

• AMENITIES •

Princeton Manor has all the things that make life richer and more rewarding. Imagine arriving at the distinctive address as you drive along lushly landscaped, tree-lined Hodge Road. Two stately entrances, crafted of stone and bearing the royal Princeton Manor logo, welcome residents and visitors to the neighborhood. Trees shade the streets and sidewalks, and manicured yards and an extensive greenway system with walking trails leading to the Neuse River create a delightful setting for the wonderful lifestyle at Princeton Manor.

Neighborhood activities are centered around the Center Green, complete with a pool, cabana, tot lot, and open common areas.

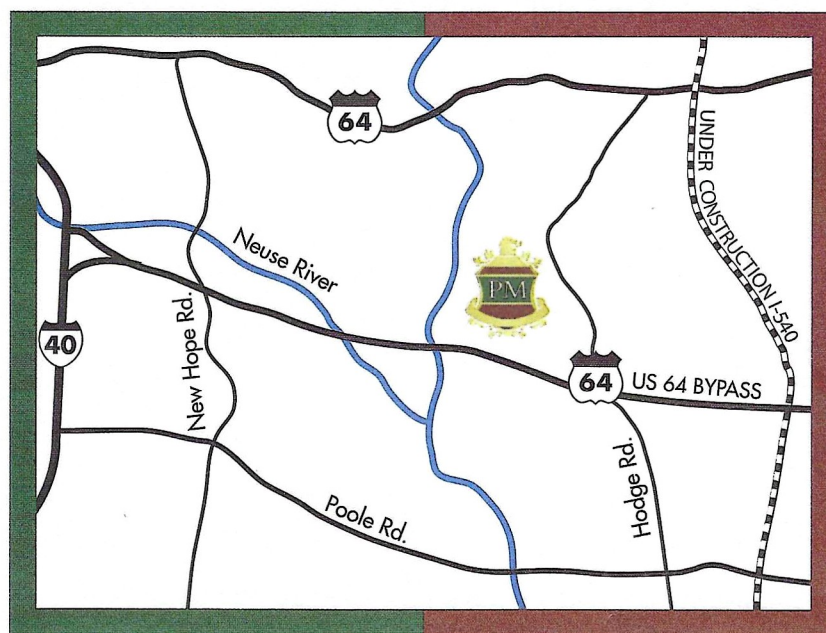

• RECREATION AREAS •

The Center Green at Princeton Manor provides a central meeting place with opportunities for social interaction at many levels. Whether you're there to swim in the pool or to relax under the cabana and meet your neighbors for a game of cards, it's the time you spend together that will make it so special!

• WALKING TRAILS •

Princeton Manor is a pedestrian friendly neighborhood with over 26 acres of common space.

The community's extensive trail system extends from the Neuse River and ties into the greenway for the town of Knightdale, providing opportunities for outdoor recreation while preserving and creating open space.

A GREAT LOCATION ON HODGE ROAD, 4 MILES EAST OF
