

Upgrades and Features

New Roof To Be Installed August 18th

The current roof is original (2007) and the sellers have elected to have a new roof installed to give the new owners peace of mind for many years to come!

HVAC 2021/Windows 2022/Tankless Water Heater

The home's big-ticket updates have already been completed, allowing you to focus on settling in instead of planning costly replacements.

Kitchen Refrigerator, W/D and Wine Fridge Convey

Truly move-in ready! The kitchen is also equipped with a double oven-perfect for entertaining!

The Space

Thoughtfully designed 3 bedroom, 2.5 baths + loft. Updated fixtures, timeless finishes, a neutral color palette, and hardwood floors create a warm, move-in ready feel

Fully Fenced Backyard

Fully fenced backyard with a 2024 fence, established landscaping and an attached storage shed

The Neighborhood

Bowling Green offers a clubhouse, pool, kiddie pool and playground just up the street! And you're 10 minutes from downtown Wake Forest!
