting. Written notice of any action taken pursuant to this section shall be sent to all Members and such action shall be effective 10 days after such notice is sent.

(b) Alternatively, any action that may be taken at a meeting of the Members may be taken without a meeting if (i) the Association delivers a written or electronic ballot to every Member entitled to vote on the action, setting forth the proposed action and providing an opportunity to approve or disapprove the proposed action; and (ii) the number of votes cast by written or electronic ballot equals or exceeds the quorum required for a meeting to consider such action; and (iii) the number of votes cast in favor of the proposed action equals or exceeds the number of votes that would be required to approve the action at a meeting if the total number of votes cast at such meeting were the same as the number of votes cast by written or electronic ballot.

(c) Voting instructions or solicitation materials in connection with any vote for which ballots are permitted to be cast outside of a meeting must provide instructions for casting the ballot or returning the consent in order to be counted, indicate the number of responses needed to satisfy the quorum requirement, the percentage of votes necessary to approve any action other than election of directors, a date and time within 60 days thereafter by which the ballot must be cast or consent returned in order to be counted, which deadline shall be not more than 60 days.

A written or electronic ballot or signed consent, once cast or received by the Association, may not be revoked. The Board shall notify the Members of the results of any vote conducted pursuant to this Section 2.12 within 10 days after the expiration of the voting period. A written ballot or written consent may be submitted to the Association by electronic mail transmission, provided that such ballot is accompanied by information indicating that the Member, Member's agent or Member's attorney-in-fact authorized its electronic transmission. Such consents and ballots (or in the case of electronic balloting, a written record of the results of the balloting) shall be filed with the minutes of the membership and shall have the same force and effect as a vote of the Members at a meeting.

(d) Whenever the governing documents permit action to be taken by affirmative vote or written consent, a written consent or a written or electronic ballot received pursuant to either subsection (a) or subsection (b) above shall constitute written consent for purposes of such provision.

(e) Nothing in this Section shall authorize action without the approval of such persons or entities whose approval is specifically required for such action under the Governing Documents.

Article III Board of Directors: Selection, Meetings, Powers

A. Composition and Selection.

3.1. Governing Body; Qualifications.

The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one vote. Except with respect to directors appointed by the Declarant, directors shall be Owners of Units or representatives of Owners which are legal entities. No more than one eligible person from any Unit may serve on the Board at any time. If an Owner is a legal entity, any representative designated in writing by the Owner shall be eligible to serve on behalf of such Owner as a director; provided, no Owner may have more than one such representative serving on the Board at a time, except in the case of directors appointed by the Declarant. Notwithstanding the above, if after at least 30 days' prior written notice to the Owners and reasonably diligent efforts to identify a candidate or candidates who meet these qualifications, the Board is unsuccessful in identifying a sufficient number of candidates willing to serve to fill any vacancy on the Board, the Board may, by majority vote, dispense with the qualification hereunder until the next annual meeting at which directors are to be elected.

3.2. Number of Directors.

The Board shall consist of three to five directors, as provided in Section 3.3.

3.3. Selection of Directors; Term of Office.

(a) **Initial Board.** The initial Board shall consist of the three directors appointed by the Declarant, who shall serve until their successors are appointed or elected as provided in this Section 3.3. The Board shall automatically increase from three to five persons as necessary to accommodate the election of directors as provided in subsection (b) of this Section. The Board

may, by majority vote, increase the number of directors earlier than required under subsection (b) but there shall be a maximum of five directors at any time.

(b) Directors During Class "B" Control Period. Except as otherwise provided in this Section 3.3(b), the Class "B" Member shall be entitled to appoint, remove and replace the members of the Board in its sole discretion until termination of the Class "B" Control Period. During such period, the Class "A" Members shall be entitled to elect a minority of the total number of directors according to the following schedule:

(i) Not later than the next annual meeting after the time that certificates of occupancy have been issued for structures on Units containing 40% of the maximum floor area which the Development Agreement would permit to be developed for Commercial Use within that real property specifically described on Exhibits "A" and "B" of this Declaration and such Units have been conveyed to Persons other than the Declarant or a Declarant Affiliate, or whenever the Class "B" Member earlier determines, the President shall call for an election by which the Class "A" Members shall be entitled to elect one director. The remaining three or four directors shall be appointees of the Class "B" Member. The director elected by the Class "A" Members shall not be subject to removal by the Class "B" Member and shall be elected for a term of one year or until the happening of the event described in subsection (b)(ii) below, whichever is shorter. If such director's term expires prior to the happening of the event described in subsection (b)(ii), a successor shall be elected for a like term.

(ii) Not later than the next annual meeting after the time that certificates of occupancy have been issued for structures on Units containing 60% of the maximum floor area which the Development Agreement would permit to be developed for Commercial Use within that real property specifically described on Exhibits "A" and "B" of this Declaration and such Units have been conveyed to Persons other than the Declarant or a Declarant Affiliate, or whenever the Class "B" Member earlier determines, the President shall call for an election by which the Class "A" Members shall be entitled to elect two directors. The remaining three directors shall be appointees of the Class "B" Member. Directors elected by the Class "A" Members shall not be subject to removal by the Class "B" Member and shall be elected for a term of one year or until the happening of the event described in subsection (c)(i) below, whichever is shorter. If such directors' terms expire prior to the happening of the event described in subsection (c)(i) below, successors shall be elected for a like term.

(c) Directors After the Class "B" Control Period.

(i) Not later than 90 days after termination of the Class "B" Control Period, the President shall call for an election by which the Class "A" Members shall be entitled to elect three directors. Two directors shall serve a term expiring at the second annual meeting following the six-month anniversary of their election and one director shall serve a term expiring at the first annual meeting following the six-month anniversary of their election, as such directors determine among themselves at the time of their election.

(ii) The Declarant shall be entitled to appoint, remove, and replace two directors until termination of the Development and Sale Period, at which time the term of the directors appointed by the Declarant shall expire and the remaining directors shall be entitled to appoint

successors to fill the vacancies until the next annual meeting, at which time the Class "A" Members shall elect a successor to serve a term of two years.

(iii) Upon expiration of the term of office of each director elected by the Class "A" Members, Class "A" Members shall be entitled to elect a successor to serve a term of two years. Directors elected by the Class "A" Members shall hold office until their respective successors have been elected. Directors may be elected to serve any number of consecutive terms.

3.4. Nomination and Election Procedures.

(a) Nomination of Candidates. At least 30 days prior to any election of directors by the Class "A" Members, the Board shall appoint a Nominating Committee consisting of a chairman, who shall be a member of the Board of Directors, and three or more Class "A" Members (or representatives of Class "A" Members which are legal entities). The members of the Nominating Committee shall serve a term of one year or until their successors are appointed. The names of the members of the Nominating Committee shall be announced in the notice of each election.

In preparation for each election, the Nominating Committee shall meet and make as many nominations for election to the Board as it shall in its discretion determine, but in no event less than the number of positions to be filled by the Class "A" Members at such election. Nominations shall also be permitted from the floor at any meeting at which an election is held, or by write-in on any ballot. All candidates shall have a reasonable opportunity to communicate their qualifications to the Members and to solicit votes.

(b) Election Procedures. At each election, voting shall be by written or electronic ballot in accordance with Section 2.12(c). Each Class "A" Member may cast all vote(s) assigned to its Unit(s) for each position to be filled by Class "A" votes. Cumulative voting shall be permitted, provided that either the meeting notice states that cumulative voting will take place or the procedures set forth in N.C.G.S. §55A-7-25 are followed. That number of candidates equal to the number of positions to be filled by Class "A" votes receiving the greatest number of votes shall be elected. The Association shall publish the names and addresses of all directors and officers within 30 days after any election of directors.

3.5. Removal of Directors and Vacancies.

Any director elected by Class "A" votes may be removed, with or without cause, by the vote of Members holding a majority of the Class "A" votes. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a director by the Class "A" Members, a successor shall be elected by the Class "A" Members to fill the vacancy for the remainder of the term of such director.

Any director elected by Class "A" votes who has three consecutive unexcused absences from Board meetings, or who is more than 30 days delinquent (or is the designated representative of an Owner who is so delinquent) in the payment of any assessment or other charge due the Association, may be removed by a majority of the directors present at a regular or special meeting at which a quorum is present, and the Board may appoint a successor to fill the vacancy for the remainder of the term.

In the event of the death, disability, or resignation of a director elected by Class "A" votes, the Board may declare a vacancy and appoint a successor to fill the vacancy until the next election of directors by the Class "A" Members, at which time the Class "A" Members may elect a successor for the remainder of the term.

Declarant, in its capacity as such, shall have no right unilaterally to remove or replace directors elected by the Class "A" Members (but may cast any Class "A" votes it holds for or against the removal of directors), and neither the Class "A" Members or the Board shall have any right to remove or replace directors appointed by the Class "B" Member or the Declarant. The Declarant shall be entitled to appoint a successor to fill any vacancy on the Board resulting from the death, disability or resignation of a director appointed by the Declarant.

B. Meetings.

3.6. Organizational Meetings.

The first meeting of the Board shall be held immediately following each annual meeting of the membership.

3.7. Regular Meetings.

Regular meetings of the Board may be held at such time and place as a majority of the directors shall determine, but at least four such meetings shall be held during each fiscal year with at least one per quarter.

3.8. Special Meetings.

Special meetings of the Board shall be held when called by written notice signed by the President or Vice President or by 20% of the directors then in office.

3.9. Notice; Waiver of Notice.

(a) Notices of Board meetings shall specify the time and place of the meeting and, in the case of a special meeting, the nature of any special business to be considered. The notice shall be given to each director by: (i) personal delivery; (ii) first class mail, postage prepaid; (iii) telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; or (iv) facsimile, computer, or other electronic mail, messaging or communication device, with printed confirmation of successful transmission. All such notices shall be given at or sent to the director's telephone number, fax number, electronic mail address, or mailing or physical address as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least five business days before the time set for the meeting. Notices given by personal delivery, telephone, or electronic communication shall be delivered or transmitted at least 48 hours before the time set for the meeting.

(b) To the extent practical, the Board shall communicate the date, time, and place of regularly scheduled Board meetings by publication in a community newsletter, on a community website, or by electronic mail or other means reasonably designed to make such information available to the Members.

(c) Transactions of any Board meeting, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (i) a quorum is present, and (ii) either before or after the meeting each director not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting also shall be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.10. Telephonic Participation in Meetings; Remote Meetings.

(a) Members of the Board or any committee that the Board appoints may participate in a meeting of the Board or committee by conference telephone, video conference, or similar communications equipment, provided all persons participating in the meeting can hear each other simultaneously.

(b) A meeting of the Board, or of any committee designated by the Board, may be held by means of a "virtual" or remote electronic communications system, including videoconferencing technology or the Internet, but only if (i) each person entitled to participate in the meeting consents to the meeting being held by means of that system; and (ii) the system permits each person participating in the meeting to communicate concurrently with each other participant.

(c) Participation in a meeting pursuant to this section shall constitute presence in person at such meeting.

3.11. Quorum of Board; Voting.

At all Board meetings, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board, unless otherwise specifically provided in these By-Laws or the Declaration or by North Carolina law.

A meeting at which a quorum is initially present may continue to transact business, notwithstanding the departure of some directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any Board meeting cannot be held because a quorum is not present, a majority of the directors present at such meeting may adjourn the meeting to a time not less than 5 nor more than 30 days from the date of the original meeting. At the reconvened meeting, if a quorum is present, any business that might have been transacted at the meeting originally called may be transacted without further notice.

Board members may not vote by proxy. Voting may be conducted at a meeting or by written consents without a meeting in accordance with Section 3.14.

3.12. Conduct of Meetings.

The President shall preside over all meetings of the Board and the Secretary shall ensure that minutes are recorded in a minute book and that a record is made of all Board resolutions and all transactions and proceedings occurring at such meetings.

3.13. Open Meetings; Executive Session.

(a) At least once per calendar quarter the Board shall provide Members an opportunity to attend a portion of a Board meeting and speak to the Board about their issues and concerns. The Board may place reasonable restrictions on the number of persons who may speak on each side of an issue and reasonable time restrictions on the persons who speak.

(b) In any Board meeting, upon motion and affirmative vote of the Board, the Board may adjourn and reconvene in executive session, restricting attendance to directors and such other persons as the Board may specifically invite, to discuss matters of a sensitive nature, such as pending or threatened litigation, personnel matters, and such other matters as the North Carolina Nonprofit Corporation Act may specifically authorize.

3.14. Action Without a Formal Meeting.

Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if all of the directors sign a written consent or consents setting forth the action so taken. Such consent(s) shall have the same force and effect as a unanimous vote at a meeting. Consents may be filed electronically in accordance with Section 2.12.

C. Powers and Duties.

3.15. Powers.

The Board shall have all of the powers and duties necessary for the administration of the Association's affairs and for performing all responsibilities and exercising all rights of the Association as set forth in the Governing Documents, and as provided by law. The Board may do or cause to be done on behalf of the Association all acts and things except those which the Governing Documents or North Carolina law require to be done and exercised exclusively by the membership. Board determinations as to the meaning, scope, and application of Governing Document provisions shall be upheld and enforced so long as such determinations are reasonable.

3.16. Duties.

Duties of the Board shall include, without limitation:

- (a) preparing and adopting, in accordance with the Declaration, an annual budget establishing each Owner's share of the Common Expenses; and
- (b) levying and collecting such assessments from the Owners; and
- (c) providing for the operation, care, upkeep, and maintenance of the Area of Common Responsibility consistent with the Community-Wide Standard; and
- (d) designating, hiring, and dismissing personnel necessary to carry out the Association's rights and responsibilities and where appropriate, providing for compensation of such personnel and for the purchase of equipment, supplies, and materials to be used by such personnel in the performance of their duties; and
- (e) opening bank accounts on the Association's behalf and designating the authorized signatories;
- (f) depositing all funds received on behalf of the Association in a bank depository which it shall approve, and using such funds to operate the Association; provided, any reserve funds may be deposited, in the Board's best judgment, in depositories other than banks; and
- (g) making and amending Rules in accordance with the Declaration; and
- (h) making or contracting for the making of repairs, additions, and improvements to or alterations of the Common Area in accordance with the Declaration and these By-Laws; and
- (i) determining when action to enforce the Governing Documents is appropriate and the nature of any sanctions to be imposed, and bringing any proceedings which may be instituted on behalf of or against the Owners concerning the Association; however, the Association's obligation in this regard shall be conditioned in the manner provided in Section 7.5(e) of the Declaration; and

(j) obtaining and carrying property and liability insurance and fidelity bonds, as provided in the Declaration, paying the cost thereof, and filing and adjusting claims, as appropriate; and

(k) paying the cost of all services rendered to the Association; and

(l) keeping books with detailed accounts of the Association's receipts and expenditures; and

(m) making available to any prospective purchaser of a Unit, any Owner, and the holders, insurers, and guarantors of any Mortgage on any Unit, current copies of the Governing Documents and all other books, records, and financial statements of the Association as provided in Section 9.4; and

(n) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of Wendell Falls; and

(o) indemnifying a director, officer or committee member, or former director, officer or committee member of the Association to the extent such indemnity is required by North Carolina law, the Articles and these By-Laws; and

(p) assisting in the resolution of disputes between owners and others without litigation, as set forth in the Declaration; and

(q) fulfilling its responsibilities under any Covenant to Share Costs.

Article IV Officers

4.1. Officers.

Officers of the Association shall be a President, Vice President, Secretary, and Treasurer. The President and Secretary shall be elected from among the Board members; other officers may, but need not be Board members. The Board may appoint such other officers, including one or more Assistant Secretaries and one or more Assistant Treasurers, as it shall deem desirable, such officers to have such authority and perform such duties as the Board prescribes. One person may hold two or more offices, except that the offices of President and Secretary shall be held by different persons.

4.2. Election and Term of Office.

The Board shall elect the Association's officers at the first Board meeting following each annual meeting of the Members, to serve until their successors are elected. The Association shall give or publish notice to the Members of the names and addresses of all officers within 30 days after any election of directors or any change in officers of the Association.

4.3. Resignation, Removal and Filling of Vacancies.

(a) Any officer may resign at any time by giving written notice to the Board, the President, or the Secretary. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein, and unless otherwise specified therein, acceptance of such resignation shall not be necessary to make it effective.

(b) The Board may remove any officer whenever in its judgment the best interests of the Association will be served.

(c) The Board may fill any vacancy in any office arising because of death, resignation, removal, or otherwise, for the unexpired portion of the term.

4.4. Powers and Duties.

The Association's officers shall each have such powers and duties as generally pertain to their respective offices, as well as such powers and duties as the Board may specifically confer or impose. The President shall be the chief executive officer of the Association. The Secretary shall be responsible for preparation of minutes of the directors' and members' meetings and for authenticating records of the Association. The Treasurer shall have primary responsibility for preparation of the budget as provided for in the Declaration and may delegate all or part of the preparation and notification duties to a finance committee, management agent, or both.

Article V Committees

5.1. General.

The Board may appoint such other committees as it deems appropriate to perform such tasks and to serve for such periods as the Board may designate by resolution. Each committee shall operate in accordance with the terms of such resolution.

5.2. Covenants Committee.

In addition to any other committees that the Board may establish pursuant to Section 5.1, the Board may appoint a Covenants Committee consisting of at least three and no more than five Members or representatives of Members. Acting in accordance with the provisions of the Declaration, these By-Laws, and resolutions the Board may adopt, the Covenants Committee, if established, shall be the hearing tribunal of the Association and shall conduct all hearings held pursuant to Article VIII of these By-Laws. The Covenants Committee shall have no responsibility for seeking out violations of the Governing Documents.

5.3. Service Area Committees.

In addition to any other committees appointed as provided above, each Service Area which has no formal organizational structure or association may elect a Service Area Committee to determine the nature and extent of services, if any, to be provided to the Service Area by the Association in addition to those dictated by any Supplemental Declaration and those provided to all Members of the Association in accordance with the Declaration. A Service Area Committee

may advise the Board on any other issue but shall not have the authority to bind the Board. Any Service Area Committee shall consist of three Members or designated representatives of Members; provided, if approved by the vote of at least 51% of the Owners of Units within the Service Area, the number may be increased to five.

The members of any Service Area Committee shall be elected for a term of one year or until their successors are elected. Any director elected to the Board from a Service Area shall be an ex officio member of the Service Area Committee. The members of the committee shall elect a chairperson from among themselves, who shall preside at its meetings and shall be responsible for transmitting any and all communications to the Board.

In the conduct of its duties and responsibilities, each Service Area Committee shall abide by the notice and quorum requirements applicable to the Board under Sections 3.9, 3.10, and 3.11. Meetings of a Service Area Committee shall be open to all Owners of Units in the Service Area and their representatives. Members of a Service Area Committee may act by unanimous written consent in lieu of a meeting.

Article VI Standards of Conduct; Liability and Indemnification

6.1. Standards for Directors and Officers.

The Board shall exercise its powers in a reasonable, fair, nondiscriminatory manner and shall adhere to the procedures established in the Governing Documents.

In performing their duties, directors and officers shall act as fiduciaries and shall be insulated from liability as provided for directors of corporations under state law and as otherwise provided by the Governing Documents. Directors and officers shall discharge their duties as directors or officers, and as members of any committee to which they are appointed, in good faith, in a manner that the director or officer believes to be in, or not opposed to, the best interest of the corporation, and with the care that an ordinarily prudent person in a like position would exercise under similar circumstances. A director is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, prepared or presented by others to the extent authorized under the North Carolina Nonprofit Corporation Act.

6.2. Liability.

The officers, directors, and committee members of the Association shall not be liable for any mistake of judgment, negligent or otherwise, or for any action taken or omitted in such capacities, except for their own individual willful or wanton misconduct or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association).

6.3. Indemnification.

Subject to the limitations of North Carolina law, the Association shall indemnify every officer, director, and committee member against all damages and expenses, including counsel fees and expenses, reasonably incurred in connection with any action, suit, or other proceeding

(including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member, except that the Association shall have no obligation to indemnify any individual against liability or expenses incurred in connection with a proceeding:

(a) brought by or in the right of the Association, although it may reimburse the individual for reasonable expenses incurred in connection with the proceeding if it is determined, by the court or in the manner provided above, that the individual met the relevant standard of conduct under the North Carolina Nonprofit Corporation Act; or

(b) to the extent that the individual is adjudged liable for conduct that constitutes:

(i) appropriation, in violation of his or her duties, of any business opportunity of the Association; or

(ii) intentional misconduct or knowing violation of the law; or

(iii) an unlawful distribution to members, directors or officers; or

(iv) receipt of an improper personal benefit.

This right to indemnification shall not be exclusive of any other rights to which any present or former officer, director, or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

6.4. Advancement of Expenses.

In accordance with the procedures and subject to the conditions and limitations set forth in the North Carolina Nonprofit Corporation Act, the Board may authorize the Association to advance funds to pay for or reimburse the reasonable expenses incurred by a present or former officer, director or committee member in any proceeding to which he or she may be a party by reason of being or having been an officer, director, or committee member of the Association.

6.5. Board and Officer Training.

The Board may, as a Common Expense, conduct or provide for seminars and continuing educational opportunities designed to educate and inform its officers and directors of their responsibilities as officers and directors. The Board may apply for and maintain, as a Common Expense, membership for the Association, its officers and directors, in the Community Associations Institute or any similar nonprofit organization that provides educational opportunities for community association directors, officers and managers in operation and management of community associations.

6.6. Conflicts of Interest.

Unless otherwise approved by a majority of the other directors, no director may transact business with the Association or any Association contractor during his or her term as director or

within two years after the term expires. A director shall promptly disclose to the Board any relationship that the director may have, financial or otherwise, with any contractor doing business or proposing to do business with the Association and any actual or potential conflict of interest affecting the director relative to his or her performance as a director.

Except as provided in Section 7.1, no financial payments or payments in the form of goods or services shall be made to any officer or director, or to any business, business associate, or relative of an officer or director, unless approved by a majority of the directors, excluding any director to whom such payment is proposed to be made or whose business, business associate or relative is proposed to receive such payment.

Nothing herein shall preclude directors appointed by the Declarant from being employed by or otherwise transacting business with the Declarant or its affiliates, or preclude the Declarant from transacting business with the Association or its contractors, notwithstanding the fact that the Board may include directors appointed by the Declarant; however, any contract between the Association and the Declarant or any affiliate of the Declarant shall be on commercially reasonable terms and fair to the Association.

Article VII Management and Accounting

7.1. Compensation of Directors and Officers.

Directors and officers shall not receive any compensation from the Association for acting as such unless approved by Members representing a majority of the total Class "A" votes in the Association at a regular or special meeting of the Association and, during the Development and Sale Period, the written consent of the Declarant. Any director or officer may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other directors. Nothing herein shall prohibit the Association from compensating a director or officer, or any entity with which a director or officer is affiliated, for services or supplies furnished to the Association in a capacity other than as a director or officer pursuant to a contract or agreement with the Association, provided that such director's or officer's interest was made known to the Board prior to entering into such contract and such contract was approved by a majority of the Board, excluding any interested director.

7.2. Right of Class "B" Member to Disapprove Actions.

During the Class "B" Control Period and thereafter so long as the Class "B" Membership exists, the Declarant shall have a right to disapprove any action, policy, or program of the Association, the Board, and any committee which, in the sole judgment of the Class "B" Member, would tend to impair rights of Declarant or Parcel Developers under the Declaration or these By-Laws, or interfere with development or construction of any portion of Wendell Falls, or diminish the level of services being provided by the Association. The Board shall not implement any action, policy, or program subject to the right of disapproval set forth herein unless and until the requirements of this Section have been met.

(a) Notice. The Declarant shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, the Board or any committee. Such notice shall be given by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, which notice complies as to Board meetings with Section 3.9, and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth with reasonable particularity the agenda to be followed at such meeting.

(b) Opportunity to be Heard. The Declarant shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program which would be subject to the right of disapproval set forth herein. The Declarant or its representatives or agents shall make their concerns, thoughts, and suggestions known to the Board and/or the members of the subject committee.

The Declarant, acting through any officer or director, agent or authorized representative, may exercise its right to disapprove at any time within 10 days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within 10 days following receipt of written notice of the proposed action. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, the Board, or the Association. The Declarant shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure or other action required to comply with applicable laws and regulations.

7.3. Managing Agent.

The Board may employ for the Association a professional management agent or agents at such compensation as the Board may establish, to perform such duties and services as the Board shall authorize. The Board may delegate such powers as are necessary to perform the manager's assigned duties, but shall not delegate policy-making authority or ultimate responsibility for those duties set forth in Section 3.16. Declarant or its affiliate may be employed as managing agent or manager.

The Board may delegate to one of its members the authority to act on the Board's behalf on all matters relating to the duties of the managing agent or manager, if any, which might arise between Board meetings.

No remuneration shall be accepted by the managing agent from vendors, independent contractors, or others providing goods or services to the Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts, or otherwise; any thing of value received shall benefit the Association. Any financial or other interest that the managing agent may have in any firm providing goods or services to the Association shall be disclosed promptly to the Board.

7.4. Accounts and Reports.

(a) The following accounting standards shall be followed unless the Board by resolution specifically determines otherwise:

(i) cash or accrual accounting, as defined by generally accepted accounting principles, shall be employed; and

(ii) accounting and controls should conform to generally accepted accounting principles; and

(iii) cash accounts of the Association shall not be commingled with any other accounts.

(b) Commencing at the end of the quarter in which the first Unit is sold and closed, financial reports shall be prepared for the Association at least quarterly containing:

(i) an income statement reflecting all income and expense activity for the preceding period on an accrual basis; and

(ii) a statement reflecting all cash receipts and disbursements for the preceding period; and

(iii) a variance report reflecting the status of all accounts in an "actual" versus "approved" budget format; and

(iv) a balance sheet as of the last day of the preceding period; and

(v) a delinquency report listing all Owners who are delinquent in paying any assessments at the time of the report and describing the status of any action to collect such assessments which remain delinquent (any assessment or installment thereof shall be considered to be delinquent on the 15th day following the due date unless otherwise specified by Board resolution).

(c) An annual report consisting of at least the following shall be made available to all Members within 75 days after the close of the fiscal year: (i) a balance sheet; (ii) an operating (income) statement; and (iii) a statement of changes in financial position for the fiscal year. Such annual report shall be prepared on an audited, reviewed, or compiled basis, as the Board determines, by an independent public accountant; provided, upon a vote of the majority of the Board, or upon the affirmative vote of a majority of the Owners present and voting in person or by proxy at any annual meeting or any special meeting duly called for that purpose, the Association shall provide an audited financial statement.

7.5. Borrowing.

The Association shall have the power to borrow money for any legal purpose; provided, the Board shall obtain Member approval in the same manner provided in the Declaration for Special Assessments if the proposed borrowing is for the purpose of making discretionary capital improvements and the total amount of such borrowing, together with all other debt incurred within the previous 12-month period, exceeds or would exceed the greater of \$50,000 or 20% of the Association's budgeted gross expenses for that fiscal year. During the Class "B" Control Period, no Mortgage lien shall be placed on any portion of the Common Area without such approval as may be required under Article XVII of the Declaration.

7.6. Right to Contract.

The Association shall have the right to contract with any Person for the performance of various duties and functions. This right shall include, without limitation, the right to enter into common management, operational, or other agreements with trusts or other owners or residents associations, within and outside Wendell Falls. Any common management agreement shall require the consent of a majority of the total number of directors on the Board.

7.7. Agreements, Contracts, Deeds, Leases, Checks, Etc.

All agreements, contracts, deeds, leases, checks, and other instruments of the Association shall be executed by at least two officers or by such other person or persons as the Board may designate by resolution.

Article VIII Enforcement Procedures

The Association shall have the power, as provided in the Declaration, to impose sanctions for any violation of the Governing Documents. To the extent specifically required by the Declaration, the Board shall comply with the following procedures prior to imposition of sanctions:

8.1. Notice and Response.

The Board or its delegate shall serve the alleged violator with written notice, by certified mail, return receipt requested, (a) describing the alleged violation or property damage which is the basis of the proposed sanction or amount due to the Association, as applicable; (b) describing the proposed sanction to be imposed; and (c) informing the alleged violator that he or she has 21 days after receipt of the notice to present a written request for a hearing to the Board or the Covenants Committee, if one has been appointed pursuant to Article 5; and (d) if the alleged violator fails to respond to the notice within the 21-day period, the Board may impose the proposed sanction. If the hearing is to be held before a Covenants Committee, the notice shall also state that the alleged violator has the right to appeal the decision of the Covenants Committee to the Board.

If the alleged violator cures the alleged violation and notifies the Board in writing within such 21-day period the Board may, but shall not be obligated to, waive the sanction. Such waiver shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person.

Prior to the effectiveness of sanctions imposed pursuant to this Article, proof of proper notice shall be placed in the minutes of the Board or Covenants Committee, as applicable. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator or its representative requests and appears at the hearing.

8.2. Hearing.

If a hearing is requested within the allotted 21-day period, the hearing shall be held before the Covenants Committee, or if one has not been appointed, then before the Board in executive session within 30 days after receipt of the alleged violator's request. Either the Board or the alleged violator may request a postponement of up to 10 days and such postponement shall be granted. Additional postponements may be granted upon agreement of both the Association and the alleged violator. The Board shall notify the alleged violator at least 10 days prior to the hearing of the time, date, and place of the hearing. At the hearing, the alleged violator shall be afforded a reasonable opportunity to be heard and shall be entitled to make an audio recording of the hearing. The minutes of the meetings of the Board or Covenants Committee, as applicable, shall contain a written statement of the results of the hearing (*i.e.*, the Board's or Committee's decision) and the sanction, if any, to be imposed. Written notice of the decision shall be mailed to the violator within three days after the hearing.

8.3. Appeal.

If a hearing is held before the Covenants Committee, the violator shall have the right to appeal the decision to the Board. To exercise this right, a written notice of appeal must be received by the Association's manager, President, or Secretary within 10 days after the date of the Covenants Committee's decision.

Article IX **Miscellaneous**

9.1. Fiscal Year.

The Association's fiscal year shall be the calendar year unless the Board establishes a different fiscal year by resolution.

9.2. Parliamentary Rules.

Except as may be modified by Board resolution, *Robert's Rules of Order* (current edition) shall govern the conduct of Association proceedings when not in conflict with North Carolina law or the Governing Documents.

9.3. Conflicts.

If there are conflicts among the provisions of North Carolina law, the Articles of Incorporation, the Declaration, and these By-Laws, the provisions of North Carolina law, the Declaration, the Articles of Incorporation, and the By-Laws (in that order) shall prevail.

9.4. Books and Records.

(a) Maintenance of Books and Records. The Association shall maintain the following books and records, either in written form or in a form capable of conversion into written form within a reasonable time: appropriate accounting records; minutes of all meetings of the Members and the Board; a record of all actions taken by the Members and the Board without a meeting; a record of all actions taken by any committees appointed by the Board; a membership roster

reflecting the name and mailing address of all members, in alphabetical order by class, along with the address of each Unit owned by the Member' and the number of votes allocated to each Member's Unit(s).

The Association shall maintain at its principal office copies of the following documents:

- (i) its Articles and By-laws, and all amendments currently in effect;
- (ii) Board resolutions relating to the rights, limitations, and obligations of Members;
- (iii) the minutes of all Membership meetings records of all actions approved by the Members for the three most recent years;
- (iv) all written communications directed to the Members generally during the preceding three years;
- (v) copies of the financial statements for the three most recent years;
- (vi) a list of the names and business or home addresses of its current directors and officers; and
- (vii) its most recent annual report filed with the Secretary of State.

(b) Turnover of Books and Records. Within 60 days after termination of the Class "B" Control Period, the Declarant shall deliver to the Association all property, books and records of the Association in the Declarant's possession.

(c) Inspection by Members and Mortgagees. Within five days after receipt of a written request to inspect the Association's books and records the Board shall make available for inspection and copying by any Member, any holder, insurer or guarantor of a first Mortgage on a Unit, or the duly appointed representative of any of the foregoing, at such reasonable time and location as the Board may specify, any of the books and records listed in subsection (a) of this Section and specified in such written request, provided that a Member shall only be entitled to inspect the books and records enumerated in clauses (i) through (vii) of subsection if the Member's demand is made in good faith and for a proper purpose; the member describes with reasonable particularity the purpose and the records the member desires to inspect; and the records are directly connected with this purpose.

(d) Rules for Inspection. The Board shall establish rules with respect to:

- (i) notice to be given to the custodian of the records; and
- (ii) hours and days of the week when such an inspection may be made; and
- (iii) payment of the cost of reproducing documents requested.

(e) Inspection by Directors. Every director shall have the absolute right at any reasonable time to inspect all Association books, records, and documents and the physical properties owned or controlled by the Association. A director's right of inspection includes the right to make a copy of relevant documents at the Association's expense.

9.5. Notices.

(a) Form of Notice and Method of Delivery. Except as otherwise provided in the Declaration or these By-Laws or by law, all notices, demands, bills, statements, or other communications under the Declaration or these By-Laws shall be in writing and may be delivered in person, by United States mail, by private carrier, or if the intended recipient has given its prior written authorization to use such method of delivery, by telephone facsimile or electronic mail with written confirmation of transmission.

(b) Delivery Address. Notices shall be delivered or sent to the intended recipient as follows:

(i) if to a Member, at the address, telephone facsimile number, or e-mail address which the Member has designated in writing and filed with the Secretary or, if no such address has been designated, at the address of the Unit of such Member;

(ii) if to the Association, the Board, or a committee of either, at the address, telephone facsimile number, or e-mail address of the principal office of the Association or its managing agent, or at such other address as the Association shall designate by notice in writing to the Members pursuant to this Section; or

(iii) if to the Declarant, at the principal address of the Declarant as it appears on the Secretary of State's records, or at such other address as the Declarant shall designate by notice in writing to the Association pursuant to this Section.

(c) Effective Date. Notice sent in accordance with subsections (a) and (b) shall be deemed to have been duly given and effective:

(i) if sent by United States mail, when deposited with the U.S. Postal Service, correctly addressed, with first class or higher priority postage prepaid;

(ii) if delivered personally or by private carrier, when actually delivered to the address of the intended recipient, as evidenced by the signature of the person at such address who accepts such delivery;

(iii) if sent by telephone facsimile or electronic mail, upon transmission, as evidenced by a printed confirmation of transmission.

9.6. Amendment.

(a) By Board. Until termination of the Class "B" Control Period, the Board of Directors may amend these By-Laws for any reason upon majority vote of the Board and the written consent of the Declarant. Thereafter, the Board may unilaterally amend (i) to correct clerical,

typographical or technical errors; (ii) to bring any provision into compliance comply with any applicable governmental statute, rule, regulation, or judicial determination; and (iii) to comply with the requirements, standards or guidelines of any institutional or governmental lender, purchaser, insurer, or guarantor of mortgage loans; or (iv) to satisfy the requirements of any local, state, or federal governmental agency.

(b) By Members Generally. Except as provided above, these By-Laws may be amended only by the affirmative vote or written consent, or any combination thereof, of Members or their proxies representing 67% of the total Class "A" votes in the Association and, during the Development and Sale Period, the written consent of the Declarant. Any such amendment shall be subject to the veto right set forth in subsection (c), if applicable. Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(c) Validity and Effective Date of Amendments. Amendments to these By-Laws shall become effective upon Recordation unless a later effective date is specified therein. Any procedural challenge to an amendment must be made within six months of its Recordation, or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of these By-Laws.

No amendment may remove, revoke, or modify any right or privilege of Declarant or the Class "B" Member without the written consent of Declarant, the Class "B" Member, or the assignee of such right or privilege.
