Section 4. Special Assessments for Improvements and Additions. In addition to the annual assessments authorized by Section 4, the Association may levy special assessments for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto or addition to the Common Property. Section 5. Date of Commencement of Annual Assessments. The annual assessments provided for herein shall commence on the date (which shall be the first day of the month) fixed by the Board of Directors of the Association to be the date of commencement.

The first annual assessment shall be made for the balance of the calendar year and shall be payable in full within thirty (30) days after the first day of the month fixed for commencement. The assessments for any year after the first year, shall similarly be payable in full within thirty (30) days after the first day of January of said year.

The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3 hereto, as the remaining number of months in the year bear to twelve. The same reduction in the amount of assessment shall apply to the first assessment levied against any property which is hereafter added to the properties now subject to assessment at a time other than the beginning of any assessment period.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

EX8161PG2717

Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 7. Effect of Non-Payment of Assessment. The Personal Obligation of the Owner, the Lien; Remedies of Association. If the annual assessment or any special assessment is not paid on the date when due (being the dates specified in Section 5 hereof), then such assessment shall become delinquent and shall, together with interest thereon at the rate of ten (10%) percent per annum from the due date and cost of collection thereof as hereinafter provided, thereupon become a charge and continuing lien on the Lot and all improvements thereon, against which each assessment is made, in the hands of the then Owner, his heirs, devisees, personal representatives, successors in title and assigns.

If the annual assessment or any special assessment is not paid within thirty (30) days after the due date, the Association may bring an action at law against the Owner personally and/or foreclose the lien against the Lot, and there shall be added to the amount of such assessments the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court together with the costs of the action.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or Deed of Trust now or hereafter placed upon the properties subject to assessment.

Both the initial contribution and continuing monthly payment to Carolina Power & Light Company shall be the sole responsibility of each individual homeowner.

Section 2. Water and Waste Water Utility Service. The City of Raleigh is duly franchised by the North Carolina Utilities Commission and will be providing water utility and waste water treatment service to the homeowners in Battle Ridge Subdivision.

Because of the difficulty of disconnecting a homeowners' sewer service for non-payment of the monthly sewer utility charge, the Declarant has agreed with the City of Raleigh, its successors and assigns, that in the event a homeowner fails to pay its monthly sewer utility charge, as approved by the North Carolina Utilities Commission, then the City may, at its election, disconnect and discontinue water service to the delinquent homeowner until such time as the monthly utility charge has been paid in full. All costs of reconnecting the water service shall be the sole responsibility of the homeowner.
