2.1. Property Subjected To This Declaration. The real property which is subject to the covenants and restrictions contained in this Declaration is the real property described in Exhibit A.

2.2. Other Property. Only the real property described in Section 2.1 is made subject to this Declaration. However, Declarant may subject all or portions of the additional real property described in Section 10.1 by recording one or more Supplementary Declarations.

ARTICLE III. ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

3.1. Membership. Every Owner shall be deemed to have a membership in the Association. If a Lot is owned by more than one Person, there shall be only 1 membership per Lot, and the votes and rights of use and enjoyment shall be as provided in this Declaration and in the Bylaws. Membership shall be appurtenant to and may not be separated from ownership of any Lot. The rights and privileges of membership, including the right to vote and to hold office, may be exercised by a member or the member's spouse, but in no event shall more than 1 vote be cast nor office held for each Lot owned.

3.2. Voting. The Association shall have 2 classes of voting memberships:

a) Class I. The Class I Members shall be all Owners of Lots within the Community, other than Declarant as long as Class II membership exists. Any Class I member in the Community shall be entitled to one vote for each Lot which it owns. In the case of multiple ownership of any Lot, however, those multiple Owners shall be treated collectively as one Owner.

b) Class II. The Class II member shall be Declarant, who shall be entitled to 9 votes for each Lot owned by it within the Community. Class II membership shall cease and be converted to Class I membership on the happening of the first to occur of the following events:

i. Declarant has sold and closed the sale of 90% of all Lots and Improved Lots within The Properties, or

If the Class II membership has been terminated or has expired and subsequently additional properties owned by Declarant thereafter become subject to this Declaration pursuant to Section 1.2, the Class II membership shall immediately be reinstated as of the date such additional properties become subject to this Declaration and shall not terminate until Declarant has sold and closed the sale of 90% of all Lots and Improved Lots within the entirety of the property then comprising The Properties.

3.3. Directors Appointed by Declarant. The Declarant shall have the right to appoint or remove any member or members of the Board or any officer or officers of the Association during all periods in which Class II membership exists. Each Owner, by acceptance of a deed to or other conveyance of a Lot, vests in Declarant such authority to appoint and remove directors

and officers of the Association. The directors selected by the Declarant need not be Owners or residents in the Community.

ARTICLE IV. ASSESSMENTS

4.1. Purpose of Assessment. The assessments provided for in this Declaration shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners and Occupants of Lots, as may be authorized from time to time by the Board, and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to such purposes and related to the use and enjoyment of the Common Property or the Lots, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision; the maintenance of open spaces and streets which have not been accepted for dedication by a public authority, roadway medians and islands (including medians and islands located in dedicated rights-of-way within the Property), drives and parking areas within the Common Property; the procurement and maintenance of insurance in accordance with this Declaration; the maintenance of storm water drainage facilities, dams and ponds, including retention or detention ponds, or other bodies of water, if any, located within the Common Property; the erection, maintenance and/or repair of signs, entranceways, landscaping, perimeter wall, irrigation and lighting within the Common Property, road medians and islands; the cost of operating, maintaining and repairing any street lights erected by the Association or the Declarant within the Common Property or in the rights-of-way of streets (whether public or private) or in any other easement provided therefor within the Property; the payment of charges for garbage collection and municipal water and sewer services furnished to the Common Property; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving, storm water facilities, and any other major expense for which the Association is responsible; and such other needs as may arise.

Each Owner of any Lot, by acceptance of a deed therefor, and all other Members, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to and does hereby covenant and agree to pay agrees to timely pay to the Association: (a) annual assessments or charges; (b) special assessments; (c) specific assessments and (d) all other assessments or charges levied against any particular Lot, which are established and levied pursuant to the terms of this Declaration. Each Owner also agrees to pay reasonable fines as may be imposed in accordance with the terms of this Declaration.

4.3. Late Charges. All assessments and other charges established and levied pursuant to the terms of this Declaration shall accrue late charges (not to exceed the greater of \$20 per month or 10% of the unpaid principal amount due), and costs, including without limitation, reasonable attorneys' fees actually incurred. The assessments and charges shall be a continuing

lien upon the Lot against which each assessment is made, and shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment fell due.

4.4. Personal Liability. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for the assessments which are due at the time of conveyance; however, the liability of a grantee for the unpaid assessments of its grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings.

4.5. Certificate of Payment. The Association shall, within 10 business days after receiving a written request, furnish a certificate signed by an officer of the Association setting forth whether the assessments, other charges, and fines on a specified Lot have been paid. A properly executed certificate shall be binding upon the Association, the Board, and the Owner as of the date of issuance. The Board shall have the right to impose a reasonable charge for providing this certificate.

4.6. Annual Assessments. Annual assessments shall be levied equally on all similarly situated Lots and shall be paid in such manner and on such dates as may be fixed by the Board. The Board may allow annual assessments to be paid through periodic payments, and the Board shall have the right to accelerate any unpaid annual installments in the event an Owner is delinquent. Unless otherwise provided by the Board, the assessment shall be paid in quarterly installments.

4.7. Computation of Annual Assessments. The Board shall prepare a proposed budget covering the estimated costs of operating the Association during the coming year, which may include a capital contribution or reserve. The Board shall set a date for a meeting of the Owners to consider ratification of the budget, such meeting to be held not less than 10 nor more than 30 days after the mailing of the notice. The Board shall cause the proposed budget, the assessments, and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum, to be mailed or delivered to each member at least thirty 30 days prior to the end of the current fiscal year. A quorum need not be present at the meeting. The budget and the assessment shall become effective unless disapproved at such meeting by the Owners entitled to cast at least 80% of the votes of the Association. In the event the membership disapproves the proposed budget, or the Board fails to establish a budget for the succeeding year, the budget in effect for the then current year shall continue for the succeeding year until changed by the Board. In the event the Board's budget is disallowed, the Board shall have the right to make a new budget retroactive to the start of the fiscal year.

4.8. Special Assessments. In addition to the other assessments authorized by this Declaration, the Association may levy special assessments from time to time. Special assessments must be approved at a meeting by at least 2/3 of the Total Association Vote. Special assessments shall be paid as determined by the Board, and the Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.9. Lien for Assessment. All assessments and charges provided for herein, together with interest, and late fees, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made when a claim of lien is filed of record in the Office of the Clerk of Superior Court, Wake County, North Carolina.

4.10. Personal Obligation. Each such assessment and charge, together with interest, any late fees, fines, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner(s) of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to successors in title unless expressly assumed by them.

4.11. Effect of Nonpayment of Assessment. Any assessments (or installments) which are not paid when due shall be delinquent. Any assessment (or installment) which is delinquent for a period of more than 10 days shall incur a late charge in an amount set by the Board. If the Assessment is not paid within 30 days, after notice and an opportunity to be heard, the Board may file a claim of lien in the office of the Clerk of Superior Court in the county in which the Lot is located. The lien shall set forth the name and address of the Association, the name of the Owner of the Lot, a description of the Lot, and cover all assessments then due or which come due until the lien is canceled of record, and any other amounts provided in this Declaration or permitted by law. In the event that the assessment remains unpaid after 30 days, the Association may institute suit to collect such amounts and foreclose its lien. The Association shall have the right to foreclose its lien by any method allowed by law. The Association shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage, or convey the same.

4.12. No Setoff or Deduction. No Owner may waive or otherwise exempt himself from liability for the assessments provided for in this Declaration. No setoff, diminution, or abatement of any assessment shall be claimed or allowed by reason of any alleged failure of the Association to take some action, for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority. The obligation to pay assessments is a separate and independent covenant on the part of each Owner and is not subject to setoff.

4.13. Application of Payments. All payments shall be applied first to costs, then to late charges, then to interest, and then to delinquent assessments.

4.14. Date of Commencement of Assessments. As to each Lot, assessments shall start on the first day of the month following the sale of the Lot to a Person other than a Builder. The first annual assessment shall be adjusted according to the number of days then remaining in that fiscal year.

4.15. Specific Assessment. Pursuant to this Section, the Board shall have the power to specifically assess as it shall deem appropriate, in its sole discretion. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future. The Board may also specifically assess

Owners for the following Association expenses (except for expenses incurred for maintenance and repair of items which are the Association's maintenance responsibility):

a. Expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; and

b. Expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

4.16. Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may (but shall not be required to):

a. Advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association and the sum of the annual, special, and specific assessments collected by the Association in any fiscal year. Such advances shall, upon request of Declarant, be evidenced by promissory notes from the Association in favor of the Declarant. The failure of Declarant to obtain a promissory note shall not invalidate the debt; or

b. Cause the Association to borrow such amount, or a general borrowing, from a third party at the then prevailing rates for such a loan in the local area of the Community. Declarant, in its sole discretion, may guarantee repayment of such loan, if required by the lending institution, but no Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan; or

c. Acquire property for, or provide services to, the Association or the Common Property. Declarant shall designate the value of the property or the services provided and such amounts, at the request of the Declarant, shall be evidenced by a promissory note. Failure to obtain a promissory note shall not invalidate the obligation referred to in this Section.

4.17. Intentionally Omitted.

4.18. Declarant's Obligations for Assessments. As long as and whenever Declarant owns 10% or more of the Lots comprising the Community from time to time, Declarant's obligation for Assessments on unsold Lots subject to this Declaration will be limited to the difference between the actual operating costs of the Association and the Assessments levied on the existing Members other than Declarant. In no event, however, will Declarant be required to make a deficiency contribution in any amount greater than the Builder Rate (as defined below) on Lots owned by Declarant. Whenever Declarant owns less than 10% of the Lots of the

Community, Declarant shall pay Assessments at the Builder Rate for each Lot owned by Declarant, and Declarant shall not have any obligation to make a deficiency contribution.

4.19. Builders' Obligations for Assessments. Notwithstanding anything to the contrary herein, the annual Assessments on Lots owned by Builders who do not intend to live in the improvements they are constructing or causing to be constructed on such Lots shall accrue annually at a rate equal to 75% of the rate applicable to Owners (other than Declarant) (such discounted rate herein called the "Builder Rate") from the date of the Builder's purchase of the Lot. If recreation facilities as described in Article Thirteen are constructed, then once they are completed, the annual Assessments to be paid by Builders shall be at the rate applicable to Owners (other than Declarant) rather than at the Builder Rate.

4.20. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot from Declarant, the maximum annual Assessment shall be \$480 per Lot, as applicable. From and after January 1 of the year immediately following the conveyance of the first Lot from Declarant, then annual Assessment each year shall be no more than 110% of the previous years' Assessment, unless 2/3 or more of each class of the Members present or voting by proxy at a duly called meeting vote to increase the annual Assessments for a given year by more than 10% more than the annual Assessments for the prior year. The Board may fix the annual Assessments at any amount not greater than the maximum described here or determined by the duly called meeting as described above. The limitation in the increase in the annual Assessments herein shall not apply to any change in the maximum amount of the Assessments undertaken as an incident to: (1) a merger or consolidation in which the Association is authorized by law to participate; (2) as an incident to any additions to The Properties or submission of additional property to this Declaration; or (3) in connection with the addition of recreational facilities pursuant to Article Thirteen hereof. Notwithstanding the foregoing, the maximum annual Assessment figure shall be increased by 10% per year, even though the actual annual Assessment may be less (i.e., in the year following the conveyance of the first Lot, the maximum annual Assessment figure shall increase to \$528, then \$581 the next year, and so on, even though the actual annual Assessment figure may be less).

4.21. Special Assessments for Capital Improvements. In addition to the annual Assessments authorized by this Article IV, the Association may levy:

a) upon the first sale of each and every Lot by Declarant to an Owner, a specific Assessment in an amount to be determined by Declarant, but not to exceed \$750.00, shall be collected at the closing of such sale for the benefit of the Association. This specific Assessment shall be a one-time Assessment to be paid by the first Owner of a Lot other than Declarant. In addition, this specific Assessment shall (i) be in addition to, not in lieu of, the annual Assessment; (ii) shall not be considered an advance payment of such annual Assessment; and (iii) shall not be refundable by Declarant or the Association to such Owner.

b) in any assessment year, a special Assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of professional or consulting fees, any construction or reconstruction, unexpected repairs or replacement of any capital improvement

(including, without limiting the generality thereof, any lake, waterway, or pond) located in the Community, including the necessary fixtures and personal property related thereto, provided that any such Assessment shall have the consent of 67% of the votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall have been sent to all Members in accordance with the provisions of the Bylaws for such special meetings.

c) In addition to the special Assessment approved by the Members, as described in the preceding subsection b), the Association may levy a special Assessment, in the event of emergencies in which the Association perceives a threat to persons or to property, without the consent of the Members. The amount of such Assessment, however, may not exceed \$1,000.00 per Owner.

ARTICLE V. MAINTENANCE & CONVEYANCE OF COMMON PROPERTY TO ASSOCIATION

5.1. Rights and Responsibilities of the Association. Subject to the rights of Owners and Declarant as set forth in this Declaration, the Association has exclusive management and control of the Common Properties and all improvements thereon and all furnishings, equipment and other personal property relating thereto. The Association's duties with respect to such Common Properties include, but are not limited to, the following:

- a) maintenance of the Common Properties;
- b) management, operation, maintenance, repair, servicing, replacement and renewal of all landscaping, improvements, equipment and personal property constituting part of the Common Properties or located upon the Common Properties so as to keep all of the foregoing in good, clean, attractive, sanitary, safe and serviceable condition, order and repair;
- c) all landscaping of the Common Properties;
- d) maintenance of adequate public liability insurance insuring the Association and its officers and directors, and adequate property casualty or hazard insurance with a minimum replacement value of 80% after application of any deductibles, for the benefit of the Association with respect to the Common Properties, all of the foregoing insurance policies being maintained and insurance proceeds being used in compliance with the provisions of North Carolina General Statutes Section 47F-3-113;
- e) payment of all taxes and assessments validly levied, assessed or imposed with respect to the Common Properties;

f) maintenance of private streets and recreational and other facilities located on the Common Properties; and

g) payment of assessments for public and private capital improvements made to or for the benefit of the Common Properties.

Declarant is responsible for construction of and maintenance of streets and roads within the Community until such roads are accepted for maintenance by the applicable governmental authority. Notwithstanding the foregoing, the Association shall be entitled to undertake (but is not obligated to undertake) the management, operation, maintenance, repair, servicing, replacement and renewal of all streets and roads within the Community and all improvements thereon; provided, however, following any irrevocable acceptance of the streets and roads for maintenance as public rights of way by applicable governmental entities, the maintenance obligations of the Association for the streets and roads shall only be to the extent such activities are not performed by the applicable governmental entities.

The Association may in its discretion also provide other services as and to the extent the Association deems appropriate, such as, but not limited to, security services or devices, including but not limited to operation of the entry guard house and any other security gates, security personnel and overall traffic control.

The Association may obtain and pay for the services of any person or firm to manage its affairs to the extent the Board deems advisable, as well as such other person or firm as the Board determines is necessary or desirable, whether such person or firm is furnished or employed directly by the Association or by any person or firm with whom it contracts. Without limitation, the Board may obtain and pay for legal, accounting, engineering or other professional services necessary or desirable in connection with the Common Properties or the enforcement of this Declaration, the Association's Articles of Incorporation, Bylaws, rules or regulations.

The Association may acquire, hold, exchange and dispose of real property and tangible and intangible personal property, subject to such restrictions as from time to time may be contained in this Declaration, the Association's Articles of Incorporation or the Bylaws.

The Association, from time to time, may adopt, alter, amend, rescind and enforce reasonable rules and regulations governing use and operation of the Common Properties, which rules and regulations shall be consistent with the rights and duties established by this Declaration. The validity of the Association's rules and regulations, and their enforcement, shall be determined by a standard of reasonableness for the purpose of protecting the value and desirability of The Properties.

The Association may, acting through its Board, contract with other residential associations or commercial entities, neighborhoods or clubs to provide services or perform services on behalf of the Association and its Members.

5.2. Owner's Responsibility. Except as provided in Section 5.1 above, all maintenance of the Lot and all structures, parking areas, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community Standard and this Declaration. In the event that the Board determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair, or replacement of items for which such Owner is responsible, the Association may perform such maintenance, repair, or replacement for the Owner at the expense of the Owner. Except in an emergency situation, the Association shall give the Owner written notice of the Association's intent to provide such necessary maintenance, repair, or replacement. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have 10 days after receipt of such notice within which to complete such maintenance, repair, or replacement, or, in the event that such maintenance, repair, or replacement is not capable of completion within a 10 day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at such Owner's sole cost and expense, and all costs shall be an assessment levied against the Owner and a lien on such Owner's Lot in accordance with the provisions of Article IV hereof.

5.3. Conveyance of Common Property by Declarant to Association. The Declarant may convey to the Association any personal property, any improved or unimproved real property, leasehold, easement, or other property interest located within or adjacent to the Community. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Property to be maintained by the Association for the benefit of all or a part of its members. Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section. Declarant in recording any plat of the Property may identify thereon certain areas of land as "Open Space," "Common Area," "Common Property," or similar designation. Such designated properties, unless otherwise expressly provided, are expressly not dedicated to the public, but are intended to be conveyed by Declarant to the Association as Common Property. Declarant, however, reserves the right to reconfigure, in accordance with any applicable local governmental ordinances and regulations, all or any portion of such areas and all or any one or more of the Lots shown on any recorded subdivision plat at any time prior to the conveyance of such property by recording a revised subdivision plat of the property and thereby increase or decrease the area of any "Open Space," "Common Area," "Common Property," or similarly designated property and/or increase or decrease the number or size of the Lots shown thereon. Any "Open Space," "Common Area," "Common Property," or similarly designated property conveyed to the Association shall be conveyed subject to all easements and restrictions then of record, including all easements and restrictions herein reserved and established, and the recording of a plat showing such areas shall not limit the rights of Declarant to further restrict such property and to grant and convey

easements on, over or upon such property, prior to its conveyance to the Association, or otherwise in accordance with the terms of this Declaration.

5.4. Storm Water Management. Except for the maintenance responsibilities placed on Owners by this Section or assumed or undertaken by other Persons (for example, a Sub-Association), the Association, as a Common Expense, shall: (i) maintain all storm water easements (also referred to herein as "storm water drainage easements" or "drainage easements") in the Property that are shown on plats of the Property recorded in the Registry or established by written instruments recorded in the Registry, and which either are located on the Common Property or benefit or serve more than 1 Lot; and (ii) maintain the storm water management facilities, if any on or serving the Property, which are part of the storm water management system for the Property as shown on approved Subdivision Plans or other plans approved by the applicable governmental authorities. Storm water management facilities include ponds, natural areas and/or planted or landscaped areas into which storm water drains or in which storm water is collected, and also include drains, pipes and other equipment or apparatus used for handling storm water drainage. Provided, however, such maintenance obligations shall cease and terminate, or be reduced, at such time as applicable governmental authorities, through a department of public works or some other agency or division, elect to maintain, in whole or in part, the storm water drainage easements and storm water management facilities, or some other Person is providing the necessary maintenance. Following any such assumption of maintenance by an applicable governmental authority or other Person, the Association may, without obligation, continue to provide maintenance to the extent that the applicable governmental authority or other Person fails to provide adequate maintenance, in the opinion of the Board.

The Owner of any Lot on or over which a storm water drainage easement (or portion thereof) is located shall be responsible for the following with respect thereto: (i) mowing of grass with reasonable frequency, where applicable; (ii) removal of debris and other matter to the best of the Owner's ability, where such debris or matter has impeded or threatens to impede the free flow of storm water over or through the drainage easement or any storm water management facilities located therein. Such Owner's responsibility shall include notification of the Association of any defects in any fencing surrounding or within a storm water drainage easement or storm water management facility, any debris or other matter which the Owner feels is beyond the Owner's reasonable ability to remove, and any excessive erosion within a storm water drainage easement. The Owner of a Lot on which a storm water drainage easement is located shall not obstruct that easement in any manner. The Owner of a Lot served by a storm water drainage easement shall keep such Lot clear of all debris and other matter which, if carried by water flow into or onto the area of the storm water drainage easement, might significantly impede the free flow of storm water over or through the easement or any storm water drainage facilities therein.

Notwithstanding anything to the contrary herein, each Owner of a Lot, and not the Association, shall be responsible for maintenance of all, storm water drainage facilities and facilities used exclusively in connection with such Lot or the improvements thereon, including guttering, and pipes and drains for transportation of storm water from such Lot into a storm

water drainage easement or into a storm water management facility that is part of the storm water management system for the Property.

Declarant, during the Declarant's Development Period, and thereafter, the Association, subject to any approval required by applicable governmental authorities, may at any time and from time to time relocate, abandon, or release one or more storm water drainage easements in the Property, provided that such relocation, abandonment or release does not materially adversely affect any portion of the Property, including the Common Property.

With respect to its obligations under this Section, the Association shall pay or post all bonds or other financial requirements under applicable federal, state and local laws and ordinances, and the Association may enter into agreements with one or more Persons for collecting or managing any part or all of the storm water from the Property in a location outside of the Property. Such agreements may include payments from the Association for the services provided by such Person in collecting or managing such storm water from the Property.

Declarant hereby informs all Owners, Occupants and other Persons who may from time to time deal with or come in contact with the Property, that as storm water drains from the Property into any of the storm water management facilities for the Property, it is possible that substances or materials that may be classified or regulated as "hazardous substances" or "toxic substances" or other regulated substances or materials under applicable federal, state and local laws and ordinances relating to the environment, may accumulate in such storm water management facilities. Accordingly, each Owner, Recreational User and other Person hereby is put on notice of the foregoing possibility, and agrees to assume the risk that such accumulation may occur. In addition, each Owner further acknowledges that at some future time it may be necessary for such substances to be removed from the storm water management facilities or otherwise handled in accordance with applicable federal, state or local laws and ordinance, and for such storm water management facilities to be cleaned up following such removal or other handling, that the costs associated with such removal, handling and/or clean-up are Common Expenses and that an additional annual assessment or a special assessment may be required to pay for such removal and/or resultant clean-up of the Storm Water Retention Facility.

ARTICLE VI. ARCHITECTURAL REVIEW COMMITTEE

6.1. Architectural Standards. No exterior construction, alteration, addition, or erection of any nature whatsoever shall be commenced or placed upon any part of the Community, except such as is installed by the Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. Except as provided above, no exterior construction, addition, erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, and location shall have been submitted in writing to and approved by a review committee (the "Architectural Review Committee" or "ARC") to be established by the Board.

(a) The ARC shall be composed of 3 persons (who need not be Members of the Association) appointed by the Board. A majority of the ARC may designate a representative to act for it. In the event of death, resignation, or removal by the Board of any member of the ARC, the Board shall have full authority to designate a successor. Unless otherwise approved by the Association, neither the members of the ARC nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The Association shall keep, or cause to be kept, a list of the names and addresses of the persons who form the ARC and a list of the names and addresses of any designated representatives of the ARC, and such a list shall be available to any Owner upon request.

(b) Notwithstanding the foregoing, as to the initial construction of improvements on any Lot (the "Initial Construction of Improvements"), Declarant shall serve as the ARC responsible for the review, approval, and monitoring of construction of improvements. This right of Declarant pursuant to this section shall cease during times when Declarant does not own any of the property comprising any portion of the Community. Declarant may at any time relinquish, either temporarily or permanently, its rights to review, approve and monitor the initial construction of improvements as the Committee, as hereinabove described.

(c) Notwithstanding the foregoing, as long as Class II membership exists, Declarant or its designee shall act as the Committee.

6.2. The Board may employ architects, engineers, or other persons as it deems necessary to enable the Architectural Review Committee to perform its review. The Architectural Review Committee may, from time to time, delegate any of its rights or responsibilities hereunder to 1 or more duly licensed architects or other qualified Persons, which shall have full authority to act on behalf of the committee for all matters delegated.

Written design guidelines and procedures may be promulgated for the exercise of this review, which guidelines may provide for a review fee. During Declarant's Development Period, the Declarant shall have the right to appoint all members of the Architectural Review Committee. Upon the expiration or earlier surrender in writing of such right, the Board shall appoint the members of the Architectural Review Committee.

6.3. If the Architectural Review Committee fails to approve or to disapprove submitted plans and specifications within 60 days after the plans and specifications have been submitted to it, approval will not be required, and this Section will be deemed to have been fully complied with. As a condition of approval under this Section, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration. In the discretion of the Architectural Review Committee, an Owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such

Owner on behalf of such Owner and such Owner's successors-in-interest. The Architectural Review Committee shall be the sole arbiter of such plans and may withhold approval for any reason, including purely aesthetic considerations, and it shall be entitled to stop any construction commenced in violation of these restrictions. Any member of the Board or its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the purpose of ascertaining whether or not these Persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the Association, in the event of noncompliance with this Section, the Board may, as provided in this Declaration, record in the appropriate land records a notice of violation naming the violating Owner.

6.4. Any approved Plans and specifications shall have neither been reviewed nor approved for engineering or structural design or quality of materials, and by approving any such plans and specifications neither the Architectural Review Committee, neither the members thereof nor the Association assumes liability or responsibility therefor, nor for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the Architectural Review Committee, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any owner of property affected by these restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans or specifications and every Owner agrees that such Person or Owner will not bring any action or suit against Declarant, the Association, the Architectural Review Committee, the Board, or the officers, directors, members, employees, and agents of any board, or the officers, directors, members, employees, and agents of any of them to recover any damages and hereby releases, remises, quitclaims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

ARTICLE VII. USE RESTRICTIONS AND RULES

7.1. General. This Section sets out certain use restrictions that must be complied with by all Owners and Occupants. These use restrictions may only be amended as provided in this Declaration.

7.2. Residential Use. Except as otherwise herein provided with respect to (i) the use of portions of the Property as sales offices, construction offices and/or model homes and (ii) the maintenance of offices or home businesses, all Lots shall be used for residential purposes exclusively, and no portion of the Property shall be used except for residential purposes and uses ancillary thereto, including recreational, park and street purposes. Notwithstanding the foregoing restrictions, the Declarant, during Declarant's Development Period, and any Builder having

obtained the prior written approval of the Declarant, during Declarant's Development Period, shall have the right to operate and maintain one or more sales offices, construction offices and model homes within the Community. In addition, notwithstanding the foregoing restrictions, an Owner may maintain an office or home business on such Owner's Lot or in any dwelling or other improvement located on the Lot only if: (i) such office or home business is operated by the Owner or a member of the Owner's household residing on the Lot, or by Owner's tenant residing on the Lot; (ii) there are no displays or signs indicating that the Lot or improvement is being used other than as a residence; (iii) such office or business does not generate any additional traffic or parking usage (as determined from time to time in the sole discretion of the Board) by clients, customers or other Persons; (iv) no equipment or other items related to the office or business are stored, parked or otherwise kept on such Owner's Lot outside of the dwelling or other enclosure approved by the Architectural Review Committee; (v) such Owner has obtained from all applicable local governmental authorities, and maintains in effect, all required approvals for such use; (vi) the activity is consistent with the residential nature of the Property and complies with all applicable federal, state and local laws and ordinances; (vii) no person is employed in such office or home business except for the Owner or the members of the Owner's household residing on the Lot or the Owner's tenant residing on the Lot; and (viii) the Owner has obtained prior written approval from the Board and thereafter registers annually with the Association as long as the operation of the home business continues. As a condition to such use, the Board may require the Owner to pay any increase in the rate of insurance, trash removal, utilities or other costs for the Association or other Owners which result from such use. Garage sales, yard sales and similar activities shall be conducted only in accordance with all applicable federal, state and local laws and ordinances and the rules and regulations, if any, adopted by the Board.

7.3. Signs. No signs, except standard, typical "For Sale" or "For Rent" signs, as of size typically used in the industry to indicate the availability of a single Lot or Dwelling Unit for sale or for lease, shall be displayed in public view on any Lot, Improved Lot, facility, appurtenance, parker vehicle, accessory building or structure unless approved by the Committee, which may from time to time provide design criteria and color schemes for approved signs. Notwithstanding the foregoing, Declarant and Builder shall have the right to locate sign or signs (including, without limitation, marketing flags and banners) indicating the location of sales and rental centers, identify model homes or living units and their builder, and such other informational signs of any type as may be necessary or desirable, in either Declarant's or Builder's sole opinion, as applicable, to facilitate development and sales at the Community.

Notwithstanding the foregoing, not more than 1 Political Sign may be displayed by an Owner, subject to the following conditions: 1) No Political Sign shall be displayed earlier than 45 days prior to the applicable election or later than 7 days after the applicable election; and 2) No Political Sign shall have maximum dimensions greater than 24 inches by 24 inches. For purposes of this Section 6.3.h. "Political Sign" means a sign that attempts to influence the outcome of an election or expresses support or opposition to any candidate, political party, or ballot measure.

7.4. Vehicles/Garages. The term "vehicles," as used herein, shall include, without limitation, motorhomes, boats, trailers, motorcycles, mini-bikes, scooters, go-carts, trucks, campers, buses, vans, and automobiles.

i. Parking of any vehicles on streets or thoroughfares within the Community, or parking of commercial vehicles or equipment, mobile homes, recreational vehicles, boats and other watercraft, trailers, stored or inoperable vehicles in places other than enclosed garages; provided, construction, service, and delivery vehicles shall be exempt from this provision during daylight hours for such period of time as is reasonably necessary to provide service or to make a delivery to a Lot or the Common Areas;

ii. Garage doors shall be kept closed at all times, except during times of ingress and egress from the garage;

iii. Any boat, motorhome, trailer, or recreational vehicle left upon any portion of the Community for longer than three consecutive days is subject to removal upon written notice from the Association to the Owners of such boat, motorhome, trailer, or recreational vehicle, and the costs of such removal shall be an assessment against such Owner.

iv. Trucks with mounted campers which are an Owner's or Occupant's primary means of transportation shall not be considered recreational vehicles, provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal.

No motorized vehicles shall be permitted on pathways or unpaved Common Property except for public safety vehicles and vehicles authorized by the Board.

7.5. Occupants Bound. All provisions of the Declaration, Bylaws, and of any rules and regulations, use restrictions, or design guidelines promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants even though Occupants are not specifically mentioned. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not timely paid, the fine may then be levied and assessed against the Owner and secured with a lien against such Owner's Lot in accordance with the provisions of Article IV.

7.6. Animals and Pets. No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any Lot, with the exception of dogs, cats, or other usual and common household pets in reasonable number, as determined by the Board, provided such pets are kept in accordance with applicable local governmental ordinances, rules and regulations. No pets shall be kept, bred, or maintained for any commercial purpose. Dogs which are household pets shall be kept on a leash when outside of an Owner's residence. Dogs may not be left unattended outdoors. No structure for the care, housing, or confinement of any pet shall be constructed or maintained on any part of the Community without prior written Architectural Review Committee approval. Dogs must be kept on a leash and be under the physical control of a responsible person

at all times while outdoors, except while kept within an approved fence. Feces left within the Community by dogs must be removed by the owner of the dog or the person responsible for the dog. No pet which has caused any damage or injury shall be walked in the community, whether on a leash or otherwise. All pets shall be registered, licensed, and vaccinated as required by law.

Pets which endanger health, make objectionable noise, or constitute a nuisance or inconvenience to the Owners or Occupants must be removed by their owner upon request of the Board. No potbellied pigs may be brought onto or kept at The Properties at any time.

7.7. Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any Person using any property within the Community. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the community. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier, or other sound device, except such devices as may be used exclusively for security purposes or as approved by the Architectural Review Committee, shall be located, installed, or maintained upon the exterior of any Lot unless required by law.

7.8. Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including, without limitation, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

7.9. Antennas. No satellite dishes, antennas, and similar devices for the transmission of television, radio, satellite, or other signals of any kind shall be placed, allowed, or maintained within the Community without prior ARC approval. However, Declarant and the Association shall have the right, without ARC approval, to erect or install and maintain any such apparatus for the benefit of all or a portion of the Community.

Generally, (i) satellite dishes designed to receive direct broadcast satellite service which are one meter or less in diameter; (ii) satellite dishes designed to receive video programming services via multi-point distribution services which are one meter or less in diameter or diagonal measurement; or (iii) antennas designed to receive television broadcast signals ((i), (ii), and (iii), collectively, "Permitted Devices") shall be permitted by the ARC, *provided that* any such Permitted Device is placed in the least conspicuous location on the Lot (generally being the rear of the Lot) at which an acceptable quality signal can be received and is not visible from the street,

Common Area, or neighboring property or is screened from the view of adjacent Lots in a manner consistent with the Community Standard and any design guidelines.

7.10. Tree Removal. No trees that are more than 4 inches in diameter at a point 2 feet above the ground shall be removed without the prior written consent of the Architectural Review Committee. However, no flowering trees, including, without limitation, dogwood trees, regardless of their diameter, shall be removed without the prior written consent of the Architectural Review Committee. Notwithstanding all of the above, no consent or approval is required for the removal of any trees, regardless of their diameter, that are located within 10 feet of a drainage area, septic field, sidewalk, residence, driveway, or the line formed by the highest normal pool elevation of any lake.

7.11. Drainage. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or Occupant may alter, obstruct, or redirect the drainage flows after location and installation of drainage swales, storm sewers, or storm drains, the right to alter same being expressly reserved to Declarant.

7.12. Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem.

7.13. Garbage Cans, Woodpiles, Etc. All garbage cans, woodpiles, hot tubs, spas, and related equipment, and other similar items shall be located or screened so as to be concealed from view of neighboring streets and property. All rubbish, trash, and garbage shall be regularly removed and shall not be allowed to accumulate. Declarant reserves the right to dump and bury rocks on property within the Community as needed for efficient construction and to allow developers and builders within the Community to bury rocks removed from a building site. Trash, garbage, debris, or other waste matter of any kind may not be burned within the Community except that Declarant may maintain a "burn pit" during development and construction of the Community.

7.14. Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the Architectural Review Committee. Declarant, however, hereby expressly reserves the right to replat any Lot or Lots owned by Declarant. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations. Declarant's right to replat any Lot shall include the right to change the configuration of streets and otherwise make changes on the final plat for the Community as to how the streets and common areas in the Community are laid out.

7.15. Guns. The use of firearms in the Community is prohibited. The term "firearms" includes rifles, pistols, "BB" guns, pellet guns, and small firearms of all types.

7.16. Fences. No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any Lot without the prior written consent of the Architectural Review Committee. The Declarant may, at its sole option, specify the style and color of fencing which may be installed in the Community. Notwithstanding the foregoing, the Declarant shall

have the right to erect fencing of any type, at any location, on any Lot during the period that such Lot is being used by Declarant as a model home. The Declarant and the Board of Directors shall have the right to erect fencing of any type considered appropriate or desirable by the Board at any location on the Common Property.

7.17. Utility Lines. No overhead utility lines, including lines for cable television, shall be permitted within the Community, except for temporary lines as required during construction, and lines installed by or at the request of Declarant.

7.18. Air Conditioning Units. No window air conditioning units may be installed.

7.19. Lighting. Except as may be permitted by the Architectural Review Committee, exterior lighting visible from the street shall not be permitted except for (a) approved lighting as originally installed on a Lot; (b) 1 decorative post light, (c) street lights in conformity with an established street lighting program for the Community; (d) seasonal decorative lights; or (e) front house illumination of model homes.

7.20. Artificial Vegetation, Exterior Sculpture, and Similar Items. No artificial vegetation shall be permitted on the exterior of any property. Exterior sculpture, fountains, flags, and similar items must be approved by the Architectural Review Committee.

7.21. Energy Conservation Equipment. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless they are an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the Architectural Review Committee.

7.22. Swimming Pools and Hot Tubs. No swimming pool, hot tub or portable spa shall be permitted without the prior written consent of the Architectural Review Committee and then only if enclosed by an approved fence.

7.23. Gardens and Play Equipment. No vegetable garden or play equipment (including, without limitation, basketball goals) shall be erected on any Lot without the prior written consent of the Architectural Review Committee.

7.24. Mailboxes. All mailboxes located on Lots shall be of a similar style approved by the Architectural Review Committee. Replacement mailboxes may be installed after the type has been approved in writing by the Architectural Review Committee.

7.25. Exteriors. Any change to the exterior color of any improvement located on a Lot, including, without limitation, the dwelling, must be approved by the Architectural Review Committee.

7.26. Clothesline. No exterior clotheslines of any type shall be permitted upon any Lot.

7.27. Exterior Security Devices. No exterior security devices, including, without limitation, window bars, shall be permitted on any residence or Lot. Signs less than 6" by 6"

placed on the Lot or the exterior of the residence stating that such residence is protected by a security system shall not be deemed to constitute an exterior security device.

7.28. Entry Features. Owners shall not alter, remove, or add improvements to any entry features constructed by the Declarant on any Lot, or any part of any easement area associated therewith without the prior written consent of the Architectural Review Committee.

7.29. Storage Sheds and Garages. Construction, installation, or placement of a storage shed, tree house, play house, detached garage, or a building separate from the Dwelling on the Lot is not permitted, except that such a structure may be constructed and maintained on an adjoining Lot used as a site for a single-family detached dwelling, if the construction of such improvement has been approved in writing by the Architectural Review Committee, in its sole discretion. All plans (which must include the length, width, height, materials, colors, and location) must be submitted to the Architectural Review Committee for written approval prior to obtaining building permits or starting construction. The structure must be constructed, installed, or placed in a location inconspicuous as much as possible from public view. No two-story structures of this nature are permitted on any Lot within the Community. All materials used in the construction of such buildings must match the main dwelling located on the Lot.

Notwithstanding anything contained in this Declaration to the contrary, no vegetable gardens, hammocks, statuary, swing sets or similar play equipment, basketball goals or similar athletic equipment, boats or boating equipment, pools, fences, clothes drying equipment, dog houses, dog runs or other pet enclosures, signs, retaining walls, or any other structure or thing which, in the sole discretion of the Board or its designee, tends to detract from the appearance of the Community, and especially any lake in the Community, if applicable, shall be permitted on any Lot which abuts or is appurtenant to any lake within the Community or any lake made available for the use of all Owners and Occupants within the Community, without the prior written consent of the Architecture Review Committee or its designee.

7.30. Restrictions on Leasing. It is contemplated by this Declaration that any dwelling now or hereafter constructed on a Lot (a "Dwelling") generally is intended for use and occupancy by the Owner of the Lot. Therefore, no Dwelling shall be leased:

- (a) by an Owner who has not previously occupied the Dwelling as the Owner's primary residence and has no future intent to do so;
- (b) by an Owner who has not regularly Occupied the Dwelling as the Owner's primary residence and who enters into a lease with a tenant that gives the tenant the option to purchase the Dwelling during, or at the end of the term of the lease: or
- (c) by an Owner where the primary purpose of the ownership of the Dwelling is for commercial purposes in that the Dwelling is intended, primarily for lease to tenants and not for occupancy by the Owner as the Owner's primary residence.

Provided however, and notwithstanding the foregoing restrictions on leasing of Dwellings, any model home may be leased to or by Declarant or a Builder.

All permitted leases shall have a minimum term of at least 12 months. All leases shall require, without limitation, that the tenant acknowledge receipt of a copy of the Declaration, Bylaws, use restrictions, and rules and regulations of the Association. The lease shall also obligate the tenant to comply with the foregoing and shall provide that in the event of noncompliance, the Board, in addition to any other remedies available to it, may evict the tenant on behalf of the Owner and specifically assess all costs associated therewith against the Owner and the Owner's Lot in accordance with the provisions of Article IV.

7.31. Sewer Systems. As long as reasonably adequate sanitary sewer service is supplied to a Lot by applicable governmental authorities, no private sewage system shall be permitted on that Lot.

7.32. Wetlands. Portions of the Property may have been determined to meet the requirements for designation as a regulatory wetland. Notwithstanding anything to the contrary that may appear herein or in any other restrictive covenants applicable to such portions of the Property, any subsequent fill or alteration of any portion of the Property that has been determined to be a regulatory wetland under applicable laws of the United States or the State of North Carolina shall conform to the requirements of applicable wetland rules adopted by the United States or the State of North Carolina and in force at the time of the proposed alteration. The intent of this Section is to prevent additional wetland fill except as allowed under applicable federal, state and local laws and ordinances, so the Owner of any such portion of the Property should not assume that a future application for fill or alteration of a wetland will be approved. The Owner of any portion of the Property subject to any such future application shall report the name of the development (in this case, Reynold's Mill), together with the name of the particular phase, section or subdivision within the Property, if any, in any application pertaining to wetland rules. The provisions of this Section are intended to ensure continued compliance with wetland rules adopted by the United States or State of North Carolina and this covenant may be enforced by the United States or State of North Carolina. The provisions of this Section shall run with the Property and be binding on all Owners of any part or all of the Property and all persons claiming under them.

Owners shall have no riparian rights with respect to the waters in any lake or stream within the Community and shall not be permitted to withdraw water from any lake or stream as may exist in the Community or as are made available for the use of all Owners and Occupants within the Community without the prior written consent of the Board or its designee. During Declarant's Development Period, Declarant may authorize and grant easements to withdraw water from such lakes or streams without the consent of the Association.

No docks, piers, or elevated or suspended walkways of any kind, or any other manmade structure whatsoever, shall be constructed in or out over any lake, pond, waterway, off-property wetland, other water course, or any other place by any one other than Declarant. To the extent

that any of such are constructed by Declarant, Declarant may limit the time or nature of the use of the same.

ARTICLE VIII. INSURANCE AND CASUALTY LOSSES

8.1. Insurance on Common Property. The Board of Directors or the duly authorized agent of the Association shall have the authority to and shall obtain insurance for all insurable improvements whether or not located on the Common Property which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts.

8.2. Liability Insurance. The Board shall obtain a general commercial liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least \$1,000,000. If available, the Board is authorized to obtain directors' and officers' liability insurance coverage.

8.3. Declarant. The Board is authorized to obtain the insurance coverage required hereunder through the Declarant and to reimburse Declarant for the cost thereof. The Board shall not be required to comply with the provisions of this Section if the Board has contracted for or otherwise arranged to obtain the required insurance coverage through the Declarant.

8.4. Premiums. Premiums for all insurance shall be common expenses of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

8.5. Miscellaneous. All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as trustee for the respective benefited parties, as further identified below. Such insurance shall comply with these provisions:

a. All policies shall be written with a company authorized to do business in North Carolina.

b. Exclusive authority to settle losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

c. In no event shall the insurance coverage obtained and maintained by the Association be brought into contribution with insurance purchased by individual Owners,

Occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.

d. All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies shall be reviewed annually.

e. The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

i. A waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners and their respective tenants, servants, agents, and guests;

ii. A waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

iii. That no policy may be canceled, invalidated, or suspended on account of any one or more individual Owners;

iv. That no policy may be canceled, allowed to lapse or expire, invalidated, or suspended on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee;

v. That any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

vi. That no policy may be canceled, allowed to lapse or expire, or substantially modified without at least 30 days prior written notice to the Association.

f. In addition to the other insurance required by this Section, the Board shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall be determined in the 3 months assessments plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be canceled, allowed to lapse or expire, or substantially modified without at least 30 days prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage, and flood insurance, if and to the extent necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation,

the Federal National Mortgage Association, and the U.S. Department of Veterans Affairs, or the U.S. Department of Housing and Urban Development.

8.6. Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots, and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket "all-risk" casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an "all-risk" policy, if reasonably available, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. If "all-risk" coverage is not reasonably available, Owners shall obtain, at a minimum, fire and extended coverage. The policies required hereunder shall be in effect at all times. Authority to adjust losses under policies obtained by an Owner shall be vested in the Owner. The losses under policies obtained by an Owner shall be vested in the Owner. The Association shall have the right, but not the obligation, at the expense of the Owner, to acquire the insurance required to be maintained by the Owner if the Owner fails to provide a valid policy to the Association with a prepaid receipt within 10 days after receipt by the Owner of a written request from the Association. If the Association acquires insurance on behalf of any Owner, the cost thereof shall be assessed against the Owner as a specific assessment and shall be a lien on such Owner's Lot.

8.7. Damage and Destruction -- Insured by Association.

a. In General. Immediately after damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. The Board shall have the enforcement powers specified in this Declaration necessary to enforce this provision.

b. Repair and Reconstruction. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within 60 days after the casualty, at least 80% of the Total Association Vote otherwise agree; provided, however, during Declarant's Development Period, Declarant must also agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed 60 days. No

Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

c. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Association's members, levy a special assessment against all Owners in proportion to the number of Lots owned by such Owners. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association.

d. In the event that it is determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition.

8.8. Damage and Destruction -- Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within 75 days after such damage or destruction or, where repairs cannot be completed within 75 days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within 75 days after such damage or destruction. In the event of noncompliance with this provision, the Board shall have all enforcement powers specified in this Declaration.

ARTICLE IX. CONDEMNATION

In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, then, unless within 60 days after such taking, at least 75% of the Total Association Vote shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Property to the extent lands are available therefor. The provisions of this Declaration applicable to Common Property improvements damage, shall govern replacement or restoration and the actions to be taken in the event that the improvements are not restored or replaced.

ARTICLE X. ANNEXATION OF ADDITIONAL PROPERTY

10.1. Unilateral Annexation By Declarant.

a. The Declarant shall have the unilateral right, privilege, and option from time to time until 10 years after the recording of this Declaration to subject to the provisions of this Declaration the following property ("Annexation"):

- i. All or any portion of the real property described in Exhibit B, if any;
- ii. Any property which is adjacent to any portion of the Property, and
- iii. Any tract of land, of which any portion is located within a 5 mile radius of the property described in Exhibit A.

For the purpose of determining whether property is "adjacent," the rights of way of public or private roads or utilities, as well as rivers and streams, and the like shall be deemed not to separate otherwise adjacent property. Annexation may be accomplished by filing for record, in the county in which the property to be annexed is located, a Supplementary Declaration describing the property being subjected.

Any such annexation shall be effective upon the filing for record of such Supplementary Declaration unless otherwise provided therein.

Declarant shall have the right, in connection with the annexation of other property, to modify the terms of this Declaration as it may apply to the annexed property.

As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of existing Owners are not adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property.

b. The rights reserved unto Declarant to subject additional land to the Declaration shall not impose any obligation upon Declarant to subject any of such additional land to this Declaration or the jurisdiction of the Association. If such additional land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

10.2. Other Annexation. Subject to the consent of the owner(s) thereof and the consent of the Declarant (during Declarant's Development Period), upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least 2/3 of the Lots, the Association may annex real property to the provisions of this Declaration describing the property to be annexed and filed for recording in the land records of the county in which the Community is located. A Supplementary Declaration shall be signed by the President of the Association whose signature shall be attested by the Secretary of the Association, and any such annexation shall be

effective only upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein.

ARTICLE XI. MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders of first Mortgages on Lots in the Community. The provisions of this Section apply to both this Declaration and the Bylaws, notwithstanding any other provisions contained therein.

11.1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage, who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the legal description of the encumbered Lot, therefore becoming an "eligible holder"), will be entitled to timely written notice of :

a. Any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;

b. Any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of 60 days; provided that, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by the Owner of the encumbered Lot of any obligation under the Declaration or Bylaws of the Association which is not cured within 60 days; and

c. Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

11.2. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

11.3. Applicability of Section. Nothing contained in this Section shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, Bylaws, or North Carolina law for any of the acts set out in this Section.

11.4. Amendments by Board. Should the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, HUD, or VA subsequently delete any of their respective requirements which necessitate the provisions of this Section or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Section to be recorded to reflect such changes.

11.5 Subordination of the Lien on an Owner's Property to Mortgages or Deeds of the Trust. The lien on an Owner's property of the Assessments provided for herein shall be

absolutely subordinate to the lien of any first mortgage or deed of trust now or hereafter placed upon any Lot or Dwelling subject to Assessment. The subordination shall not relieve any Lot or Dwelling from liability for any Assessments now or hereafter due and payable, but the lien thereby created shall be secondary and subordinate to any first mortgage or deed of trust as if said lien were a second mortgage, irrespective of when such first mortgage or deed of trust was executed and recorded. The sale or transfer of a Lot or Dwelling shall not affect any lien for Assessments. However, the sale or transfer of a Lot or Dwelling that is subject to a first mortgage or first deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such Assessments as to the payment thereof which became due prior to such sale or transfer. The extinguished Assessments shall be collectable as a common expense from all Owners in the Community. No such sale or transfer shall relieve a Lot or Dwelling from liability for any assessments thereafter becoming due, or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any such first mortgage or first deed of trust.

ARTICLE XII. EASEMENTS

12.1. Easements for Encroachment and Overhang. There shall be reciprocal appurtenant easements for encroachment and overhang as between each Lot and such portion or portions of the Common Property adjacent thereto or as between adjacent Lots due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than 5 feet, as measured from any point on the common boundary between each Lot and the adjacent portion of the Common Property or as between adjacent Lots, as the case may be, along a line perpendicular to such boundary at such point. In no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, Occupant, or the Association.

12.2. Easements for Use and Enjoyment.

a. Every Owner of a Lot shall have a right and easement of ingress and egress, use and enjoyment in and to the Common Property which shall be appurtenant to and shall pass with the title to each Lot, subject to the following provisions:

i. The right of the Association to charge reasonable admission and other fees for the use of any portion of the Common Property, to limit the number of guests of Lot Owners and tenants who may use the Common Property, and to provide for the exclusive use and enjoyment of specific portions thereof at certain designated times by an Owner, his family, tenants, guests, and invitees;

ii. The right of the Association to suspend the voting rights of a Owner and the right of an Owner to use the recreational facilities available for use by the Community, if any, for any period during which any assessment against such Owner's Lot which is hereby provided for remains unpaid; and, for a

reasonable period of time for an infraction of the Declaration, Bylaws, or rules and regulations;

iii. The right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for construction, repairing, or improving any facilities located or to be located thereon, and to give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Property; provided that, the lien and encumbrance of any such Mortgage given by the Association shall be subject and subordinate to any rights, interests, options, easements, and privileges herein reserved or established for the benefit of Declarant, or any Lot or Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Owner encumbering any Lot or other property located within the Community. Any such Mortgage on the Common Property shall be subject to approval by at least 80% of the Total Association Vote (excluding votes held by the Declarant) and by the Declarant during Declarant's Development Period. Any provision in this Declaration or in any such Mortgage given by the Association to the contrary notwithstanding, the exercise of any rights therein by the holder thereof in the event of a default thereunder shall not cancel or terminate any rights, easements, or privileges herein reserved or established for the benefit of Declarant, or any Lot or Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Owner encumbering any Lot or other property located within the Community;

iv. The right of the Association to dedicate or grant licenses, permits, or easements over, under, and through the Common Property to governmental entities for public purposes;

v. The right of the Association, acting through the Board without Member, Mortgagee or agency approvals, to dedicate or transfer non-exclusive easements on, over and upon all or any part of the Common Property which are not inconsistent with and do not unreasonably interfere with the intended use of the Common Property and otherwise for such purposes and subject to such conditions as may be agreed to by the Association's Board; provided, however, no such dedication or transfer shall be effective unless an instrument executed on behalf of the Association by its duly authorized officers, agreeing to such dedication or transfer, has been recorded in the Register of Deeds for the County in which the Community is located;

vi. The right of the Association to dedicate or transfer any real property interest in all or any portion of the Common Property subject to such conditions as may be agreed to by the members of the Association. No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer has been approved by the affirmative vote of at least 80% of the Total Association Vote (excluding votes held by the Declarant) and by Declarant during Declarant's Development Period, and, further provided that no

such dedication or transfer shall interfere with or obstruct utility service to, or ingress, egress and regress to or from, the Lots or any remaining Common Property or cause any Lot or any remaining Common Property to fail to comply with applicable laws, regulations or ordinances;

vii. The right of the Association, acting through the Board, to impose rules and regulations for the use and enjoyment of the Common Property and improvements thereon, which regulations may further restrict the use of the Common Property, and specifically including the right to establish rules and regulations concerning parking and vehicular traffic flow on and along the streets and roadways, whether public or private, within or abutting the Community, which rules and regulations may restrict or prohibit on-street parking and may be enforced by towing at the expense of the vehicle's owner, by reasonable fine levied against the vehicle's owner and/or any Owner of a Lot to which such violation reasonably may be attributed, or by any other reasonable method of enforcement established by the Association's Board; and

vi. The easements, conditions and restrictions herein reserved and established for the benefit of the Declarant, the Association and others.

b. Delegation. Any Lot Owner may delegate such Owner's right of use and enjoyment in and to the Common Property and facilities located thereon to the members of such Owner's family and to such Owner's tenants and guests and shall be deemed to have made a delegation of all such rights to the Occupants of such Owner's Lot, if leased.

12.3. Easements for Access, Utilities and Other Purposes. There is hereby reserved and established in favor of the Declarant and the Association blanket non-exclusive easements upon, across, above, and under all property within the Community, including all Lots, for access, ingress, egress, installation, repairing, replacing, and maintaining all utilities serving all or any portion of the Community or any portion or any portion of the additional property specifically described on Exhibit B hereto (whether or not such additional property is added to the Community), and for such other purposes that are not inconsistent with and do not unreasonably interfere with the intended use of such property. This easement shall include, without limitation, access, gas, water, sanitary sewer, telephone, electricity, cable television, security, as well as storm drainage and any other service or system which the Declarant or the Association might decide to have installed to service the Community or any portion of the additional property specifically described on Exhibit B hereto (whether or not such additional property is added to the Community). It shall be expressly permissible for the Declarant, the Association, or the designee of either, as the case may be, to install, repair, replace, and maintain or to authorize the installation, repairing, replacing, and maintaining of such wires, conduits, pipes, cables, and other equipment related to the providing of any such access, utility or service. Should any party furnishing or receiving any such utility or service request a specific license or easement by separate recordable document, the Declarant or the Board, as the case may be, shall have the right to grant such easement.

12.4. Easement for Drainage. Declarant hereby reserves a perpetual easement across the Community for the purpose of altering drainage and water flow across the Community. This right shall include, but is not limited to, altering swales, installing drains, drainage ditches, pipes, inlets, headwalls, and altering channeling, or piping water across any Lot or any property in the Community. Rights exercised pursuant to this reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

12.5. Easement for Entry. In addition to the other rights reserved and established in favor of Declarant and the Association, the Declarant and the Association each shall have the right (but not the obligation) to enter upon any property or Lot within the Community for emergency, security, and safety reasons. This right may be exercised by the Declarant, the Association their respective designee, any officer of the Board, and all governmental employees, policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner, and the entering party shall be responsible for any damage caused. This right of entry shall include the right of the Board to enter to cure any condition which may increase the possibility of a fire, slope erosion, or other hazard or condition in the event an Owner or Occupant fails or refuses to cure the condition upon request by the Board.

12.6. Easement for Maintenance. Declarant hereby expressly reserves a perpetual easement for the benefit of Declarant or the Association across such portions of the Community, determined in the sole discretion of the Declarant and the Association, as are necessary to allow for the maintenance required by this Declaration. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment to Owners' property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

12.7. Easement for Entry Features. There is hereby reserved to the Declarant and the Association an easement for ingress, egress, installation, construction, landscaping, and maintenance of entry features and similar streetscapes for the Community, over and upon each Lot as more fully described on the recorded subdivision plats for the Community. The easement and right herein reserved shall include the right to cut, remove, and plant trees, shrubbery, flowers, and other vegetation around such entry features and the right to grade the land under and around such entry features.

12.8. Construction and Sale Period Easement. Notwithstanding any provisions contained in the Declaration, the Bylaws, Articles of Incorporation, use restrictions, rules and regulations, design guidelines, and any amendments thereto, during Declarant's Development Period, Declarant reserves an easement across such portions of the Community as Declarant may reasonably deem necessary for any or all of the purposes hereinafter set forth. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient, or incidental to the development, construction, and sales

activities related to property within or near the Community. This easement shall include, without limitation:

- a. The right of access, ingress, and egress for vehicular and pedestrian traffic, and construction activities over, under, on, or in any portion of the Community as well as any Lot in the Community;
- b. The right to tie into any portion of the Community with driveways, parking areas, and walkways;
- c. The right to tie into or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services;
- d. The right (but not the obligation) to construct recreational facilities on Common Property;
- e. The right to carry on sales and promotional activities in the Community;
- f. The right to place direction and marketing signs on any portion of the Community, including any Lot or Common Property;
- g. The right to construct and operate business offices, signs, construction trailers, model residences, and sales offices incidental to the construction, development, and sales activities; and
- h. Declarant and any such builder or developer may use residences, offices, or other buildings owned or leased by Declarant or such builder or developer as model residences and sales offices, and may also use recreational facilities available for use by the Community as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the Person causing the damage at its sole expense. This Section shall not be amended without the Declarant's express written consent until the Declarant's rights hereunder have terminated as provided in this Declaration.

12.9. Irrigation Easements. There is hereby reserved to the Declarant and the Association a blanket easement to pump water from ponds, lakes, and other bodies of water located within the Community for irrigation purposes.

12.10. Fence Easement. Declarant hereby reserves an easement across any Lot which borders upon or contains a portion of any water facility, detention pond, or retention pond for the purpose of access to such facility or pond, and for the purpose of erecting any fence which is

either required by the subdivision development and construction plans or governmental regulation, rule, ordinance, or plan approval requirement.

ARTICLE XIII. GENERAL PROVISIONS

13.1. Enforcement. Each Owner and Occupant shall comply strictly with the Bylaws, the rules and regulations, and the use restrictions, as they may be lawfully amended or modified from time to time, and with the covenants, conditions, and restrictions set forth in this Declaration and any such restrictions which may be placed in the deed to such Owner's Lot, if any. In the event of a conflict between the provisions of this Declaration and the Bylaws, the Declaration shall prevail. The Board may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the Bylaws, or the rules and regulations shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board of Directors, on behalf of the Association, or in a proper case, by an aggrieved Owner.

To determine whether a fine or other sanction shall be imposed, a hearing shall be held before either the Board or an adjudicatory panel appointed by the Board, at the Board's sole discretion, to determine if any Owner or Occupant should be fined or if Community privileges or services should be suspended. Any adjudicatory panel appointed by the Board shall be composed of members of the Association who are neither officers of the Association nor members of the Board. The Owner charged shall be given notice of the charge, an opportunity to be heard and to present evidence, and notice of the decision. If either the Board or an adjudicatory panel, as applicable, decides that a fine should be imposed, a fine not to exceed \$100.00 may be imposed for the violation and without further hearing, for each day more than 5 days after the decision that the violation continues or recurs. Such fines shall be assessments secured by liens under North Carolina law. If either the Board or an adjudicatory panel, as applicable, decides that Community privileges or services should be suspended, the suspension may be continued without further hearing until the violation or delinquency is cured. The Owner may appeal the decision of an adjudicatory panel to the full Board by delivering written notice of appeal to the Board within 15 days after the date of the decision. The Board may affirm, vacate, or modify the prior decision of the adjudicatory panel.

13.2. Self-Help. In addition to any other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon any Lot or any other portion of the Community to abate or remove, using such force as may be reasonably necessary, any structure, thing, or condition which violates this Declaration, the Bylaws, the rules and regulations, or the use restrictions. Unless an emergency situation exists, the Board shall give the violating Lot Owner 10 days written notice of its intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after reasonable notice. All costs of self-help, including reasonable attorneys' fees, shall be assessed against the violating Lot Owner and shall be collected as provided for herein for the collection of assessments.

13.3. Duration. The covenants and restrictions of this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by Declarant, the Association or any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law. If North Carolina law limits the period during which covenants restricting lands to certain uses may run, any provision of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time any such provision shall be automatically extended for successive periods of 10 years.

The termination of this Declaration shall require the assent of at least 80% of the votes in the Association, taken at a meeting duly called and held for this purpose, and shall be evidenced by a termination agreement recorded in the Wake County Registry and otherwise complying with the terms of North Carolina General Statutes Section 47F-2-118.

13.4. Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation, or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association, the Department of Housing and Urban Development, the Veterans Administration, or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or private insurance company to insure or guarantee Mortgage Loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent in writing. Further, so long as Declarant has the right unilaterally to subject additional property to this Declaration, Declarant may unilaterally amend this Declaration for any other purpose; provided that, any such amendment shall not materially adversely affect the substantive rights of any Lot Owners hereunder, nor shall it adversely affect title to any Lot without the consent of the affected Lot Owner.

In addition to the above, this Declaration may be amended:

- i. During Declarant's Development Period, with the affirmative written consent of the Declarant and upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least 2/3 of the Lots; and
- ii. Following the expiration of Declarant's Development Period, upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least 2/3 of the Lots.

13.5. Partition. The Common Property shall remain undivided, and no Owner nor any other Person shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any

portion of the property, including, but not necessarily limited to, the Lots located within the Community.

13.6. Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.

13.7. Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and to this end, the provisions of this Declaration are declared to be severable.

13.8. Captions. The captions are inserted only for convenience and are in no way to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

13.9. Perpetuities. If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until 21 years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

13.10. Indemnification. To the fullest extent allowed by applicable North Carolina law, the Association shall indemnify every officer of the Association and director of the Association against any and all expenses, including, without limitation, attorneys' fees, imposed upon or reasonably incurred by any officer or director in connection with any action, suit, or other proceeding to which such officer or director may be a party by reason of being or having been an officer or director. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. This indemnification shall also include attorneys' fees and expenses incurred in enforcing this indemnification. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

13.11. Books and Records.

a. Inspection by Members and Mortgagees. This Declaration, the Bylaws, copies of rules and use restrictions, membership register, books of account, and minutes of meetings of the members of the Board and of committees shall be made available for

inspection and copying by Declarant or any member of the Association or by the duly appointed representative of any member and by holders, insurers, or guarantors of any first Mortgage at any reasonable time and for a purpose reasonably related to such Person's interest as a member or holder, insurer, or guarantor of a first Mortgage at the office of the Association or at such other reasonable place as the Board shall prescribe.

b. Rules for Inspection. The Board shall establish reasonable rules with respect to: (1) notice to be given to the custodian of the records; (2) hours and days of the work when such an inspection may be made; and (3) payment of the cost of reproducing copies of documents.

c. Inspection by Directors. Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make extra copies of documents at the reasonable expense of the Association.

13.12. Financial Review. A review of the books and records of the Association shall be made annually in the manner as the Board may decide; however, after having received the Board's financial statements, by a majority of the Total Association Vote, the Owners may require that the accounts of the Association be audited as a common expense by a certified public accountant. Upon written request of any institutional holder of a first Mortgage and upon payment of all necessary costs, such holder shall be entitled to receive a copy of audited financial statements within 90 days of the date of the request.

13.13. Notice of Sale, Lease, or Acquisition. In the event an Owner sells or leases such Owner's Lot, the Owner shall give to the Association, in writing, prior to the effective date of such sales or lease, the name of the purchaser or lessee of the Lot and such other information as the Board may reasonably require. Upon acquisition of a Lot, each new Owner shall give the Association, in writing, the name and mailing address of the Owner and such other information as the Board may reasonably require.

13.14. Agreements. Subject to the prior approval of Declarant (during Declarant's Development Period), all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board shall be binding upon all Owners, their heirs, legal representatives, successors, assigns, and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

13.15. Implied Rights. The Association may exercise any right or privilege given to it expressly by the Declaration, the Bylaws, the Articles of Incorporation, any use restriction or rule, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it therein or reasonably necessary to effectuate any such right or privilege.

13.16 Right to Transfer or Assign Declarant Rights. Any or all of the special rights and obligations of Declarant set forth in this Declaration or the Bylaws may be transferred in whole

or in part to other persons; provided, the transfer shall not reduce an obligation nor enlarge a right beyond that which Declarant has under this Declaration or the Bylaws. No such transfer or assignment shall be effective unless it is in a written instrument signed by Declarant and duly recorded in the Wake County Registry. The foregoing sentence shall not preclude Declarant from permitting other persons to exercise, on a one time or limited basis, any right reserved to Declarant in this Declaration where Declarant does not intend to transfer such right in its entirety, and in such case it shall not be necessary to record any written assignment unless necessary to evidence Declarant's consent to such exercise.

13.17 Right to Re-designate Certain Property. Declarant hereby reserves for itself and its successors and assigns, during the existence of Class II membership and until two years thereafter, the right to re-designate property types or boundary lines shown on a recorded plat or described in a recorded instrument by recording a new recorded plat showing such changes or recording a new recorded instrument describing such changes. Except as otherwise limited herein or by local codes or ordinances, Owners may recombine, add, or delete Lots and adjust lot lines, and such resulting Lots will, without any consent of Declarant or the Association, constitute "Lots" hereunder.

13.18 Dissolution or Insolvency of the Association. The Association shall be dissolved upon the termination of this Declaration, or upon the written assent given in writing and signed by not less than eighty percent (80%) of the members of each class of members, or upon such more restrictive or additional conditions and in such manner as otherwise provided by the laws of the State of North Carolina. Upon dissolution or insolvency of the Association or upon loss of ownership of the Common Property (once such ownership has been acquired) by the Association for any reason whatsoever (except for exchange or dedication or conveyance of any part or all of the Common Property as allowed by this Declaration or by reason of merger and/or consolidation with any other association as allowed by this Declaration), any portion of the Common Property not under the jurisdiction and being maintained by the Association, shall be offered to the Town of Wake Forest, North Carolina, or to some other appropriate governmental entity or public agency (as determined by the Board) to be dedicated for public use for purposes similar to those to which the Common Area and such assets were required to be devoted by the Association. If the Town of Wake Forest or such other appropriate governmental entity or public agency accepts the offer of dedication, such portion of the Common Property and assets shall be conveyed by the Association to the Town of Wake Forest or such other appropriate governmental entity or public agency, subject to the superior right of the Owner of each Lot to an easement (if necessary) for reasonable ingress and egress to and from such Owner's Lot and the public or private street(s) on which such Lot is located, and subject to all other applicable rights of way and easements and subject to ad valorem property taxes subsequent to the date of such conveyance.

In the event that the Town of Wake Forest or such other appropriate governmental entity or public agency refuses the offer of dedication and conveyance, the Association may transfer and convey such Common Property and assets to any nonprofit corporation, association, trust or other entity which is or shall be devoted to purposes and uses that would most nearly conform to the purposes and uses to which the Common Property was required to be devoted by this

Declaration, such conveyance to be made subject to the rights of Owners and other matters set forth in the immediately preceding paragraph.

ARTICLE XIV. USE OF RECREATIONAL FACILITIES

Declarant may, but shall not be required to, construct recreational facilities on portions of the Common Property. In the event Declarant constructs such recreational facilities, the following shall apply:

a. During Declarant's Development Period, Declarant shall have the right to grant to persons who are not members of the Association the right to use the recreational facilities. The extent and duration of nonmember use and the fee to be charged shall be determined solely by Declarant. The Declarant may grant nonmember use rights to Persons as an easement appurtenant to such Person's residential real property so that such use rights shall automatically inure to the benefit of such Persons and their heirs and assigns.

b. Any use right granted to nonmembers which extends beyond the time period specified in (a) above shall be valid and may not be terminated by the Association so long as the terms and conditions imposed upon nonmember use by the Declarant are complied with by the nonmember user.

c. Declarant hereby reserves unto itself, its successors and assigns, a non-exclusive, perpetual right and privilege, and easement with respect to the Community for the benefit of Declarant, its successors, assigns, and the above nonmember users, without obligation or charge. These rights shall include, without limitation, an easement for travel across all Common Property in the Community.

d. Declarant shall not be responsible for any fees to be paid by such nonmember.

e. Declarant shall have the sole right to grant nonmembers access during the time period specified in (a) above.

ARTICLE XV. VARIANCES

Notwithstanding anything to the contrary contained herein, the Declarant and the Board or its designee shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws, and any rule, regulation, or use restriction promulgated pursuant thereto if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Community.

ARTICLE XVI.

LITIGATION

No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least 75% of the Total Association Vote. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and collection of assessments as provided in this Declaration, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is either made by Declarant or is approved by a vote of 75% of the Owners.

ARTICLE XVII. DISPUTE RESOLUTION

Any Lot Owner or occupant must give written notice to the Board requesting a hearing with the Board and attend such hearing to discuss amicable resolution of any dispute before that Owner or occupant files any lawsuit against the Association, the Board, any officer or director of the Association, or the property manager of the Association. The Owner or occupant shall, in such notice and at the hearing, make a good faith effort to explain the grievance to the Board and resolve the dispute in an amicable fashion, and shall give the Board a reasonable opportunity to address the Owner's or occupant's grievance before filing suit. Upon receiving a request for a hearing, the Board shall give notice of the date, time and place of the hearing to the person requesting the hearing.
