**DECLARATION OF
COVENANTS, CONDITIONS, RESTRICTIONS,
EASEMENTS, CHARGES AND LIENS FOR
NEUSE RIVER ESTATES**

THIS DECLARATION is made as of the date hereinafter set forth by **NRE DEVELOPMENT, LLC** a North Carolina corporation (hereinafter "Declarant").

PREAMBLE:

WHEREAS, Declarant is the owner of approximately 20.08 acres of land located on Beaver Lane on the west side of the Neuse River east of Willow Creek near the municipal limits of the City of Raleigh, Wake County, North Carolina as described in **EXHIBIT A** attached hereto and incorporated herein, all or portions of which Declarant intends to develop into a planned community of detached single-family dwellings known as Neuse River Estates (hereinafter sometimes referred to as the "Subdivision"); and

WHEREAS, Declarant desires to provide for the maintenance and upkeep of the Association Common Area (hereinafter defined) within the Subdivision, and to provide for enforcement of covenants and restrictions applicable to the Subdivision, and, to that end, desires to subject the property within the Subdivision to the covenants, conditions, restrictions, easements, charges and liens hereinafter set forth, each and all of which is and are for the benefit of such property and each Owner thereof; and

WHEREAS, Declarant has deemed it advisable to create an organization to own, maintain and administer the Association Common Area and to administer and enforce covenants and restrictions exclusively applicable to the Subdivision, and to collect and disburse the assessments and charges hereinafter created, and Declarant has incorporated under North Carolina law as a nonprofit corporation, Neuse River Estates Homeowners Association, Inc., for the purpose of exercising the aforesaid functions.

NOW, THEREFORE, Declarant declares that the real property described in **EXHIBIT A** to this Declaration, and such additions thereto as may hereafter be made pursuant to Article II hereof, is and shall be owned, held, transferred, sold, conveyed, mortgaged, used and occupied subject to the covenants, conditions, restrictions, easements, charges and liens set forth in this Declaration, which shall run with the real property and be binding on all parties owning any right, title or interest in said real property or any part thereof, their heirs, personal representatives, successors and assigns, and shall inure to the benefit of each owner thereof.

**ARTICLE I
DEFINITIONS**

Any defined term used in this Declaration shall have the meaning set forth below or, if not specifically defined in this Article I, the meaning of such term as set forth in the Act or in any other provision of this Declaration.

BK016150PG00932

Section 1. "Act" shall mean and refer to Chapter 47F of the North Carolina General Statutes, known as the North Carolina Planned Community Act, as the same may be amended from time to time.

Section 2. "Association" shall mean and refer to the **NEUSE RIVER ESTATES HOMEOWNERS ASSOCIATION, INC.** a North Carolina nonprofit corporation, its successors and assigns.

Section 3. "Association Common Area" or "Common Area" shall mean and refer to the real property, together with any improvements thereon, owned by the Association, whether in fee or by easement, or leased by the Association and intended for the common benefit of the Owners of Lots within the Subdivision, and specifically including, without limitation, all private streets, curbs and sidewalks within the Subdivision, all publically-dedicated streets, roads and rights-of-way not yet accepted by the appropriate governmental entity within the Subdivision, the area within any storm water easements and the facilities constructed therein which serve more than one Lot and are not maintained by any governmental authority, all centralized mail box units or kiosks installed for use by the U.S. Postal Service and the Owners, and water and sewer lines (and the easements associated therewith) which serve more than one Lot and are not located within a public utility easement or a public street right-of-way, and are not owned or maintained by another Association. The Association Common Area shall be maintained by the Association or its successors in interest unless dedicated to public use and accepted by a public agency, authority or utility, or another Association as set forth herein.

Section 4. "Association Common Area Easement" shall mean and refer to Association Common Area as to which the Association has only an easement interest, and not a fee simple interest.

Section 5. Section 10. "Declarant Control Period" shall mean and refer to the period of time during which the Declarant may appoint or remove the members of the Board of Directors of the Association, as provided in §47F-3-103(d). The Declarant Control Period shall terminate upon the earlier of the following to occur:

- (a) December 31, 2024;
- (b) Not later than four months after the point at which the total number of votes held by the Class A Members equals the total number of votes held by the Class B Member; *provided, however*, that Declarant may acquire additional votes and thereby reinstate the Declarant Control Period if additional Lots within the Properties are formed by the creation and subjection to this Declaration of new Lots as set forth in Article II hereof, thus giving Declarant, by virtue of its ownership of the newly-annexed Lots and of other Lots owned by it, a sufficient number of votes (at the 9-to-1 ratio provided in Section 2(b) of Article III hereof) to cast a majority of the votes of the membership (it being hereby stipulated that the termination and rejuvenation of the Declarant Control Period shall occur automatically as often as the foregoing shall occur); or

Section 13. "Lot" shall mean and refer to any plot of land, with delineated boundary lines, shown on any recorded subdivision map of any portion of the Subdivision (regardless of whether the Lot has been subjected to this Declaration as provided in Article II hereof), with the exception of any Association Common Area owned in fee by the Association and any publically-dedicated street rights-of-way, and any greenways or park lands owned in fee by the City of Raleigh, all as shown on such recorded map. In the event that any Lot is increased or decreased in size by recombination or resubdivision through recordation of a new subdivision plat, any newly-platted lot shall thereafter constitute a Lot.

BK016150PG00934

Section 16. "Person" shall mean and refer to a natural person, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, governmental entity and any other entity.

Section 17. "Properties" shall mean and refer to the "Existing Property" described in Article II of this Declaration and any additional property annexed pursuant to said Article II.

**ARTICLE II
PROPERTY SUBJECT TO THIS DECLARATION
AND WITHIN THE JURISDICTION OF THE
NEUSE RIVER ESTATES
HOMEOWNERS ASSOCIATION, INC.**

Section 1. Existing Property. The real property which, at the time of recording of this Declaration, is and shall be held, transferred, sold, conveyed, and occupied subject to this Declaration, and which is within the jurisdiction of the Association, is described on **EXHIBIT A** attached hereto.

Section 2. Additions to Existing Property by Declarant. At any time prior to the expiration of the Declarant Control Period, additional land may be annexed by the Declarant without the consent of the Members and, therefore, become subject to this Declaration by the recording by Declarant of a plat showing such property to be annexed and recording by Declarant of a supplementary declaration extending the operation and effect of this Declaration to the property to be annexed; provided, however, that such property must be contiguous to property already subjected to this Declaration (or separated from such property only by the right-of-way of a street or road) and further provided that such annexation must be approved by the City of Raleigh and, if required, by the Federal Housing Administration and/or Secretary of Veterans Affairs. The addition of such property pursuant to this Section may increase the cumulative number of Lots within the Properties and, therefore, may alter the relative maximum voting strength of the various types of Members.

Section 3. Conveyance of Association Common Area in Annexed Property. Prior to the conveyance of the first Lot within any newly annexed property to an Owner other than Declarant, the owner of the annexed property shall convey to the Association all Association Common Area located within the newly annexed property. Title to such Association Common Area shall be conveyed in the same manner as set forth in Section 3 of Article IV of this Declaration.

BK016150PG00935

ARTICLE III MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Declarant and every Owner of a Lot which is subject to assessment by the Association shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation.

Section 2. Voting Rights. The voting rights of the membership shall be appurtenant to the ownership of the Lots.

There shall be two (2) classes of membership with respect to voting rights:

(a) Class A Members. Class A Members shall be the Owners of all Lots except those owned by the Class B Member (as hereinafter defined). When more than one person owns an interest (other than a leasehold or security interest) in any Lot, all such persons shall be Members and the voting rights appurtenant to their Lot shall be exercised as they, among themselves, determine; but fractional voting shall not be allowed, and in no event shall more than one vote be cast with respect to any Lot. Class A Members shall be entitled to one (1) vote for each Lot owned. Lots owned by Class A Members shall be "Class A Lots".

(b) Class B Member. The Class B Member shall be the Declarant. Subject to the provisions of this subsection, Declarant shall be entitled to nine (9) votes for each Lot that it owns (each such Lot being a "Class B Lot"). Assessment of Lots owned by the Declarant is governed by the provisions of Article V of this Declaration. Upon expiration of the Declarant Control Period, Declarant shall have one vote for each Lot that it owns; however, such Declarant-owned Lots shall continue to be treated as Class B Lots for assessment purposes.

Section 3. Declarant's Right to Appoint Directors and Officers of the Association. Notwithstanding any other provision of this Declaration or the Bylaws, until the expiration of the Declarant Control Period, Declarant may, in its discretion, appoint and remove all of the directors and officers of the Association. Declarant's intent to exercise or continue to exercise that right shall be set forth in the notice of each annual meeting of the Members. See §47F-3-103(d) of the Act.

Section 4. Vacant/Leased Dwellings. If the Owner of a Lot ceases to occupy the Dwelling constructed thereon as his own personal living quarters or if any Dwelling within the Properties is leased for rental purposes to tenants, the vote as expressed by the Owners of such vacant and rental units shall not be entitled to any weight greater than forty-nine percent (49%) on any matter pending before the Association. This Section applies only to Lots and Dwellings owned by a Class A Member and specifically excludes Lots and Dwellings owned by the Declarant.

BK016150PG00936

ARTICLE IV PROPERTY RIGHTS

Section 1. Owners' Easements of Enjoyment and Access. Except as limited by Section 2 of this Article IV and by rules and regulations adopted by the Members and/or the Board of Directors, every Owner shall have a right and easement of enjoyment in, use of and access to, from, and over the Association Common Area, which right and easement shall be appurtenant to and shall pass with title to every Lot, subject to:

(a) the right of the Association to charge reasonable admission and other fees for the use of any facilities situated or constructed on the Association Common Area and to limit the use of such facilities to Owners who occupy a residence on the Properties and to their families, tenants and guests, as provided in Section 2 of this Article IV.

(b) the right of the Association, after notice and an opportunity to be heard, to suspend the voting rights of an Owner and the right of an Owner to use to Association Common Area and facilities thereon for any period during which any assessment against his Lot remains unpaid for a period of thirty (30) days or longer, or for a period not to exceed sixty (60) days for any infraction of the published rules and regulations of the Association, *provided, however*, that the Association may not suspend an Owner's right to use of any Association Common Area providing access or utilities to his Lot.

(c) the right of the Association to dedicate or transfer all or any part of the Association Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed upon by the Members. No such dedication or transfer shall be effective unless Members entitled to at least eighty percent (80%) of the votes of the entire membership of the Association agree to such dedication, sale or transfer, *provided that* this subsection shall not preclude the Board of Directors of the Association from granting easements for the installation and maintenance of sewage, utility and drainage facilities upon, over, under and across the Association Common Area without the assent of the Members when such easements, in the opinion of the Board, are necessary for the convenient use and enjoyment of the Properties. Notwithstanding anything herein to the contrary, the Association Common Area shall be preserved to the perpetual benefit of the Owners or of the public in general and shall not be conveyed except to the City of Raleigh or other governmental entity or to a nonprofit entity organized for purposes similar to those of the Association.

(d) the right of the Association, with the assent of Members entitled to at least eighty percent (80%) of the votes of the entire membership of the Association, to mortgage, pledge, deed in trust, or otherwise encumber any or all of its real or personal property as security for money borrowed or debts incurred, provided that the rights of any such lender or mortgagee shall be subordinate to the property rights of the Owners as set forth herein.

(e) the right of the Association to exchange all or part of the Association Common Area for other property and consideration of like value and utility, *provided that* such exchange is approved by a vote of the Members at a meeting of Members, one of the purposes of which is to vote on the exchange, and, if required, by the City of Raleigh, *provided, however*, that Member approval is not required if the sole purpose of the exchange is to correct an

BK016150PG00937

encroachment.

Section 2. Delegation of Use.

(a) Family. The right and easement of use and enjoyment granted to every Owner by Section 1 of this Article may be exercised by members of the Owner's family who occupy the residence of the Owner within the Properties as their principal residence in Wake County, North Carolina.

(b) Tenants. The right and easement of use and enjoyment granted to every Owner by Section 1 of this Article may be delegated by such Owner to his tenants or contract purchasers who occupy such Owner's Unit, or a portion thereof, as their principal residence in Wake County, North Carolina.

(c) Guests. The right and easement of use and enjoyment granted to every Owner by Section 1 of this Article may be delegated to guests of such Owners, tenants or contract purchasers, subject to such rules and regulations as may be established by the Board of Directors.

Section 3. Conveyance of Title to the Association. Declarant covenants, for itself, its successors and assigns, that prior to the conveyance of the first Lot within any phase of the Subdivision to an Owner, Declarant will convey to the Association title to those portions of the Association Common Area to be owned by the Association. Declarant hereby reserves and grants (regardless of whether or not such reservation and grant is specifically set forth in such deed), for itself, and its respective successors and assigns, an easement over, under, across and through the Association Common Area so long as any of them own any Lot within the Properties, for the purpose of constructing any improvements on the Association Common Area and/or the Lots as it or they deem necessary or advisable; *provided*, following construction of improvements, the Association Common Area shall be restored to its prior condition to the extent practicable. Except as otherwise stated herein, all conveyances by Declarant to the Association shall be free and clear of all encumbrances and liens (including statutory liens of laborers and materialmen pursuant to Article 2 of Chapter 44A of the North Carolina General Statutes) except this Declaration, restrictive covenants applicable to the Properties, utility, drainage, conservation, greenway and other easements or agreements of record or shown on the recorded plats of the Properties, and the lien of *ad valorem* taxes not yet due and payable. Any improvements placed on the Association Common Area by Declarant shall become the property of the Association upon completion of such improvements, except utilities owned and maintained by the City of Raleigh or other governmental entity, or a public or private utility company.

Section 4. Regulation and Maintenance of Association Common Area and Association Common Area Easements. It is the intent of Declarant that the Association Common Area (whether owned by the Association in fee or by easement) be preserved to the perpetual benefit of the Owners within the Subdivision. To that end, the Declarant, by recording any plat or map of any phase or section of the Subdivision, grants to the Association an easement over and across that portion of any Lot within such phase or section on which an

BK016150PG00938

Association Common Area Easement lies for the purpose of enabling the Association to take action permitted by subsections (b) and (c) of this Section 4.

(a) Rights and Responsibilities of the Lot Owners. Each Owner of a Lot upon which an Association Common Area Easement lies shall pay all property taxes and other assessments levied against his Lot, including that portion of such tax or assessment as is attributable to such Association Common Area Easement. Notwithstanding any other provision of this Declaration, no Owner or other person shall, without the prior written consent of the Association: (1) remove any trees or vegetation from Association Common Area; (2) erect gates, fences, buildings or other structures on any Association Common Area; (3) place any garbage receptacles on or in any Association Common Area; (4) fill or excavate any Association Common Area or any part thereof; or (5) plant vegetation on or otherwise restrict or interfere with the use, maintenance, and preservation of any Association Common Area.

It is the intent of the Declarant that an Association Common Area Easement shall be maintained in the same state as when the Lot upon which such easement lies was conveyed to an Owner (other than the Declarant), except for changes authorized or approved in writing by the Declarant or the Association. If an Owner of a Lot on which an Association Common Area Easement lies fails to maintain the easement area as provided herein, whether by act or omission, the Association shall have the right to enter upon such Owner's Lot for the purpose of maintaining same and shall have the right to charge such Owner with the costs of such maintenance, which costs, if not paid within thirty (30) days after demand for payment is made by the Association, shall be collected in the same manner and shall incur the same late charges, interest and costs of collection as set forth in Section 7 of Article V of this Declaration. *Provided however*, that the Association shall have the obligation to maintain, repair, replace and inspect any cluster unit mail boxes or kiosks in good, safe, clean and sanitary condition and to keep the immediately surrounding area free of debris or other hazards regardless of the location of said cluster unit mail box or kiosk.

(b) Rights and Responsibilities of the Association. The Association shall have the right and obligation to ensure that the Association Common Area (including Association Common Area Easements) is preserved to the perpetual benefit of the Owners and, to that end, shall: (i) maintain the Association Common Area in its natural or improved state, as appropriate, and keep it free of impediments to its free use by the Owners, subject, however, to easements of record and any limitations on such use provided in this Declaration or rules and regulations adopted by the Association as provided herein or in the Bylaws; (ii) procure and maintain adequate liability insurance covering the Association and its Members against any loss or damage suffered by any person, including the Owner of the Lot upon which an Association Common Area Easement lies, resulting from use of the Association Common Area; and (iii) pay all property taxes and other assessments levied against all Association Common Area owned in fee by the Association.

(c) Association's Right of Entry for Maintenance of Association Common Area Easements. The Association and its employees, agents, contractors and subcontractors shall have a nonexclusive right and easement at all times to enter upon any portion of a Lot reserved or designated as an Association Common Area Easement, and any other portion of the

BK016150PG00939

Lot to the extent necessary to gain access and maintain improvements and facilities within the Association Common Area Easement, and no such entry shall be deemed a trespass. To the extent practicable, the Association shall give reasonable oral notice to the Owner or occupant of such Lot.

ARTICLE V COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner, by execution of this Declaration or by acceptance of a deed or other instrument conveying title to a Lot, whether or not it shall be so expressed therein, is deemed to consent and agree to pay to the Association (or to any Person who may be designated by the Association to collect such monies) all assessments and other charges required by this Declaration, including the following: (1) annual assessments; (2) working capital assessments; (3) special assessments; (4) fines for violations of the provisions of this Declaration or other governing documents (including but not limited to the Bylaws, minutes or other resolutions of the Association) or assessments levied against Owners for misuse and damage to the Common Areas by the Owners or their family members, tenants, agents, contractors and guests; (5) individual assessments for any expense under the Code or this Declaration which the Association becomes obligated to pay and pays on behalf of an Owner; (6) late payment charges, interest on unpaid assessments, costs of collection, including without limitation, court costs, service charges, and attorney's fees as provided in the Act, and charges for dishonored checks; all as established by the Board from time to time; and (7) all other assessments and charges imposed or allowed to be imposed by this Declaration.

Section 2. Purposes of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Subdivision and, in particular, for: (i) acquisition, improvement, and maintenance of properties, services and facilities related to the use and enjoyment of the Association Common Area; (ii) maintenance, repair and reconstruction of the Association Common Area and Association Common Area Easement and improvements thereon, including, without limitation, storm water drainage facilities, and, including, without limitation, the cost of repair, replacement and additions thereto and the cost of labor, equipment, materials, management and supervision thereof; (iii) payment of taxes and public assessments levied against Association Common Area owned by the Association in fee; (iv) procurement of insurance; (v) employment of attorneys, accountants and other persons or firms for Association business; (vi) payment of principal and interest on funds borrowed for Association purposes; and (vii) such other needs as may arise.

Section 3. Annual Assessments. Until December 31, 2017, the Annual Assessment shall be Two Hundred Forty Dollars (\$240.00) for each Class A Lot. The Annual Assessment for Class B Lots shall be zero.

The provisions of this subsection shall not apply to, nor shall they be a limitation upon, any change in the annual assessment or the Annual Assessment incident to a merger or consolidation as provided in §47F-2-121 of the Act.

BK016150PG00940

Section 4. Date of Commencement of Annual Assessments; Amount of Assessments; Ratification of Budgets. Unless a different commencement date is set by the Board of Directors, the annual assessments provided for herein shall commence as to a Lot on the first day of the month after initial construction of a Dwelling is completed on the Lot.

Beginning on January 1, 2018, subject to the provisions of this Section, the Board of Directors may fix the annual assessment for Class A Lots at any amount. The annual assessment for Class B Lots shall be zero, provided, however, that any Lot which contains a dwelling occupied by any person as a residence shall be assessed at the Class A rate. The initial annual assessment shall be the "Annual Assessment" set forth in Section 3 of this Article and shall be prorated according to the number of months remaining in the calendar year. Annual assessments shall be fixed at a uniform rate for all Lots in each Class and may be collected on a yearly, semiannually, quarterly, or monthly basis, as determined by the Board of Directors. Any monies paid at any time by the Declarant for common expenses or otherwise for or on behalf of the Association shall be credited against past or future assessments due from the Declarant, if any.

The Board of Directors shall adopt a proposed budget for the Association at least annually. Within thirty (30) days after the adoption of the proposed budget, the Board of Directors shall send a copy of the proposed budget to the Members and shall give written notice to the Members of a meeting of the Members to consider ratification of the budget, such meeting to be held not sooner than ten (10) days nor more than sixty (60) days after the mailing of such notice. Such meeting may, but need not be, combined with the annual meeting of the Members. There shall be no requirement that a quorum be present to vote on ratification of the budget (although a quorum must be present to vote on other matters). The budget shall be deemed ratified unless at that meeting Members having a majority of the votes of the entire membership vote to reject the budget; *provided, however*, if the budget provides for an annual assessment per Lot not more than ten percent (10%) higher than the annual assessment in effect for the then-current fiscal year, such assessment shall be deemed ratified unless Members having at least sixty-seven percent (67%) of the votes of the entire membership vote to reject the budget. If any proposed budget is rejected by the Members, the budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent budget proposed by the Board.

The Association shall, upon demand and for such reasonable charge as the Board may determine, furnish a certificate signed by an officer of the Association, or the management company employed by the Association, setting forth whether the assessments (annual, special, and limited special assessments) for a specific Lot have been paid. If such certificate states that an assessment has been paid, such certificate shall be conclusive evidence of payment.

Section 5. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, special assessments for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Association Common Area, including fixtures and personal property related thereto, for repayment of indebtedness and interest thereon, or for

BK016150PG00941

any other non-recurring expenses, *provided that* any such assessment shall have been approved by the Declarant (during the Declarant Control Period) and by not less than two-thirds (2/3) of the votes of the Class A Members present and voting (in person or by proxy) at a meeting of the Members, one of the purposes of which is to vote on the special assessment, and further provided that the special assessment for a Class B Lot shall always be zero. Special assessments shall be fixed at a uniform rate for all Lots within each Class and may be collected on a yearly, semiannually, quarterly, or monthly basis, as determined by the Board of Directors.

Written notice of any meeting called for the purpose of voting on a special assessment shall be sent to all Members not less than fifteen (15) days nor more than thirty (30) days prior to the meeting. At such meeting, the presence of Members or of proxies entitled to cast sixty percent (60%) of the votes of each Class of Lots shall constitute a quorum. If the required quorum is not present at any meeting, another meeting may be called subject to the same notice requirement, and if the meeting is called for a date not later than sixty (60) days after the date of the first meeting, the required quorum at the subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting.

Section 6. Limited Special Assessments. The Board of Directors, without vote of the Members, may levy a limited special assessment against any Lot, applicable only to that Lot, for expenses incurred by the Association with regard to such Lot including, without limitation, expenses incurred under Article VI hereof. Any fine imposed against an Owner pursuant to Section 3 of Article VII of the Bylaws shall also constitute a limited special assessment against such Owner's Lot. Special assessments and limited special assessments shall constitute a lien to the same extent as other annual assessments against the Lot.

Section 7. Effect of Nonpayment of Assessments; Remedies. No Owner shall be exempt from liability for any assessment provided for herein for reason of non-use of the Common Area or such Owner's Lot, or abandonment or leasing of such Owner's Lot, or unavailability of the use or enjoyment of the Common Area.

All assessments and other charges shall be established and collected as provided in this Declaration. All assessments and other charges remaining unpaid for thirty days (30) days or longer, together with late charges, interest, and the costs of collection thereof, including attorney's fees, shall be a charge on the Owner's Lot as provided in §47F-3-116 of the Act and, upon filing of a claim of lien in the office of the clerk of superior court of the county in which the Lot is located in the manner provided in §47F-3-116(g), shall be a continuing lien upon the Lot against which such assessment is made until paid in full. The lien may be foreclosed by the Association in any manner permitted under the Act or by law. When the holder of a first mortgage or first deed of trust of record or other purchaser of a Lot obtains title to the Lot as a result of a foreclosure of a first mortgage or first deed of trust, such purchaser and its heirs, successors, and assigns shall not be liable for the assessments and other charges against such Lot which became due prior to the acquisition of title to such Lot by such purchaser. Each assessment and other charges due hereunder, together with late charges, interest, the costs of collection thereof, including attorney's fees, shall also be the personal obligation or corporate obligation of each Person who was Owner of the Lot at the time when the assessment or other charge first became due and payable and may be collected by appropriate action at law. If more

BK016150PG00942

than one Person held an ownership interest in the Lot at the time the assessment or other charge first became due, then each Person shall be both jointly and severally liable. An Owner's personal obligation for payment of such assessments and other charges shall not become the personal obligation of a subsequent Owner unless expressly assumed by the subsequent Owner, although the lien shall continue against the Lot until the amounts due are paid.

Section 8. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust on a Lot. Sale or transfer of any Lot shall not affect any assessment lien; however, the sale or transfer of a Lot pursuant to foreclosure of a first mortgage or deed of trust, or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of any assessments which became due prior to the date of conveyance pursuant to such foreclosure. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust.

Section 9. Exempt Property. All Association Common Area owned in fee by the Association, all property dedicated to and accepted by a public authority, and all property owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. Notwithstanding the foregoing, no Lot devoted to residential use shall be exempt from said assessments.

Section 10. Working Capital Fund. At the time of closing of the initial sale of each Dwelling constructed on a Lot, a sum equal to one-sixth (1/6) of the annual assessment for Class A Lots in effect at the time of such sale shall be collected from the purchaser of such Lot and transferred to the Association as part of its working capital. The purpose of the working capital fund is to ensure that the Association will have adequate cash available to meet its initial operating expenses or to acquire additional equipment or services deemed by the Board of Directors to be necessary or desirable. Amounts paid to the Association pursuant to this Section shall not be considered as an advance payment of any regular assessment.

Section 11. Declarant's Obligation to Fund Operating Deficits. During the Declarant Control Period, Declarant shall be obligated to fund any deficit between the normal operating expenses of the Association and the monies received by the Association from the Owners from assessments. Declarant, at its option, may pay such expenses directly to the Person providing the services or materials or pay to the Association the amounts necessary to fund the operating deficit. Any monies paid at any time by the Declarant to, for or on behalf of the Association shall be credited against past or future assessments due from the Declarant.

ARTICLE VI MAINTENANCE OF LOTS AND DWELLINGS

Section 1. Owner's Responsibility; Remedy for Owner's Failure to Maintain.

Each Owner shall keep his Lot and Dwelling in a neat and orderly condition (including, without limitation, mowing of grass, maintaining flower beds, and trimming of trees and

BK016150PG00943

bushes, as needed) and shall keep the improvements thereon in a suitable state of repair to appear as though the grass had been mowed on a weekly basis and the weeds in the flowerbeds removed on a weekly basis. If an Owner does not perform any required maintenance of his Lot or Dwelling, the Association shall have the right (but not the obligation), through its agents and employees, by the affirmative vote of not less than two-thirds (2/3) of the Board of Directors, to enter upon such Lot and to repair, maintain and restore the Lot or exterior of the Dwelling erected thereon, and the cost of such maintenance, plus a surcharge of 15% for administration, shall be assessed in accordance with Section 3 of this Article. Prior to such entry, the Association shall give written notice to the Owner stating: (i) the specific items needing maintenance; (ii) the corrective action to be taken; (iii) a time, not less than 15 calendar days from the date of the notice, in which the Owner is to perform the necessary maintenance; and (iv) a statement that, if the Owner fails to perform the maintenance within such time period, the Association will exercise its right to perform the maintenance and that the Owner will be assessed with the costs thereof as provided in this Article VI.

Section 2. Assessment of Cost. In the event that the Association performs maintenance on any Lot as provided in Section 1 of this Article VI, the cost of any such maintenance, replacement or repairs (including the administration fee) shall be a limited special assessment against the Lot upon which such maintenance is done and shall be added to and become part of the assessments to which such Lot is subject under Article V hereof, enforceable under the terms thereof.

ARTICLE VII RIGHTS OF LENDERS

Section 1. Books and Records. Any holder of a first deed of trust on any Lot, or its agent(s), shall have the right, during normal business hours, to examine copies of this Declaration, the Articles of Incorporation, the Bylaws, and the books and records of the Association and, upon written request to the Association, to receive a copy of the financial statement for the immediately preceding fiscal year, except that the Association shall not be required to provide the financial statement for the preceding fiscal year if said fiscal year expired less than 75 days prior to the date of the request (*See* §47-3-118 of the Act).

Section 2. Notice to Lenders. Upon written request to the Association, the holder of a first deed of trust on any Lot shall be entitled to timely written notice of:

- (a) Any 60-day delinquency in the payment of assessments or charges owed by the Owner of the Lot securing its loan.
- (b) A lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association.
- (c) Any proposed action that requires the consent of a specified percentage of owners or holders of first mortgages on the Lots.
- (d) Any condemnation or casualty loss that affects either a material portion of the project or the Lot securing its mortgage.

Section 3. Approval of Holders of First Deeds of Trust. Unless at least seventy-five

BK016150PG00944

percent (75%) of the holders of the first deeds of trust on Lots located within the Properties have given their prior written approval, the Association shall not:

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer any real estate or improvements thereon which are owned, directly or indirectly, by the Association, unless said conveyance of real property is *de minimis* and for the sole purpose of correcting an error in title of a Lot. Neither the granting of easements for utilities or other purposes as provided in Section 1(c) of Article IV hereof, nor the exchange of real property as provided in Section 1(d) of said Article IV hereof shall be deemed a transfer within the meaning of this subsection (a). Notwithstanding anything herein to the contrary, the property owned by the Association, whether in fee, by easement, or otherwise, shall be preserved to the perpetual benefit of the Owners or of the public in general and shall not be conveyed except to the City of Raleigh or another governmental entity or to a nonprofit entity organized for purposes similar to those of the Association.

(b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot;

(c) Fail to maintain hazard insurance on insurable improvements on the Association Common Area on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value; or

(d) Use the proceeds of any hazard insurance policy covering losses to any part of the Association Common Area for other than the repair, replacement, or reconstruction of the damaged improvements or, as provided in §47F-3-113 of the Act, for distribution to the Owners, provided, however, that, except as provided in §47F-2-118 of the Act, any distribution to Owners shall be in the form of a credit toward current or future assessments due from the Owners to the Association.

Section 4. Payment of Taxes and Insurance Premiums. The holders of first deeds of trust on Lots, jointly or singly, may pay taxes or other charges which are in default and which have or may become a charge or lien against any of the Association Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage upon the lapse of a policy covering property owned by the Association. The persons, firms or corporations making such payments shall be owed immediate reimbursement therefor by the Association.

Section 5. Collection of Assessments. No mortgagee shall have any obligation to collect any assessment under the Declaration.

ARTICLE VIII EASEMENTS

In addition to all other easements granted or reserved elsewhere in this Declaration, Declarant hereby grants and/or reserves the following easements.

Section 1. Access and Utility Easements. Easements for the installation and maintenance of driveway, walkway, water line, sewer lines, natural gas lines, telephone, cable television, electric power transmission lines, storm water drainage facilities, and other public or quasi-public utility installations are reserved as shown on the recorded plats of the Properties.

BK016150PG00945

The Association may reserve and grant easements over the Association Common Area as provided in Article IV, Section 1(c), of this Declaration. Within any such easement herein provided, no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation or maintenance of the utilities installed thereon, or which may change the direction of flow or drainage of water through drainage pipes or channels constructed in such easements.

For a period of ten (10) years from the date hereof, Declarant grants to and reserves for itself, the Association, and their successors and assigns, an easement and right of ingress, egress and regress on, over and under the Properties to maintain and correct drainage or surface water runoff in order to maintain reasonable standards of health, safety and appearance. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any grading of the soil, or take any other similar action that it deems reasonably necessary or appropriate. After such action has been completed, the person or entity taking such action shall grade and seed the affected property and restore the affected property to its original condition to the extent practicable, but shall not be required to replace any trees, bushes or shrubbery necessarily removed. The person or entity taking such action shall give reasonable notice of its intent to take such action to all affected Owners.

An easement is also reserved for the benefit of the Declarant and the Association, and their respective successors and assigns, over, across and under those portions of Properties shown and designated as "sign easement", "landscape easement", or "drainage easement", or any similar designation, and any combination of the foregoing on any recorded map or plat of the any portion of the Properties for the purpose of installing, operating, repairing and maintaining, as appropriate, landscaping, irrigation system, entrance signage, fencing and stormwater control measures in the easement area. No building, structure, fill, embankment, fence, driveway, planting, swing, or other obstruction shall be permitted in such area, other than those installed by the Declarant or if required, by the City of Raleigh.

Section 2. Easement over Association Common Area. A perpetual, nonexclusive easement over, under and through the Association Common Area is hereby granted to each Lot and its Owners, family members and tenants of such Owners, the occupants of such Lot, and guests and invitees of such Owners, tenants or occupants, for the purpose of providing reasonable access, ingress and egress to, from and over and the use of the Association Common Area and for utilities serving such Lot. Any conveyance or encumbrance of such Association Common Area is subject to the easements granted herein.

Section 3. Easement for Encroachments. In the event that any structure erected on a Lot encroaches upon any other Lot or the Association Common Area, and such encroachment was not caused by the purposeful act or omission of the Owner of such Lot, then an easement appurtenant to such Lot shall exist for the continuance of such encroachment upon the Common Area or other Lot for so long as such encroachment shall naturally exist. In the event that any structure erected principally on the Common Area encroaches upon any Lot, then an easement shall exist for the continuance of such encroachment of such structure onto such Lot for so long as such encroachment shall naturally exist. The foregoing shall not be construed so as to allow any extension or enlargement of any existing encroachment or to permit the rebuilding of the

BK016150PG00946

encroaching structure, if destroyed, in a manner so as to continue such encroachment, except such encroachment as was in existence as of the date of conveyance of the Lot to an Owner other than the Declarant.

Section 4. Association's Easement Upon Lots. The Association shall have a right, license and easement to go upon any Lot for the purpose of fulfilling its obligations under this Declaration and any other laws, ordinances, rules and regulations, public or private, which the Association is obligated or permitted to enforce. Such easement shall include, without limitation, the right to go on any Lot to correct, repair or alleviate any condition which, in the opinion of the Board of Directors of the Association or of the manager employed by the Association, creates or may create an imminent danger to the Association Common Area or improvements thereon.

ARTICLE IX ARCHITECTURAL CONTROL

No dwelling building, fence, wall or other structure of any kind shall be commenced, erected or maintained upon the properties, nor shall any exterior addition to or change or alteration therein be made (including, but not limited to, changes or alterations in the color exterior paint, vinyl siding, roof-shingles, masonry, shutters, or landscaping of any kind) until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board (the "Architectural Committee of the Association" or "ACA"). In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said completed plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Residences shall be erected with a minimum of 1700 square feet, exclusive of porches and garages. The Declarant hereby reserves the right, in its sole and absolute discretion to grant variances as to the total minimum square footage, not to exceed five (5%) per cent of said minimum.

ARTICLE X USE RESTRICTIONS

Section 1. Use of Lots and Association Common Area. It is the intent of the Declarant that all Lots shall be used for residential purposes only. Except as permitted by the City of Raleigh Code, no trade, business, profession or other type of commercial activity shall be carried on upon any Lot, which shall include but not be limited to the use of any residence as a doctor's office or professional office of any kind, a fraternity house, a rooming house, a boarding house, an antique shop or gift shop, except that the Declarant, real estate brokers, Owners and their agents may show Lots for sale or lease. Notwithstanding the foregoing, the Declarant and any Builder-Owner shall have the right to: (i) use Lots and improvements erected thereon for sales offices, field construction offices, storage facilities, and its own general

BK016150PG00947

business offices; (ii) maintain spot-lighted model homes which may be open to the public for inspection seven days per week for such hours as the Declarant deems appropriate or necessary; (iii) conduct any other activities on Lots to benefit sales and construction efforts; and (iv) use the parking facilities on the Association Common Area for parking for its employees and invitees.

Section 2. Use of Accessory Structures. No trailer, tent, shack, barn, or other building, other than a Dwelling and its garage, shall be erected on a Lot. No detached garage shall at any time be used for human habitation temporarily or permanently. No structure of a temporary nature may be used temporarily or permanently as a residence. Notwithstanding the foregoing, the Declarant and Builders may use temporary buildings, offices or facilities in connection with the marketing, sale and construction of Dwellings.

Section 3. Additional Driveways or Sidewalks. No additional driveways or sidewalks may be installed on any Lot without the prior written approval of the Architectural Committee of the Association, except as expressly required in the site plan or construction drawings for the Subdivision.

Section 4. Nuisances. No noxious or offensive trade or activity shall be carried on upon any Lot or the Association Common Area, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. No vehicle repairs or maintenance shall be conducted within the Properties other than in a garage and concealed from public view. Outside clothes hanging devices are not permitted. Any business activity or trade that causes undue traffic, noise, outward signs of non-residential use or has any employee shall be prohibited. In no event shall reasonable construction and development activities of the Declarant or a Builder be considered a nuisance.

Section 5. Animals. No animals, livestock or poultry of any kind shall be kept on any Lot, except that a reasonable number of cats, dogs, and other household pets may be kept provided they are not kept, bred, or maintained for any commercial purpose and that they do not become a nuisance to the neighborhood. The Board of Directors has the right to determine whether or not a particular animal is a nuisance and to require removal. No person owning or having custody of a permitted animal shall allow the animal to stray or go upon another Owner's Lot without the consent of such other Owner. No animals shall be permitted on or in the Association Common Area at any time except as permitted by the rules and regulations of the Association or by applicable law. All animals shall be on a leash when outside the Owner's Dwelling. The owner of a permitted animal shall be responsible for removing and cleaning up any excrement deposited by such animal on any Lot or the Association Common Area.

Section 6. Signs. Except as otherwise required by the City of Raleigh, no sign of any kind shall be displayed to the public view on any Lot except signs used to advertise Lots for sale during the construction and sales period, one sign of not more than five (5) square feet advertising the property for sale or rent, and signs of not more than five (5) square feet expressing support of or opposition to political candidates or other issues which will appear on the ballot of a primary, general or special election, *provided that* such political signs shall not be placed on a Lot earlier than sixty (60) days before such election and shall be removed within

BK016150PG00948

seven (7) days after such election. No sign of any kind shall be displayed in or on the Association Common Area without the prior written consent of the Association. Notwithstanding the foregoing, Declarant and Builders shall have the right to erect and maintain signs of any type and size on any Lot which it owns and on the Association Common Area in connection with the development and sale of the Properties.

Section 7. Yard Art and Furniture. No yard art, including plastic flowers, which is visible from the street may be displayed on any Lot without the prior written approval of the Architectural Committee of the Association. No household furniture intended for interior use may be kept or stored on porches or yards.

Section 8. Mailboxes. Pursuant to the requirements of the U.S. Postal Service ("USPS"), Declarant will construct within the Subdivision one or more centralized or cluster mail box structures or kiosks, and the USPS will deliver mail only to such centralized mail boxes. No mailbox shall be placed or maintained on any Lot, unless Owner is expressly required to do so by the USPS or the City.

Section 9. Parking. No Owner or a member of his family, lessee or sub lessee or guest of an Owner shall: (i) park any vehicle on the street within or adjoining the Subdivision except in a designated paved parking space; (ii) park or keep on any Lot or street within or adjoining the Subdivision any abandoned, partly dismantled or inoperative vehicle or vehicle not having current registration and inspection stickers displayed; or (iii) park or keep on any Lot or any street within or adjoining the Subdivision any boat or boat trailer, utility or other trailer, recreational vehicle, motor home, camper, bus, truck in excess of one ton weight, commercial vehicle, truck or van, or anything else other than a vehicle normally intended for use as a private passenger vehicle, except as reasonably required during any construction or development activities of Declarant or Builder. For the purpose of the preceding sentence, the term "keep" shall mean present for either a period of more than ten (10) hours or overnight, whichever is less.

The Board of Directors shall have the right and authority to make, implement and enforce such additional parking rules and regulations as it might determine from time to time necessary or appropriate, and shall have the right and authority to enforce same, including, but not limited to, the right to levy fines for violations thereof. Furthermore, the Association shall have the right and authority to have towed any vehicle parked or maintained in violation of these or subsequently-adopted parking rules and regulations, and the cost of towing and storage shall be the responsibility of the Owner of the Lot to which such vehicle is registered or the owner of the vehicle, as appropriate.

Notwithstanding the foregoing, no vehicle of any type or size which transports inflammatory or explosive cargo or which stores or transports materials or substances defined as hazardous or toxic by any applicable legal requirements shall be kept or stored or allowed to remain in or on the Properties at any time, except as may be required to effectuate transportation or removal of such prohibited materials and substances through or from the Properties, or, with respect to explosive materials, as may be reasonably required in connection with the construction or installation of streets and utilities in the Properties, or as may be allowed by

BK016150PG00949

Declarant, during the Declarant Control Period, and thereafter, the Board, when reasonably required for the construction of other improvements within the Properties.

Section 10. Antennae and Roof Structures. No television, radio or other electrical towers, aerials, antennae, satellite dishes, or other devices of any type for the reception or transmission of radio or television broadcasts or other means of communication shall be erected, constructed, placed or permitted to remain on any Lot or upon any improvements thereon, except that this prohibition shall not apply to those antennae specifically covered by 37 C.F.R. Part 1, Subpart S, Section 1.4000 (or any successor provision) promulgated under the Telecommunications Act of 1996, as amended from time to time. The Association shall be empowered to adopt rules governing the types of antennae that are permissible hereunder and establishing reasonable, non-discriminatory restrictions relating to safety, location and maintenance of antennae.

To the extent that the reception of an acceptable signal would not be impaired, an antenna permissible pursuant to rules adopted by the Association may be installed only if it: (i) is located in the rear or side yard of the Lot; (ii) is not visible from any street (whether by location or screening); and (iii) is integrated with the Dwelling and surrounding landscape.

Section 11. Garbage; Unsightly Storage. All trash and rubbish shall be kept in such a manner as not to be visible from the street upon which the Unit fronts. No trash, rubbish, stored materials, wrecked or inoperable vehicles, or any other unsightly items shall be allowed to remain on any Lot; *provided, however*, that the foregoing shall not be construed to prohibit temporary deposits of trash, rubbish, and other debris for collection by governmental or other similar garbage and trash removal units. In the event of curbside trash and/or garbage pickup, trash and/or garbage cans may be moved to the street on the night before the scheduled pickup, but all garbage cans must be returned to an approved enclosure the night of the scheduled pickup. No trade materials or inventories may be stored upon a Lot, except as commercially required by a Builder during construction.

Section 12. Fences. Any fence or wall installed within the Subdivision must meet all requirements of the Code and must be approved as provided in the Declaration. Chain-link fences will not be permitted. Nothing in this paragraph shall be deemed to apply to or regulate retaining walls made necessary by the slope or grade of any Lot nor to any fence installed by the Declarant at any entrance to or along any street within the Subdivision.

Section 13. Upkeep of Lot Owned by Builder. Upon the recordation of a deed from the Declarant to a Builder, said Builder shall be responsible for upkeep and cleanliness (including mowing of any grass on the Lot) of Lots for which no structure has been commenced. During the construction phase, the Builder shall keep the Lot clean and maintain a dumpster or fenced area for the construction debris, so that the Lot is free from debris other than that contained in those areas. The fenced area must be cleaned at least once a week. Upon completion of the construction of a house, the Builder shall establish a seeded or sodded lawn area and shall maintain that area. At the commencement of construction at a Lot, the Builder shall install silt fencing and all other Lot protection required by the City of Raleigh or by proper environmental practices.

BK016150PG00950

Section 14. Fines. The Board of Directors, in accordance with the Bylaws, shall have the right and authority to levy fines or penalties for the violation of any provision of this Declaration and/or the rules and regulations hereafter promulgated by the Board pursuant thereto. Any monetary fine or penalty shall be deemed a limited special assessment against the Lot of the Owner against whom such fine or penalty is assessed.

ARTICLE XI GENERAL PROVISIONS

Section 1. Enforcement. The Association and each Owner (including the Declarant) shall have the right to enforce, by proceeding at law or in equity, all restrictions, conditions, covenants, rules, regulations, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, the Act, the Bylaws or rules and regulations adopted by the Association. Failure by the Association or an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement actions, or any case in which the Board reasonably determines that the cost of enforcement outweighs the benefit to be gained by enforcement. Any such determination shall not be construed as a waiver of the right to enforce such provisions under other circumstances or to estop the Association from enforcing any other covenant, restriction or rule.

Section 2. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated or altered by a vote of the Owners as set forth below. During the Declarant Control Period, the Declarant may amend this Declaration, without the consent or joinder of the Members or the Association, for the purpose of bringing this Declaration into conformity with the requirements of any governmental law or regulation or for correcting errors. This Declaration may also be amended during the first twenty-five year period by an instrument signed by the Owners of not less than eighty percent (80%) of the Lots, and thereafter by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots. No amendment shall be effective unless it has been recorded in the office of the Register of Deeds of Wake County.

Section 3. Subdivision of Lots. No Lot within the Subdivision may be subdivided by sale or otherwise so as to reduce the total Lot area shown on a recorded plat of the Subdivision, except with the consent of the Declarant during the Declarant Control Period, and thereafter by the Association, and, if required, by the City of Raleigh. Subdivision or recombination of any Lot(s) may, as appropriate, increase or decrease the number of votes in

the Association.

Section 4. Rules and Regulations. The Board of Directors shall have the authority to adopt additional rules and regulations governing the use of the Association Common Area and the Lots and shall furnish a written copy of said rules and regulations to the Owner(s) of each Lot at least fifteen (15) days before such rules and regulations become effective.

In addition to any other rights and remedies that the Association may have under this Declaration, the Association may impose sanctions for violations of this Declaration, the Bylaws of the Association, the rules and regulations adopted by the Association, or the restrictive covenants and other use restrictions applicable to the Properties, in accordance with procedures set forth in the Bylaws, which sanctions may include, but are not limited to, reasonable monetary fines, which fines shall be deemed a limited special assessment and a lien upon the Lot of the violator, and suspension of the right to vote and the right to use any recreational facilities within the Association Common Area; *provided, however*, that the Association may not suspend such Owner's right of access to or any utilities servicing his Lot.

In addition, pursuant to procedures provided in the Bylaws, the Association may exercise self-help to cure violations (specifically including, but not limited to, the towing of Owner and tenant vehicles that are in violation of parking rules) and may suspend the right of an Owner to use any Association Common Area if the Owner is more than thirty (30) days delinquent in paying any assessment or other charge due to the Association, *provided, however*, that the Association may not suspend such Owner's right of access to or any utilities servicing his Lot.

The Association shall have the right and easement to go upon any Lot for the purposes of exercising its rights hereunder, including, but not limited to, enforcement of the architectural guidelines applicable to the Properties. Any entry onto any Lot for purposes of exercising this power of self-help shall not be deemed as trespass. All remedies set forth in this Declaration and the Bylaws shall be cumulative of any remedies available at law or in equity. In any action to enforce its rights and remedies, the party prevailing in such action shall be entitled to recover all costs, including, without limitation, attorneys' fees and court costs, reasonably incurred in such action.

Section 5. Condemnation/Casualty. If all or any part of the Association Common Area and improvements thereon is taken by power of eminent domain or is damaged or destroyed by fire or other casualty, the proceeds of the condemnation award or any insurance policies covering such improvements shall be payable to the Association. The Board of Directors shall propose to the Members, at an annual or special meeting held within sixty (60) days after the date of the condemnation or casualty, whether or not to reconstruct the improvements. The insurance proceeds shall be used to reconstruct the improvements except as provided in §47F-3-113(g) of the Act, in which event the proceeds shall be retained by the Association for operation expenses or reserves, as determined by the Board or the Members. Nothing in this Section shall prevent the Board from proposing and the Members from approving the use of such proceeds for construction of different improvements, e.g., playground on Association Common Area in lieu of a destroyed club house.
