- (b) the right of the Association to suspend the voting rights and right to use of the recreational facilities by an Owner for any period during which any assessment against his Lot or Condominium Unit remains unpaid; and for a period not to exceed 60 days for any infraction of its published rules and regulations and the right of the Association to enforce the suspension of the right to use recreational facilities by barring an Owner's use of facilities or requiring an Owner to immediately have the facilities or by any other means established by the Board of Directors;
- (c) the right of the Association to dedicate and transfer the portion of the Common Open Space on which the well site(s) is/are located together with all necessary non-contamination easements to a private utility company which enters into a contract with the Association to maintain the site(s) and pumping facilities and supply water to all Owners, upon unanimous agreement of the Board of Directors, and dedicate or transfer all or any part of the Common Open Space to any public agency or authority, or public or private utility for such purposes and subject to such conditions as may be agreed to by the members, provided, however, that the Association shall not convey ownership of that portion of the Common Open Space upon which any waste water treatment plants providing sewage disposal for River Mill Development are located, without the prior approval of the County, which approval shall not be unreasonably withheld or delayed. Except as provided above and in Article X, no such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer signed by two-thirds of each class of members has been recorded.

(d) In case of any emergency originating in or threatening any Lot or Condominium Unit, regardless of whether the owner is present at the time of such emergency, the Board of Directors of the Association, or any other person authorized by it, or the Managing Agent, if any, shall have the right to enter such Lot or Condominium Unit for the purposes of remedying or abating the cause of the emergency, and such right of entry shall be immediate.

(e) Whenever it may be necessary to enter any Lot or Condominium Unit for the purpose of performing any maintenance, alteration or repair as provided herein, the Owner of each Lot and Condominium Unit shall permit other owners or their representatives, or the duly authorized Agent of the Association, to enter such Lot or Condominium Unit for such purpose, provided that the entry shall be made only at reasonable times and with reasonable advance notice.

In addition to these easement rights which the Declarant shall possess as long as it is an Owner, the Declarant shall have those rights and easements reserved in Article X.

Section 2. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Open Space and facilities to the members of his family, his tenants, or contract purchasers who reside on the property.

Section 3. Parking Rights. Ownership of each Lot and Condominium Unit shall entitle the Owner thereof to the use of 2 automobile parking spaces, which shall be as near and convenient to said Lot or Condominium Unit as reasonably possible, together with the right of ingress and egress in and upon said parking area. The Association shall permanently assign vehicle parking spaces for each dwelling.

Class A. Class A members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot or Condominium Unit owned. When more than one person holds an interest in any Lot or Condominium Unit, all such persons shall be members. The vote for such Lot or Condominium Unit shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot or Condominium Unit.

Class B. The Class B member(s) shall be the Declarant and shall be entitled to as many votes as constitute 51% of the vote of the Association; provided that Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) filing by the Declarant of an Amendment to this Declaration stating that it has relinquished control of the Association, or

(b) five years following the conveyance of the first Lot or Condominium Unit, or

(c) 120 days after 75% of all Units in Phase I of River Mill Condominium have been conveyed to Condominium Unit Owners provided that if Declarant constructs additional dwellings prior to the sale of 75% of the Units in the first phase, then 120 days after 75% of all dwellings have been conveyed to Owners.

Upon the conversion of Class B membership to Class A membership, Class A shall include all Owners including the Declarant.

The Association shall not be bound directly or indirectly to contracts or leases (including a management contract) entered into prior to the Declarant's termination of control of the Association unless there is a right of termination of any such contract or lease without cause, which is exercisable without penalty at anytime after termination of control upon no more than 90 days written notice to the other party; provided, however, the Association shall not be able to change, alter, or terminate any provision of this Declaration, or of the Bylaws or Articles of Incorporation except by the amendment procedures provided for in such documents.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

The Association is given the authority to administer the operation and management of the Common Open Space and exterior maintenance of lots, it being recognized that the delegation of such duties to one entity is in the best interests of all the Owners. To properly carry out these duties, the Association will incur for the mutual benefit of all of the Owners, costs and expenses which are sometimes herein referred to as "common expense." In order to provide the funds necessary for such proper operation, management and capital improvement, the Association is granted the right to make, levy and collect assessments from the Owners and against the Lots and Condominium Units. In furtherance of this grant of authority, the following provisions shall be operative and binding upon the Owners of all the Lots and Condominium Units.

Section 1. All assessments levied against the Owners and their Lots and Condominium Units shall be uniform. Should the Association be the Owner of a Lot or Condominium Unit, the assessment which would otherwise be due and payable on account of such Lot or Condominium Unit reduced by the amount of income which

may be derived from the leasing of such Lot or Condominium Unit by the Association, shall be apportioned and assessment therefor levied ratably among the Owners of all Lots and Condominium Units which are not owned by the Association.

Section 2. Assessments provided for herein shall be payable in monthly installments, or in such other installments and at such other times as may be determined by the Board of Directors of the Association. Such assessments shall commence for each Lot and Condominium Unit upon the recording in the Wake County Public Registry of the deed from the Declarant conveying the first Lot or Condominium Unit. Lots and Condominium Units not conveyed by the Declarant which remain unoccupied shall be assessed at a rate equal to 25% of the rate of Lots and Condominium Units conveyed for the first 60 days from the commencement of assessments. Thereafter all Lots and Condominium Units shall be fully assessed.

Section 3. The Board of Directors of the Association shall establish an Annual Budget in advance for each fiscal year (which shall correspond to the calendar year, except that in the initial year of operation the fiscal year shall commence with the closing of the sale of the first Condominium Unit or Lot). Such Budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the Common Open Space and the exterior maintenance of Lots including a reasonable allowance for contingencies and reserves, such Budget to take into account projected anticipated income which is to be applied in reduction of the amounts required to be collected as an assessment each year. The Board of Directors shall keep separate, in accordance with Section 4 hereof, items relating to operation and maintenance from items relating to capital improvements.

Section 4. The Board of Directors of the Association, in establishing the Annual Budget, may designate therein a sum to be collected and maintained as a reserve fund for replacement of and capital improvements to the Common Open Space and exterior maintenance of Lots, which Capital Improvement and Replacement

Fund (Capital Improvement Fund) shall be for the purpose of enabling the Association to replace structural elements and mechanical equipment constituting a part of the Common Open Space and exterior maintenance of Lots, as well as the replacement of personal property which may constitute a portion of the Common Property of the Association held for the joint use and benefit of the Owners. The amount collected for the Capital Improvement Fund shall be kept in a separate account by the Association and such monies shall be used only for the purposes set forth above. Any interest earned on monies in the Capital Improvement Fund may, in the discretion of the Board of Directors, be expended for current operation and maintenance. Each Owner shall be deemed to own an equal portion of the Capital Improvement Fund. However, such balance shall not be subject to withdrawal by an Owner. A Working Capital Fund shall be established for the initial months of operation in an amount equal to at least two months' estimated common area charge for each Lot and Condominium Unit. Each Lot and Condominium Unit's share of the Working Capital Fund must be collected and transferred to the Condominium Association at the time of closing of the sale of each Lot or Condominium Unit and maintained in a segregated account for the use and benefit of the Association. Amounts paid to this fund shall not be considered as advance payment of regular assessments.

Section 5. All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense proper to the undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the By-Laws of the Association. As monies for any assessment are paid into the Association by any Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom or from the leasing or use of the Common

Open Space, shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Condominium Unit or Lot. When the Owner of a Condominium Unit or Lot shall cease to be a member of the Association by reason of his divestment of ownership of such Condominium Unit or Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Condominium Association, or which have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association.

Section 6. The payment of any assessment or installment thereof shall be in default if such assessment or installment is not paid to the Association within 30 days of the due date for such payment. When in default, the delinquent assessment or installment thereof due to the Association shall bear interest from the due date at the highest rate allowed by law until such delinquent assessment or installment and all interest due thereon has been paid in full to the Association.

Section 7. Each Owner shall be personally liable, jointly and severally, to the Association for the payment of all assessments, regular or special, which may be levied by the Association against such Condominium Unit or Lot while such party or parties are the Owner of a Condominium Unit or Lot. In the event that any Owner is in default of payment of any assessment or installment thereof, such Owner shall be personally liable, jointly and severally, for interest on such delinquent assessment or installment thereof as above provided, and for all costs of collecting such assessment or installment and interest thereon, including a reasonable attorney's fee, whether suit be brought or not.

Section 8. No Owner may exempt himself from liability for any assessment levied against him or his Lot or Condominium Unit by waiver of the use of enjoyment

of any of the Common Open Space, or by abandonment of the Lot or Condominium Unit or in any other way.

Section 9. Recognizing that proper operation and management of the requires the continuing payment of costs and expenses therefor, and that such proper operation and maintenance results in benefit to all of the Owners, and that the payment of such common expenses represented by the assessments levied and collected by the Association is necessary in order to preserve and protect the investment of each Owner, the Association is hereby granted a lien upon each Lot and Condominium Unit, which lien shall secure and does secure the monies due for all assessments now or hereafter levied against each Owner and his Lot or Condominium Unit, which lien shall also secure and does secure all costs and expenses, including a reasonable attorney's fee, which may be incurred by the Association in enforcing this lien. The lien granted to the Association may be foreclosed in the same manner that real estate deeds of trust and mortgages may be foreclosed in the State of North Carolina, and in any suit for the foreclosure of said lien, the Association shall be entitled to a reasonable rental from the Owner of any Condominium Unit or Lot from the date on which the payment of any assessment or installment thereof became delinquent, and shall be entitled to the appointment of a Receiver for said Condominium Unit or Lot. The lien granted to the Association shall further secure such advances for taxes, and payments on account of superior mortgages, liens and encumbrances which may be required to be advanced by the Association in order to preserve and protect its lien, and the Association shall further be entitled to interest at the highest rate allowed by law on any such advances made for such purpose. All persons, firms or corporations who shall acquire, by whatever means, any interest in the ownership of any Lot or Condominium Unit, or who may be given or acquire a mortgage, lien or other encumbrance thereon, are hereby placed on notice of the lien rights granted to the Association, and shall acquire such interest in any Condominium Unit or Lot expressly subject to such lien rights of the Association.

Section 10. The lien herein granted to the Association shall be enforceable from and after the time of recording a claim of lien in the Clerk of Superior Court of Wake County, North Carolina, which claim shall state the description of the Condominium Unit or Lot encumbered thereby, the name and address of the record Owner, the amount due and the date when due. The claim of lien shall be recordable any time after default and the lien shall continue in effect until all sums secured by said lien as herein provided have been paid. Such claims of lien shall include only assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorney's fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided. Such claim of lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record.

The lien provided for herein shall be subordinated to the lien of any mortgage or deed of trust. Any person, firm or corporation acquiring title to any Condominium Unit or Lot by virtue of any foreclosure, deed in lieu of foreclosure or judicial sale, shall be liable and obligated only for assessments as shall accrue and become due and payable subsequent to the date of acquisition of such title, and it shall not be liable for the payment of any assessments where in default and delinquent at the time it acquired such title. In the event of the acquisition of title to a Condominium Unit or Lot by foreclosure, deed in lieu of foreclosure or judicial sale, any assessment or assessments as to which the party so acquiring title shall not be liable shall be absorbed and paid by the Owners of all the Lots and Condominium Units as a part of the common expense, although nothing herein contained shall be construed as releasing the party liable for such delinquent assessment from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.

Section 11. Whenever any Lot or Condominium Unit may be leased, sold or mortgaged by the Owner thereof, the Association, upon written request of the Owner, shall furnish to the proposed lessee, purchaser or mortgagee, a statement verifying the status of payment of any assessment which shall be due and payable to the Association by such Unit. Such statement shall be executed by any officer of the Association, and any lessee, purchaser or mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction, and the Association shall be bound by such statement.

In the event that a Lot or Condominium Unit is to be leased, sold or mortgaged at the time when payment of any assessment against the Owner of said Lot or Condominium Unit due to the Association shall be in default (whether or not a claim of lien has been recorded by the Association), then the rent or the proceeds of such purchase or mortgage transaction shall be applied by the lessee, purchaser or mortgagee first to the payment of any then delinquent assessment or installments thereof due to the Association before the payment of any rent, proceeds of purchase or mortgage proceeds to the Owner of any Lot or Condominium Unit who is responsible for payment of such delinquent assessment.

In any voluntary conveyance of a Lot or Condominium Unit, the purchaser thereof shall be jointly and severally liable with seller for all unpaid assessments against seller made prior to the time of such voluntary conveyance, without prejudice to the rights of the purchaser to recover from seller the amounts paid by the purchaser therefor.

Institution of an action at law to attempt to effect collection of the payment of any delinquent assessment shall not be deemed to be an election by the Association which shall prevent it from thereafter seeking, by foreclosure action, enforcement of the collection of any sums remaining due, nor shall proceeding by foreclosure to attempt such collection be deemed to be an election

precluding the institution of a suit at law to collect any sum then remaining owing to the Association.

Section 12. Exempt Property. All property dedicated or transferred to, and accepted by, a local public agency or authority, public or private utility and all properties owned by a charitable organization shall be exempt from assessments.

Section 13. Register of Owners. The Association shall at all times maintain a register containing the names and addresses of all Lot and Condominium Owners. Owners shall notify the Association of the parties holdings or mortgage or mortgages on their Lot or Condominium Unit.

ARTICLE V

ARCHITECTURAL CONTROL

No Owner other than Declarant shall commence, construct, or maintain any building, fence, wall or other structure upon the Properties, or make any exterior addition to or change or alteration until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of 3 or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within 60 days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VI

EXTERIOR MAINTENANCE

In addition to maintenance upon the Common Open Space, the Association shall provide exterior maintenance upon each Lot as follows: paint, repair,

replace and care of roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, plantings, walks, and other exterior improvements. Such exterior maintenance shall not include glass surfaces. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access over and upon each Lot at all reasonable times to perform maintenance as provided in this Article.

In the event that the need for maintenance, repair or replacement is caused through the willful or negligent act of the Owner, his family, guests, or invitees, or is caused by fire, lightning, windstorm, hail, explosion, riot, riot attending a strike, civil commotion, aircrafts, vehicles, and smoke, as the foregoing are defined and explained in North Carolina Standard Fire and Extended Coverage insurance policies, the cost of such maintenance, replacement, or repairs, shall be added to and become a part of the assessments to which such Lot is subject without a vote of the Association or the consent of the Owner.

Note of Explanation: The exterior maintenance of buildings situated or to be built upon Condominium Lots is the responsibility of the River Mill Condominium Owners Association, Inc., and is covered by separate assessments which are paid to that Association by Owners of Condominium Units.

ARTICLE VII

PARTY WALLS

Section 1. General Rules of Law to Apply. Except for buildings constructed on Condominium Lots, each wall which is built as any part of the original construction of the dwelling units upon the Properties and place on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Lot Owners who make use of the wall in proportion of such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Lot Owner who has used the wall may restore it, and said Lot Owner shall have an easement over and across the property of adjacent Owners for the purpose of constructing and restoring the wall, and if the other Lot Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, a Lot Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs With Land. The right of any Lot Owner to contribution from any other Lot Owner under this Article shall be appurtenant to the land and shall pass to such Lot Owner's successors in title. Upon request any Lot Owner shall furnish a written, signed statement as to whether that Lot Owner claims any rights of contribution from any other Lot Owner or Owners.

Section 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators.

USE RESTRICTIONS

Section 1. Land Use and Building Type. No Lot or Condominium Unit shall be used except for residential purposes.

Section 2. Nuisance. No noxious or offensive activity shall be conducted upon any Lot or Condominium Unit nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

Section 3. Animals. No animals, livestock or poultry of any kind shall be kept or maintained on any Lot or Condominium Unit except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes.

Section 4. Outside Antennas. No outside radio or television antennas shall be erected on any Lot or Condominium Unit within the Properties unless and until permission for the same has been granted by the Board of Directors of the Association or its architectural control committee pursuant to Article V herein.

ARTICLE IX

RESERVATION OF DEVELOPMENT RIGHTS

Section 1. Anything contained in this Declaration to the contrary notwithstanding, the Declarant may in its sole discretion develop the property described in Exhibit A into a residential development consistent with applicable law at the time of any such development, but in no event consisting of a total of no more than 200 dwelling units, including Condominium Units. At this time the property described in Exhibit A is zoned R-30, which allows no more than 51 dwelling units to be constructed under the COSD zoning provisions of Wake County. Declarant's immediate construction plans are to convert the two granite structures on the Property into 35 condominium units. These condominiums are collectively known as River Mill Condominium and are Phase I of the River Mill Development. Declarant may in its sole discretion construct an additional 14 to 16 dwelling

units as Phase II of River Mill, which may be in the form of either Condominium Units contained in a separate building or buildings, townhouses, or detached single family dwellings. The construction of these additional dwellings shall take place within 7 years of the date of the recording of this Declaration. The Declarant reserves the right for a period of 20 years from the recording of this instrument to petition for rezoning of all of the property described in Exhibit A to a classification which would allow up to 200 dwelling units. The Association, each Owner of a Lot or Condominium Unit, and each holder of any mortgage or deed of trust on any Lot or Condominium Unit hereunder shall be deemed to have consented to any and all actions and petitions for rezoning, and for the purpose of such rezoning shall be deemed to have given the Declarant an irrevocable power of attorney, coupled with an interest, to effectuate such rezoning. No Owner of a Lot or Condominium Unit Owner nor any holder of any mortgage or deed of trust of any Lot or Condominium Unit shall take any action to oppose or delay such rezoning; nor shall the Association take any action to oppose or delay such rezoning. Each Owner agrees to promptly execute any and all documents necessary to effectuate such rezoning at the request of the Declarant. Likewise, the Association shall promptly execute any and all documents necessary to effectuate such rezoning at the request of the Declarant. The Association or any Owner or Mortgage Holder that takes any action to oppose or delay the proposed rezoning shall be jointly and severally liable for the payment as liquidated damages and not as a penalty the sum which Declarant would have received had the rezoning request been approved. The amount payable to the Declarant shall be computed as follows: The average fair market value of the existing dwelling units in River Mill Development shall be determined by appraisal. That average shall be multiplied by the maximum number of additional dwelling units which could have been constructed had the rezoning request of the Declarant been approved. 20% of this amount shall be the sum which shall be immediately due and payable to the Declarant. In addition

to the remedy set forth in this Article IX, Section 1, and the provisions of Article XI, Section 1, Declarant reserves the right and may pursue any other remedies at law or in equity to enforce any of its rights hereunder, including without limitation the right to develop further the property described in Exhibit A. Any Owner of any Lot or Condominium Unit, or the Association, as the case may be, shall be responsible for the Declarant's legal fees and expenses in the event the Declarant commences a proceeding to enforce its rights and prevail in whole or in part. The Declarant, Owner of a Lot or Condominium Unit, and the Association, as the case may be, waive their respective rights, if any, to a trial by jury in any proceeding to enforce the Declarant's rights hereunder. The Owner of a Lot or Condominium Unit and the Association, as the case may be, waive their respective rights, if any, to interpose any set-off or counterclaim against the Declarant in any proceeding to enjoin the Declarant hereunder.

In the event that rezoning occurs within the time specified, it is contemplated that the Developer will construct additional dwelling units, provided that the total number of units shall not exceed 200. Construction of such units shall be completed within 30 years of the date of recording of this Declaration.

Section 2. All dwelling units to be created through renovation of existing buildings on the Properties or by new construction shall be located on tracts designated as "Condominium Lot" or as "private lot and associated parking." These tracts are not a part of the Common Open Space. The Declarant may change the designation of any "private lot and associated parking" to "Condominium Lot," by recording a plat in the Register of Deeds of Wake County showing the change in designation. The Declarant may subdivide any tract designated as "private lot and associated parking" into multiple Lots, by recording a plat in the Register of Deeds of Wake County showing the subdivision. Assessments on newly created Condominium Units and Lots shall commence on the date of recording of the Amendment to the Declaration of Condominium making the Condominium Units

a part of River Mill Condominium and recording of the plat showing the Lots created by subdivision, respectively. Each newly created Condominium Unit and Lot shall be assessed the same annual assessments and special assessments as each previously existing Condominium Unit and Lot.

Section 3. The Declarant may construct, extend, alter and otherwise provide for roads, drives, parking areas, access and services areas on, over and across the Common Open Space as the Declarant deems necessary for the purpose of exercising the development rights contained in the Article and the easement rights contained in Article X.

ARTICLE X

EASEMENTS

Section 1. The Declarant hereby reserves the right of ingress, egress and regress over and across the Common Open Space for all pedestrian and vehicular traffic reasonable and necessary for the purposes of constructing additional Condominium Units on Condominium Lots, constructing townhouses, patio homes, detached single family dwellings, or other dwellings on Lots owned by Declarant, completing improvements, making repairs to improvements, and maintaining marketing facilities, and any act deemed necessary by the Declarant to further develop the Properties.

Section 2. Declarant shall have the right to enlarge, expand and extend any waste water treatment facility, well or water supply, water lines, sewer line, electric utility line, gas line, cable TV lines, and any other such services lines and facilities on, over and across the Common Open Space as the Declarant deems necessary for the purposes of further developing the Properties, exercising the easement rights contained in this Article and the development rights contained in Article IX. The Board of Directors shall execute all easements and other documents requested by Declarant for these purposes, granting easements and rights to the Declarant or to the utility company or other party designated by the Declarant.

Section 3. Unintentional Encroachments. In the event that any structure erected principally on any Lot or Condominium Lot shall encroach upon any Common Open Space or upon any other Lot or Condominium Lot for any reason not caused by the purposeful or negligent act of its Owner or agents of such Lot or Condominium Lot, then an easement appurtenant to such Lot or Condominium Lot shall exist for the continuance of such encroachment upon the Common Open Space or other Lot or Condominium Lot for so long as such encroachment shall naturally exist; and, in the event that any portion of the Common Open Space shall encroach upon any Lot or Condominium Lot, then an easement shall exist for the continuance of such encroachment of the Common Open Space into any such Lot or Condominium Lot for so long as such encroachment shall naturally exist.

ARTICLE XI

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner including the Declarant, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration.
