ARTICLE IV COVENANT FOR MAINTENANCE AND ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner for any Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay: (a) to the Association: (i) annual assessments or charges; (ii) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided; and (b) to the appropriate governmental taxing authority: (i) a pro rata share of ad valorem taxes levied against the Common Area; and (ii) a pro rata share of assessments for public improvements to or for the benefit of the Common Area if the Association shall default in the payment of either or both for a period of six (6) months. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments.

(a) The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Common Area; the maintenance of water and sewer mains in and upon the Common Area; the maintenance of open spaces and streets which have not been accepted for dedication to a public authority, roadway medians and islands (including medians and islands located in dedicated rights-of-way within the Properties), drives and parking areas within the Common Area; the procurement and maintenance of insurance in accordance with the By-Laws; the maintenance of dams and ponds or other bodies of water, if any, located within the Common Area; the maintenance of entrance ways, landscaping and lighting of Common Area, road medians and islands and entrance ways; the cost of operating, maintaining and repairing any street lights erected by the Association or the Declarant in the rights-of-way of streets (whether public or private) or in any other easement provided therefor within the Properties; the payment of charges for garbage collection and municipal water and sewer services furnished to the Common Area; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving, and any other major expense for which the Association is responsible; and such other needs as may arise.

(b) The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area and those other portions of the Properties which the Association may be obligated to maintain. Such reserve fund

is to be established out of regular assessments for common expense.

(c) All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Properties, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the By-Laws of the Association. As monies for any assessment are paid to the Association by any Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his member ship interest therein, except as an appurtenance to his Lot. When any Owner shall cease to be a member of the Association by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Properties.

Section 3. Maximum Annual Assessment. Until December 31 of the year of the conveyance of the first Lot to an Owner, the maximum annual assessment shall be \$ 300.00 per Lot and \$ 600.00 per Family Living Unit.

(a) The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter shall be automatically increased each year by the greater of the amount of ten percent (10%) of the maximum annual assessment of the previous year or a percentage equal to the percentage increase reflected by the U.S. city average, Consumer Price Index-United States (published by the U.S. Bureau of Labor Statistics, Washington, D.C., or such other index as may succeed the Consumer Price Index, for the twelve month period ending immediately preceding July 1. In the event the Board of Directors of the Association, determines by majority vote, that the important and essential functions of the Association may be properly funded by an assessment less than the maximum regular annual assessment, the Association Board of Directors may vote to adjust the regular annual assessment less than the maximum amount, however, the Board of Directors may not reduce the assessments below those set out in this Section 3 without the written consent of the Declarant so long as Declarant owns any of the Properties, since the Declarant is engaged in the development of properties that are subject to the terms of this declaration. Any reduction of the maximum annual assessment for any one or more years shall not affect the right the levy an annual assessment equal to the maximum annual assessment in subsequent years as though there had been no reduction in the annual assessment for any prior year. For example, if the Board desires to charge the maximum assessment for years 2000-2005, but votes not to charge the maximum amount for 2006-2008, the Association may charge a maximum annual assessment in 2009 based on an increase in the

maximum assessment that would have been permitted in 2008 had the association chosen to charge the maximum assessment in the years 2006-2008.

(b) The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter may be increased without limit by a vote of the Members entitled to cast at least two-thirds (2/3) of the votes of each class of Members who are voting, in person or by proxy, at a meeting duly called for this purpose.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment for the purpose of defraying in whole or in part the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of the Members entitled to cast at least two thirds (2/3) of the votes of each class of Members who are voting, in person or by proxy, at a meeting duly called for this purpose. All special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 5. Notice And Quorum For Any Action Authorized Under Sections 3 And 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Working Capital Fund. At the time of closing of the sale of each Family Dwelling Unit from the builder to the third-party owner, a sum equal to at least two (2) months assessment for each Lot (based on the monthly portion of the maximum annual assessment in effect at the time of the sale) shall be collected from the third-party Owner and transferred to the Association to be held as a working capital fund. The purpose of said Fund is to insure that the Board of Directors of the Association will have adequate cash available to meet unforeseen expenses, and to acquire additional equipment or services deemed necessary or desirable. Amounts paid into the Fund shall not be considered advance payment of regular assessments.

Section 7. Rate of Annual Assessment. Both annual and special assessments shall be fixed at a uniform rate for Lots and Family Dwelling Units.

Section 8. Date and Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to a Lot on the first day of the month

following the conveyance of the Lot from the Declarant to any builder. The annual assessments for any Family Dwelling Unit shall commence on the first day of the month following conveyance of the Lot from the builder to any third-party other than the Declarant. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days in advance of each annual assessment period, the Board of Directors shall establish an annual budget and determine whether the annual assessments for the following year shall be less than the maximum regular annual assessment as provided in Section 3 of this Article IV. In the event the Board of Directors does not determine that the annual assessments shall be reduced, then the annual assessments shall be as provided in Section 3, Article IV. Upon adoption by the Board of the budget and annual assessments amount, the Board shall deliver copies of same to every Owner subject there to; provided, however, that failure to deliver a copy of the budget and annual assessments amount shall not affect the liability of Owners for assessments. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 9. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien created herein against the property in the same manner as prescribed by the laws of the State of North Carolina for the foreclosures of Deeds of Trust, and interest, costs and reasonable attorney's fees for representation of the Association in such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessment provided for herein by nonuse of the Common Area or abandonment of his Lot nor shall damage to or destruction of any improvements on any Lot by fire or other casualty result in any abatement or diminution of the assessments provided for herein.

Section 10. Effect of Default in Payment of Ad Valorem Taxes or Assessments for Public Improvements by Association. Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Area or assessments for public improvements to the Common Area, which default shall continue for a period of six (6) months, each Owner of a Lot in the development shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Lots in the development. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the Lot of the then Owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the Owner.

Section 11. Subordination of the lien to mortgages. The liens provided for herein shall

be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien or liens provided for in the preceding section. However, the sale or transfer of any Lot which is subject to any such first mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which become due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust.

Section 12. Exempt Property. All property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE V ARCHITECTURAL CONTROL

Section 1. Purpose. The primary purpose of these covenants and restrictions and the foremost consideration in the origin of same has been the creation of a community which is aesthetically pleasing and functionally convenient. The establishment of certain objective standards relating to design, size and location of dwellings and other structures makes it impossible to take full advantage of the individual characteristics of each parcel of Properties and of technological advances and environmental values. In order to implement the purposes of these covenants, the Declarant shall establish and amend from time to time objective standards and guidelines, including, but not limited to, Architectural Standards and Construction Specifications, Uniform Sign Regulations, Uniform Mailbox Regulations, Landscape Guidelines, and Environmental Rules and Regulations as defined hereinafter, and which shall be binding on all Owners within the Properties.

Section 2. Controls.

(a) No building, fence, or other structure shall be erected, placed, or altered, nor shall a building permit application for such improvement be made on any Lot in Properties until the proposed building location, specifications, exterior materials and color or finish, plot plan (showing the proposed location of such building or structure, drives, and parking areas, exterior shape, size and height) shall have been approved in writing by the Declarant, or by the Architectural Review Board of the Association if such review responsibility has been delegated to the Association by the Declarant. In addition, the Declarant may require prior written approval of a landscape plan. The Declarant further reserves the right to promulgate and amend from time to time architectural standards and construction specifications (hereinafter referred to as the "Architectural Standards and Construction Specifications") for specific neighborhoods and areas or for all Properties within the Properties and such Architectural Standards and Construction

Specifications shall establish, define, and expressly limit those standards and specifications which will be approved in said neighborhoods and areas or within the Properties, including, but not limited to, architectural style, exterior color or finish, roofing material, siding material, driveway material, landscape design, and construction technique. Refusal or approval of plans, location, exterior color or finish, or specifications may be based by the Declarant upon any ground, including purely aesthetic considerations, which in the sole and uncontrolled discretion of the Declarant shall seem sufficient. No alteration in the exterior appearance of any building or structure, including exterior color or finish, shall be made without like prior written approval by the Declarant. One (1) copy of all plans and related data shall be furnished the Declarant for its records. In the event approval of such plans is neither granted nor denied within sixty (60) days following receipt by the Declarant of written demand for approval, the provisions of this paragraph shall be thereby waived.

(b) In order to assure that buildings and other structures will be located and staggered so that the maximum view, privacy, sunlight, and breeze will be available to each building or structure within the confines of the Lot, and to assure that structures will be located with regard to the topography of the Properties, taking into consideration the location of large trees and other aesthetic and environmental considerations, the Declarant reserves the right to control absolutely and solely to decide (subject to the provisions of the Zoning Ordinance of the County of Wake or the Town of Cary, North Carolina, whichever is applicable) the precise site and location of any building or structure on any Lot in the Properties for reasons which may in the sole and uncontrolled discretion and judgment of the Declarant seem sufficient. Such location shall be determined only after reasonable opportunity is afforded the Owner to recommend a specific site. The provisions of this paragraph shall in no way be construed as a guarantee that the view, privacy, sunlight, or breeze available to a building or structure on a given Lot shall not be affected by the location of a building or structure on any adjacent Lot.

(c) Each Owner shall provide space for the parking of automobiles off public street prior to the occupancy of any building or structure constructed on said Lot in accordance with reasonable standards established by the Declarant.

(d) Except as may be required by legal proceedings, no sign shall be erected or maintained on any Lot that anyone including, but not limited to, an Owner, a tenant, a realtor, a contractor, or a subcontractor, until the proposed sign size, color, content, number of signs, and location of sign(s) shall have been approved in writing by the Declarant. Refusal or approval of size, color, content, number of signs, or location of sign(s) may be based by the Declarant upon any ground, including purely aesthetic considerations, which in the sole and uncontrolled discretion of the Declarant seems sufficient. The Declarant further reserves the right to promulgate and amend from time to time uniform sign regulations (the "Uniform Sign Regulations") which shall establish standard design criteria for all signs, including, but not limited to, real estate sales signs, erected upon any Lot in the Properties.

The Declarant and its agent shall have the right, whenever there shall have been placed or
