Estimate details

Estimate no.: 1724
Estimate date: 08/06/2026

#	Product or service	Description	Qty	Rate	Amount
1.	Power grout	Power grout, raise, and align sunken concrete patio with inlaid broken tile. Raising to take place along back wall including in front of door leading to back yard. Reset loose tile. *There are occasions when additional materials is required to fill extra-large voids, which create additional costs in labor as well as materials. If such should be required, that material will be charged at \$450.00 per cubic yard	1	\$1,175.00	\$1,175.00
Total					\$1,175.00

Note to customer

Valid for 30 days.
Elite Foundation Services: Cosmetic damages to existing structure can occur during repairs. Windows and doors may move out of alignment during foundation repair. It is not always possible to restore structures to their original condition. EFS cannot be held responsible to prevent or repair these kinds of problems during or after executing engineering recommendations. Payment terms are 25% downpayment and balance upon completion. Bank transfer is preferred, however credit card is available with an adder. Customer will provide site access, electricity and water. Municipal permits are available upon request at an additional cost. Engineering reinspections are usually required for warranty and will be included unless expressly declined by customer
Elite Kitchens and Bathrooms: payment terms are \$1K due at time of signing, 40% at project kick-off, a 40% progress payment mid-way, and 20% due upon completion.
