RE: 2025 Termite Inspection Notice

It is time once again for the annual termite inspection for the Autumn Woods Owners Association. The termite inspection has been scheduled for the following day:

Wednesday, November 19, 2025, from 8:00am to 4:00pm

The inspection will be handled by Pest and Termite Consultants, Inc.

During this inspection, they will need to enter each home. Owners or tenants can make an appointment for that day between 8:00am - 4:00pm, call **Pest and Termite Consultants, Inc. at 919-870-8003.**

The inspector will need to access the first floor of each unit, garages, storage room, and crawl space. Please make arrangements (either with a friend or a neighbor) to have them unlocked during the inspection times if you will not be home. The termite inspection is included in your annual assessments. If your unit is not inspected on an annual basis, as the owner you may be liable for damages occurring to your unit or a neighboring unit.

Should you have any questions or concerns regarding the termite contract and inspections call **Pest and Termite Consultants, Inc. at 919-870-8003.**
