Highlights

- Desirable end-unit townhome featuring 3 bedrooms, 2.5 baths, fresh interior paint, enhanced privacy, and abundant natural light.
- Thoughtfully designed floor plan with spacious living areas, generous storage, custom 4½-inch plantation shutters on the main level, and custom window shades throughout.
- Well-appointed kitchen with stainless steel appliances, including a gas range, ideal for everyday living and entertaining.
- Inviting living room featuring a custom picture rail for displaying artwork, family photos, or seasonal décor.
- Private outdoor living with a screened porch and adjoining patio overlooking a peaceful wooded backdrop.
- Convenient parking with an attached one-car garage plus a widened driveway offering additional parking for guests.
- Walkable lifestyle just minutes from downtown Wake Forest's restaurants, Farmers' Market, library, post office, parks, breweries, festivals, and community events.
- Quiet neighborhood setting in the sought-after Retreat at Renaissance, combining everyday convenience with tranquil wooded views.
